

WITH THE BOY SCOUTS

A joint meeting of the committees for the Annual Cub and Scout Display, held last Wednesday evening in the Municipal Building, received reports from the committees and discussed final plans for the show. The advertising committee outlined plans for publicity for the event, and also dealt with the poster contest being conducted for all Cubs and Scouts. Details of these posters were given last week, but your attention is drawn to the fact that all posters submitted must be done in pencil on white card. Entries must be in the hands of Scouter Bastiano or Scouter Hulme not later than April 2. Prizes as mentioned before will be a Scout shirt and Cub jersey, or their equivalent in other equipment.

Troops and Packs have been practicing for the displays they are to present during the evening, and the programme is being so arranged that all boys taking part will have an opportunity of seeing the others at work.

It is hoped that a downtown store window may be secured for the purpose of displaying some of the hobbies exhibited in past Displays. This is in the hands of the Advertising Committee. Judges for the Display have been arranged for and their job will probably be completed before the opening of the show so that the public will be able to see the winning entries in each class.

All Troops and Packs have received their tickets for the Display and it is hoped that these will be all sold long before April 10. Scouters are urged to have their returns in to the Committee as soon as possible, and to contact the committee under Mr. Cousins if more tickets are needed.

Owing to the Easter holidays and the Display the overnight hike of the Patrol Leaders' Training Course has been postponed for a few weeks. The regular meeting of Patrol Leaders was held on Saturday evening and the session on estimations took up most of the time. Everything went along swell until Dave Fowler got sound and trains mixed up and had a train travelling about 70 miles per hour. Some one else thought it might be easier to walk along a river until a bridge was found than to check estimations of width by a series of right angles and triangles. Some day, perhaps, he will try it that way. It was pointed out that all have an opportunity to practice estimations and checking on the overnight hike. Another regular session of the course will be held next Saturday evening at the same time, and this will probably be the last for the season.

We are wondering what it was the First Troop had in the way of refreshments last Friday evening. Everyone felt a bit sorry for Basil because on Saturday evening he was still too uncomfortable to do the crab walk. He was promised an opportunity to demonstrate this week.

The investiture of Bob Harvard and Henry Crocco featured the Friday evening meeting of the Fifth Timmins Troop. Second Class badges were presented to Peter Luciantonio, Nick Mores, Stanley Holson, Robert Fisher and Carmen Sinardo. Gerald Mackey was presented with the Artist Badge and Entertainer's Badge. These badges were presented to the boys by Mr. S. Andrew as a member of the Kiwanis Club which sponsors this Troop. Following the presentation Mr. Andrew invited all the Troop to attend the theatre Saturday afternoon. From re-

ports there weren't many missing when the show started. Ernest Hefferman passed his Laws at the meeting of the Court of Honour, thus completing his Tenderfoot tests. It has been decided to hold monthly church parades beginning April 26.

Emphasis on the Annual Display was the order at meetings of the Eighth Pack, and preparations for this event are proceeding very well. A large number of entries are looked for from this Group. Roger Belair passed his proficiency star and the physical exercise and hygiene tests were passed by Richard Canie. Cubs were given tickets for the Display to sell to parents and friends.

The Seventh Troop met at the Monteta School on Thursday evening and a lively programme was conducted. There are several vacancies in the ranks of the Troop and Scouter Atkinson said that applications for membership will be considered. Several boys have announced their desire to join the troop and are expected to attend the meeting this week. Robert Spitz and Ray Hunt passed their Tenderfoot and Trian Spolala his semaphore signalling. Roy Hollet applied for admission to the Troop.

Further First Aid work was conducted by the Sixth Pack and the following Cubs passed their First Aid test: Dan Cox, Roy Hobbs, Jack Griffin, Billy Boychuck, Fred Egan, Lou Jeffries, and Donald Horrester. The Cubs are quite proud of being able to dress cuts and burns. Kenneth Surman, John Wolfe and Walter Keally passed their time test under Wanda Atkinson and compass tests were passed by Donald Egan, Weldon Griddle, Howard West, Jack Nichols and Richard Nankervis. Carl O'Gorman was welcomed into the Pack and Red Flower was conducted by Wanda.

