Is Arrested at Hollinger Mine as he Finished his Shift. Raid at His Home at Same Time.

Nick Krajacic, a Hollinger miner, was arrested on Monday afternoon about half-past four and charged with highgrading. The arrest was made by Constable Bert Braney of the Ontario Provincial Police "Gold Squad" assisted by Sergeant Roy Elliot, of the Ontario Provincial Police. At the same time that Krajacic was arrested two other policemen, Constable F. L. Thompson, of the "Gold Squad" and Detective Ernie Gagnon, of the Timmins police conducted a search of Krajacic's premises at 118 Birch street south.

The arrest took place at the mine and police claim to have found a quantity of gold on the man's person as he was coming off shift. A further quantity of gold ore was located at the man's home and it has been assayed.

Krajacic appeared in police court here this week and was given a week's remand. He will appear again next week and it is quite likely that the case will be proceeded with at that time. Northern Highway to be Completed This Summer

Toronto, March 11—The highway across Ontario from Hearst to Long Lac, a major contribution to the war effort of this province, will be opened for traffic early this summer.

Hon. T. B. McQuesten, minister of Highways, said Monday night at the annual dinner of the Ontario Motor League held at the Royal York Hotel.

"With bombing and invasion almost a certainty, this work, we feel, will be of the utmost importance in the future," said Mr. McQuesten.

Despite the restrictions on gasoline and tires, the department of highways felt that it faces another year of demand equal to the past year for road maintenance, and because of increased cost, the department has adopted the policy of increasing by one-third the provision for maintenance in the grants to townships and county road authorities, the minister said.

"In my judgment, the public will not materially reduce the use of its cars as long as there is a tire and a rim to ride on," declared Mr. McQuesten.

South Porcupine Family Bereaved by Death at Mattawa

George Lamothe Passes Aged 77 Years.

South Porcupine, March 11—(Special to The Advance)—Mrs. M. Bessette was called to Mattawa on Sunday owing to the serious illness of her father, Mr. George LaMothe, of that town. Before she had reached home her father had passed on.

The late Mr. LaMothe was a well-known figure all through the Ottawa Valley, having been a pioneer of the town of Mattawa when that place was a thriving port centre. He came from Vermont originally, and was a lake captain. He settled in Mattawa after his marriage and was stationmaster for many years, and then he went into business there. He was mayor of Mattawa on several occasions and was a Justice of the Peace up till the time of his death.

During his life in Mattawa he was associated with many prominent men—in business and in politics—among them Sir Wilfred Laurier, J. R. Booth, the Timmins brothers and Mr. Brigham. His repertoire of stories connected with the early days in the Ottawa Valley and its people made him an extremely interesting man and his death at the age of 77 breaks another link with the past in this district.

The funeral takes place today (Wednesday) from his home, and interment will be made in Mattawa.

In South Porcupine two of his daughters reside—Mrs. Laura Rapsey, and Mrs. Lauretta Bessette, and one son, Charles.

His eldest son, George E., resides in Ottawa and another son, Philip E., in North Bay.

These five are the only surviving children of a family of 13.

Mrs. LaMothe predeceased her husband in 1927.

We extend sincerest sympathy to the bereaved family.
