

ONE OF THE DISPLAYS AT HORTICULTURAL SHOW

The display made by the McIntyre Mines at the Horticultural Show was remarkable not only for the profusion of perfect flowers, but also for the strikingly artistic arrangement and design.

Timmins Legion Hears Reports of Legion Convention

(Continued on Page Six)
club. Wednesday morning session, 9 to 12; afternoon 2 to 6 p.m. In addition there were more meetings during the noon hours and intervals which the delegates attended. In closing his review President Greaves, read a portion of the provincial president's address.

Comrade W. A. Devine, gave the members much useful information in regard to pension matters, Service Bureau work, and the Poppy Fund, opening his remarks with reference to the War Veterans Allowances. This showed that 24,000 veterans are now in receipt of this grant in Canada, with an outlay by the government of over \$7,000,000 per annum. Hundreds have joined the Veterans' Guard, and other recipients have received employment due to the war. Special interviews were conducted both at St. Catherine's and Toronto with various government departments and the speaker was in a position to state that several cases had been finally settled by his presence on this behalf. An earnest appeal is to be made to have the greatest return from Poppy Day this year. Funds which are by order kept separate from all branch accounts are to be apportioned so that a fund is created for the men and dependants of the present army, upon their return to civilian life.

Reviewing resolutions in his own sphere Comrade Devine, stated that the increase of allowance to mothers to equal that of wives, will no doubt be announced shortly. Cost of living bonus was asked for on all pensions and other grants. This, he was assured, is at present receiving the attention of the departments.

Comrade R. Russell, read the resolutions of most importance to local members of the Legion, not overlooking the one demanding "All-Out Conscriptio" to help win the war. The Defence of the North, read like a railway timetable — Timmins, South Porcupine, Cochrane, etc.—but the delegates from the North whose towns were not included wanted theirs in as well so the resolution was amended and read "All industries of the North, and other vital points, etc." and carried on from there as previously recorded in newspapers throughout the North.

The proper regard and respect of the Union Jack, when carried on parades and ceremonies was given a thorough discussion. Evidence was brought forward of utter disregard of the flag, even among veterans of the last war, officers and men of the present war. A committee of three were elected to bring in a report on this matter and all branches were urged to give this their closest attention.

The sale of ship models, from German prison camps was deplored by the convention, and this was ordered stopped at once.

Free Transportation: increases of pay to guards at vital points, with cost of living bonus added; free treatment in hospitals for all veterans of the last war under Class 18, the word "remedial" being removed from the act; War Veterans Allowance to be paid Imperial veterans, residing in Canada since 1930; rehabilitation problems of the present forces and many others of a similar nature held the delegates busy the entire three days. Over 80 resolutions, were on the agenda, 60 p.m. of which were on behalf of those serving in the present war.

All the delegates were given hearty vote of thanks for their reports. The meeting closed with singing the National Anthem.

Two Silver Wedding Anniversaries at South Porcupine

South Porcupine, Aug. 27.—(Special to The Advance)—Congratulations to Mr. and Mrs. Geo. Wilson Rayner who celebrated their silver wedding anniversary Saturday at their home, 11 Bloor Ave. Mr. and Mrs. Rayner, pioneer citizens, are the first couple married in the Porcupine to celebrate their silver anniversary here. Respected and highly esteemed residents of town they have resided here the greater part of their lives. Mrs. Rayner came here as a child with her parents, the late Mr. and Mrs. William Sheppard and family in 1903 and received her education in the first school in South Porcupine. Other families here at that time were the late Mr. and Mrs. J. B. Crawford and the late Mr. and Mrs. "Vestey" Kennedy. Mr. Rayner came here from Peterborough in 1910 as a prospector. Later he was proprietor of the Porcupine Motor Sales which is now the South End Garage. He is now an employee of Dome Mines.

Rev. Patterson was the officiating minister at their marriage which took place in the original Anglican Church in Timmins. Mrs. B. Frisby, now of Kemptonville, nee Miss Essie Costain, of town, was bridesmaid, and the best man was Rupert Sheppard of South Porcupine. Mrs. Rayner wore a gown of white satin with a full length veil made by Mrs. S. Sky, and her bridal bouquet had been grown in the garden of Bert Dewar, the only flower garden in town at that time.

During the afternoon and evening many friends dropped in to congratulate this esteemed couple. Mrs. Rayner wore a becoming street length dress of beige crepe with a shirred belt and jacket of British tan. A wedding gift from the groom twenty-five years ago, a diamond pendant, was her only jewelry. Her corsage was of sweet peas and baby's breath.

A delicious buffet lunch was served with Miss P. Kennedy and Mrs. S. Rock pouring tea, assisted by Mrs. J. Bawtinheim, Miss Nora Scanlon and Miss Irene Armstrong.

