Gambles are Lone Leaders in the Commercial Loop

Fruiters Take Three Points From Power While Printers Can Get Only Two.

With Johnny Moss and Pete Nicolson each topping the seven hundred mark Gambles took the lead in the Commercial Bowling League on Monday night of this week when they edged a single point ahead of The Advance entry. Gambles now have eleven points with the printers close behind with ten points. T. & N. O. occupy the third place spot with six points and Power are at the bottom with three points.

Gambles really applied the pressure to the electricians on Monday as they turned in a total of 3219 flat. Two of their games were over the eleven hundred mark while the other was just under the thousand. Salomaa and Towers topped the hundred for the Power but their efforts fell short

against the totals turned in by Moss and Nicolson.

All men on the fruiterers went over the two hundred in the first game with Nicolson and Jack Tait rolling 255 and 254. Salomaa led the Power with a 213 score.

Nicolson again led the fruiterers in the second game with 214 but his score was beaten by both Teddy Towers and Eero Salomaa. They rolled games of 224 and 229. Gambles had an edge of eighty pins in this second game, their worst of the night.

Johnny Moss turned in his top score of the night in the third game as the men from Moneta beat the Power by 257 pins. Johnny rolled a score of 317 to give him a total for the night of 741. Two more Gambles men got over two hundred with Nicolson resting on a 232 and Teckney getting 214.

Army Armstrong was raising quite a rumpus by himself on the other alleys and his efforts were partly rewarded when the railwaymen took a single point from the printers. Army's 333 in the second game spelled doom for the printers as the T. & N. O. took the game by 161 pins. The Advance took the first tilt by seven pins as they
