

Kirkland Lake's First Win in T.B.L. Play-off

Hollinger Wins Two T.B.L. Games at Kirkland Lake During the Past Week-end

Bombers Trim Kirkland Lake in First Game with the Score 3 to 1, and Win Second Match 7 to 5. In the First Game the Bombers Took an Early Lead and in the Second Game, They Came from Behind to Win.

The Hollinger Bombers took the first game of the T. B. L. playoffs on Saturday by defeating Kirkland Lake by a score of 3 to 1 at Kirkland Lake. Mike Cherevaty, who handled mound duties for the Bombers, continued his winning streak by setting aside the Kirklanders.

The Bombers started right down in the initial inning by scoring two runs which was just enough to beat the All-Stars. Scarlett went to first on Donald's error and was driven in when Cookson drove the ball to right field for a round trip.

After Hollinger's quick start in the first inning the All-Stars made a bid to even up when Donald went to first on fielder's choice and went to third on Baird's single. Donald scored on Levendoski's error.

Hollinger got into scoring position in the 4th when Adamchuck doubled to right field but was thrown out at 3rd by Lynott.

In the 7th frame Hollinger scored their final tally "Lefty" Starr doubled to left field. Delmonte drove him in with another double.

Kirkland Lake came close to evening up in the 9th when Behie doubled to right field. Jelly fled to Adamchuck who came up with a beautiful, one-handed, "shoe-string" catch and threw to Levendoski who caught Behie off the bag for a double play. Also in the 9th Schonfeldt singled to left field and went to third on Cooper's hit to centre. But was stranded on the paths when McLeod, who pinch-hit for Bussiere fled to Levendoski.

Proceeds will go to provide Comforts for men enlisted in Timmins and District on leaving for District Headquarters on Active Service

One of the first things to be considered prior to the meetings. The Patrol Leaders will discuss with their Scouts the possibilities and preferences of the individual boy, and with this information will be able, through the Court of Honour, to plan a meeting that will please all and give everyone an opportunity of having the type of activity desired. Each week a different Patrol will be responsible for the demonstrations, entertainment, and so on, of the meeting, and will receive the assistance of the other patrols in this duty. All this promises that the meetings of the Third Troop throughout the season will be of a first class nature.

Interesting Meetings Conducted by 7th Troop
Regular meetings of the Seventh Troop are being held every week and the Scouts are continuing to pass tests and receive advanced instruction. Last week instruction was in signalling, and the boys are becoming quite adept at the art. A hike was held recently, the Troop going to the rocks at the south end of town. Stalking games were played and when dinner was prepared by the boys all were so hungry that in no time at all they were washing the dishes. Gordon Warren decided against hiking two miles for a drink of water despite his thirst, and Scouter Atkinson supplied the treats when they returned to town.

Badges Awarded At Fifth Troop Meeting
The Fifth Troop met last Friday evening in the basement of the Moneta School. During the evening Ernie Heferman was awarded his Second Class Badge, Donald Worth received his Second Class and Tenderfoot badges and Peter Marson was awarded his Tenderfoot badge. Mr. A. J. Brown, of the Group Committee, was present and spoke to the Troop regarding the B. P. Chins Up Fund. He related some of the experiences of the Scouts in Britain who have been receiving the benefits of the Fund, and pointed out to the boys their duty in doing all they could in supporting the effort. Plans for future meetings were drawn up by a gathering of the Court of Honour, and we hear that these plans include a corn roast and a weiner roast. Mention was also made of a Halloween party, plans to be worked out in the near future. Some good times are in store for the Scouts of the Fifth Timmins Troop.

Executive Meeting to Be Held On Friday Evening
Mr. W. F. Lawry, President of the Local Association, has called a meeting of the Executive Committee for Friday evening of this week. The time will be 7:30 and the place the Municipal Building. The camping committee met last week and will announce the winner of the Drew Trophy at this meeting. The trophy is awarded the Troop having the best campsite of the year. Further plans for the season's activities will be discussed by the meeting, and a good attendance of Executive members is expected.

More Suggestions For Competitive Games
How did those games we suggested last week turn out? Well, there have been no complaints, so here are a few more:
Knot Tying — Two men. One stands with a Scout staff held vertically, one end held firmly to the ground but renders no other assistance. Tier has four pieces of rope, four to five feet long. On the signal to start, tier ties first rope of the staff with a clove hitch ties second rope to first with reef knot, ties third rope to second with Sheet bend, ties fourth rope to third with fisherman's knot, ties other end of four rope around waist with bowline, puts a sheep shank into some convenient part of the line, pulls whole line taut and holds hands up to signify finish. Speed event.
Pony Express—One express rider and four "horses". Horse No. 1 is posted at the start; No. 2 and No. 3 are 30 yards down the field, and No. 4 at the far end. At the word "Go" rider mounts horse No. 1, rides to centre of field and changes to No. 2, and rides to end of field and changes to No. 3, returns to centre of field and changes to No. 4, and rides back to the start. Rider may not take more than two steps at any relay. Rider must not be more than 10 pounds lighter than any horse. Speed event.

