

# Dropped Between Stitches

By Ann

Those dear and tender things that could be said remain unuttered, lest a lonely pen inscribe, unwittingly, despair, and dread— food fodder for the soaring soul of men who laugh at death and wing their valiant way into the dawning of a better day.

So anxious hearts are servitors to pride and fondness cunningly elects to hide its warmth and gentleness in such as these— a can of bully beef, a slab of cheese.

success that the committee in charge had hoped for... many of the town's pretty young ladies wore their new autumn evening frocks... all in all, the dance was a success for those who planned it and for those who accepted the invitation to attend.

A coincidence... about a year ago, two Timmins lads received their calls to the airforce... Herb Hatton and Alex Kalyneck... they were sent to Galt and other southern training points, always receiving their transfers at the same time... and so they learned to be great pals... but suddenly one of the transfers separated them, and Herb was sent to Calgary while Alex remained in Ontario... last week, the two arrived home on embarkation leave... they met on the street one day... and discovered that they would leave for England at the same time... once again they'll be together.

Congratulations and best wishes to Mr. and Mrs. Gordon Reid, who slipped away to Sudbury over a week ago, and were quietly married in the Nickel City... Mrs. Reid is the former Adeline Jackson, whom you'll recognize as one of the most efficient members of the staff at the Municipal Building... yes, Adeline's been across the road from The Advance office for many years... for one whole week, the new Mr. and Mrs. kept their marriage a secret, but on Tuesday of this week, they told their friends about it.

And "happy the bride the sun shines on" after being a re-luctant for such a long time, the sun has come out in full glory for a few days during this week... and two of the days it chose were "wedding days"... the latter day was Wednesday, when two couples said their I do's in Timmins... the first was a wedding at the Church of Nativity in the morning, when Leona Galachuk became Mrs. Edward Joseph "Debbie" St. James... the groom's brother came all the way from Sault Ste Marie to perform the ceremony... then, in the afternoon, at St. Matthew's Anglican Church, Malla Riihinen and Oliver Pietila became Mr. and Mrs. ... after a wedding dinner at the home of the bride's parents, the couple received a large number of friends at the Harmony hall... and there, those friends presented the young couple with several lovely group gifts, among them a chest of silver and a complete dinner-service.

Comes word from the Women's Association of the Timmins United Church of their afternoon tea to be held in the church basement this Saturday afternoon... besides the usual afternoon tea and sale of home baking the ladies are planning a "white elephant" table which should prove a special attraction to all who attend... and while on the subject of afternoon

known as the King of Lower School. Mr. Murray then brought our attention to the fact that some of the regulations were being broken.

After this, all the forms joined in to sing the following songs: "When Irish Eyes are Smiling", "Till Reveille", "We're Proud of Canada", "Rule Britannia", and finally "O Canada".

**THE DINOSAURS**  
(By Professor A. E. Seaman)  
The dinosaurs were might beasts. Renowned for bulk and strength; Their necks were measured by the yard Their tails had greater length; Their heads were small, and All in all, they were not very wise. But what they lacked in intellect They made up for in size.

For while their head held one small brain, And none too finely wrought, Their sacrum held a larger one, And was their seat of thought There were ganglia knots along their spine, Scattered from stem to stern; While these were only scatter brains, It gave them chance to learn.

Such brains were fine for retrospect— For looking o'er the past— But their forethought was so slight, The poor beasts could not last; They failed to see the "rocks ahead", That round them they might steer, And so they met the fate of all Whose brains are in the rear.

**GIRLS BUY WOOL WITH PLAY PROCEEDS**

**TECH NEWS**  
(Reported by A. Barsevich, T3E)  
The T. H. and V. senior rugby team encountered many snags this year as a result of the shortage of players. Practices were in full swing when Morris Bissonette and Jim Welsh had to leave the team. Things look dark but they could be brightened up if more students interested in senior rugby turned out to practices. No matter what happens the boys will keep on practising and are hoping to get a game with North Bay very soon.

Under the supervision of Captain Bill Carson, the senior team held a very successful dance on Saturday evening at the school.  
Mr. Wall represented the school last Friday evening at the McIntyre Arena where he received a cup won by the students at the McIntyre field day last July.

Mr. and Mrs. James Peace, of Moosonee, were visitors to town this week. Mrs. Peace, who was formerly Miss Mary Beadman, was a popular member of the younger set here.

## Pretty Wedding at South Porcupine United Manse

South Porcupine, Oct. 22—(Special to The Advance)—A simple and very pretty wedding took place on Sunday at 9.30 in the Manse of the United Church when Rev. J. A. Lyttle united in marriage Edna, only daughter of Mr. and Mrs. Herbert Tripp, of Dome Extension and Pilot Officer Dayton McKee of the R.C.A.F., youngest son of Mrs. Hitchens, of Toronto, and the late Mr. John McKee.

The lovely little bride was gowned in white tulle, simply cut and of floor length. Here veil of tulle was caught to her head in a wreath of American Beauty roses. Her shower bouquet was of American Beauty roses, bouvardia and fern.

Her father gave her in marriage, and she was attended by Miss Dorothy Andrews, who looked charming in a long gown of Alice blue tulle. Her headpiece was a cluster of Tailsman roses, and the same flowers composed her bouquet.

Mr. Dick Mitchell, the bride's uncle acted as best man, assisted by Mr. George Woods, another uncle.

Mrs. Tripp was attired in a very becoming gown of hyacinth blue chiffon velvet—a small hat of matching blue, white accessories and a corsage of carnations.

A reception was held after the ceremony at the home of the bride's parents.

The young couple left later for Toronto where a reception will be held for them at the home of the bridegroom's mother, Mrs. Hitchens, of 40 Pleasant Blvd.

Mrs. McKee's travelling suit was of navy blue with navy and red accessories.

The very beautiful wedding cake was made by Mrs. Gladys Mitchell.

The bride's gift to the groom was gold cuff links and the bridegroom's gift to the bride was a set of travelling bags. The gift to the bridesmaid was a manicure set, and to the best man a wallet.

The bridegroom will leave shortly for overseas.

## BABIES ARE BORN TO EAT, SLEEP and GROW

Whatever else babies may be good for, the first four or five months of their lives are principally devoted to the rather enviable task of eating, sleeping and growing. All three of these duties which the world inflicts upon the little ones are of equal importance.

Quite naturally, you might wonder what all this has to do with our milk. It is this: Timmins Dairy milk has been recognized for its richness, purity and body-building ingredients by mothers and physicians alike. It is indeed the ideal food for baby, when mixed in formulae or cooked with the first soft foods. A well fed baby is always a better baby... if the foods are correct!