The table was centred by a large wedding cake topped by the miniature bride and groom which adorned the wedding cake twenty-five years ago.

It is a coincidence that Mr. and Mrs. Rayner and Mr. and Mrs. Thos. E. Farrell are neighbours and both couples celebrated their silver anniversary within a few days of each other. Furthermore each family has only one daughter—Miss Beulah Rayner and Mrs. C. Pearce, nee Miss Dorothy Farrell.

Mr. and Mrs. Thos. E. Farrell celebrated their silver anniversary Monday evening and are also pioneers of the North, coming here in 1916 from Shawville and were married in the Presbyterian parsonage in Timmins by Mr. S. M. Beach.

During the evening a large number of friends dropped in to congratulate them and they were the recipients of many beautiful gifts of silver and china.

Algonquins Start Fall Training on Tuesday Next Week

All Ranks of "D" Company Requested to be on Parade at Seven-Thirty Tuesday Night.

The Fall training campaign of the Algonquin Regiment, C. A. (R.) F. will begin next Tuesday evening. All ranks are requested to be on hand at the Armouries at 7.30 p.m. Lieut. G. G. Countryman issued orders for the regular parade yesterday and every man is expected to be present.

Beginning Tuesday, the local reserve unit will hold one parade each week until December, the officer said. Lieut. Countryman also pointed out that under the Militia Act any man who fails to report is liable to a stiff fine and the ruling of the Act would be applied to the men of "D" Company, the officer said.

Last week was one of the poorest weeks the recruiting office in Timmins has had for some time. Only seven men have been placed in the Army from Timmins in the past week from last Thursday. Two of the seven men recruited here were sent to Camp Borden to join the Provost Corps there, three were sent to Toronto, one was sent to the Algonquins at Camp Shilo and one was sent to the Royal Canadian Engineers in Noranda.

Armond Joseph Brazeau left Tuesday for Toronto where he will be attached to the Ordnance Corps. Abraham Shinton left last Saturday for Camp Borden where he will join the Provost Corps 12A. Bruce Wharton Rowlandson left on the same day to join the same unit. James Douglas Brown also left last Saturday for Camp Shilo where he will be stationed with the Algonquins. Last Thursday three men left, two of them, Emmett Newton and Eldin A. Beckett, going to Toronto, and Samuel Russell going to Noranda where he will be attached to the Royal Canadian Engineers.

The Armouries received a request yesterday to recruit eighty men for the Royal Canadian Regiment. The R.C.R. is the senior regiment of Canada and was one of the first to have representatives overseas. Qualifications to join the R.C.R. are that the recruit must be at least 5' 6" and must have Public School education. This Regiment is one of the finest in Canada and last summer one of its platoons came to Timmins and put on a show at the Hollinger Park.

The Porcupine District Medical Society was formed in 1925, and its mem-

bers are derived from the doctors practising in the Porcupine Camp, in an area which comprises Timmins, Schumacher and South Porcupine. The doctors in this area are active members of the Society, but the Society has for its associate members those doctors in Connaught, Iroquois Falls, Cochrane, Kapuskasing, Smooth Rock Falls and Hearst. The membership, like the Ontario Medical Association, is entirely voluntary, and now boasts for its membership over 98% of the practising physicians and surgeons in the camp.

The officers of this Society are as follows:—

- Dr. G. C. Armitage—President.
- Dr. E. A. J. McKittrick and Dr. J. E. Lewis—Vice-Presidents.
- Dr. J. D. Kinsman—Secretary (on Active Service).

The Society has a proud record of having ten doctors enlisted from this Camp for active service, which is 20% of the total number in Camp. These are as follows:—
Dr. A. P. Murtagh, Dr. J. D. C. McDonald, Dr. P. A. Kinsey, Dr. G. A. Caldwell, Dr. L. E. Lotimer, Dr. S. R. Harrison, Dr. S. J. Jessel, Dr. J. D. Kinsman, Dr. M. A. Hell, Dr. J. W. Sinclair.

This year the Porcupine District Medical Society are acting as hosts to the annual meeting of District No. 9 of the Ontario Medical Association.

The Ontario Medical Association is a voluntary organization deriving its membership from the doctors who are practising in Ontario. The central office is located at Toronto, and for purposes of administration Ontario is divided into eleven districts. District No. 9 is known as the northern district and comprises the area covering the districts of Algoma, Temiskaming, Sudbury, Nipissing, Cochrane, Parry Sound and Muskoka. Each year a district meeting is held in each district, and it is customary for the president elect and the secretary to visit each of the districts to become acquainted with the problems of the respective district.

An annual convention is held in different cities of the province, usually the last week in May. At these conventions, as well as the district meetings, such problems as health insurance, government relief and any matters affecting the profession as a whole are thoroughly discussed, and through these deliberations a solution is presented to the Board of Directors for action in the various field concerned.