Lloyd Tying Invested At Third Troop Meeting
The Third Timmins Troop, at their meeting of September 1, staged a very impressive investiture ceremony in which Lloyd Pelanger, a recruit became a full-fledged Scout. Lloyd had previously passed all the Tenderfoot tests, and was welcomed into the Troop by his Patrol Leader and all the Scouts. During the evening Allan Shaw, John Stanga and Duncan France were successful in passing their Second Class signalling tests. The Court of Honour met following the Troop meeting, and it was decided that all programmes were to be drawn up

Kirkland Lake All-Stars Made First Win in T.B.L. Series Yesterday Afternoon

Came from Behind to Win Game 11 to 7. Hollinger Bombers Seemed to Have the Game Cinched Until the Sixth Innings When the All-Stars Began to Go Places in the Game.

The Kirkland Lake All-Stars set back the Hollinger Bombers 11 to 7 at the Hollinger Ball Park yesterday afternoon. For the All-Stars this was their first win in three games in the T.B.L. playoffs. Although the visitors got off to a slow start, 7th and 8th inning spurt was the telling blow of the game.

The Bombers drew first blood in the initial frame when Scarlett went to first on Jerry's error. Cookson sacrificed him to second. Scarlett tried to take third on the play and McLeod's throw in order to cut him off went wild and Scarlett scored. Also in the first inning Chase got on, on Cooper's error stole second and third and scored on Bussiere's wild pitch.

The All-Stars were not able to get a start in the early stanzas of the game and were retired in order, in the 1st, 2nd, 3rd and 4th innings.

Hollinger scored two runs in the 5th when Cherevaty tripled to right field. Scarlett walked, Cherevaty scored when Cookson was thrown out at first, Scarlett going to second and taking third on Chase's single. Scarlett scored when Levendoski singled to Jelly who threw to Cooper at third to cut off Chase.

The Kirklanders managed to tally in their half of the 6th when Bussiere doubled to right field and went to third when Stoyand was thrown out at first; Bussiere scored on Hillman's fly to centre field.

The All-Stars came right back in the 7th. Jelly went to first on a fielder's choice and took third on Desomier's long single to right. Schonfeldt's single scored Jelly. Bussiere's single scored Desomier and Stoyand's double scored Schonfeldt for a total of three runs.

The visitors again continued the onslaught in the 8th when Baird went to first on Starr's error and went to second on Cooper's single. Donald's single advanced the runners a base. Baird scored on Jelly's fly. Cooper scored on Desomier's single. Schonfeldt went to first on fielders choice. Bussiere's single scored Desomier. Stoyand doubled scoring Schonfeldt and Hillman's double scored Bussiere and Stoyand for a total of six runs.

In their half of the eighth the Bombers scored their sixth run when Starr walked and went to second on Delmonte's single to centre field. Starr scored on Cherevaty's long single.

The Kirklanders drove home their last run in the final frame when Baird walked, Cooper advanced him with a single to left field. Donald went to first on fielder's choice when Cooper was thrown out at second, Baird taking third on the play and scoring on the play at second.

Hollinger made a bid to even up in the 9th when Romauidi walked and took second on Chase's single. Romauidi went to third when Levendoski singled to Donald who threw to Jelly cutting Chase off at second. Romauidi scored on Adamchuck's fly to centre field.

Bussiere who toed-the-slab gave up nine hits, striking out 3 and walking 4.

Scoutmasters, G. W. Green, H. Robson, P. W. Everett.
Orderly, Donald Baden-Powell.
Wolves Patrol—R. Wroughton, Cedric I. Curteis, John M. Evans-Lombe, Percy Medway, Reginald Giles.
Curlew Patrol—Hon. G. Rodney, Bertie Watts, A. Vivian, T. E. Bonfield, R. Grant.
Raven Patrol—Thomas B. A. Evans-Lombe, Arthur Primmer, B. Blandford, Hon. James Rodney, M. Noble.
Bull Patrol—H. Emley, B. Tarrant, Hon. W. Rodney, B. Collingbourne, Humphrey Noble.
The sole surviving member of the camp staff, "P. W. Everett", now Sir Percy Everett, and still active in Scouting as Deputy Chief Scout, paid a visit to Canada shortly before the war. The camp lasted from July 25 to August 7, which is still the average length of Boy Scout camps.

One of the first contributors to a "Baden-Powell House" fund being raised in Great Britain was James Harvey, of Poole, the boatman who ferried the to-be Scouts to Brownsea Island.
A meeting of the Scouters is being planned for the near future, and all are asked to have plans and problems that may be discussed. A year of real Scouting is looked for, and all are asked to do their part. Till next week, good Scouting and Cubbing.

Limitation of Hours May Hurt Smaller Retailers

TORONTO, Sept. 9th — Limitation of retail stores to 56 hours of operation a week as proposed by the Wartime Prices and Trade Board may create hardship for many independent retailers, according to a letter from the Canadian Council of Distribution to Mr. Edgar Burton, Retail Price Administrator. The letter, which is signed by Mr. W. C. Fisher, president, suggests that the proposed restrictions on store hours should not be put into effect on October 1 but that action might be deferred until January 1, pending the results of window-lighting curtailment in the central provinces.

Representing a large number of retail stores operating across Canada, the Canadian Council of Distribution states that most chain stores are now operating at or near the proposed limit of 56 hours weekly and would not be seriously affected by the order. As a matter of practice and policy, the Council approves shortening of store hours. The letter points out, however, that many small retail merchants depend mainly on evening trade. These retailers, the Council states, perform a service for the public and shorter hours might compel them to close their businesses.

The nation's shopping habits may be changed materially as the result of restricted use of electric power which eliminates electric sign and window display lighting. Until the full effect of these changes can be studied and necessary adjustments made by the retail trade the new order limiting store hours would impose an additional hardship on small retailers, the Council states.
