

WITH THE BOY SCOUTS

Scouts and Cubs Prepare For Second Fat Pick-up

Scouts and Cubs of all Timmins Troops and Packs are checking over their organization to make sure that the second collection of fats from local homes is even more complete and successful than the first one held two weeks ago. The boys are confident that many more housewives will have waste fats to give them, and ask that everybody save all the fats possible. No quantity is too small to give the boys, as they must canvass every house in town, and every little bit will help them keep up the fine record set by their first collection. May we point out that all the fat is rendered here in Timmins, and everything but the pure fat is removed during this rendering process. This makes it possible to salvage fats from meat fat, etc., but the co-operation of the housewives is also asked. Officials commented on the fine quality of the fat collected during the recent campaign, and it is the hope of all concerned that this will be maintained.

Containers are another important point in the final salvaging of fats. If the waste fats are put into wide, open-mouthed tins it is possible to remove the fat entirely while tins with rims or lips around the top mean that a certain amount of the fat is lost or cannot be removed. Since heating is necessary to remove the contents, fats should not be put in glass or paper containers. Here again the public showed splendid co-operation in the past and we look forward to continued assistance.

The Scouts and Cubs are anxious to do their bit to help their country and count on you for assistance. We know they will not be disappointed.

Local Scouts Assist Victory Loan Campaign

Following up on the fine job of distributing posters to local stores last week, Scouts are turning out to assist Victory Loan officials in many ways. Last Saturday boys of the Fifth Timmins Troop erected signs along the Schumacher highway, extending right into Schumacher, and will see that they are kept in repair throughout the drive. These signs appear every fifty feet on both sides of the road, and the job of erecting them was completed in two hours, under the able direction of Scouter Luccianolo.

Throughout the campaign period Scouts will be on duty at Victory Loan Headquarters and will act as messengers for officials of the committee. This week they will be on duty all day, and beginning next week will be on the job as soon as they leave school. Boys representing all Troops are given an opportunity to help in this service, and all time spent in this way goes to their credit in efforts to win the 100-hour War Service Badge. It is expected that the Scouts will be called on perhaps several times for other services during the loan, and have offered their full service to the Committees in charge.

Executive Committee To Meet Friday

The Executive Committee of the Local Association of Boy Scouts will hold their monthly meeting this Friday, and several matters of real importance will be discussed. Of primary importance

will be plans for the camping activities of the different Groups throughout the summer, and a number of special summer activities will also be discussed. Reports will be received from the Leadership Training, Group Organization, Salvage and Badge Committees, and discussions to extend these activities. The great number of boys seeking membership in Packs and Troops, some of which are already overcrowded, make it necessary to take definite steps to extend Scouting facilities, and this matter will receive the attention of the meeting. A full representation is asked. Every Group Committee should make sure that one of their members is present.

Fifth Pack and Troop Present Hobby Show

The Third Annual Hobby Show of the Fifth Timmins Pack and Troop, an event looked forward to eagerly by boys, parents and friends alike, was presented last Tuesday evening in the Monteta School. The display of hobbies, admired by all present, showed the trend of interests in wartime, and the number of airplanes and similar displays was much greater than ever before. First prize for the finest exhibit was won by P.L. Ernest Heffernan with a miniature airdrome which was outstanding for the detail and fine craftsmanship so evident. Scouter Edward Yenesewski, displaying outstanding examples of model aeroplanes and woodwork, was awarded second prize in the Scout section. Third prize was won by Scout Egidio Didone for a display of aeroplane pictures which won the praise of all present. The fine display made it difficult for the judges to select winners, but the fine quality of the winning hobbies left no doubt as to their superiority.

In the Cub section of the hobby show prizes were won by Clyde Brydie, George Rickens and Lorne Thompson with displays that were excellent and outstanding.

The boys decided that honours for the evening should go to the mothers who served a delicious lunch to all present. With Cubs, Scouts, mothers, fathers, Group Committees, Kiwanis members representing the sponsoring of the Group, there were nearly two hundred present, and everyone heartily enjoyed the refreshments done up and served so nicely by the Scout mothers. It has always been a source of deep gratification to the leaders that the mothers and fathers of the boys stood so solidly behind them, and in this matter the FIFTH Group is setting a mark for other Groups to strive to reach.

During the evening a fine programme was presented by the boys, the Cubs presenting a number of games and all taking part in a fine council fire programme. Each patrol presented a short skit on interesting subjects of their own choice, and all joined in the singing of a number of rousing songs. The Troop celebrated the event in still another way by welcoming a full new patrol to membership. These boys have decided to use the name of the Panther for their patrol, and we expect that they will be right in there fighting for honours in all events. Each member of the Troop also brought two friends to the meeting, and about 20 further applica-

tions were made for membership. There were over fifty Cubs present, and the fact that both the Pack and Troop are well over their membership limits shows that more Groups are needed to take care of the many boys seeking membership. Steps to take care of this will be considered, but more adult leaders are necessary.

