A reception was held in the evening, where friends gathered to do honours to each bridal couple. . . The latter couple are residing in Toronto, where the groom is employed.

General Meeting Ladies Auxiliary on Monday Night

Reports from Various Committees Given. Plans for Whist Drive Made.

The monthly general meeting of the Ladies' Auxiliary was held on Monday evening at the Legion Hall, with Mrs. W. A. Devine in the chair. There was a very nice attendance. It was announced that the whist drive for the winter had started, the first one taking place on Tuesday. Mrs. E. Tilly, the wool convener gave her report on knitting, and Mrs. T. Gay the comfort convener, read a list of names of boys who have received parcels overseas.

Maclean's Magazine:—Terrace, B. C., has a patriotic police department that goes in heavily for displays of all sorts of posters designed to advance the war effort. So it has come to pass that, nailed to the centre panel of the door through which unhappy miscreants under arrest must enter on their way to the cells, is an impressive placard done in bold white letters against a bright red background: "FREEDOM IS IN PERIL. DEFEND IT WITH ALL YOUR MIGHT!"

Why the Salvation Army Home Front Should be Upheld

Notable Patriotic Work Being Done at Home, as Well as Overseas, by the S.A.

This month the Salvation Army is making appeal for support for the work of the organization on the home front. The government is financing the work of the Salvation Army overseas, but no provision has been made for keeping up the "home front" work of the Salvation Army except by public appeal. Only a little thought is needed to show that if the work overseas is to continue it is essential to maintain the "home front." Before the war the Salvation Army made two public appeals a year to carry on the work in Canada. The public responded generously because the value of the work was so apparent and so vital. Since the war began the overseas work of the Salvation Army appears to overshadow the home front but it would be a mistake to allow this attitude to leave the home front neglected. The Salvation Army itself has never slackened in its work on the home front. It recognizes that this is vital not only for the Salvation Army but for Canada. People of Timmins and district have always warmly supported the work of the Salvation Army. This year the need is greater than ever. It is sincerely to be hoped that the appeal for the home front this month will meet the most generous response. The following paragraphs from the Salvation Army R3C Shield News give a concise summary of what the home front of the Salvation Army does:—

The work of the Salvation Army is as complex as human nature human experience and human problems. Most people know something about it. Primarily the organization tries to persuade people to live Christian lives. But they have found that too often those who need Christian knowledge and principles are hungry, physically sick, morally outcast or completely helpless.

Salvation Army Officers do their best to practice Christianity, i.e., feed the hungry, heal the sick, support the aged and infirm, mother the motherless and fatherless, find work for the ex-prisoner and misfits, console and guide the wretched and depressed, and so on.

In terms of life and things human, sickness, hunger, suffering, and so on, figures are a poor means of conveying a story, but they do help to complete a picture. Here are some for the past year:

Women admitted to hospitals	15,562
Prisoners or dependent assisted	7,140
Persons for whom employment found	18,463
Children given summer training vacations	1,549
Old people being cared for	521
Sick and needy helped by League of Mercy	193,366
Attendance at religious meetings	5,815,314
Babies born in S. A. hospitals	9,631
Unmarried mothers cared for	1,574
Missing persons located	484

Carlin-Burgoyne Nuptials at the Church of Nativity

Wedding in Morning, Reception at Bride's Parents in Afternoon. Leave for Honeymoon.

Gladioli and asters formed the setting at the Church of Nativity, on Monday morning at 9.30 a.m. for a very pretty wedding, when Rose Monica Carlin, daughter of Mr. and Mrs. D. Carlin, became the bride of John Burgoyne, son of Mr. and Mrs. Burgoyne, Father Murray officiated, and Sister St. Claire presided at the organ. Solos and duets were rendered by Miss Cora Amadio and Mrs. Isa Hampton, during mass.

Given in marriage by her father, the bride made a picture in the traditional white satin, fashioned on princess lines, with shirring from the shoulders to the waist in the front and around the back. Her sleeves were three quarter length and there were covered buttons from the neckline to the floor, down the front of the dress. Her white finger-tip tulle veil was caught at her head with two peach gladioli, and she carried a white velvet prayer book from which fell white ribbon and peach gladioli.

Acting as matron of honour was the bride's sister, Mrs. F. Roney, of Ottawa, lovely in a wine silk crepe gown, two-piece, with a wine chiffon velvet jacket buttoned to the waist, three quarter length sleeves, and a round neckline. She wore a pillbox of the same material as the dress with a short wine veil, and carried an arm bouquet of white gladioli. Her gift from the bride was a single strand of fine pearls.

Ted Burgoyne acted as best man. Following the ceremony, a reception was held at the home of the bride's parents with Mrs. Carlin receiving in a black chiffon velvet afternoon frock, with black accessories, and a corsage of pansies and sweetpeas.

The couple left the same day for a wedding trip to points south, the bride wearing for travel a dusky rose two-piece dressmaker suit, with a turban of the same material, and brown accessories. Her corsage was of sweetpeas. On their return, the couple will reside at Birch street.

Previous to the marriage the bride was entertained at several showers, among those being a linen shower by Mrs. D. Reynolds, a kitchen shower by Mrs. Gells, and a cup and saucer shower by Mrs. E. Holden.

Out-of-town guests for the wedding were Sergeant and Mrs. F. Roney, of the R.C.A.P. in Ottawa.

Council Anxious to Defer All But Imperative Works

Board of Health Sewer Connections Deferred.

At the council meeting yesterday Board of Health suggestions for sewer connections to be made were deferred for the duration, if this can be done. "We do not want any public works that possibly can be avoided," said the mayor. "If there is any serious menace to health the Board of Health has power to order the work done."

Mayor Brunette presided and Councillors Ellen Terry, W. McDermott, J. P. Bartleman, J. W. Spooner, W. Roberts and K. A. Eyre were present. There was some discussion over the payment of \$600.00 to J. H. McDonald in connection with a lot he bought from the town. It developed later after Mr. McDonald sold the property that the town did not own the property and so deed could not be transferred. The town solicitor recommended the payment of \$600.00 to Mr. McDonald to settle the matter and relieve the town from further liability due to the error made some years ago. Councillor Terry questioned the wisdom of passing the resolution to pay the \$600.00, but agreed when a rider was added to the effect that the payment was made in accordance with the advice of the town solicitor.

The report of the fire chief for August was received and filed, one point of interest being specially noted—that in 19 calls there were none over the alarm system.

The request of the Civilian Defence Committee for four telephones was deferred the mayor saying that the committee was to present a full list of any requirements it had and these could be dealt with together. Reference was made to the remarkably fine work of the Civilian Defence Committee.

A report from the delegates to the Ontario Municipal Association (Councillor Spooner and Clerk Shaw) was tabled. Councillor Spooner was re-elected as one of the vice-presidents of the association. All the resolutions from Timmins received favourable attention.

Lethbridge Herald:—"Porcupines don't know there is a war on. Otherwise they might have spared the tires of a Plumber, Idaho, man's car. Instead, one animal stuck in a couple of quills and put two tires out of business. Its action was in revenge, of course, for being run over."

Globe and Mail:—"Occasionally there is a flash of good news. The speckled trout season in Ontario has been extended from Aug. 31 to Sept. 15."
