

KIRKLAND LAKE EASY WINNERS IN TWO ENNIS CUP GAMES

Hollinger Overwhelms Porcupine by the Stunning Score of Twenty to Three

Porcupine Failed to Stop the Batting Spree of the Bombers Though the Porkies Used Three Different Pitchers in the Attempt. The Victors Batted in Two Home Runs in the Game.

The Bombers went "wild" at South Porcupine last Sunday by smashing in 20 runs. Terry started for the Porkies and although he fared well at first, was yanked in the 6th with 7 runs against him. Gower was relieved before the end of the 6th and Kosick took over and finished the game with 13 runs against him in three and a half innings.

The heavy hitters for the day were Chase, Cookson, Horick and Tennant. Besides Chase hitting 5 for 6 he secured two triples and a double and batted seven men in.

The game really got under way in the 4th when both teams clicked to obtain a few runs. Scarlett, Chase and Horick gathered three runs for the Bombers with Chase's triple and Horick's homer putting some "zip" into the game. Rosiek and Kramer started for the Porkies by putting in two pointers to make the score 3 to 2.

However, in the 6th and 7th Hollinger netted seven more pointers. Tennant, Cookson and Chase collected one each in the 5th and in the same inning both Chase and Levandoski obtained doubles. In the 6th Cookson, Horick, Delmonte and Tennant pulled in four more runs. Three flies ended their 7th inning.

In the Porkies 5th, 6th and 7th innings they failed to do anything, and the only feature of those innings were Kramer and Kemp securing a hit each from Tennant, both of which were driven to center field.

Although Kosick put all he had into his pitching, the terrible onslaught let loose by the Bombers in the 8th netted 9 runs. Cookson started with a hit and came in on Chase's triple. Next Chase, Levandoski, Adamchuk and Horick came in one after the other. Delmonte, Tennant, Cookson and Scarlett followed in the same manner. During the 8th everyone of the Bombers nine men played some part in scooping in 9 pointers. The 9th eased up for the Bombers and Horick collected the single run obtained.

The Porkies 7th, 8th and 9th were in much the same manner as their previous innings and two hits by Kemp and Wilson resulted. Wilson getting a well deserved triple. During the whole game Tennant gave up 8 hits to the Porkies grand total of 22.

Hollinger	AB	R	H	PO	A

Fifty-four Tuxis and Trail Rangers at Boys' Camp

Happy and Helpful Time Spent at Waskesiu Boys' Camp.

Under the auspices of the Tuxis and Trail Rangers of the United Church a most successful Boys' Camp has just concluded at Waskesiu on Night Hawk Lake. Fifty-four boys were in attendance from the following centres: Timmins 19, South Porcupine and Dome 15, Porcupine 8, Delnate 3, Hearst 6, and one each from Connaught, Ansonville and Iroquois Falls. The camp was under the direction of Rev. Lora Carson, with Rev. J. A. Lytle, Rev. A. I. Manson and Bill Burnes, local members of the Older Boys' Parliament, as leaders and Mrs. E. Beeby, R. N. Mrs. Hinds of Timmins was Cook.

Ten busy days (from July 15, to 25) were crowded with interest fun and recreation. Instruction was given in Campcraft, handwork, wild flowers, photography, sheet metal work, group games, first aid, swimming, and Bible Study. In all ninety-one badges were earned.

With lots of good food, excellent weather, and a programme suited to every boy, nothing was left to be desired. Special stress was laid upon the Morning Watch, Vesper Service and the Camp Fire.

Mr. P. T. Molesley, the founder of the Camp, paid an official visit on Wednesday evening and in an interesting address outlined the growth of the project during a ten year period.

All-Stars of Kirkland Lake Win 9 to 0 from McIntyre in Ennis Cup Game at Kirkland

Kirklanders Go on Hitting Spree and Collect 17 Softies from Two McIntyre Pitchers. Rolly Bussiere Completes Game for Kirkland All-Stars. No McIntyre Player Allowed to Rest on Third Base.

Kirkland Lake, Ont., July 29th.—(Special to The Advance)—The Kirkland Lake All-Star baseball squad went on a hitting spree collecting 17 softies off of two McIntyre pitchers to hand the visitors a 9-0 drubbing this afternoon before a large crowd of baseball fans at Wright-Hargreaves sport field in an Ennis Cup fixture.

