COULD NOT USE IT The reporter limped in. "Well," said the news editor, "did you get the interview?"

"The reporter pointed to a pair of black eyes. "We can't print a pair of black eyes. Where's the story?"

The reporter lifted his hat and displayed a huge bump on his head. "Look," he repeated. "What good is that? We can't print things like that. Didn't you get the chap to say a few words?"

"Yes," was the reply, "but you can't print those either!" — Exchange.
