

TEN YEARS AGO IN TIMMINS

From data in the Porcupine Advance Files

The T. & N. O. bonspiel of 1932 opened at the Timmins Curling Rink ten years ago with 33 rinks entered. Six of the rinks were from New Liskeard, four from Kirkland Lake, three from Haliburton, two from South Porcupine, one each from Noranda, Englehart, Kapuskasing, and North Bay, and nineteen from Timmins. The visiting curlers were given due welcome to town, being met at the trains as they arrived, the pipers and drummers adding special interest to the welcome, just as they gave an extra touch to proceeding at the rink at the opening of the bonspiel.

On account of the Empire hotel being filled to overflowing ten years ago with visiting curlers attending the T. & N. O. Curling Association bonspiel here, the Kiwanis Club had to secure another place for the weekly luncheon and as a consequence the event was held in the basement of the United Church. The Ladies' Aid did the catering and the Kiwanis were delighted with the result, the meal being a particularly pleasing one and the service the very best. Vice-president Greg Smith was in the chair and in a neat little speech gave a hearty welcome to the visitors for the day. It was the largest group of visitors the club had had for some time, there being twenty present from New Liskeard, Kirkland Lake and Noranda, these being chiefly Kiwanis members in town for the curling bonspiel.

The Timmins Senior Hockey team practically clinched first place in the Golden Group of the N.O.H.A. when they defeated the Dome-South Porcupine sextette at Sandy Falls in a hard, fast game ten years ago by a score of 4-3. It was fine hockey for the spectators.

In the Advance ten years ago: "All efforts to recover the body of Douglas Armhurst, the eleven-year-old lad drowned at Sandy Falls on Jan. 24th, have proved unavailing and the work is now considered hopeless until the spring, as the body no doubt has been carried along under the ice. The Northern Ontario Power Co. have given very generous assistance in the search, the water being drained from the dam to assist in the search. So far as can be learned in regard to the sad accident, two lads, Douglas Armhurst and Albert Cavaney, each about eleven years of age, were playing on some logs at the 'siddow' at Sandy Falls. Albert Cavaney fell into the water and his arm apparently jammed in to help him. The Cavaney boy managed to escape from the water, but the Armhurst boy apparently went under the ice and was swept down the river. When help arrived it was impossible to locate the lad and all efforts to recover him were accordingly futile. Later there was organized effort to find the body but this was also without success."

"The Metropolitan Motion Picture Co. is still busy at its work of making a comprehensive motion picture of Timmins," said the Advance ten years ago. "Scenes are to be made to depict the early days of Timmins, some of these being already partly completed. There are also a number of stores and industries that have already been filmed, and the work is still in progress. Last week motion pictures were made of the Timmins Fire Department, both in group form and in actual action as in response to a call. The interior of the fire hall and a view of the equipment was also filmed. Chief H. Jones and his force were also taken and will appear among the other pictures of the town. One of the industries of the town to be filmed last week was The Porcupine Advance motion pictures being made to show the work of this office on a Thursday afternoon, the scenes including the newsboys, gathering for their weekly work of distributing The Advance."

Ten years ago the Oddfellows hall, Gold Star, L.O.B.A., presented an evening of plays by the St. Matthew's A.Y.P.A. Dramatic Club. The event proved one of the most successful and enjoyable entertainments. The hall was crowded for the occasion and all present felt they received unusual value for their money. The work of the A.Y.P.A. Dramatic Club evoked the highest commendation and appreciation, and the rest of the programme was up to an equally high standard. The L.O.B.A., the St. Matthew's A.Y.P.A. Dramatic Club, the artists on the programme and all others concerned received high praise for the success and pleasure of the occasion.

Local items in The Advance ten years ago included: "Julius Cohen, one of the pioneers of this part of the North, and for some time manager of the Porcupine Crown in the early days, was a visitor to Timmins over the week-end." "Mrs. S. Breslin, of Toronto, is visiting her parents, Mr. and Mrs. L. Silver, of Timmins." "Mr. Jack Zender, of the Imperial Motor Sales, Timmins, has returned from the motor shows at Montreal." "Mr. and Mrs. C. R. Cameron, of Ottawa, were visitors to town last week."

Charged With Attempted Hold-Up Local Man Gets Six Months Hard Labour

Defence Counsel Asks for Suspended Sentence but Magistrate Refuses to Grant it on Serious Charge. Two Other Similar Charges are Withdrawn Against Same Man.

Alfred Gagne, 113 Pine street south, was convicted this week on a charge of attempted theft and was sentenced to six months at hard labour when he elected to be tried before Magistrate Atkinson. Gagne was said to have tried twice to hold up three women last week.