At the close of the meeting the Third Annual Hobby Show of the Fifth Troop and Pack was voted the best yet, and already the boys look forward to making the next one even better. A big job, fellows.

Ninth Troop Already Showing Good Scouting

The second meeting of the Ninth Timmins Troop, under the sponsorship of the local chapter of the I.O.O.F., was held last Friday evening in the Odd-fellows' Hall under the direction of leaders Stoneman and Campbell. The boys were busy learning the Tenderfoot tests and have shown a very keen and active interest. A highlight of the meeting was the bringing in of a considerable quantity of fat salvage by members who live outside Timmins. These boys, anxious to do their bit for their country and Timmins Scouting, took it upon themselves to canvass their neighborhoods and bring the collected fats to Timmins where it will find its way with the rest of war plans. With an interest such as this in Scouting generally it shouldn't be long until this, the newest Troop in town, will be right among the leaders in war services and Scouting.

First Cub Pack Holds First Hike of Season

Some twenty-odd members of the First Timmins Cub Pack took advantage of the holiday weekend to enjoy the first hike of the season. Meeting at the Hollinger Hall at 10:30 a.m. Thursday morning, the group proceeded to the bucket line junction where they proceeded to prepare lunch. Doing a job which, according to the leaders, would do credit to more experienced Scouts. Following lunch the boys thoroughly enjoyed quite a number of outdoor games, and even the shower which caught them could not dampen their spirits. The outing was under the supervision of A.C.M. B. Trevelyan and P.L. Percy Eade of the Scout Troop.

The regular meeting of the Pack was also held last week, prior to the hike, and considerable progress was made with Cub tests, Tenderpad, First Star and Second Star. George Jacklin passed the book-balancing test, and Jimmy Luxmore and Kenneth Cooke completed their Tenderpad tests and are now ready for investiture. O. Neilson also passed the Tenderpad tests and that of ball-throwing. Membership in the Pack has shown a decided increase during the past few weeks and should soon be up to full strength. Several of the members are taking the First Aider Course being presented by Mr. L. Bailey of the St. John's Ambulance Brigade.

Seventh Troop Completes New Patrol Organization

Following up an announcement of a couple of weeks ago, the Seventh Timmins Troop last week completed the organization of a new patrol to take care of the increase in membership. This patrol, which will be known as the Beavers, will be under the leadership of Leonard Parker and Ted Taylor as P.L. and Second, and new members are Al. McInnis, John Watt and Lindon Syler. The Troop is entering a new period of patrol competition and the Beavers will try their utmost to be the first winner. Instruction in First Aid was given by T.L. Cliff Ellies and P.L. Trian Spolia, the boys preparing for their Second Class test. A meeting of the Court of Honour followed the regular meeting, and plans were made for programmes of the coming weeks.

Due to the holiday week-end a number of Packs and Troops did not hold meetings last week, but all will be back this week with their regular programmes and plans for the fats collection will be made. All Troops should now be making plans for the big event of the year, the summer camp. Several Troops no doubt have been working on this activity for some time now, but just in case your Troop hasn't we pack along this gentle reminder. Have the matter brought up at the next Court of Honour meeting, and begin planning right away. Summer is not very far away, and there a great number of details to be taken care of.

Following closely upon the heels of the Scout Leaders District Preliminary Training Course, we understand that Akela Gallagher, District Cubmaster, is making plans for a similar course for Cub Leaders. Every leader should make plans to take advantage of this opportunity, and no doubt places on the course will be available to anyone interested in becoming a Cub Leader. Plans as to place and time have not yet been announced, but full details will be given in this column within a week or two.

Rumor has it that one of the members of the Seventh Troop not only collected fat on a recent Saturday, but lost some in doing it. We wonder who it was.

More news next week. Shall we make it 2000 pounds this Saturday? Good Scouting.
—D. S. M.—

Finnish Groups First to Take Out Salesmen's Kits

The Harmony Hall Finnish Group and the Finnish Victory Club, both grouped under the leadership of Mrs. T. Kallio, were the first to take out salesmen's kits for the general canvass of the Fourth Victory Loan. These Finnish groups, working together for the Victory Loan, have their campaign well planned and hope to exceed their splendid effort of last October.

