

Sudbury Frood Tigers Win Close Game From Porcupine Mines League All-Stars, 5-3

Game Was Fast and Clean Throughout. Sudbury Have Smooth Working Team, but Locals Had the Better of the Play. For the Visitors, Dewey, Hastie and Carriere were Standouts. All the Locals Starred.

The McIntyre Arena was packed on Saturday night for the best game this season — between the All-Stars of Sudbury and Porcupine Mines League. The local All-Stars had a little of the edge of the game. Sudbury has a smooth working aggregation. Carriere is iron man of the team, going the whole 60 minutes and finishing as fresh as he started. He started many dangerous attacks. O. Carnegie was watched closely and was not able to get in many shots.

Patton opened the scoring after two minutes of play. After testing out Gerth with a couple of shots, Maki passed the rubber back to Patton for the score.

Playing the blue-line pattern, Wilson snared another counter on a pass from Schwab.

Sudbury finally broke away when Dewey went down found his way blocked, passed the puck over to Vaillancourt, who was alone and shot. Porter came to his knees to save but the puck had already gone between his legs.

The locals put on another attack and after about a dozen shots, Holouka shot from the blue line. Wilson and Drummond put the extra punch on the rubber in flight over Gerth to make it 3-1.

Hastie worked down the right boards and sent a hot drive which Porter stopped with his mouth and had to leave for repairs.

Baby drew the first penalty, and the local boys put on a hot attack and Gerth was stopping them from all sides. Even when he lost his stick the locals were unable to score.

Gee of Sudbury got the only goal of the second period on a combined attack with Blake and Hastie, after his first shot missed by feet. Baker, who had been running into tough luck all night, got into the clear, but Gerth cleared his well aimed shot. Shortly after Timmins was robbed again on a combined attack with Drummond and Wilson.

The local All-Stars kept the Sudbury Tigers bottled up, but their back-checking kept the locals from scoring but a break came when O. Carnegie was penalized for a tripping.

The third stanza started with O. Carnegie having a 1.02 to serve of his penalty. Sudbury put on a fast attack. Their footwork was as good as their stickhandling, and after two and a half minutes of play, Baby trapped the puck as it was being cleared and it passed it to Dewey who gave it a first-time shot and again it went through Porter's legs as he came to his knees.

A well concentrated attack by O. Carnegie, H. Carnegie and Patton gave Gerth some anxious minutes, as all three kept shooting. He handled all the shots well. Ossi missed a great chance when he missed the open corner.

Gee put the Tigers one up when he went in on Porter and picked the open side for his shot.

Putting on another attack, Drummond hit the post with two sizzlers. Baker again got in on Gerth but was robbed.

McIntosh put the Tigers two up on a pass from Lahti in a blue-line attack. In another attack Gee was chased for boarding, but the locals put on four forwards with Schwab holding the defence position. He too came up on the attack, but the Tigers put on a "Kitty Bar the Door" play and the locals did everything but score.

Bisons Pick Up Two Valuable Points on Monday Night From McIntyre in Close Game. 6-5

In One of the Best Games this Season, O. Carnegie Scored Winning Goal with Less Than Two Minutes to Go. McIntyre Put on Ganging Attack in an Effort to Tie it up.

Ankerite Bisons got back into a good lead for the play-off berth by their win on Monday night.

Brownlee, who is visiting old friends in the district, was in the net for the Bisons, and held off many attacks by the Miners.

Maki picked up a point on Drummond who leads the league scorers, by getting four points to Drummond's three.

Drummond opened the scoring for the Miners on a pass from McComb in the first three minutes of play. On another attack by the Miners, Beland drew the first penalty for interference. While he was off H. Carnegie kept the Miners at bay and took the play to the Miner's cage where his shot just missed by inches.

McCoyle got a 10-minute misconduct for tripping and talking back, and Porter had a hot time of it for two minutes but cleared in his usual style.

Belanger put the Bisons short-handed again for boarding on another McIntyre attack, and the Bisons took the play to the Miners' end and missed two fine chances by shooting wide of the net.

In a scrimmage in front of the Bisons' net, Baker scored after Brownlee had scooped a couple of shots out while lying on the ice.

Before the gong, Porter cleared three hot ones as the Bisons put on the pressure.

Coming out for the second stanza, the Bisons were a determined team, and when the smoke had cleared at the seven-minute mark, they had gotten four pucks past Porter to go two up. Romanick opened the scoring on a fine shot from the right boards on a pass from Maki. In just over a minute later, H. Carnegie was thumbed for a supposed trip and the McIntyre put on the pressure and Drummond got the puck over Brownlee's post after two minutes. Baker returned. In less than two minutes, Baker snared another to tie up the game on another ganging attack. Keeping up the attack the Miners did everything to get that winning goal, but failed. Prentice broke up the attack when he got in the clear and missed a good chance by shooting wide.

McIntyre got another chance to go ahead when Romanick was chased for interference at the rear of his own goal, but the Bisons just kept banging at the puck until Ossi Carnegie broke loose. With only McCoyle just outside the Bisons' blue line, effort to board Ossi failed, and Ossi kept on going and scored the pay-off goal. The Miners tried hard to get this one back up to the gong, and the Bisons had plenty to do that time.