It is the aim of the Association, through its membership, to become acquainted with the problems of the profession in the various parts of the province, and in this way when matters of importance are broached, the various doctors in other parts of the country are acquainted with these problems. One can see from the geography of the province that distance in a great many instances is a very serious factor, and there is a great portion of the province that is sparsely settled.

In recent years the Ontario Medical Association has become a division of the Canadian Medical Association, and is now known as the Ontario division. In this matter the provincial problems are known to the other provinces through a central organization.

The officers of this Association are as follows:—

- President—Dr. Harris McPhedran, Toronto.
- President-Elect—Dr. H. M. Yelland, Peterboro.
- Chairman of Council—Dr. F. A. Brockenshire, Windsor.
- Hon. Treasurer—Dr. Carl E. Hill, Lansing.
- Executive Secretary—Dr. A. D. Kelly, Toronto (on Active Service).
- Assistant Secretary—Dr. J. W. McCutcheon, Toronto.

Councillors—Dr. C. C. White, Chatham, Dr. H. W. Baker, Woodstock, Dr. J. T. H. Robinson, Walkerton, Dr. P. B. MacFarlane, Hamilton, Dr. C. J. Devins, Aurora, Dr. H. D. Logan, Lindsay, Dr. H. E. Preston, Brockville, Dr. J. A. McGuire, Cornwall, Dr. L. L. Crowe, North Bay, Dr. R. B. M. Coulson, Port Arthur, Dr. J. L. Burns, Toronto.

Horticultural Society Show an Outstanding Success

(Continued from Page One)

Included in the display from Mr. Ennis' gardens was a variety of choice vegetables, including tomatoes, potatoes, celery, cauliflower, sweet corn, beans, onions, carrots, beets, cabbage, and spinach, and a grouping of water-lilies which blended from a white to a mauve colour, and opened and closed at various times of the day.

Quaint garden tea settings, and restful sun shades also adorned the McIntyre display, while along the sides of the arena were posted handsomely painted posters painted by the pupils of the Timmins High and Vocational Schools. The posters were placed on display in the various district stores as advertisement for the show, and were later taken to the arena for display. They are outstanding in their true portrayal of colourful roses and other flowers, and are a credit to the teachers and students of the school.

Throughout the arena were placed long tables bearing a precious cargo—the prize-winning flowers and vegetables, with their ribbons to show what prizes they had taken.

The centre of the floor held a special platform for the bands and other entertainment features. The Timmins Citizens Band, under F. J. Wolno, and the Hollinger Symphony Orchestra under Mr. Michael Rose, gave programmes of music each evening that delighted all. Another feature was the singing of the Porcupine Male Chorus under Ron Jones—a delight to all who heard this choir.

Mr. F. Hocking was chairman and on the first night introduced Rev. Canon Haines, of Haileybury, one of the judges, who spoke of the value of horticultural societies in the North. Mayor J. Emile Brunette in an address formally declared the show open. Another feature of interest was the formal presentation by Mr. H. Curnow, secretary of the Horticultural Society, of a cheque for \$50, proceeds from the recent Rose Show, to Mr. Fred Kitchener, chairman of the local Bomb Victims' Fund, who made appropriate response.

The Boy Scouts generously and very effectively gave their services as ushers, etc., and were very valuable.

Acting as judges were Mr. L. H. Hanlan, Agricultural representative at Matheson; Rev. Canon Haines, of Haileybury; and Mrs. L. H. Hanlan.

The display of war work by the various patriotic societies won great interest and much compliment for the organizations doing work evidently so excellent.

A display of apples grown at his home, 82 Maple street south, by Mr. John Archer, created much interest. They were christened (Archer Apples) for want of other name—full grown apples of good quality, and are said to make elegant pies. They won special interest because apple growing is certainly in its infancy in Timmins.

There were several things that all who attended either night or both nights were agreed upon—that the officers and workers of the Horticultural Society deserve the highest praise for the remarkable showing made; that the arena is an ideal place for such an event, and that the artists designing the layout made the most and the best of the opportunity presented; that all concerned in any way are to be congratulated on the event; that the attendance was remarkably large in view of the weather.

Truck Driver Faces Careless Driving Count Next Week

Crashed Into Parked Car on Tuesday Afternoon at 5.30.

Paul Mascarello, 19 years old, Hill-Clark-Francis truck driver, faces a charge of careless driving in next week's police court. He was involved in an accident on Tuesday afternoon and was charged after the police had investigated.

Mascarello was driving west on Laur-

ier avenue, in the Hollinger townsite, carrying five house jacks in the front seat beside him. The jacks were on the seat in an upright position and as he neared a parked car on the side of the street the jacks fell to the floor of the cab. Some of the jacks got jammed between the gear shift and the accelerator and another of them was jammed on the brake pedal.
