## Miss Etta Campbell the Chief Speaker at Meeting of Presbyterian of W.M.S.

### Event Held in Trinity United Church at Schumacher. Next Presbyterian Conference to be Held in Timmins. Officers Elected for Cochrane Presbyterian of the Women's Missionary Society.

The sixteenth annual meeting of the Cochrane Presbyterian of the Women's Missionary Society of the United Church of Canada was held Friday, May 22nd, in Trinity United Church, Schumacher.

Vases of beautiful flowers which adorned the church proper where the business sessions were held and also decorated the tables where luncheon and dinner were served in the basement meeting room, were kindly sent by Mr. William Leck, of Schumacher, as a tribute to the memory of his wife who at the time of her passing in March was Presbyterian President. Mrs. Leck had been keenly anticipating the holding of this convention in Schumacher, for the first time, the W.M.S. Auxiliary there having been organized three years ago, with Mrs. Leck as its president for the first two years.

The morning session opened at 10 a.m. with Mrs. A. Jackson, 1st vice-president, presiding, and a worship service, the theme of which, "Service of Lights," was given by women of the W.M.S. Auxiliaries of Timmins First United Church and Mountjoy United Church.

A beautiful story entitled, "Oil Lamps Lifted," was read by Mrs. A. Gillies, after which Mrs. Alex Ramsay led in a service of responsive reading and appropriate hymns, and gave the prayer.

Mrs. Harry Leng, president of Schumacher W.M.S. Auxiliary, extended a warm welcome on behalf of the Auxiliary. Mrs. MacKeracher, of Cochrane, Auxiliary, gave a fitting reply on behalf of the delegates and visitors.

The following committees were then appointed: Courtesy committee—Mrs. A. Gillies and Mrs. Libby.

Nomination—Mrs. Ian Gordon, Mrs. McNea, Mrs. Jackson, Mrs. Oltsher, Mrs. Laidlaw, Mrs. Arkinstant, Mrs. Leng, and Mrs. Manson.

Registration—Mrs. Phillips and Mrs. Coulson.

Resolution—Mrs. Ramsay and Mrs. McNea.

Items of interest from the general secretaries report were that there are one hundred and eighteen members in the auxiliaries, nineteen life members and forty-two associate members. There had been one hundred and twenty-seven subscriptions last year to the societies' publication, "Missionary Monthly," and 95 subscriptions to the Junior Publication, "World Friends."

An explorer group had been organized in Timmins and a baby band in Matheson.

The total of \$772.95 had been raised and forwarded to Conference headquarters and also \$25.00 for the support of a child in Neemuch, India. It was gratifying to realize that despite wartime obligations and appeals this presbyterial had exceeded its allocation.

Many valuable leaders and members had been lost to the auxiliaries by removal from the district and three members had passed to Higher Service during the past year.

Miss Marquis' interesting report on Canadian Girls in Training groups and activities was read by the Secretary, Mrs. Waddell.

Mrs. Wick's report on Mission Bands and baby bands was read by Mrs. MacKeracher. There are 8 Mission Bands, one new one at Holtve near Matheson. The Explorers' Department report showed four groups active, Schumacher having the largest enrollment. Total membership of these groups is forty.

Mrs. Carter of Cochrane, Secretary of the Literature Department, gave a very interesting preview of new books available, one of which "Pattern and Power for New World Order" by Basil Matthews, is of special interest, at this time, and named several others for adults and many for children.

At this point on the agenda Mrs. McNea conducted an "in Memoriam" service for Mrs. W. Leck, Mrs. Thompson, and Mrs. Crow.

Adjournment was then made to the basement church hall where a delicious luncheon was served by the ladies of the Women's Association of this same church.

At the conclusion of the luncheon the Rev. Mr. MacKeracher, of Cochrane, conveyed greeting of the Cochrane Presbytery, which were responded to by the Rev. Mr. Haley of Trinity Church, Schumacher.

Miss Mayowina, W.M.S. missionary worker, then gave a talk on her very excellent work among new Canadians of this district.

The afternoon session opened at 2:30 o'clock with a worship service by Matheson auxiliary conducted by Miss McGhie.

As Mrs. Blake will not be returning to South Porcupine to reside, she has been guest of honour at several affairs given in her honour, by her numerous friends. On Wednesday evening last week a delightful bridge party was held at the home of Mrs. W. Seton-Adamson with Mrs. W. S. Gardner and Mrs. J. Nix as assistant hostesses, and a corsage of roses was presented to Mrs. Blake with a parting gift of a waffle iron, as a token of affection from those present. Prize pictures were splendid ones taken by Miss Campbell, showing the beauty in water scenes and even in rugged country views, views of the progress in her work of organized groups of girls and also of boys, church buildings, erected, and one of the Grenfell mission at St. Anthony. Pictures of the fishing industry, chief livelihood of the population, though there is also some lumbering and mining. Transportation is by water, horse and sleigh or dog team. Quite an abundance of wild berries grow there.

Miss Campbell was sent by the Home Mission Board and the Women's Missionary Society to fill the first request for a woman missionary made by the late Rev. Oliver Jackson, then Superintendent of Missions for Newfoundland. He saw much of the splendid result of Miss Campbell's wonderful, though hard and hazardous work, ere his regretful death on water on a stormy day in November, 1940, when the boat Mr. Oliver was in capsized.

It was like a friend returning home, to have Miss Campbell talk to the convention of her work, to have met and listened to her again and to have thus had another glimpse into the sincerity of purpose and the apparent joy which Miss Campbell seems to personify. Her talk gave fresh inspiration for Women's Missionary Society members of this district who say a "good-bye, God-speed, good health, and happiness" to Miss Campbell as she leaves to soon to take up her new appointment in the Province of Quebec.