In passing sentence Magistrate Atkinson commented that the crown witnesses had completely broken down the flimsy alibi that the defence had presented. He said that he had no doubt that Gagne had been out on the night of the offence and that it was just a question of whether the evidence of Mrs. Beatrice McGillis, one of the women that the attempt was made on, was to be believed and he suggested that the woman had given honest, and straightforward testimony.

Greg Evans, defence counsel, asked for a suspended sentence in view of the fact that the man had no previous serious convictions and that nothing suggested that a conviction and suspended sentence would have the effect of teaching the public that things like that couldn't be done but Magistrate Atkinson countered with the remark that the offence was too serious to allow a suspended sentence. Crown Attorney S. A. Caldwell reminded the magistrate that the maximum sentence for the charge was seven years and suggested that the man be given something a little stiffer than a suspended sentence.

Mrs. Beatrice McGillis outlined the attempted theft to the court when she took the stand. She said that she had been out visiting her brother at 117 Birch street south, and had just started to go home when the attempted hold-up took place. She had only travelled along Birch street about half a block when the man confronted her and said, "Hands Up! Give me your money."

McGillis said that she became very frightened at the time and started to cry and then turned and ran back to her brother's house. She said that she had no money in her purse at the time. When she reached the gateway of her brother's house she turned and saw the man running away. At the same time she saw two boys standing near their bicycles on the other side of the street and then saw the boys start to chase the man who was running away. She said that the offence occurred at about half-past ten and that the man was wearing a mask. She also gave the court a description of the colour of the clothes the man was wearing.

Lytle Spence and Billy White, the two boys that Mrs. McGillis had seen chasing the man also gave evidence and they told of the chase that they gave the man and finally found him in a house at 113 Pine street south. They later picked the man out of a line-up at the police station.

Detective Ernie Gagnon told of questioning the accused as well as his wife the day after the offence was alleged to have taken place and after the man had been arrested. He said that Mrs. Gagne had admitted to him that her husband had gone out the night before and that she had been arguing with him about drinking.

The defence called Mr. and Mrs. Birket, as their first witnesses and they both swore that they spent a part of the night at the Gagne home. They had been playing cards with Mr. and Mrs. Gagne and had left to go home at 10:20. Mr. Birket, fixed the time as 10:20 although he admitted in cross-examination that he had told the police the following day that he had gone home about ten o'clock. He admitted that he wasn't sure of the correct time until he had been told by his wife. Mrs. Birket said that she had looked at her watch before leaving the Gagne home and knew that it was ten-twenty. Mr. Birket had also shown the police a piece of paper that the four people had used to keep score on during their card game.

Mrs. Alfred Gagne took the stand and said that her husband had come home from work about five o'clock and had then gone out to a cleaning establishment in town, returning home about six o'clock. He had not left the house after that until he was taken out by the police, she said. When asked by the crown why she had previously told the police that her husband had gone out, she said that she couldn't remember telling them anything like that. She couldn't remember exactly what she had said to the police but she was certain that she had not told them that her husband had been out.

The crown then recalled several witnesses to clear up a few points in the case and then the magistrate said that he didn't think that the defence had established an alibi. The crown had been successful in breaking down any alibi that the defence had tried to build up, he said.

The magistrate then passed sentence saying that he didn't want to do the sentence too heavy in view of the condition of the man's wife who was expecting a child. He added that he had no doubt that the man had lied on the stand, but said that there was some excuse, perhaps, for the man's wife for not telling the truth in trying to save her husband.

The case against Gagne was the only one on the docket that took up any great length of time with practically all of the others charged pleading guilty or being remanded. Two additional charges against Gagne, the same offence against Mrs. J. M. Dafeo and Annie Soucie, were withdrawn when the conviction was registered in the first case.

Assistant Engineer of Town Staff Leaves for Army

Mr. J. Kelman is Honoured at Stag Party Saturday Evening.

Mr. John Kelman, assistant engineer for the Town of Timmins for the past four years, was honoured on Saturday evening at a farewell stag party held in the town gymnasium, with all works department employees, and all male employees of the town staff and town hall present. Mr. Kelman left on Monday afternoon by motor to join the Royal Canadian Engineers at Stanley Barracks, London, where he will spend a few weeks before going on to a six weeks' training course at Brockville. He will then be commissioned with the Engineers.

Mr. Kelman came to Timmins in 1937, and was a valued employee of the works department since that time. On Saturday morning he received his call from the Army, and notified Mr. J. D. MacLean, Town Engineer, at once. Mr. MacLean and the town staff immediately arranged the farewell event for the evening, and later, he and Mr. A. Shaw, town clerk, called for Mr. Kelman and took him to the surprise event.

