By Ann

A single conversation across the table with a wise man is better than ten years' mere study of books. (Chinese Maxim)

For the first time in its history, the local branch of the Catholic Women's League has been visited by a national president, Mrs. McCabe, of Ottawa...

Saturday afternoon was the time for tea and shower events in honour of two popular brides-to-be...

Another Saturday event was the picnic for the staff of the Mutual Life Assurance Company...

... the day to invest in future happiness

Right now you can put yourself and your family on another pay roll that will take over when your pay stops coming in.

For example, at age 30 the premium on this five thousand dollar (\$5,000) policy is only \$6.15 each month.

Lucky men of the "Thornwick Bay" ... a trawler stationed off the British Isles ... the crew of twenty-one men will be "looked after" in the way of knitted articles by the Kinettes of Timmins...

Seems as if the new "recruits" for nursing training at St. Mary's Hospital are all of the type whose beauty would make even a very sick man feel much better...

Congratulations and best wishes to two couples who chose Monday as their wedding day...

A crowd gathered at the station to shower Mr. and Mrs. Wemyss with gayly coloured confetti...

From the Canadian Women's Service Force comes an interesting bit of news ... the girls have decided that any money they win at such events as "Cardinal Quiz" ... especially when they are in uniform ... will be turned over to sending "fags" to the boys overseas...

Miss Garrette has been guest-of-honour at numerous social functions during her stay here ... she is the guest of Mr. and Mrs. J. D. Brady, and yesterday afternoon was honoured at a bridge party and luncheon at the home of Miss Cherry Gauthier...

Coincidences ... Mrs. B. Kempers, who won the lovely cloth awarded at the afternoon tea given by the Women's Institute yesterday afternoon, is the newest member of the local branch ... and also, she was the first guest at the event yesterday ... Miss Helen Crews, bride-to-be, in drawing the winning name for a door prize at a shower in her honour last night, drew her own

A wedding of the near future is that of Mr. Howard MacGregor and Miss Violet Lalonde ... Howard and Violet will probably say their "I do's" about the end of this month ... Howard is the popular local manager of the Electrolix firm, and has friends and more friends who will wish him and his bride-to-be "all the happiness in the world."

It takes a great deal for some women to admit that another member of their sex is good ... especially very good at any profession ... of course, there are a lot of Timmins women who are always ready to compliment where credit is due ... but, on Monday evening at the Legion "V" Carnival, there were some of both kinds of women ... and when they all agreed that the blonde dancing-star who was the feature of the programme, was exceptionally good ... and even added that she was very charming and attractive ... well ... she must be very talented and chic ... "She" is Miss Jeanette Garrette, who might aptly be described as a five-foot-three of rhythm and grace.

Specializing in dances of the South American variety, Jeanette danced her way into the hearts of the audience ... some of them remembered her previous appearance here three years ago ... since then, she has changed her style of dancing, and yet, is even better than she was in 1938 ... whirling and swaying, her feet seem barely to touch the platform ... and yet, this platform is made of a rough wood that would present a difficulty to most dancers ... on Friday she will appear at the regular Friday evening dance at the McInyre Gymnasium ... and on Saturday, she will be featured at the Riverside Pavilion.

Miss Garrette, who acts as her own business manager, spends many hours of the day in rehearsal ... and many more hours are spent keeping in touch with the one hundred and fifty "booking agents" who arrange engagements for entertainers in the United States ... and then, of course, there are personal contacts with numerous entertainment spots in United States, Canada, and South America ... she has travelled throughout the two Americas, having danced in many of the most well-known entertainment centres of both continents ... elsewhere in to-day's issue is an account of some of the work she has done.

Also featured on the programme at the Celebration each evening, are the pupils of Margaret Easton Shield's dancing classes ... there were four little ladies who tapped in perfect unison ... Lois Doolan, Mazell Menear, Shirley Thomas and Barbara Bowie ... and Lois, even minus a tap from one shoe, gave a wonderful solo performance—honestly, Lois, those in the large audience didn't know you had lost that tap ... Joyce Ryan gracefully performed a gypsy dance ... and on Wednesday evening, charming little Helen Rhea Channen toe-danced her dainty way to success with her Timmins "fans."

Miss Garrette has been guest-of-honour at numerous social functions during her stay here ... she is the guest of Mr. and Mrs. J. D. Brady, and yesterday afternoon was honoured at a bridge party and luncheon at the home of Miss Cherry Gauthier ... later, Dr. and Mrs. Graham Laine where her host and hostess at a dinner party ... and after the programme last night, Mr. and Mrs. R. P. Kinkel of the Buffalo-Ankerite Mines entertained Miss Garrette, Mr. and Mrs. Wm. Shields, Mr. and Mrs. J. D. Brady, and Mr. Bill Doran ... this afternoon, Miss Garrette had been invited to visit various mines in the District.

Coincidences ... Mrs. B. Kempers, who won the lovely cloth awarded at the afternoon tea given by the Women's Institute yesterday afternoon, is the newest member of the local branch ... and also, she was the first guest at the event yesterday ... Miss Helen Crews, bride-to-be, in drawing the winning name for a door prize at a shower in her honour last night, drew her own

name ... and won an attractive prize besides the beautiful chenille bedspread that was presented to her at the event.

The afternoon tea given by the Women's Institute, with proceeds for their war work, was probably one of the most successful events of the season ... the six tables, daintily set for tea, were always filled with friends of the members, and the proceeds will go a long way in helping this organization in the wonderful work it is doing to help in Canada's war effort ... congratulations to the members on their fine arrangements, and the delightful atmosphere that added to the success.

CHILD'S PHILOSOPHY

Bombs were dropped on some buildings in a Scottish town. After some hours the rescuers suddenly saw, peering out between two great stones, the face of a little girl about five years old. "Hello," they said, "are you all right?" "Oh aye," answered the tiny lady, "but isn't it awfu' times we're livin' in the noo?" (From the London Listener).
