

# Dropped Between Stitches

By Doris

Words consist of air from lungs, thrust by twist and flick of tongue.

Paltry things, they're sharp to wound when one swings the whip of sound.

Mighty things, they can upset thrones of kings and tyrants' threat.

Lordly things, they have in choice power which brings to men God's voice.

The title of this short poem is "Cut From Air," and the writer—Keith Thomas. He illustrated with a few short words, what a flick of the tongue can do. . . . The words uttered can disrupt a whole world, they can bring peace, beauty, or anything possible, by just uttering a few sounds from the lung. . . . It is a wonderful world, isn't it? . . . God gave us this power, and with it, we can do practically anything without the least exertion.

Among the most interesting letters received by ladies in town, from sallys who were the recipients of ditty bags, was one received from a seaman of the "Port St. Francis" ship. . . . The letter was sent to the J. Catholic Women's League, and addressed to Mrs. Jos. Martin, the president. . . . It reads as follows:—

Dec. 10th,

Mrs. Jos. Martin: I thank you very sincerely for the ditty bag which I received from the Montreal Catholic Seamen's Club.

It is not easy to write an adequate letter to one of the people who are so kind to us seamen, in a practical way.

So many more are awfully kind with honeyed words—which mean nothing.

I was asked to write and tell of my experiences, but I am afraid I cannot do that. Mostly, such things are not pleasant reading, and I'd rather forget them.

I served in the Royal Navy in the last war, but I could not get back in to the R. N. for this one as they (the powers that be) considered the Merchant Navy could use me better. I'm still not sure whether or not I'm happy about it.

Will you please convey my thanks to the members who helped to give me such a nice Christmas present. I appreciate it more than I can say.

If I may, I will write again from the other side when I get across. For now, goodbye, and thanks again.

Yours very gratefully,  
Salem H. Barry (Bos'n)

Wedding bells rang on Saturday at 8 p.m. for Miss Barbara Lucas, and Pte. Arthur Quine, of the Ordnance Corps, stationed at Barriefield. . . . Barbara is the daughter of Mr. and Mrs. W. A. Lucas, of 48 Patricia Blvd., and Arthur is the son of Mr. and Mrs. P. Quine of Schumacher. . . . The marriage took place at the bride's home, with Reverend Lora Carlson officiating. . . . The wedding was very informal, the bride and attendant wearing afternoon dresses. . . . Attending the bride was Miss Louise Abraham and acting as best man was Mr. Archie Mochrie. . . . Immediately following the ceremony, a small reception was held at the bride's home, the close friends and relatives of the couple only, being entertained. . . . Congratulations to the young couple, and best wishes for all the happiness in the world.

The annual meeting of the Timmings Branch of the Red Cross will be held on Friday evening, commencing at 8 p.m. . . . The meeting will be held in the council rooms of the Municipal Building. . . . Everyone who is interested is asked to attend as there will be an election of officers and reports to be given in.

This evening's train will carry away to Trenton, Ont., a visitor of the North, in the person of Pilot Officer Dick Lee, R. A. F., of Bromley, Kent, but at present training in Canada. . . . Another friend, Sergeant Pilot Wilfred Munday, R. A. F., formerly of Iver, Buckinghamshire, now in Canada, left last Friday for his post at Goderich Ontario. . . . Both gentlemen were the guests of Mr. and Mrs. Carl Briggs, 19 Commercial avenue, and spent the most delightful time in Timmings. . . . They bowled, went skiing, saw a hockey game, all for the first time and of course were wonderfully entertained with parties, dancing, shows, and other pastimes. . . . They were the guests of the firemen at the firehall, where they played table tennis. . . . It seems that the North has made a decided impression on the boys, and they both leave with

the hope of a visit here in the near future. . . . It is wonderful what Canada, and especially the North holds. . . . So many of our sports are so new to these boys, and sometimes even our mode of life. . . . But we are still the same people underneath, and boys like Dick and Wilfred are always welcome in Timmings where they may be shown the true North spirit of kindness and hospitality.

Monday morning, at 8 a.m., the Notre Dame de Lourdes Roman Catholic Church was the scene of a lovely wedding, when Therese Maisonneuve, daughter of Mr. and Mrs. D. Maisonneuve, became the bride of Theodore Valcourt, son of Mr. and Mrs. P. Valcourt. . . . Father Morin officiated. . . . The bride wore a lovely gown of white lace over satin and carried a bouquet of white roses and forget-me-nots. . . . The couple were unattended. . . . Immediately following the ceremony, a wedding breakfast was held at the bride's parental home, and in the early evening a wedding dinner was held at the groom's home, 32 Wilson avenue. . . . The couple left for a wedding trip to southern points and on their return, will reside at 32 Wilson avenue.