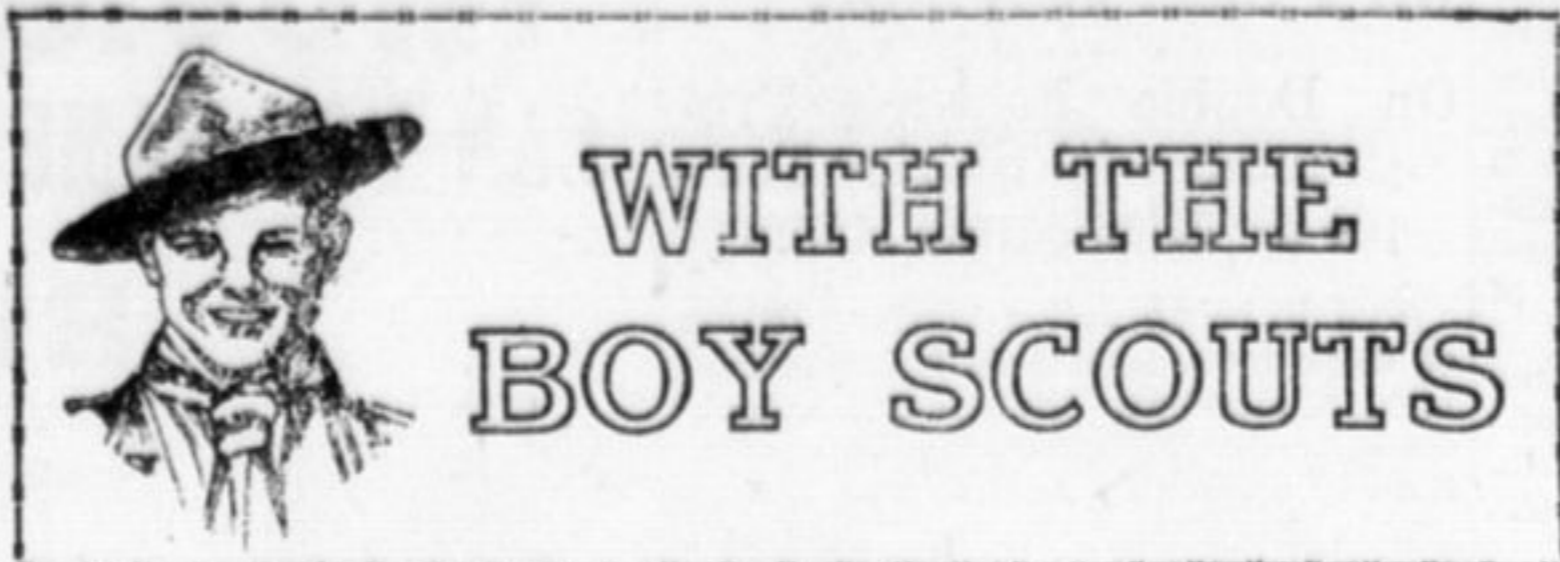

Rolly Bussiere, toeing the slab for the local club, completed the whole game, allowing eight singles and striking out eight batters, while his team mates never allowed a McIntyre player to rest on third sack.

McShane, ace hurler for the losers, started for the McIntyre, but was knocked out of the box in the last of the fourth when the local team banged three hits and scored two runs. Yasinchuk replaced the luckless hurler to complete the fourth but was no match for the Lake's heavy hitters. He allowed two singles in the fifth, a single and a double in the sixth frame. In the last of the eighth the local team banged out seven hits, five singles and two doubles. He was hurriedly replaced by Malifara, first baseman for McIntyre.

The Kirkland Lake All-Stars will meet the McIntyre Baseball Club Monday, August 3rd, a Civic holiday, in a return Ennis Cup Engagement.

McIntyre	AB	R	H	PO	A
Manotich (ss)	4	0	0	2	1

xYasinchuk (p)	2	0	0	1	4
Totals	30	0	7	24	13

xYasinchuk replaced McShane in last of fourth.

The past week has been an eventful one in the lives of many local Wolf Cubs and Boy Scouts. The Cub camp at Barber's Bay, the Scout camp at Nellie Lake, the visit of the Blitz Scouts to Kirkland Lake and further preparations for camps to come were all in the limelight, and are events that will live long in the memories of the boys taking part. It was rather unfortunate that more boys were not able to make the trip to Kirkland Lake to meet the four Scouts from Great Britain who have become known as the "Blitz Scouts" through their work and experiences of the bombing of Britain. Many of the boys had just returned from camp, many others are in camp now and still others are preparing to go in the near future.

These facts along with the restrictions on motor car travel prevented many who would have gone from making the trip. However, Timmins was represented and we feel quite sure that the Scouts who were present left a favourable impression of Timmins Scouting with the noted guests and the general public of Kirkland Lake.

