

Crowds at Kirkland Clash With Police

Union Officials Complain Regarding Provincial Police.

There was some slight "unpleasantness" at Kirkland Lake on Monday night, the police eventually arresting Steven Harkin on a charge of obstructing police officers in their duty. The

dred members of Local Union 240 of provincial police say that over a hundred members of the Wright-Hargreave Mine as one shift was coming off. Police attempted to move the men, but the men protested that they were only walking around on Kirkland Lake streets and had a right to do so. The attitude was described by provincial police as an attempt at "mass intimidation." Police re-inforcements were called out and for more than two hours the union men were kept on the

move around the block. Finally, the police formed a line and forced the picketers to move a full block back from the mine gates. Only men on actual picket duty were allowed to remain near the gate. There was no molestation of the workers coming off shift. Later, a union delegation called on Reeve Carter and protested the police action, claiming that the union men were "pushed around." Reeve Carter said he would take no action pending an enquiry. On the charge that "provincial police

are trying to create trouble in Kirkland Lake in an attempt to justify their presence," the union sent a telegram to Attorney-General Conant claiming the police "pushed around" union members who were walking on streets "great distances from the mine gates." The telegram closed with: "Demand the removal of irresponsible provincial police from the area immediately." Premier Mitchell Hepburn said this week that the provincial police sent to Kirkland Lake a few days after the beginning of the strike on Nov. 18th would remain there.

Firemen and Others Pay Tribute to the Late William Boyd

Popular Firemen, Who Died Suddenly, Buried With Full Firemen's Honours.

Tribute was paid to the late William Boyd, a valued member of the Timmings Fire Department for the past seven years, at the largely attended funeral which was held on Monday afternoon at the Timmings United Church. The Rev. W. M. Mustard conducted the service, and interment was made in the Timmings cemetery.

The late William Boyd or "Bill" as his many friends knew him, had been in Timmings for nine years, and seven of those years had been spent as a member of the Fire Brigade. The men who had worked with him during those years, the men who had come to look upon him as a necessary part of their organization, acted as pall-bearers and formed a guard-of-honour at the service. The casket, draped with the Union Jack, and with the late fireman's hat on top of the flag was carried by six members of the fire department, Lieut. M. Maher, Omer Girard, E. F. Culhane, Pete Eckert, and J. Cronmiller, and the remains were taken to the cemetery on the fire truck, with E. McCabe acting as driver. As the service took place, the fire bell, to which the late "Bill" Boyd had responded so often during the past years, tolled in solemn tribute to his work. Deputy Chief J. T. Morton acting as the bell-ringer.

Forming the parade which followed the fire truck were Fire Chief Alex Borland, Deputy Chief W. S. Stanley, Lieut. Gordon Pooley, W. Martin, and F. M. Wallingford, and from the Schumacher Fire Department the Chief, J. C. Jucksch, O. Inwood, D. Good, E. Olive, and J. E. Marshall. The local Police Department also joined in the parade, as did the Town Engineers' department, and as the cortege passed the Fire Station those men who were on duty at the hall stood at attention. The late "Bill" Boyd, whose cheerful and friendly manner was well-known to every visitor to the fire hall, had made numerous friends during his residence in town, and his sudden death came as a great shock to them, as well as to his wife and other relatives and his co-workers at the Fire Department. He left work at 6 o'clock on Friday for his home, with the intention of seeing a hockey game later that evening. After doing the few tasks around his home, he complained of a pain, and decided to go to bed instead of going to the game. Within a few minutes, his heart failed, death occurring about twenty minutes to nine that evening.

Married nearly twenty-one years ago to the former Evelyn Helena Balfour of Mitchell, Ontario, the late Mr. Boyd was born in Teeswater, Ontario, in 1891. For some years, before taking up residence in Timmings, he resided in Wingham, Ontario. Left to mourn his loss besides his wife are two sisters, Mrs. T. E. Manning, of London, and Mrs. Hugh Gilmour, of Wingham; two brothers, George, of Elora, and Dave of Cochrane.

Christmas Seal Fund Goes Over the Top Again

Over Two Thousand Dollars Already Collected and More Coming in Daily.

Residents of the Town of Timmings have gone away over the top in their contributions to the Christmas Seal Campaign staged by the Timmings Lions Club to raise money to fight against tuberculosis. This statement was made at the regular meeting of the club on Monday night of this week at the Empire Hotel. Lion Graham Laine said that the committee was more than pleased with the returns this year and added that the returns are still pouring in. The Lions Club meeting this week was a business affair and consisted of practically all auditors' reports and other private club matters. President Stan Fowler presided over the meeting that was a short one. Another statement that was made at the meeting was that over sixteen hundred children from Timmings have already been tuberculin tested. Next meeting of the club will be held next Monday evening at the Empire Hotel.

Penalties for Algonquins Not Attending Drills

Serious penalties will be inflicted on members of "D" Coy. Algonquin Regt. C. A. (R.), unless there are better attendances at parades in the future, it was stated at the Armories yesterday. Captain Countryman may resort to bringing charges against members who fail to attend regularly. "It is getting near time that the members of 'D' Coy. realize that they have undertaken a certain responsibility," said Captain Countryman. For the benefit of those members who do not attend regularly the following extracts from the Militia Act of Canada are published. Militia Act, Section 137—"Every order made by the commanding officer of any corps of the Militia, shall be held to be sufficient notification to all persons whom it concerns, by insertion in some newspaper published in the regimental division in which such corps is situated." Militia Act, Section 115—"Every man of the Militia who, without lawful excuse, neglects or refuses to attend any parade or drill or training at the place and hour appointed therefor, or who refuses or neglects to obey any lawful

order or concerning such parade, drill or training, shall incur a penalty of five dollars for each offence. Every day's absence shall be held to be a separate offence." Captain Countryman further said that it is the duty of every man in the company to attend these regular parades because they are now getting into the interesting phase and it is important that every man learn what is now being taught. At the present time there is a Bren gun in Timmings and it will remain here for six weeks and then be sent back to regimental headquarters. It may be the only chance this year for the members of "D" Coy. to learn how to operate this efficient weapon. Regular parades are held at the armories every Monday and Thursday evenings at seven-thirty. N.C.O.'s are also requested to parade at seventhirty every Tuesday evening for their regimental school.

