Mr. and Mrs. Dorey Honoured at a Farewell Dinner

Popular Ball-Player and His
Wife Leave to Take up
Residence in Kitchener.

Mr. and Mrs. Reg. Dorey, who left Timmins on Tuesday to take up residence in Kitchener, were honoured on Sunday evening at a farewell dinner party held at the home of Mr. and Mrs. Tony Dominico, 201 Elm street south, where a few friends of the popular couple gathered to wish them luck and happiness in their new home.

Mr. Dorey, who has played baseball and softball in this district for the past six years, is very well known throughout the camp, and Mrs. Dorey made many friends during their residence here. During the pleasant evening in their honour, they were presented with a beautiful pair of etchings, as a memento of their Timmins friends and something new for their home in Kitchener.

Among those present were: Mr. and Mrs. Jimmy Cocksion, Mr. and Mrs. Harry Allen, Mr. and Mrs. Ted Huyton, Mr. and Mrs. S. B. Hansuld, the host and hostess, Mr. and Mrs. Dominico, and the guests of honour, Mr. and Mrs. R. Dorey.

Women in Khaki

(By Private George LeJambre)
Last Wednesday evening after the usual drill period and class in Morse Code and signalling, the members of the Company attended a meeting of the representatives of all the organizations of the district at the town hall. They witnessed the discussion of many of the problems confronting these voluntary service clubs. All these difficulties were cleverly dealt with by Colonel Hill, a visiting officer with the kind assistance of W. O. Langdon, chairman of the Timmins Citizens' Committee.

On Sunday, Nov. 30th, the girls attended the regular N.C.O. class where they were given a test on all the map reading they had taken up to date under the supervision of Sgt.-Major Adams.

The girls of the Company were sorry to hear that Mr. L. Moore has been transferred to Kitchener. They wish to thank the former manager of the Broadway theatre for all assistance and suggestions he was kind enough to give them.

A special meeting of the Company was held on Monday, December 1st, in a classroom of the Central School to discuss a forthcoming trip to Monteith as well as many other problems which required debating. It was decided that in the near future they would go to Monteith to deliver a radio that they are donating to the Veterans' Guard. This meeting was called to replace the drill held on Wednesday as they are attending a Red Cross lecture to be given by Dr. Kelly on December 3rd.

individual story, with children in the costumes of the lands taking part in Christmas customs and gift-giving with their parents. Santa Claus, or St. Nicholas as he is known in some countries, visits each country, and distributes the gifts to those who deserve them. An interesting lesson is taught a little lad who always wants more than his share. Santa Claus presents him with a huge box, which the lad opens to find another box, and so on, until he is worried that his selfishness has robbed him of a Christmas gift. At the very bottom of the box, in a very small box, he finds a beautiful pen and pencil set, and the gift convinces him that he must never again want more than his share.
Many other Christmas hints are given children and adults alike in the play, before the fairy leaves the little family, and the mother tells her children the story of the birth of the Christ Child, and the first Christmas. The story, of

Another Letter of Appreciation from Gracie Fields

On her recent visit here Gracie Fields, famous British entertainer, was greatly interested in the several additional items by local talent on her programme at the McIntyre Arena. One of those specials was Jack Thompson in his clever dancing numbers. To Jack's mother, Gracie Fields has sent the following letter:

London, Nov. 24th, 1941
Mrs. G. H. Thompson,
282 Birch North, Timmins, Ont.
Dear Mrs. Thompson: I want to convey to you and the "few Lancashire admirers" my deep appreciation for the beautiful roses. They were perfectly lovely and a grand surprise.
My very kindest regards and best wishes to you all.
Sincerely,
Gracie Fields.