British Blitz Scouts Visit Kirkland Lake

The visit of the "Blitz Scouts" to Kirkland Lake last Sunday was a red letter day in the history of Northern Ontario Scouting. These four Scouts, Troop Leader Stanley Newton, of London; Troop Leader Roy Davis of Southampton; Troop Leader Hugh Bright, of Glasgow and Troop Leader John Bethell of Birkenhead, have visited and toured Canada and parts of the United States at the invitation of the Canadian General Council. Their visit and the accounts of their experiences have created a great deal of interest and sympathy in Canadian people wherever they went, and a better understanding of our brother Scouts and a deep appreciation of all they have done for the whole world has resulted.

The reception in Kirkland Lake opened with a monster parade, the Blitz Scouts riding on the fire truck heading the parade. Scouts and Wolf Cubs from many Northern Ontario centres took part in the parade along with a detachment of special police. The parade

ended at the Central Public School grounds where Reeve Carter officially welcomed the Blitz Scouts to Kirkland Lake. Three rousing cheers were given by all present, both for the Blitz Scouts present and for their brother Scouts in the defence of Britain. They were presented with a pennant from the Kiwanis, Kinsmen and Lion Clubs of Kirkland Lake, and the presentation was made by one of the Wolf Cubs. The Scouts then related a few of their experiences during the blitz, and while we know that these were very modest accounts of what they have been through, it gave all a good idea of how much can be done by boys of this type. T. L. Stanley Newton told of his experiences in fire watching and fire fighting in London, explaining how flares and incendiaries are dealt with by the boys. T. L. John Bethell, it was revealed, is one of the few who have been honored by winning the Distinguished Service Cross. His services to his country have taken the form of messenger work, and from what has reached us this is a really dangerous job, especially during an air raid. T. L. Roy Davis has served with a rescue squad in Southampton, always ready to rescue people from bombed buildings and shelters. T. L. Hugh Bright of Glasgow told how he and his patrol were on hospital duty, giving first aid to the injured working as stretcher bearers and taking care of general hospital duties. All were much impressed by the accounts given by the Scouts. Following these thrilling accounts came another thrill when all Scouts were presented to and shook hands with the Blitz Scouts, using the special handshake of all brother Scouts. Many expressions of praise and encouragement were tendered the Scouts. Following the public reception a dinner was held when all were given an opportunity to become better acquainted with these brave lads. Due to the long journey ahead of them the Timmins representatives were forced to leave long before they were ready, and all agree that this was an experience that will live long in their memories.

Cub Camp at Barber's Bay Most Successful Event

The Wolf Cubs of the Timmins Association held their first annual camp at Barber's Bay, in the Kiwanis Camp. The camp proved to be an ideal setup for Cub camping. The camp was opened in two groups, each group having six full days of outdoor life and sun. The first camp consisted of the following Cubs from the First and Second Packs: Apache Tribe: Siker John Mitchell, Fire Chief; Siker Mervyn Wales, Kenneth Valient, Scott Raybould, Norman Godsbey, Keith Cannell, Iroquois Tribe, Siker Donald Wright, Robert Desormeau, Gerald Arscott, James McElwee, Ted Phillips, Douglas Walli. The Apache and Iroquois Tribes were made up of Cubs of the First Pack, while the Sioux and Chippewa Tribes were made up as follows of Cubs of the Second Pack: Sioux: Siker David Gray, Lorne Taylor, Peter Caldwell, Tom Martyn, James But. The Chippewas were Siker Victor Roberts, Donald Stickle, Donald Kerr, James Boyd, George Gedhill. Competition was very keen in this camp, progress being recorded each day by the number of feathers presented to the Sixers. Three feathers were awarded for first place, two for second and one for third. These feathers were worn in the head band, and at the finish of the first week's camp the Apache Tribe was announced the winner, holding twelve feathers. The Sioux Tribe was second with ten feathers, the Iroquois third with nine and the Chippewas had five feathers. Great interest was shown by all the boys in their effort to make progress, and but for the feathers it would have been difficult to pick a winner. The first camp was opened when the boys arrived on the morning train on Monday, July 13, and closed on Saturday, the 18th, when the train was flagged and a very reluctant gang found themselves bound for home. Monday morning, July 20, marked the opening of the second camp when Cubs from the Third, Fifth, Sixth and Seventh Packs fairly danced off the eight o'clock train. The tribes were made up as follows: Mohawks, Siker Victor Priebe, Second Pack; William Swain, Robert VanRassel, Howard Soucy of the Third Pack, and Donald Shaw of the Seventh Pack. The Pawnees were Tom Fisher, Siker; Clyde Brydle, George Lancajter, Reg McCurdy, George Richens of the Fifth Pack. Robert Wheeler of the Seventh Pack. The Sioux Tribe were Siker Donald Horrester, George Westine, Jack Nickols Barry Brewer, Raymond Pidgeon, John Wolfe and Emmet Wolfe, and Siker Howard West of the Sixth Pack was Fire Chief. These Cubs were a hardy crowd and settled down to camp life like veterans. The weather was grand during the whole camp, but the second group had the break in the wind so that they were able to get out on the water more often and turned out to be fine oarsmen. Competition was keen, as in the previous camp, with the Mohawks and Sioux Tribes finishing in a tie with both holding twelve feathers. The Pawnee Tribe was the winner of eight feathers. The camp was under the direction of Akela Arch Wright, assisted by Eric Ormston and Jack Wilson. Sincere thanks are extended to all who in any way assisted in making the camp the success that it was, and in bringing happiness to all the boys present.