Souvenir of War Being Sent From London, England

The Lord Mayor's National Air Raid Distress Fund

The following letter, which explains itself, will be of very special interest: The Lord Mayor's National Air Raid Distress Fund, London, England, Dec. 9th, 1941. Dear Sir:—I thank you for your letter of 20th November, enclosing your Fund's seventh donation of two hundred and twenty-five pounds to my National Air Raid Distress Fund, for which I enclose official receipt 87714. Once again I deeply appreciate the loyal and devoted way in which the people of Timmings are standing by our air raid victims, and I shall be grateful if you will kindly convey to all donors my warmest gratitude for this further generous expression of their goodwill and sympathy. It is most encouraging to us all to know that we are continually in your hearts and minds and I need hardly say that by your sustained support you are affording us a valuable service in a time of need. Although I very much appreciate your desire to increase the enthusiasm and zeal of your supporters to help us in this cause, I am afraid I cannot send you officially any kind of token which would help your effort. However, in view of what you have written a member of my staff has very kindly suggested sending you a piece of fabric from a parachute bomb which came down in her vicinity. This souvenir will be despatched to you during the next day or so but you will understand that this is not customary and cannot be repeated. Yours truly, John D. Laurie, Lord Mayor.

Hollinger Pay Day on Thursday This Year

Thursday will be Hollinger pay day for 1942. Starting Thursday, Jan. 8th (to-day) the Hollinger pay day will be every second Thursday this year.

Retail Stores Close at Nine O'clock Pay Nights

Starting this week, following an agreement between the retail merchants, Timmings stores will close at 9 p.m. on pay nights.

North Bay Nugget:—The gal on the society desk contributes this one...

Then, there was the young lady who got 10 bottles of perfume for Christmas and was later charged with fragrance!

new duties will consist of conducting weekly services for soldiers and arm-men of his faith at Camp Borden, visiting Toronto military hospitals, and looking after the religious needs of the Jewish soldiers in M.D. No. 2.

Rabbi Monson, who was stationed at Timmings for a couple of years, left here two years ago to become Rabbi at Shaarei Shomayim Congregation, St. Claire avenue, West Toronto. He will continue his connection with the Toronto congregation in addition to his military duties.

Rabbi Monson made wide circles of friends in Timmings and the North during his stay here, being noted for his eloquence as a speaker and for other high talents and pleasing personality, so the honours conferred upon him by the new appointment will be of interest to many.

On Tuesday of his week, The Toronto Daily Star published a reference to the appointment, together with a small picture of Rabbi Monson.

Eaton Groceries Closing Branch Here Saturday

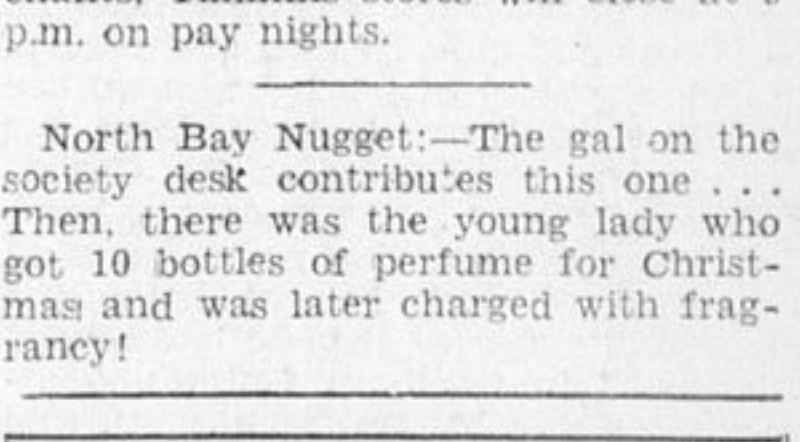

It is understood that the Eaton Groceries, opened in Timmings on Third avenue in December, 1938, will be closed on Saturday of this week. There are reports that other Eaton branches in the North may also be discontinued for the present, but there is no official confirmation of this. While the Eaton Groceries at Timmings will discontinue service on Saturday, the mail order branch of the firm will be continued at the present stand on Third avenue, and it is understood that Mr. Norman Leaman, who has been manager of the Groceries for a number of years, will continue here in charge of the mail order department.

First Steel From New Ford Furnace

INCREASING its productive capacity by a \$1,500,000 addition to its foundry at Windsor, Ford Motor Company of Canada, Limited prepares to meet the demand for even greater production of army trucks, Universal Carriers and other military vehicles. Above, the first alloy steel is produced from one of the new electric furnaces. W. R. Campbell, president of the company, right, watches the first pour, wearing goggles to protect his eyes. Beside him is J. E. Porter, in charge of plant operations. P. Blackwood, in charge of the foundry, stands to the left of the workman who is reading the temperature of the molten metal with an optical pyrometer as it is poured.
