#### Winners of Ontario Juvenile Championship Honoured at Event Saturday Night

The Holman Pluggers, All-Ontario juvenile hockey champions, and proud possessors of the Mitchell Hepburn Cup, wound up their season's activities with a banquet in the Auditorium of the McIntyre Community building last Saturday night.

Every one had a happy time with the good things to eat and the round of jokes.

Mr. Wm. Stanley paid tribute to the boys on their seasons play. They were good and knew how to play the game. "We in this district have something to be proud of," he said. In closing he remarked on the hard work done by the team's coach, Carlo Cattarello, in bringing the boys through.

Mr. A. Fish, spoke highly of Mr. P. T. Moisiey in bringing success to teenage hockeyists! He had written letters to the league officials until he had forced the issue.

Mr. "Sparky" Sparks, N.O.H.A. district representative, who also worked with Mr. Moisiey in years gone by for juvenile representation, spoke of the growth of hockey in this district and expressed hope that the N.O.H.A. would continue its support of juvenile competitions.

He congratulated the team as a whole for winning the Ontario championship and gave much credit to the manager and coach and the players themselves.

He advised the four members of the team going to the N.H.L. next winter that "the big time is straight business, so you have got to look at it in a businesslike way. Take advantage of your ability as a lever for something better in your future life. If you're a good player, you can get a job anywhere.

you have used in your hockey, you will make good citizens," Mr. Chénier said. He added that next year his organization was prepared to back fully juvenile hockey.

To top off the evening Mr. Thos Nixon showed the boys what to do with the puck next season with his sleight-of-hand tricks but instead of pulling pucks out of thin air, it was flags to show that the hand was quicker than the eye.