The Eagle Patrol turned the tables at the regular meeting of the Second Troop, taking the honours in inspection, pin-ball and points for the evening. The Wolf Patrol were able to win the relay race and finished up a close second. Wonder what happened to the Beavers? Martin McDowell was invested during the meeting, the ceremony being conducted by Scouter Harris and P.L.'s Lacy and Southam. Martin is now a member of the Wolf Patrol under P.L. Southam.

The Eighth Troop has been busily engaged in preparing for the passing of the Fireman's Badge. Last Friday evening they went over to the Fire Hall and received instruction from Fireman Aoyote. Most of the boys are now ready to pass their tests and will receive their badges as soon as this has been done. Games for the evening were conducted by Raymond Canie and some time was spent reviewing the Morse Code. Romeo Gervais has been appointed Troop Quartermaster and will be responsible for all Troop equipment. Paul Belanger was accepted into the Troop for a period of probation.

The meeting of the Fourth Pack featured Tenderpad games and First Star tests. R. Laurson and E. Fournier passed their physical exercise tests. R. Germain the knots and R. Thibodeau the Laws and Promise. During the meeting Jean Marc Mercier was accepted into the Great Wolf Family by Akela Fernand Roy.

Thirty Scouts from several Troops turned out Sunday afternoon to act as patients and messengers at the practice session of the St. John Ambulance Brigade. The practice was held at the Central School and a large number of cases were treated. It is hoped that arrangements can be made for Scouts to give assistance at all future practices and all Scouts will be given an opportunity of becoming better acquainted with this vital work.

The Fourth Troop is also preparing for special instruction in connection with the Fireman's Badge. Instruction was given at the Fire Hall last Friday evening and a good turnout of the Scouts was encouraging. At their regular meeting on Monday considerable progress was made in semaphore signalling practice. Court of Honour was held after the close of the regular meeting. The Wolf Patrol took the honours in inspection and several good games were played.

A real change in Pack and Troop activities has been noted during the past few months. Almost without exception the groups have been placing special emphasis on test and badge work that has added significance at the present time. First Aid, pioneer work, semaphore and Morse signalling, messenger work, Fireman's Badge, fire lighting and cooking, knotting, physical exercise and personal hygiene are a few of the activities that have come in for special attention. During this time of emergency and stress these particular lines have added importance and the leaders are to be congratulated on their foresight. "Be Prepared" is the motto and it is prepared we must be—prepared to step in and do our part whatever it may be, when the time comes for it to be done. Let us take a lesson from what has happened in other countries through lack of preparedness and make sure that we are doing our bit to prevent the same thing from happening here.

Packs and Troops are again reminded that all hobbies to be displayed at St. Anthony's Hall April 10 must be delivered there not later than 8 p.m. Wednesday, April 8. This is to give the committee an opportunity to arrange the display and also for the judges to select the winners before the opening of the Display. Troops and Packs using special equipment in their

Grapefruit and Griddle Cakes are Favourites on Many Diets on Continent

Use of Honey Suggested for Sweetening Grape Fruit. Grape Fruit Classed as Good for Eating and Good for the Eater. Germans Pretend Not to Like Grape Fruit.

(By EDITH M. BARBER)

Among the outstanding faults of which a Nazi officer has recently accused the American people is one in regard to our customary diet. We actually consume grapefruit and griddle cakes! German scorn for grapefruit is perhaps understandable as the few that I have eaten in their country were so sour, bitter and shriveled that I postponed my grapefruit consumption until after I returned to this side of the Atlantic.

But griddle cakes! Among the most favoured desserts in Germany were pancakes, both large and small. They were not like our American griddle cakes of course. The batter is of the crepe type whether it was for the huge apple pancakes or for the small cakes which were usually rolled around jam. Perhaps the German criticism combined with our moderate sugar rationing will actually increase our use of griddle cakes as dessert because they can be eaten with honey or syrup which is made largely from corn, sometimes flavoured with maple. The new maple syrup run will be in before long.

To go back to grapefruit, have you ever tried using honey for sweetening when you broil it? It is even better than sugar and as it is a little sweeter you will use a smaller amount. We are indeed fortunate in this country to have such a large and high quality supply of this fruit which is one of our foods which remains cheap. It is good to eat and good for us.

