

Hollinger and McIntyre Draw Three to Three in Battle Royal In Overtime Game Monday

Dusty Baker Stars for McIntyre, Does Hat Trick and Saves the Miners From Defeat. Hollinger Had Game Well in Hand Until Midway in Third Period.

The Hollinger Green-shirts marked up their first point in the league on Monday night in an overtime 3-3 score.

What looked like their first win, went to pieces in the third. Leading 3-1, the Green-shirts let the Baker, Drummond and Vall line score two in the third to tie the score.

The first period went scoreless, the Green-shirts kept organized, and did not let in the usual goal as in the two previous games.

Kovalchuk missed a fine chance by shooting wide at the open side. At the other end Bentley pulled off a fine save from a combined attack by Wilson, Tomiuk and Innarelli.

Richer, Petrucci and Kovalchuk gave Porter an anxious time. McIntyre made sorties on Bentley, but their passes did not click.

In the second, both goalies had hot times, and Porter was the first victim, when Richer passed out to McKay for the first goal.

The Miners put on the pressure and Bentley did well on shots from Tomiuk, Innarelli and Baker as the Green-shirts were pinned in their own blue line. Relief came when Petrucci got the rubber out to Pontello who broke away and passed to Kovalchuk for a score, Gordon nearly beat Porter on another shot.

On another rush Tallo was banished for boarding Baker. At the face off, Baker beat Bentley and put more spark in the miners, but could not tie it up.

Hollinger playing the blue line pressed Porter, and McCoy was thumbed for charging, and with five seconds to go, Petrucci made it 3-1 with assists going to Kovalchuk and Cecchini.

After three minutes of play in the third period, Wink Wilson was injured and had to leave the game. During the period Schwab had to retire.

The McIntyre set out to wipe out the deficit. Baker was the man to do it, and doing the hat trick at the same time.

Vall and Drummond had a hand in both goals.

In the overtime period both teams missed fine chances.

Hollinger had most of the play and passed up the best chance when Kovalchuk had a wide open net. He passed it and Tallo hit the post with only Porter to beat.

Another fine opportunity came when Innarelli and Colquhoun were banished, but they didn't have the extra punch.

The most dangerous shot came from Baker's stick which Bentley turned aside.

McIntyre: Goal, Porter; defence, Colquhoun and McComb, centre, Wilson; Wings, Baker and Drummond; alternates, McCoy, Vall, Tomiuk, LaBarre Turcotte and Innarelli.

Hollinger: Goal, Bentley; defence, Schwab and McKay; centre, Petrucci; wings, Pontello and Kovalchuk; alternates, Tallo, Richer, Cecchini, Delmonte and Gordon.

Priorities Holding Up Work at Lignite Field

It is hoped to begin actual production at the lignite field north of Cochrane next spring, but in the meantime progress in getting into production is hampered by priorities on machinery and other materials required. At present the chief work carried on is the erection of the necessary buildings for the plant. Materials needed for the plant in most cases have to be arranged for through Washington and this has caused considerable delay. The "drag line," the machine for stripping off the overburden, is now on the ground after being on order since last spring. W. Gorrie, of Swastika, is superintendent of the work now in progress and is in charge of a fair-sized gang of men who are now employed chiefly in the work of erecting the necessary buildings for the plant being installed and to be installed.

Porcupine All-Stars Win From R. C. A. F. Flyers Last Friday Night Three to One

With Porter Unbeatable and Fine Combination Plays All-Stars Achieve a fine Win. Flyers Make Many Trips to Penalty Box. Visiting Team a Particularly Heavy One.

Playing before a packed arena, the Porcupine League All-Stars won over the R.C.A.F. Flyers 3-1 in an exhibition game last Friday at the McIntyre arena.

In less than a minute, Drummond parked the rubber behind Belanger for first blood. Patton and Maki combined on the play.

Don and Wallie Wilson broke in the clear to give Porter a hot one.

McAtee started the parade to the cooler for highsticking. Bush went to keep him company when he was finally caught using his elbows. This seemed to be the signal, for rough play and the All-Stars took what came but stayed on the ice.

Belanger made a sensational stop when Maki Drummond and Baker went right in on him, and did everything but score.

Tustin did a fine job of ragging the puck until his team mates returned and Porter was called on to clear.

As Bush came on McCaig took his place; the All-Stars having most of the play, made another sortie. O. Carnegie and Turcotte went in on Belanger, only to be outguessed. Grondal was chased as McCaig returned.

Barney Morris stickhandled his way from end to end but was stopped by Belanger. W. Wilson did the same, Porter clearing.

Patton and W. Wilson went off for roughing and Schwab followed. This gave the Flyers the odd-man advantage for the first time but the All-Stars back checked to keep them out.