Little Girl Injured When Struck by Car Saturday

Jacqueline, the two-year-old daughter of Pte. and Mrs. Louis Landry, was taken to St. Mary's Hospital on Saturday afternoon, suffering from a broken leg, facial scratches and bruises, sustained when she was knocked down by a car in front of her grandmother's home, 66 Mountjoy South.

The little girl is now making good progress to recovery, but it is expected she will have to remain in hospital until the cast is removed from her leg.

Windsor Star—Life holds little but worries for parents nowadays. What with trying to convince the bus driver that little Willie is under 5, and the Ration Board that he is over 12, it hardly seems worth while trying to raise a family. — Windsor Star.

Funeral Saturday of Mrs. Romauldi

Mrs. Maria Romauldi Dies Saturday Morning Following Illness of Three Years.

Hear-felt sympathy is extended to the bereaved family of Maria Romauldi, formerly Maria DeSantis, who died on Saturday morning about 12:45 p.m. at her home at 224 Cedar South. The deceased had been ill for about three years, and was 52 years of age at the time of her death.

An old and esteemed resident of this town, Mrs. Romauldi had resided here with her husband and family for 23 years. She was born in Terramo, Italy, on June 6th, 1881, and on December 7th, 1913, married Giulio Romauldi at Terramo, Italy.

Well-known among the Italian residents and many of the people of this district, the deceased was active in many organizations including the Catholic Women's League, and the Holy Rosary Society of the Italian Church. She will be sadly missed by her many friends by all of whom she was well-liked.

Funeral services were conducted on Tuesday morning at 9 a.m., at the Sacred Heart Italian Church. Solemn Requiem mass was sung by Father L. Fontana, assisted by Father Player and Father Borington. Throughout the services, Misses Cora Amadio and Lillian Mascoll sang, and Miss Alice Giovanniello played the organ. On the steps of the church, the ladies of the Holy Rosary Society and the Children of Mary Society formed a guard of honour through which the casket passed. Interment was made at the Timmins Roman Catholic Cemetery.

Palbearers were Mr. D. Domenico, Mr. L. Paiero, Mr. J. Morandin, Mr. G. Glop, Mr. G. Favretto, and Mr. G. Berlinger.

Surviving the late Mrs. Romauldi are her husband, Giulio, three sons, Louis, Roland and Dick, of the Canadian Army, Desert, N. S., who was home for the funeral. There are three daughters, Mamie, Mrs. L. Zilotto, Irene, Mrs. J. Maricli, and Armandina. One brother still resides in town, Mr. Pete DeSantis, of the DeSantis Gold Mines, and there are three brothers and one sister now living in Italy.

Many beautiful floral tokens, mass cards, telegrams and cards of sympathy were received from the deceased's many friends.

Successful Tulip Tea Held by the Ladies' Guild

Large Attendance of Women. Many Attractive Tables on Display.

An enjoyable tulip tea was held by the Ladies' Guild of St. Matthew's Anglican Church on Wednesday afternoon at the church hall. Mrs. W. Christopher received the guests at the door, and during the afternoon many ladies were present.

A highlight of the event was the tulip bed under the direction of Miss M. Paynter. Hers were yellow and red artificial tulips imbedded in sawdust, and attached to each tulip was a lovely gift, which each person could draw for small change. This table proved to be a most successful one.

There was a large work table, which contained lovely articles of all descriptions, under the able convensership of Mrs. H. Gridley and Mrs. R. McTaggart. Mrs. F. Read was in charge of the knitted goods table, which contained an assortment of baby's knitted garments, socks, and other useful articles.

Cakes, cookies, puddings, and lovely pastries were on display at the bake table, all articles being quickly sold under the direction of Mrs. P. Reid and Mrs. J. Maxwell.

Centred in the hall were little tables, each table being adorned with bouquets of yellow daffodils. Serving at these

Mr. and Mrs. Jack Grady Have Easter Monday Baby

The many friends here of Mr. and Mrs. Jack Grady will be interested in the following announcement in Toronto newspapers this week, Mr. and Mrs. Grady were residents here for some time. Mrs. Grady, who is a daughter of Mr. M. B. Scott, of Timmins, was one of the town's most popular young ladies. For a time she was on the teaching staff of the Timmins High and Vocational School. The following is the announcement appearing this week in one of the Toronto newspapers—

GRADY—Jack and Ann (nee Scott) are pleased to announce the arrival of their daughter (Jean Catherine), at the Women's College Hospital, on Monday, April 26th, 1943. Both well.

Owen Sound and Timmins papers please copy.

Toronto Star—In Texas a woman was sent to jail for making a slave of a man. The woman's failure to marry the man first made her action illegal.
