Farewell Party Given by Women's Association Groups

Honour Shown to Mrs. Thos. Kelly and Mrs. W. Thomas at South Porcupine.

South Porcupine, June 9th. Special to The Advance.

A meeting of the combined monthly "groups" of the ladies of the Women's Association of the United Church took place on Monday, June 7th.

This was a special occasion, it being announced that a "goodbye" was being said to Mrs. Thomas Kelly and Mrs. Wm. Thomas who both are leaving shortly to take up residence elsewhere — Mrs. Kelly and family in Toronto, and Mrs. Thomas and family in Embro.

Forty ladies were present. Mrs. F. H. Hall, who was the original planner of the group movement within the Association, took the chair at the meeting which opened with the hymn "Blest be the tie that binds."

Mrs. Hall, in speaking to the gathering, expressed the regret of all in the impending departure of the two members and gave an account of the work done by the groups since January.

Opening with that never to be forgotten message of our King, "Put into your task whatever it may be, all the courage and purpose of which you are capable! Keep your hearts proud and your resolve unshaken. Let us go forward to that task as one man—a smile on our lips and our heads held high and with God's help we shall not fail!"

"That is religion!" said the speaker "and would bring about the motto of our Women's Association—the Golden Rule—quicker than anything else. Better results would follow. With tolerant, kindly criticism we can do much unitedly for God and our Church."

After a business period, a social evening followed with Mrs. Libby playing for hymns and songs. Lunch provided by monthly leaders of groups and two members, was enjoyed and a get-together of members who collectively and

separately bade God-speed to the two special guests followed.

"Unto the hills above" was a hymn that was sung by all and the "Mizpah" was repeated.

Mrs. Hall thanked all present for their co-operation, and stated that a Church Fair in the Fall is an object to be worked for.

The following poem by Douglas Malloch was recited, and the last verse is printed (by request):

"Whoever makes a garden has oh! so many friends—
The glory of the morning—the dew when daylight ends—
The wind, the rain and sunshine, the dew and fertile sod
Oh! he who makes a garden works hand in hand with God!"