The second period saw another parade of Flyers going to the hoose go, with Wycherley getting a five minute penalty for using the butt end.

Porter made a great save when D. Wilson and Henderson went right in on him. Belanger did the same from O. Carnegie and Baker. Drummond on another play was in the clear only to be tripped by Grondal.

Belanger came in for a hot time as the All-Stars swarmed around him. Tustin was given the heavy chores when Dickens was chased leaving the Flyers with three forwards, and again he made a fine job of it.

Wycherley got a five-minute penalty and again the All Stars pressed in on Belanger. He kicked and threw all kinds of rubber out before H. Carnegie whipped a pass out to Wilson that finally beat him.

Tustin, Riopelle and W. Wilson combined and Porter being the only man in front of them, Wink Wilson rushed in and tripped Tustin from behind as he was going to shoot. The Flyers were awarded a penalty shot; Tustin took it and scored.

The third stanza saw a goalkeeper's battle, and both stood the bargages well and Porter deserves a lot of credit. For five minutes the Flyers kept the All-Stars in their own blue line, with every Flyer in there too, the puck going from one Flyer to the other, each taking a shot at Porter. Patton finally relieved on a break away. Dickens chased after him and was in time to check as Patton was about to shoot.

In another blue line display, Porter made three fine saves from Riopelle. The All-Stars finally broke away and showed the Flyers they could play the blue line game as well, and had better success, when O. Carnegie snared his third shot at Belanger, Turcotte being in the play.

From here on it was wide open hockey, and both goalies had some hot ones to handle from combination plays.

Air Force "Flyers" Win From Porcupine All-Stars in Game at Kirkland Lake Arena

Score Saturday Night was 7 to 6 in Favour of Joe Primeau's Husky Flyers. Flyers Play Fast, Fore-checking Game. Porcupine's Carnegie Combination a Feature of the Contest.

(By JIM HORNICK)
Northern News Sports Editor
Kirkland Lake, December 14.—Breaking the losing jinx of their Northern Ontario tour, a jinx which started with defeat at the hands of Sudbury Food "Tigers" last Thursday, Joe Primeau's Air Force "Flyers" fought Porcupine "All Stars" to a 7-6 victory at the local ice palace late Saturday night.

Saturday's Air Force win gives the Queen City puck squad one victory of a possible three since All Stars trimmed Flyers in Timmins last Friday 3-1. Blue Devil met Blue Devil Saturday as Flyers' forward, Johnny McCreedy, weaved through Porcupine opposition like the well-known "Whirling Dervish" to make shots on the net of another ex-Lake Shore player, Porcupine goal tender, Lyle Porter.

Playing a fast, fore-checking game throughout, Flyers scored early in the first frame when Wycherly fired the disc past goalie Porter on an assist from Porter. Four minutes later Ripiopelle, on an assist from Johnny Quilty, scored for Flyers. Herbie Carnegie of Porcupine's Carnegie combination rushed Flyers' defence to make the score 2-1 for the southerners. Air Force defenceman Eddie Bush proved his scoring ability when he infiltrated All Star defence to tally for Toronto. Porcupine forward Pat Patrucci gained the last marker in the initial period on a pass from Wink Wilson to make the score 3-2 for Flyers.

Coming back strong in the second Porcupine scored an evener when Drummond made a successful shot with the assistance of Baker. Schwab scored from Drummond mid-way through the second to make it 4-3 for Porcupine. Hobe Essletine's miners kept the air men in their own section of the ice surface for the remainder of the second blocking all Flyer scoring efforts and keeping a one goal edge over the Air Force until the third.

Big Eddie Bush made his second point of the game a few minutes after the start of the final frame. Tustin tallied for Flyers with the aid of Wilson making the score 5-4 for the south. Bill Maki made one of the nicest goals of the evening when he completed a play by Jackie Drummond. Making the third point for himself in the game Eddie Bush came at Porcupine with the power of Superman half-way through the last period to gain another marker for Flyers. Tustin chalked up his second goal at 10:29 making it 7-5 for Flyers. The last goal of the game, climaxing a fruitless bid for victory by Porcupine, Drummond and Schwab combined their scoring talents to end the exhibition with a score of 7-6 for Toronto.

Porcupine's rookie, Turcott, copped the first demerit of the game when the referee gave him the nod for a minor. Flyer Wycherly followed his example

nine minutes later and was accorded a rest in penalty pew. Wycherly displayed a liking for the Kirkland Lake arena's penalty now and was back for another rest early in the last period. Proof of the clean play Saturday night is the fact that only three penalties were handed out although both teams pressed to the limit of their ability throughout.