Early Visit Paid To Nellie Lake Scout Camp

Though they had been but two days in camp, the official visit of the local association was made at the Scout camp at Nellie Lake last Wednesday. The

Two Assault Cases Dismissed at Court Here on Tuesday

Large Number of Other Minor Cases Dealt With.

There were a large number of cases at police court on Tuesday, but only two of any special importance were dealt with, the others being for minor infractions of the law. The two chief cases were charges of assault and both were dismissed.

Arnell Beauchamp, store operator, was the complainant in charges of assault with intent to do bodily harm against Mrs. Lila Phippen and Alcide Tremblay. While the evidence was conflicting, it seemed to be agreed that the trouble arose over a dispute over some insurance money Tremblay was said to have paid. Beauchamp ordered the two out of his store and the accused claimed he assisted them in getting out. There appeared to have been some sort of a scuffle in which the complainant alleged he was hit over the head. In any event, Beauchamp said he lost a couple of teeth in the fracas. After hearing the evidence the magistrate dismissed the case.

The other assault charges were more serious as they added robbery to assault, or assault to robbery. In brief, the charges were for alleged robbery with violence. Gaston Goulet, Mrs. Adela Noel and Mrs. Angela Rondeau were the ones charged with robbery with violence. After several remands the case came to trial on Tuesday. After hearing the evidence of the chief crown witness, the three charges were dismissed. This witness was Alfred Newton, who lost some money some weeks ago. On the stand he was not sure when the money disappeared and he could not identify the accused as those responsible. Consequently the three accused were acquitted of the charges.

Four were fined \$1.00 and costs for breach of the traffic by-law. Four charged with having only one license plate were each fined \$5.00 and costs.

A young lady charged with vagrancy was dismissed when it was shown that she had a room in a local hotel the night that she was arrested.

Nick Barilko and Romea Beaudin were charged with receiving stolen goods, and Nick Barilko also with obstructing the police. The cases were remanded.

A charge of being drunk in charge of a car was remanded for two weeks. L. Plourde, on a robbery with violence charge, was remanded for a week. Two charges of dangerous driving were remanded for a week.

Four men paid \$10.00 and costs each for careless driving. Antonio Carriere was fined \$20.00 and costs for false information given in procuring a chauffeur's license.

Three men were fined \$1.00 and costs for defective lights and another \$10.00 and costs for defective brakes. A fine of \$10.00 and costs for speeding under 40 miles per hour was also imposed.

For disorderly conduct A. Boyer was fined \$10.00 and costs. Two drunks paid the usual ten and costs.

A charge of allowing a dog to run at large was adjourned till called on, the defence being that the animal got away while being fed.

Several other cases were remanded to next week.

JUST FUR EFFECT

"I see the Canadian Fur Fanciers Association are holding a rabbit exhibition. What is the purpose?" "One object is to make the people more hare-minded."—Toronto Telegram

Blairmore Enterprise—Pvt O'Hooley says that love making is just the same as it always was. He had just read about a Greek maiden who sat and listened to a lyre all evening.