Hollinger and Ankerite Again Play to a Tie Game Last Night in an Overtime Encounter 2-2

Ankerite Now Only Game and a Half Behind McIntyre, the League Leaders. Hollinger Still Has Chance with Four Games to Go. Play Last Night was Between Goalkeepers.

Buffalo-Ankerite cut the lead of the McIntyre Mines to one and a half games, when they drew with the Hollinger Greenhirts last night in an overtime game which really didn't open up until the overtime period, when both goalkeepers played sensational hockey to save the game.

Each team now have four games to play and everything hinges on these games for the play-offs.

Tomorrow night the Hollinger Greenhirts meet McIntyre. They have beat the Miners in the last two starts, and if they win this game it will put them right back in the running.

This will be the last game until next Friday as the ice surface will be used until then for the Northern Ontario Curling Bonsel.

Last night's game was mostly blue-line play with the Greenhirts having the best of the encounters.

Patrucci got the only goal in the first period after a ganging attack. Schwab made the way for the goal by driving the puck from the blue-line.

Bear had two close calls from the sticks of Maki and Romanuk on break-aways.

The Bisons in their portion of the blue line play gave Bear plenty to do, and before Romanuk was chased he had cleared over half a dozen shots.

With the odd man advantage, the Greenhirts put on their ganging attack, and both Kovalchuk and Cecchini missed two fine chances with only Brownlee to beat.

There was no scoring in the second period, and the play consisted of blue line attacks by both teams. Romanuk drew a second penalty and H. Carnegie was sent on to rag the puck until he returned and he made a good job of it.

In this period, Kovalchuk and Cecchini again missed by shooting wide with only Brownlee in front of them.

Just after the third period got under way, Prentice was chased for holding, and Brownlee made two fine saves before he returned. Bear at the other end cleared a hot one from Smith on a break away.

Gordon got a loose puck at centre, and skated right in again on Brownlee and was forced to shoot wide.

First Period

1. Hollinger, Petrucci, (Schwab) 13:38
Penalty — Romanuk

Second Period

No Score.

Penalties — Romanuk

Third Period

2. Ankerite, Smith, (Beland, Maki) 14:23
Penalties — Prentice, Kovalchuk, H. Carnegie, Allard, McKay.

Overtime

3. Ankerite, Romanuk, (Maki) 4:17
4. Hollinger, Gordon, (Pontello, Petrucci) 8:50
Penalties — None.

Gold Production in Ontario Down 13.8 per cent. Last Year

During 1942 There Were Thirteen Ontario Gold Mines Stopping Production.

The Ontario Department of Mines, along with its Gold Bulletin for December, gives a review of the situation of gold mining in the province during the past year, as follows:—

"Ontario's gold production in 1942 was 13.8% below that of the preceding year. Labour shortages, the lack of priorities for supplies and tonnage restrictions on the order of the Metals Controller, were the main reasons for the recession. These causes were also responsible for the closing down of 13 mines.

"In the course of the period under review, the industry milled 10,548,849 tons of ore from which bullion valued at \$103,426,405 was recovered. The same figures for 1941 were 12,129,513 tons milled valued at \$119,988,051. These figures do not include the gold production from the nickel-copper industry.

"The average daily production figures based on the monthly returns for the gold bulletin indicate that during every working day of the year the gold mining industry milled 28,917 tons of ore and recovered therefrom 7,345 ounces of gold and 1,220 ounces of silver valued at \$283,291. The latter figure does not compare favourably with the daily average value for the two previous years. In 1941 this figure amounted to \$328,903 while in 1940 it was slightly higher at \$333,892.

"December production was valued at \$8,052,916 and was slightly higher than that for the last three months. Tonnage milled was 794,294 against 793,534 for November. The increase was brought about by an improvement in the grade of ore mined, \$10.13 for December and \$9.93, and \$9.72, for November and December respectively."

The Gold Bulletin for December shows 17 producing mines in Porcupine; 9 in Kirkland Lake; 9 in Patricia; 2 in Matachewan; 4 at Larder Lake; 6 in Thunder Bay area; and 5 others.

In Porcupine the production for December was down to \$3,678,257 from \$4,744,558 the previous December. Kirkland Lake was up to \$2,607,755 from \$1,919,412 in December 1941 the latter year being the time of the strike. Matachewan was up to \$3,568,916 from 3,165,807 the previous December. All the other fields were down in comparison with 1941.

Seven-Up Dart Team Win Maltais Cup for the Second Time

Seven-Up, the league champions, won the Maltais cup for the second time by taking two points from the Ambassador team on Monday night.

The Imperials had a good chance to tie the Seven-Ups, but after taking Monday's game from the Greenhorns, they dropped the all-important two points to the lowly Capitals. They will now play off White Cross for second place in the league. This game will be played Friday night, Feb. 5th, at the Ambassador.

The Imps, turned in one of the poorest games while their opponents, the Capitals, played one of their best games. Stan Watts and Joe White did the flinging for the Capitals that sent the Imps into defeat.

Besides the Maltais cup, the Seven-Ups have already won the Russel trophy.

The final competition will be the cream of all the competitions. It will be for the singles championship.

The following are the results of the games played this week for the Maltais league.

Monday Feb. 1st

Greenhorns 0; Imperials 2
White Cross 2; Three Star 0
United 2; Capital 0
Seven Up 2; Ambassador 0
