 46 miles of roads and streets; 3 miles of them paved, and the other oil treated.
 32 miles of sidewalk, 29 miles of these being concrete.
 32 miles of sewers.
 26 1/2 miles of waterworks mains.
 Over 4,500 separate waterworks customers.
 550,000,000 gallons of water used in town of Timmins, apart from the amount used by the Hollinger, McIntyre and Schumacher. The grand total for all would likely run 1,000,000,000 gallons per year.
 Average daily consumption of water in town of Timmins, 45 gallons per capita.
 Timmins is a city of homes. Under the Dominion Home Improvement Plan Timmins spent nearly two million dollars for improved homes, standing third in all Canada for home improvement, being excelled only by the metropolitan cities of Toronto and Montreal.

Timmins has a regular bus service serving all sections of the town, as well as regular bus service to Schumacher, South Porcupine and Dome, and to all the mines in the area.

Industries: Mining, lumbering, market gardening, etc.
 Timmins is the home of the famous Hollinger Mine, employing over 3,000 men the year around. McIntyre, Dome, Moneta, Coniarum, Pamour, Paymaster, Faymar, Hallnor, Aunor, Preston East Dome, Buffalo Ankerite, Gillies Lake Porcupine, DeSantis, Broulan, Naybob, Delnite, Concordia and other mines in the vicinity employ many hundreds of Timmins men.

Timmins is the leading town of the great Porcupine area. Last year the Porcupine Camp produced over \$55,000,000 in gold. For the first nine months of this year, Porcupine's production is officially given as \$41,559,509.

Good farmer's market here, with municipally owned and conducted market.

Timmins Horticultural Society's annual show outstanding in the province. First Rose Show held this year proved an astonishing success.

Timmins is 497 miles from Toronto; 259 miles from North Bay On the Temiskaming and Northern Ontario Railway, and also on the famous Ferguson Highway open most of the year for traffic.

Stores:—Most of the business section is of modern fireproof construction. Up-to-date stores supply quality and variety of goods equal to most cities.

Office Buildings:—Good accommodation in fireproof buildings.
 Wholesale Houses:—Timmins is the distributing centre for an increasingly large area. Large grocery wholesales, hardware wholesales, oil distributors, machinery, meat packers, etc.

Communications:—Local and long distance telephone service. Telegraph service, private wires to two brokerage offices, etc. Private radio station.