Congratulations to Mrs. Violet Morrow who was installed last Tuesday evening, Jan. 12th at a very impressive ceremony as Worthy Matron of the Eastern Star. . . . She succeeded her mother, Mrs. Elizabeth Jackson as Worthy Matron. . . . And best wishes to the other officers who were also installed. . . . May they have as successful a year as the Chapter have had in past years, and may Violet Morrow carry on as Worthy Matron (which we are sure she will), as well as her mother did the year before. . . . The evening was a very interesting one, gifts being presented to the Worthy Matron, the Past Worthy Matron, the Worthy Patron and the Past Worthy Patron.

The Schubert Choral Society will hold its regular rehearsal on CKGB on Monday at 8.30 p.m. . . . The Society mourns the loss of a valuable member by the death of Mr. Ambrose Dus, and wishes to express deepest sympathy with his bereaved parents and relations.

Celebrating her seventh wedding anniversary on Monday evening, was Mrs. Violet Morrow, and she was guest of honour at a surprise party at the home of Mrs. Russell Hall, Fourth avenue. . . . Members of the Hollinger office staff, and the honoree's mother, Mrs. F. Jackson, were present, and a very delightful evening was spent. . . . Bingo was played, and a novelty of the evening was the tea-cup reading, that was immensely enjoyed by all. . . . Mrs. Hall the hostess, brought the evening to a close, by the serving of a delightful lunch.

The evening was brought to a close, when the hostess, Mrs. Ellis, assisted by Mrs. L. Landers, Mrs. P. Trevenna, Mrs. Villeneuve, Miss Velma Ellis, and Mrs. E. McAfee, served a delightful lunch. . . . The next meeting will take its regular form at the home of Mrs. G. Allison, 125 Main avenue.

Dunlop read a paper on "Fuel Saving," that proved most interesting to the members. . . . Lunch completed the afternoon, served by Mrs. A. Dunlop, assisted by Mrs. W. B. Paterson. . . . A donation of 4 pairs of socks 3 helmeta, and 1 sweater was received from Mrs. C. McCann's knitting group, during the afternoon. . . . ## More Soldiers Send Thanks to Committee for Parcels Sent

Overseas Men Appreciate Parcels from Ladies' Auxiliary Committee.

As noted in The Advance on numerous occasions, a committee of the Ladies' Auxiliary of the Canadian Legion of Timmings regularly sends parcels to soldiers overseas from Timmings and district. That these parcels sent regularly reach their destination and are greatly appreciated by the soldiers on active service is proven by the letters of thanks received. Mrs. T. ## Red Cross Seems Always Ready for Any Emergency

Some Recent Examples of the Truth of This Belief.

On many occasions in the past few years The Advance has commented on the fact that the Red Cross appears to be always ready to meet any emergency, no matter how unexpected. It has been pointed out that during the war governments and people have often been taken by surprise by some new strategy or some revived trickery of ancient days and for a brief time have had to stop to get their bearings before the necessary action could be taken. Not so, the Red Cross. It appears as if the Red Cross were ready for anything—whether it be air raids, bombardment, a crowd of refugees, simple accident or epidemic. Recently there were four cases where this readiness of the Red Cross was a wonderful asset to Canada and its people. There was the example of the tragic railway wreck at Almonte on Christmas night. The C.P.R. asked the Red Cross at Smiths Falls for help. Four doctors and five emergency nurses left in less than an hour for the scene of the accident, taking with them twelve stretchers, the entire available supply of splints and first aid equipment. Smiths Falls hospital had thirty beds ready to receive patients as well as arrangements for an emergency hospital, if needed. It did not detract from this record that the casualties were all taken to hospital at Ottawa. The Red Cross was ready. . . .

A second illustration of the readiness of the Red Cross is given by the case of the St. John, Newfoundland, disaster. A plane carrying 200 packages of blood serum reached Newfoundland a few hours after a call to the Red Cross at Montreal for help in the matter. . . . The Red Cross was again on the job when the worst fire in the history of the town of Prescott destroyed a block of business places and homes. The Red Cross was ready with knitted comforts for those left homeless as well as hot coffee to those needing it and to the brave firefighters who had so strenuous and dangerous a time in fierce weather. . . . Still another example of Red Cross readiness was given by the case of the collapse of the roof of the Atlas Steel Corporation structure at Welland, when a number of workmen were injured. Miss E. J. Taylor, officer in charge of Welland Nursing Rescue, and members of its Reserve, were early on the job and did effective and valuable work. . . .