First, Second, Sixth and Seventh Timmins Troops are represented in this camp, and all were busily engaged in putting the finishing touches on what was to be their home for the two weeks. The camp is on the shore of a beautiful lake which provides excellent swimming and diving facilities. The camp site was cut out of the bush, each patrol having its own tent separate and apart from the others. Such conveniences as cooking fires, refrigerators, latrines, grease pits, dining shelters and numerous gadgets had already been constructed by the boys. A fine council fire site had been selected and work was underway to make this spot a real pleasure for the boys. The programme of the camp, under the direction of Scouters Harris and Morgan, assured every boy of the fullest benefits that such an outing can provide, with all Scouts determined to pass all their Second Class tests before returning to town. Quite a number of the boys had previously had camping experience, and were tackling the task of preparing meals in the ways of veterans. Sunday was the official visitors' day at the camp and quite a number of parents and interested friends journeyed to the camp. We are looking forward to a full report of the camp on their return to town, and will give you more detailed news of it at that time.

Eighth Troop Holds First Meeting Since Camp

The first meeting since their return from camp at Davis Lake was held last Friday evening by the Eighth Troop. Many matters of business were taken care of by the meeting, and Remi Poulin was appointed to the duties of Troop Scribe for the season. Discussion was held concerning the visit of the Blitz Scouts to Kirkland Lake, and it was decided that the Troop would be represented by S. P. Bouchard, and Scouts Lucien Fay, Remi Poulin and Fernand Pitre. Good Scouting and Cubbing till next week when we will have further news of local activities.

— D. S. M.

All-Stars of Kirkland Lake Trim the Porkies, 11 to 2, at South Porcupine Yesterday

Heavy Hitting All Round by the Visitors in the Third and Fourth Innings Made the Win an Easy One. Though Outclassed by the Visitors the Porkies Put up Good Battle.

Kirkland Lake All Stars journeyed to South Porcupine yesterday to play the Porkies in the Ennis Cup series. If the All-Stars thought that after trimming the McIntyre team (leaders of the Porcupine league) at Kirkland last Sunday, they would have a simple walk-away with the Porkies (the tail-enders in the local league), then they learned differently. Instead of a walk-away, they had to give battle and the Porkies fought back all through the game. While the score was 11 to 2 in favour of the visitors, the Porkies made Kirkland work for its win.

Terry tossed a good game for the Porkies, though the visitors, being fair batsmen, smashed in eleven runs against him. Not all the hits were clean ones for errors and odd hits played a big part in the losing of the game.

For the All-Stars, Cooper heaved a good game. His left-hand throwing seemed to baffle the Porkies when at bat. Cooper fanned 8 men and gave up nine hits, while Terry fanned 4 and gave up 18 hits.

The game started like a fast one, but in the third innings the battery of the visitors began to tell, and they smashed out five runs and secured six hits, one being a triple labelled by Jelly. Steyond, Donald, Baird, Hillman and Schonfeldt were scored on the runs.

The fourth innings in the Kirkland half was much the same style and heavy hitting, mixed with plenty of errors, scored four more pointers, Steyond, Donald, Baird and Hillman being scored.

No runs resulted in Kirkland Lake's fourth and fifth innings, although two hits were gained. In the seventh stanza, after two men were down, Redmond and McLeod rode home on Cooper's three-bagger, the net two more for the visitors.

In the eighth and ninth innings the Porkies rallied and put a clamp on the visitors no runs being allowed. However, Donald and Jelly each stole a base. In all the team netted five stolen bases, which is rather rare in local games here.

After the Porkies' sixth innings nothing developed for them as they went down, under flies particularly, but in the ninth Wilson smashed out a three-bagger but there were enough fanned out to end the game with an 11 to 2 victory for the All-Stars.

IRON FIREMAN STOKER

Any piece of mechanical equipment, which is subject to hard, steady use, and which must be depended upon for continuous, efficient, and uninterrupted operation, should be given at least one thorough, mechanical servicing, inspection and lubrication each year.

With the war on there is no need to tell you to make "that piece of equipment last longer" and use fewer repairs, by giving careful attention while in apparent good condition.

Take advantage of our summer plan now!

1. Remove all coal and ash from stoker and furnace.
2. Vacuum clean hopper and furnace firebox.
3. Vacuum clean furnace or boiler.
4. Clean and inspect air passages in tuyere.
5. Clean plenum chamber.
6. Clean auxiliary air line.
7. Clean and paint inside hopper.
8. Oil motor.
9. Flush gear box and refill with oil.
10. Inspect fan and tighten or adjust.
11. Inspect belts.
12. Oil and check all controls.
13. Check machine for any air or coal dust leaks.

Providing we have your order so that we may do the work during July and August our charge for this service will be:

\$7.50—FOR ALL NO. 20 AND 30 MACHINES.

\$8.50—FOR ALL NO. 40, 50, 60 AND 75 MACHINES

\$10.00—FOR ALL LARGER MACHINES (Any Parts Required Will be Extra)