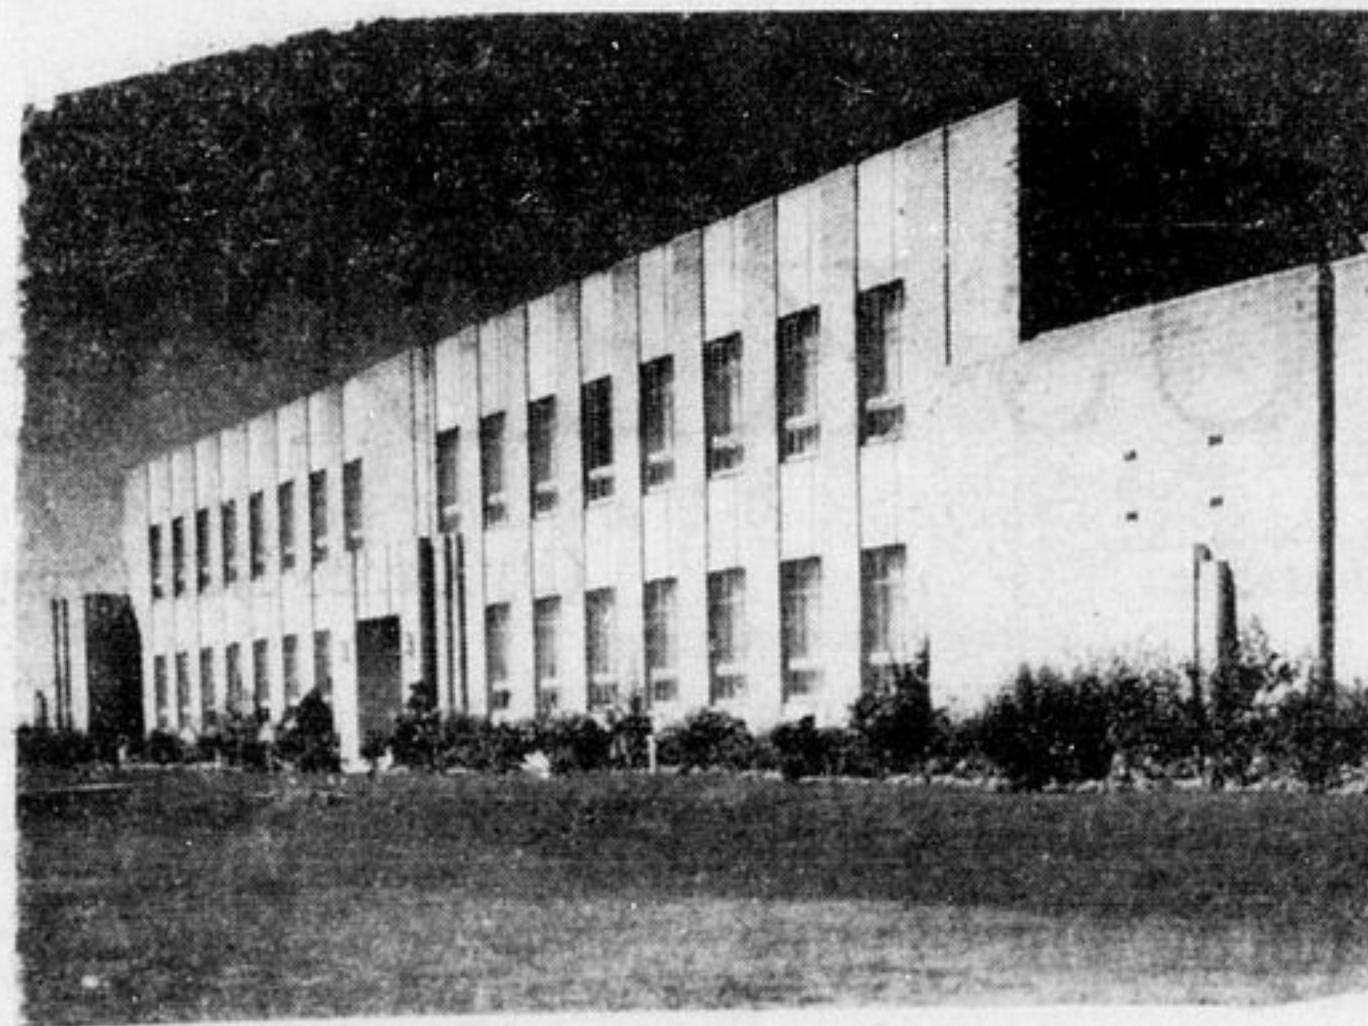

Banks:—Five bank branches, housed in permanent buildings, with bank clearings equal to a city of 70,000.

Hospital:—St. Mary's public hospital, 150 beds, X-ray department unusually well equipped; the largest and most modern hospital in the North Land.

Lighting:—Electric lighting featured here in streets, stores, homes and signs.

Police Protection:—Able and efficient police force of Police Chief, Inspector, Court Clerk, Assistant Court Clerk. Three Sergeants and Sixteen Constables.

Fire Protection:—The excellence and efficiency of the Timmins Fire Department is widely known. There is a modern fire alarm system, four motor trucks, chemical tanks, rescue apparatus, and an efficient regular and volunteer fire-fighting brigade, both trained in first aid, as well as fire-fighting and rescue work.

Birch Street Public School, Timmins

Education:—Timmins has invested literally millions in its public and separate schools and in the Timmins High and Vocational School. The schools are well-equipped and modern with superior staffs. The High and Vocational School is one of the most impressive school buildings in the province, with spacious grounds, with flowers and shrubs and trees. Timmins Business College and other similar schools here assure full opportunity for business education.

Timmins Public Library with an unusually large number of volumes and with constant purchase of new books carefully and expertly selected as a valuable asset of the town.

Art:—In Timmins and district there are a number of artists of outstanding ability. Mr. Alex Straker, who is himself an artist of considerable experience and ability, conducts classes in