Quick Meal Grapefruit
Grilled Frankfurters
Mashed potatoes
Buttered cabbage
Griddle cakes
Syrup
Coffee

Method of Preparation
Cook potatoes
Prepare grapefruit
Shred cabbage
Prepare griddle cakes
Cook cabbage
Grill frankfurters
Drain and mash potatoes
Dress cabbage
Make coffee.
Bake griddle cakes.

Buttermilk Griddle Cakes
2½ cups sifted flour
3 teaspoons baking powder
1 teaspoon baking soda
1 tablespoon sugar
1 teaspoon salt
1 egg, slightly beaten
2½ cups buttermilk
½ cup melted shortening

Mix and sift dry ingredients. Combine slightly beaten egg and milk and stir into dry ingredients. Stir in shortening. Bake on both sides of ungreased griddle. Add more milk if thinner cakes are desired. Yield: about 18 cakes.

Broiled Grapefruit With Honey
Wash and dry grapefruit and cut in halves. Remove seeds, loosen pulp in sections and remove centre cores. Place grapefruit in baking pan, sprinkle each half with honey and dot with butter. Broil 6 inches from low broiler heat, about 15 minutes.

Flight-Sergt. MacLean Reported Now as Missing

Word was received on Sunday by Mrs. George MacLean, that her husband, Flight-Sergeant Geo. MacLean is missing after a flight over enemy territory. No further information was given, but the hope is expressed in town that the popular airman is safe, and that further word will be received of his whereabouts.

NO TICKET

Traffic Officer—Pull over there to the curb, Miss—didn't you see my hand? Clever Miss—Oh, no, officer, I must have been looking at your pleasant face!—Smiles.

Scoutcraft displays should also arrange to have that equipment at the Hall before the day of the Display. The number of your Troop or Pack should be marked on all pieces of equipment left there that there will be no confusion in claiming after the Display.

Easter school holidays will be the next big thing to consider and we urge all Scouts to take advantage of this time and the nice weather by getting out in the open to pass tests and practice for others. Signalling, fire-lighting, cooking, tree-felling, Scout pace, estimations, overnight hikes and many other tests must be done out of doors to be done properly. Make your plans right away and make the most of your holidays.

Mrs. L. Mason and Mrs. K. Stevens are Honoured at Party

Two Popular Members of Auxiliary are Leaving to Take up Residence in Southern Ontario.

The knitting bee held by the Ladies' Auxiliary of the Canadian Legion on Thursday evening in the Legion hall took the form of a farewell party for two of the members, Mrs. L. Mason and Mrs. K. Stevens, who are leaving Timmins to take up residence in Southern Ontario.

During the evening, the guests of honour were presented with farewell gifts from the members of the Auxiliary and the past president, Mrs. Robt. Harby, received her past president's badge. Mrs. W. A. Devine, president, making the presentations with suitable words to each. Piano selections were given by Mrs. J. McGarry and Mrs. T. Gay, and the gathering enjoyed a sing-song before a delicious lunch was served.

Immediately before the serving of supper, the members sang a happy birthday greeting to Mrs. L. Nicholson, press correspondent of the Auxiliary and a very popular member.

Among those present were: Mrs. W. A. Devine, Mrs. R. Hardy, Mrs. H. Pope, Mrs. Precious, Mrs. E. Tilley, Mrs. E. Hinds, Miss M. Borland, Mrs. A. Borland, Jr., Mrs. W. Shornys, Mrs. Lainsbury, Mrs. N. Cullen, Mrs. E. Roy, Mrs. Mackey, Mrs. Jean Smith, Mrs. E. Roy, Mrs. Bennett, Mrs. Leach, Mrs. F. Curtin, Mrs. Fisher, Mrs. Harris, Mrs. Croft, Mrs. G. Mackey, Mrs. B. Richards, Mrs. W. Wilkinson, Mrs. A. Borland, Sr., Mrs. Cameron and Mrs. L. Nicholson.

Mrs. A. Cassidy is Hostess at Whist for Women's Institute

Members and Friends Join in Pleasant Evening for Funds for Institute Card Tables.

Mrs. A. Cassidy, 25 Messines avenue, entertained at whist on Thursday evening for members of the Gold Star Women's Institute and friends. Prizes were donated by Mrs. Drummond, Mrs. Turner and Mrs. Davidson, and won as follows: 1st, Mrs. T. McLellan; 2nd, Mrs. M. McIntosh; and 3rd, Mrs. Rowe. Consolation prize was won by Mrs. C. Gillard.