## Ladies' Auxiliary to Hold Events for the Comfort Fund

Five Hundred Last Week at Home of Mrs. Hardy.

Mrs. T. Hardy, 6 Power Line, was hostess last Wednesday evening, at a Five Hundred for several of her friends, to raise money for the Comfort Fund. This fund is used to pack parcels for boys in the services, and as there has been a shortage of money, each week entertainment of some sort will be held to raise sufficient funds. . . . Prize winners during the evening were—1st, Mrs. Williams; 2nd, Mrs. Forsley; 3rd, Mrs. Chynoweth. . . . At the conclusion of the evening, Mrs. Hardy, assisted by Mrs. Shore, Mrs. Nicholson, and Mrs. Richards, served a delicious lunch. . . .

## Red Cross to Make Appeal for Ten Millions in March

Campaign in March with Full Co-operation of Dominion Government.

Recently there have been several asking if and when the next appeal for the Canadian Red Cross would be made. This is one of the magnificent war services that the government can not finance. International law requires that money for the Red Cross be raised by voluntary contribution. The answer to the questions in regard to the next campaign appear to find answer in the following paragraphs from the last issue of The Red Cross News Bulletin: . . .

The Canadian Red Cross Society, under the conventions of Geneva, must, if it is to continue to enjoy the rights and privileges which it does under international law, always raise the money it requires for operation by VOLUNTARY CONTRIBUTIONS. The Society, which appealed to the citizens of Canada last May, received a generous response. But the Canadian Red Cross NOW REQUIRES A MINIMUM OF TEN MILLION DOLLARS to carry on its work for relief of human suffering. Decision to hold the national appeal in March is made with full co-operation with the Dominion government, to avoid clashing with plans of the National War Finance Committee. . . .

Major work facing the Society this year is the supplying of food parcels for Canadian, British and Empire prisoners of war in Europe and the Far East. We now have five packing plants in Canada, soon to reach a weekly objective of 100,000 PARCELS A WEEK. Of this amount Canadian Red Cross donates 30,000 weekly for prisoners in Europe, the remainder being paid for by British and Australian Red Cross Societies. It is necessary too, to provide for food, drugs, and other supplies for Canadian prisoners in the Far East. THESE TWO ALONE WILL REQUIRE \$5,500,000 during 1943. . . .

Aid and relief for the stricken peoples of the United Nations is another phase of the Society's work. Food, clothing and drugs have been sent to Russia, China, Greece, Poland; and comforts, ambulances and other supplies given to the armed forces of the Allies. . . .

## Monthly Tax Instalments 1943

The Council has decided to inaugurate a plan by which municipal taxes may be paid in monthly instalments in 1943, without penalty charges if payments are made on time as outlined. This plan will be co-ordinated with the established prepayment discount plan and will enable taxpayers to arrange tax payments according to income and still avoid extra charges. The plan is as follows: . . .

1. The amount of 1943 taxes will be estimated by the Tax Collector, on the basis of the current assessment and the 1942 tax rate, plus local improvement or other special rates that may apply.
2. At least one-twelfth of the above estimated amount shall be paid on or before January 25th, 1943, and the same amount, on the 25th of each month from February to May, inclusive.
3. When the amount of the 1943 taxes is determined the unpaid balance will be divided in seven equal instalments, payable on or before the 25th of each month from June to December, inclusive.

The regular prepayment discount will be allowed on payments made during the discount period. . . .

No penalty will be charged on payments made on time under this plan. Further particulars may be obtained from the Collector's office. . . .

This plan will be co-ordinated with the established prepayment discount plan and will enable taxpayers to arrange tax payments according to income and still avoid extra charges. The plan is as follows: . . .

1. The amount of 1943 taxes will be estimated by the Tax Collector, on the basis of the current assessment and the 1942 tax rate, plus local improvement or other special rates that may apply.
2. At least one-twelfth of the above estimated amount shall be paid on or before January 25th, 1943, and the same amount, on the 25th of each month from February to May, inclusive.
3. When the amount of the 1943 taxes is determined the unpaid balance will be divided in seven equal instalments, payable on or before the 25th of each month from June to December, inclusive.

The regular prepayment discount will be allowed on payments made during the discount period. . . .

No penalty will be charged on payments made on time under this plan. Further particulars may be obtained from the Collector's office. . . .

Those who wish to take advantage of this plan must make the first payment on or before January 25th, 1943. . . .
