

Second Troop Hold Meeting at Whelpdale Rocks

The Second Timmings Troop held their regular meeting last week at the Whelpdale Rocks and the activities of the evening had a definite taste of camping. The Scouts were instructed in the art of tent-pitching by Scouter Harris and all were given a chance to practice. Several wide games were played to give the Scouts practice in stalking and tracking, and the highlight of the closing was the investiture of three recruits. A very impressive ceremony was conducted by Scouter Harris and Billy Redden, Bruce Halperin and Edward Day were made Seventh Cub Pack members. Short Hike

Under the leadership of Akela Simpson and Kim MacDonald, the Seventh Timmings Cub pack enjoyed a hike last Wednesday out to Dalton's Spring. There were sixteen Cubs present and the outing was enjoyed by all. Supper was eaten on the banks of the small stream and the Grand Howl and opening ceremonies were conducted on the top of a nearby hill. Games were played during the evening and so enjoyed that the Cubs are eagerly looking forward to their next outing. The Pack has decided to discontinue meetings for the summer months, due to a large number of the boys going out of town, and the closing meeting will be held this week. Four chums will be invested, being Kenneth Hunt, Bobby Monahan, George Juesu and John Zabeck, and a good turnout is expected to welcome these boys into the Pack.

Wolf Cub First Aid Course Reaching Final Stages

Akela Webb of the Second Cub Pack has for the past few weeks been conducting a course in first aid for the Cubs of all local Packs, and the course is nearing completion. The maintained interest of the boys has been most encouraging, and last week instruction in the treatment of burns and scalds was given. Following a review of past work was conducted and it was announced that final tests for the First Aid Badge would be held on Monday of this week under the direction of Mr. Les Bailey of the St. John Ambulance Brigade. A full list of the Cubs successfully passing the tests will be given next week.

Seventh Troop Hikes to Perch Lake Area.

Another in a series of interesting hikes was conducted last week by the Seventh Timmings Troop. The Troop met at the Moneta School and under the leadership of Scouter Atkinson proceeded to Perch Lake. Here the time was spent in fishing and games, and preparations were made for the passing of tests. Meals were cooked in the open by the Scouts, and P. L. Leonard Parker was successful in passing his Second Class cooking. Further plans for camp were discussed and it has been decided to hold the camp near Matheson Clifford Elliot was appointed Troop Scribe for the year ahead.

Sixth Troop Holds Regular Meeting at Hall

The regular meeting of the Sixth Timmings Troop was held last Thursday at the Lions Club Hall. Considerable work on tests was done and interesting games under the direction of Scouter Ormston were played. A short discussion on camping was conducted and further plans were made for the summer activities. The Group Committee has offered unlimited assistance in the promoting of the camp and real accomplishments during the summer months are looked for by this Troop.

Norwich Scouts and the Blitz

Nearly 400 Boy Scouts were on duty during and following the ferocious Nazi "reprisal" raids on Norwich. Their fearless carrying-on in spite of diving-bombing and fires won unstinted admiration. They ran messages, fought incendiaries, rendered first aid and assisted in countless other ways. After the blitz they distributed special notices to the population, guided people to rest centres, reunited families, for inquiring sailors and soldiers secured information of families in wrecked areas. They salvaged and moved furniture by van and scout trek carts, helped at emergency food centres, and prepared meals over fires in open spaces. They assisted with feeding preparations for police, firemen and rescue workers from outside points, and guided these helpers to desired points. In addition they looked after hundreds of injured cats and dogs. Incidentally several of the Scout troops lost their meeting places and all their scouting equipment. One troop lost its out-of-town headquarters, a building of concrete and wood built entirely by the boys over several years. Facing the heap of rubble one of the boys inquired cheerily of his district commissioner, "When do we start rebuilding, Skipper?"

Watch for next week's column for more news on camping, and also plans for our participation in the Dominion Day celebration to be held in Timmings. Good Scouting. —D.S.M.

League Entertains Neighbour Branch at Annual Banquet

Miss Charlotte Ogilvie, Diocesan Convener of Juniors Gives Inspiring Address on Work of League.

Over thirty-five members and members of the guest club from South Porcupine, attended the Junior Catholic Women's League banquet held on Thursday evening in the dining-room of the Fern Cottage Restaurant. Vases of flowers adorned the three long tables which seated the members and their guests, and the proceedings opened with "Grace," led by Miss Mae Andrews, and followed by the singing of "O Canada" by all present.

Mrs. J. W. Spooner proposed the toast to the King, and when an excellent dinner had been served, Mrs. J. Martin, president, welcomed the South Porcupine members. Mrs. C. J. Miles,

president of the Junior Catholic Women's League of South Porcupine, responded to the welcome, and thanked the local branch for their kind invitation.

Miss Charlotte Ogilvie, diocesan convener of Juniors, gave a very fine address on Jr. League activities and duties, congratulating both branches on the past year's work. She urged them to increase the membership, and gave suggestions on carrying on the work.

A social hour followed the programme, and the event came to a close with "God Save the King". This will be the final event in the League calendar for the season, meetings to begin once again in September.