Among those present were: Mrs. Rowe, Mrs. D. Elliot, Mrs. S. Anderson, Mrs. B. McTaggart, Mrs. M. McIntosh, Mrs. D. Forsley, Mrs. M. Parnell, Mrs. V. Thomas, Mrs. C. Barkel, Mrs. J. Morton, Mrs. F. Walkley, Mrs. C. Briggs, Mrs. J. Phillips, Mrs. C. Gillard, Mrs. Lortie, Mrs. A. Atkinson, Mrs. J. Anderson, Mrs. V. Craik, Mrs. W. P. Bennett, Mrs. L. Engberg, Mrs. F. Kerr, Mrs. T. McLellan, and Mrs. McDonald.

After cards a delicious lunch was served by Mrs. Cassidy assisted by some friends. Proceeds of the whist will go toward the purchase of card tables for the Women's Institute.

History and Romance of the Horse—A. Vernon.
Animals of the World—J. McSpadden.
Canadian Folk Songs—M. Gibbon.

Member of Knitting Group is Honoured on Her Birthday

La Federation des Knitters Present Gift to Mrs. Cloutier.

The knitting group of La Federation des Femmes Canadiennes-Francaises met on Friday evening in Studio C of the Radio Station and continued the fine work it has been doing for over a year. A special "treat" during the evening was cream fudge prepared by one of the members and appreciated by all present.

Those in attendance were: Mrs. Cloutier, Mrs. O. Lefleur, Mrs. P. Martin, Mrs. J. Laviolette, Mrs. N. Rene, Mrs. W. Butler, Mrs. E. Dore, Mrs. J. Barburie, Mrs. L. Beauselge, Mrs. E. Bassel, Mrs. A. Martin, Mrs. W. Page, Mrs. P. Riche, Mrs. M. H. Spencer, Mrs. R. Rivet, Mrs. H. Lloyd.

When the members had completed the work for the evening, they made their way to the home of Mrs. Cloutier, 53 Mountjoy street south, where Mrs. Cloutier's three daughters had prepared a surprise birthday party for their mother. In order that the members might go to the home without the guest-of-honour knowing about this surprise event Mrs. Cloutier was

asked to help Mrs. Lloyd in carrying the wool to the Lloyd home, and when the two returned to the Cloutier home the "heroine of the day" was taken completely by surprise.

A delicious lunch was served, and during the pleasant evening, Mrs. Cloutier was presented with a lovely crystal brooch as a gift from her fellow knitters.

The regular knitting meeting will take place to-morrow (Friday) evening in Studio C.

Trothier-Chenier Nuptials Take Place at St. Anthony's

Miss Muriel Chenier Becomes Bride of Mr. T. Trothier. To Reside in Timmins.

St. Anthony's Cathedral was the setting for an attractive wedding on Friday morning when the Rev. Fr. Deshaies united in marriage Miss Muriel Chenier and Mr. T. Trothier. The bride is the daughter of Mr. and Mrs. Jos. Chenier, of 95 Third avenue and the groom is the son of Mr. and Mrs. Jacques Trothier. Sister Claire presided at the organ.

Given in marriage by her father, the bride made a lovely picture in a frock of heavenly blue crepe, fashioned with a high, round neckline, long fitted sleeves and a softly gathered bodice and flared skirt. She wore a matching halo hat, and carried a colonial bouquet of gardenias and forget-me-nots.

Following the ceremony, a wedding dinner was served at the home of the bride's parents to the family and close friends, the bride's mother receiving the guests in an afternoon dress of black crepe, with matching accessories. Later in the afternoon, the bride and groom left for Saskatchewan, the bride travelling in her bridal ensemble with a back fur-trimmed coat and black accessories. They will reside in Timmins.

LET Reddy Kilowatt SOLVE YOUR COOKING PROBLEMS

Electric stoves are available in both all-electric and combination models for both Cooking and Heating.

There is really no cooking problem when you use electricity. You simply snap the switch and Reddy Kilowatt is on the job instantly with exactly the amount of heat you require. Electric cooking saves food too, because meats shrink less and retain more of their natural juices when cooked with steady, even electric heat—the flameless way.

REDDY SAYS:
"Cook your Easter ham electrically, to be sure of the full, rich flavour that will make the family's mouth water."
