

"BRAVE MEN SHALL NOT DIE BECAUSE I FALTERED"

Every day in every theatre of war brave Canadian Soldiers are giving their lives that we may live, live in the comforts of our home with our families, when our soldiers pay the price of freedom with their very lives.

Is it then, too much for us when we are asked to buy War Savings Stamps and Bonds? No! never let it be said that brave men died because you faltered, support your Local War Finance Committee to the utmost. Buy War Savings Stamps, Certificates and Bonds 'till it hurts. It's the least you can do!

WE'VE GOT A BIG JOB TO DO NOW!

The war goes on. The National War Finance Committee carries on. Some will serve on the committees organized to promote continued sales of Bonds, War Savings Certificates and Stamps. All of us must continue to buy these securities. We must save every dollar, every cent we can—and lend our money to Canada. We must provide the money required to carry on the war—the money required to win the war.

Our fighters must have more ships and tanks and guns and planes. They must have better ships and tanks and guns and planes than the enemy has. **WE MUST ALL WORK, AND SAVE AND LEND.**

The safest investments we can find for our savings are Bonds, War Savings Certificates and Stamps—and they will provide money for us to buy things that we will want when the war is ended.