During the day, Messrs Ted Lacasse and Ernie Martin, acting as a committee representing all the employees, purchased a wrist watch which was presented to Mr. Kelman as a farewell gift. The presentation was made by His Worship Mayor J. Emile Brunetta, and during the evening, brief speeches were made by Councillor McDermott, chairman of the Works Department Committee of the Council, Mr. A. Shaw, Town Clerk, Mr. A. L. Longmore, Town Assessor, Mr. Frank Murtogh, Works Superintendent, and Mrs. Alex Bergeron, foreman, each of whom extended best wishes to Mr. Kelman in his service to his country. Mr. J. D. MacLean acted as chairman during the evening proceedings.

During his residence in Timmins, Mr. Kelman was Lieutenant with the Algonquin Regiment here, acting as instructor. Before leaving for the South on Monday, Mr. Kelman was again honoured at a luncheon, His Worship the Mayor, acting as host, and with Mr. MacLean and Mr. Shaw present.

Local people who knew Mr. Kelman in his business capacity, and his many friends here, will extend sincere good wishes to him, and express their appreciation of his fine work while connected with the works department.

Kirkland Man Sentenced After Shooting Affray

Douglas MacDougall, well-known and popular resident of Kirkland Lake, was sentenced to six months on a charge of wounding and a similar sentence for the theft of a revolver the property of the Ontario Government, the sentence to run concurrently. MacDougall pleaded guilty to both counts and said he had no recollection of the details of the matter. The police evidence showed that MacDougall, Herman Freitag and some others had been on a party on January 1st, with considerable wine imbibed as well as other liquor. MacDougall took a revolver from one of the rooms in the hotel at King Kirkland and on the way back to Kirkland Lake had others in the party alarmed over his use of the weapon. Arriving at Kirkland Lake MacDougall got out of the car and was dragging Freitag out by the feet when effort was made to take the revolver away from him. In the struggle at the car door the revolver discharged and Freitag was shot in the thigh, the bullet passing up into the lower bowler. Then MacDougall fired a number of shots apparently and ran away. He had a clean record up to the date of the shooting, and that there did not seem to be any quarrel or other motive for the shooting. Defence counsel made a strong plea for leniency, ascribing the trouble to the wine taken. He added that MacDougall was a married man and his wife was an expectant mother. Magistrate Atkinson before passing sentence said that the case was a difficult one but he had to do his duty to protect the public from such affairs. He quite believed MacDougall's story of not knowing what happened after taking the drinks described by Detective Dymont. "I think the government should investigate the properties of the cheap wine provided," commented the magistrate, adding that it evidently does something to the men that causes them to run amok.

TENDERS FOR COAL AND COKE
 SEALED Tenders addressed to the undersigned and endorsed "Tender for Coal," will be received until 3 p.m. (E.D. S.T.), Monday, February 9, 1942, for the supply of coal and coke for the Dominion Buildings throughout the Province of Ontario.

Forms of tender with specifications and conditions attached can be obtained from the Purchasing Agent, Department of Public Works, Ottawa; and the Supervising Architect, 36 Adelaide St. East, Toronto, Ont.

Tenders should be made on the forms supplied by the Department and in accordance with departmental specifications and conditions attached thereto. Coal dealers' licence numbers must be given when tendering.

When the amount of a tender exceeds the sum of \$5,000.00—whether it be for one building only—tender a certified cheque on a chartered bank in Canada, made payable to the order of the Honourable the Minister of Public Works, equal to 10 per cent of the amount of the tender, or Bearer Bonds of the Dominion of Canada or of the Canadian National Railway Company and its constituent companies unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque, if required to make up an odd amount.

The Department also reserves the right to demand from any successful tenderer a security deposit, in the form of a certified cheque or bond as above, equal to 10 per cent of the amount of his bid, to guarantee the proper fulfillment of the contract.

Two Books Reviewed by Mrs. J. Douglas at Fireside Club

Plans Made for Friendly Neighbourhood Tea at Manse on Wednesday.

The regular Business meeting of the Fireside Club was held on Monday evening in the basement of the Timmins United Church, with the president, Mrs. F. Anglin, in the chair. In the absence through illness of the secretary, Mrs. Wm. Jones, the secretarial duties were taken by Mrs. Dan McEneaney and reports of the various committees were heard.

It was decided that a friendly neighbourhood tea would be held on February 11th at the manse of the Timmins United Church, with the minister's wife, Mrs. W. M. Mustard, as hostess. The event will be for members and their friends.

Mrs. Wendell Brewer reported that since January 1st, thirty-four knitted articles have been turned in to her by the members, and Miss Nina McLeod reported that two hundred and seventy knitted articles for soldiers were completed by the members during the year 1941.
