

# Hollinger Bombers Put Porcupine Out of Running for the League Play-offs

### Sudden Death Game on Monday Night at Hollinger Park Was an Interesting Exhibition of Ball. Kept the Fans on Their Toes. Final Results was Close Score of 3-2.

The Hollinger Bombers put Porcupine out of the running on Monday at the Hollinger Park in a Sudden Death game which decided which team was to play the league leading, McIntyre Miners, in the T. B. L. Playoffs. Hollinger, as well as Porcupine, played an interesting brand of ball which seemed to keep the fans on edge all the time.

Catterello got the Porkies off to a good start in the initial inning when he singled to Chase but was caught off first when Lebag fled to Levandoski, who threw it to Starr for a double play. Romualdi also started the Porkies again in the 1st inning when he singled to centre field, but died on second when Wilson was thrown out at first.

In their half of the first frame Cookson of the Bombers fouled to Kosick, Scarlett was thrown out at first, Chase walked and Levandoski thrown out, Kosick to Wilson.

Hollinger managed to drive across their first run in the 2nd inning when Starr singled to centre field. Delmonte advanced him to second with another hit and he stole third when the Porkies left the 3rd sack uncovered. Wilson threw the ball at Kosick, who, in a running attempt to stop Starr missed the ball and Starr took home for the first run.

In the 3rd frame the Bombers scored another tally when Chase walked and stole second, and scored on Levandoski's single.

The Porkies big inning was the 5th when they managed to run up the score. Bradley walked and was advanced to second by Terry's single to left field. When Catterello singled to Tennant, Bradley tried to steal home but was thrown out, Catterello taking second on the play. Romualdi singled to right field, scoring Terry and Catterello.

Again in the 6th frame the Porkies moved into scoring position when Kosick singled to Chase. Dominas walked. Both runners advanced on Catterello's single. Vince Barton then yanked his ace hurler, Tennant, who didn't seem to be able to get a start and replaced him by little Mike Cherevaty who soon brought things under control.

The Bombers drove across their winning run in the 6th inning when Scarlett doubled to left field and scored on Chase's hard hit single to centre field.

Ken Terry who went all the way for the Porkies gave a fine exhibition of pitching holding the Bombers to five hits. The Porkies got five off Tennant and four off Cherevaty for a total of nine hits.

**Soldier Thinks Baseball Better in North Than South**

Pte. G. Wallingford Writes from Toronto.

George Wallingford, until recently sports editor and reporter on The Advance, this week sent an interesting letter from Toronto. He was for some time on the strength of the Algonquin Rgt., and had passed the necessary tests for a sergeant's place. Last week he went to Toronto and joined the active army for overseas service. His letter reads, in part:—

"Well, I'm finally settled down in one place now and expect to stay here for at least two weeks. Ever since I arrived I have been moving from one place to another, but always in the Horse Palace (Exhibition Grounds). Having a swell time. The food is very good. It really surprised me. Pie and cake for every meal. The same meal would cost at least half a dollar in any restaurant. They are really looking after us. . . I may be up to see you in about a month, though, if I can get a long enough leave. . . I haven't had a taste of the training here yet but will start to-morrow. I don't think it will be very tough and I expect I will survive. . . We all went to church this morning and two men "passed out" with the heat. One wasn't me. The two probably were so surprised to find themselves in church that the shock was too great for them and they folded up. . . Met a lot of Timmins and Schumacher boys here. They have been here for a week or so. Two of them are George Richardson and Louis Weber. McIntyre ball players. We had quite a rousing celebration in the canteen the other night. . . I saw three baseball games here between Toronto and Buffalo, and I think they're lousy. The boys in the Porcupine League play better than either of these teams."

**CORRECT CORRECTION**  
In a grammar lesson one day, the teacher wrote on the blackboard: "I didn't have no fun at the seaside." Then she turned round to her pupils and said to one: "Roland, how should I correct that?" "Get a boy friend," he told her—Exchange

**T. B. L. Game to Be Played This Evening at McIntyre**

McIntyre - Hollinger Match in the Play-Offs Postponed from Last Night.

The T. B. L. game in the play-offs scheduled for last evening (Wednesday) was postponed until this (Thursday) evening on account of the weather and wet grounds. To-night at six o'clock the McIntyre and the Hollinger Bombers will play the match which should be specially interesting and well-contested.

**Again Appreciate Work of the Timmins Fire Dept.**

This week Chief Borland of the Timmins Fire Dept. received a cheque for \$50.00 from the Feldman Timber Co. as a mark of the firm's appreciation for the able and effective work done by the Timmins firemen in conquering the serious fire at the Feldman bathhouse on August 9th. While the fire at the bathhouse had too great a grip before it was noticed for that building to be saved, the other buildings nearby were saved through the good work of the brigade and a very serious fire averted. The cheque will be divided — \$25.00 to go to the Volunteer Firemen and \$25.00 to the Timmins Fire Fighters (the permanent men of the brigade).

**PAID IN RIGHT COIN**  
An American firm has adopted a rather fierce way of combating absenteeism. Aeronautical Products, Inc. of Detroit got hold of some German milliard-mark notes of the inflation period and put one of them into each of the absentees' wage-packets with the explanation:

The extra pay enclosed is your reward for failing to report for work one day last week.

This money comes from a country that is glad to pay you not to make supplies for our soldiers.

When you don't work you work for the enemy.

The response from the absentees is not recorded, but the episode is an interesting instance of American keenness.—Manchester Guardian.

# Hollinger Bombers Win From Kirkland All-Stars in Fourteen Inning Game

### Score was 2 to 1 for Hollinger in Rousing Old Ball Game in the Ennis Cup Series. Fans at Kirkland Turned Over to the Tune of a Thousand.

Kirkland Lake, Aug. 19.—(Special to The Advance)—Fighting to the end Kirkland All Stars went down under the constant pressure levelled at them by Hollinger Bombers Sunday. The score after 14 hectic innings of play was 2-1 for the northerners. This means the Porcupine team is now out in front in the Ennis series having won one more than Kirkland Lake. If the All Stars make a come-back in the next fixture it will mean a two-way tie between Kirkland Lake and the Hollinger. If the northerners win the next game they will carry home the Cup to its usual place—Hollinger.

The momentous cash Sunday was witnessed by over a thousand fans who waited four hours under dark rain clouds to see the conclusion of the event. Kirkland Lake took advantage of a break in the tenth when the local boys sneaked home a tally but the Hollinger aggregation was close on their heels evening up the score in their portion of the same inning.

The deciding play came in the last half of the fourteenth. With Hollinger's Scarlett on first sack and Cherevaty reposing on third, Scarlett stole two bases. Schonfeldt attempted to nab the northern boy but dropped the ball allowing Cherevaty to gain the safety of home.

Hollinger's best bet was in the ninth when they managed to get men on second and third after two were out. Manager Vince Barton nominated himself to pinch-hit for Nels Avery, but fled to Hillman ending the inning.

Rollie Bussiere went, the distance for the losers giving up only nine blows in 14 almost complete innings, and striking out seven. Bussiere, also had plenty of stuff when Hollinger runners got on the sacks.

With the winning run on second Donald laced one into green pasture over Adamchuck's head, only to have the leftfielder make a great leaping catch to end the inning, with no runs scoring.

It was pinch-hitter Cooper who did the damage in the tenth when the All-Stars got the first run of the game. Schonfeldt, the first man up, fled to Scarlett, but Jelly singled to right. He went to second when Behie followed with another single in almost the same spot. Cooper, batting for Redmond, punched a clean one into centre, permitting Jelly to dash home with the first run. Bussiere hit into a force-out at second to end the inning.
