

Most Rev. J. G. Anderson Metropolitan of Ontario Dies at Cochrane, Aged 77

First Archbishop of Moosonee Lived a Life of Romantic Interest and Carried the Banner of His Church Into the Far North. Was Greatly Beloved by the Indians and Eskimos. Passing of a Brilliant Churchman.

South Porcupine, June 16th. Special to The Advance.

The death occurred at his home at Cochrane on June 15th at 11:10 a.m. of the Most Reverend John George Anderson, B.A.; D.D.; L.L.D.; fourth bishop of Moosonee, first Archbishop of Moosonee, and sixth Metropolitan of the Ecclesiastical Province of Ontario; (known affectionately among all his friends in Northern Ontario for years as "Bishop Anderson").

His death, at the age of 77 was not entirely unexpected as for some months he has been suffering from internal complications and his condition has been considered grave for some days. His people will be mourned by very many people — his own immediate and dear friends, his Church followers throughout the province, and above all by the Indians of the North, to whom he has been for years spiritual adviser and personal friend. He spoke fluently not only in English but in numerous Indian dialects of these languages, and translated some of the gospels into these languages for the Indians.

The funeral arrangements have not yet been completed, but he will be buried in Cochrane, either on Friday at 2:30 or on Saturday at 10 a.m.

Indians of all classes from Moosonee will be present at the ceremonies. Archbishop Anderson leaves his widow, the former Miss Annie Violetta Kirkland, of Long Sault, Ont., daughter of John Kirkland, formerly of Kelso, Scotland.

Five sons survive (one is dead) — Cyril, (of B.C.) John (Jock) of Western Canada; Ernest, of Calgary; Robert (Bobs) of Cochrane; Alfred, of Cochrane.

Two daughters also are living — Dorothy (Mrs. Hansenberger), of B.C., and Miss Irene Anderson at home.

The late Archbishop was born on March 23rd, 1866, at "Stoney Wool Farm", outside of Stromness, Island of Harray, Orkneys, Scotland. He was the youngest of nine sons and three daughters of the late William Anderson.

He was two years old when his parents returned to Canada. He was educated at St. Andrew's Central School, St. Andrews, Man.; St. John's College School, St. John's College and the University of Manitoba, Winnipeg.

He won in 1883 the Governor-General's bronze medal, (presented by the Marquis of Corne), and in 1884 another presented by Lord Lansdowne for general proficiency. He graduated in 1886 with bronze medal from the University. He then took his theological course at St. John's College, obtaining his Bachelor of Divinity degree in 1888. On his elevation to the Episcopate in 1909, St. John's conferred the degree of Doctor of Divinity. In 1927 the degree of L.L.D. was conferred by the University of Manitoba.

Before ordination, John Anderson spent a year as student missionary at Long Sault Mission Rainy River. He had many interesting experiences with the pagan Indians there. It was there (with the help of his wife) that he studied and acquired the Ojibway language.

In 1890 he became incumbent of the large Indian Mission of St. Peter's, Dynevor, Man., with its five churches and from there to four services every Sunday taken in Cree, Ojibway and English.

He succeeded the late Right Rev. George Holmes to the See of Athabasca. Moosonee had a large Indian population, and on April 15th 1909, the Synod of the Ecclesiastical province of Rupert's Land, elected John Anderson to fill the vacant See.

He was consecrated by the Most Rev. S. P. Matheson, Archbishop of Rupert's Land and Primate of all Canada, on May 16th in the parish church at St. Andrews, Man., where his childhood days were spent, and among the people who had known him all his life.

He became an expert traveller in all the various methods of Northern travel — train, canoe, motor-boat, supply-ships and of recent years — airplane — and became beloved not only by the whites but by the Indian and Eskimo, and to each he was a wise friend and good counsellor. To the Indians he is known as their devoted "Kecheayameowekmon" (Chief praying man).

Dr. Anderson revised the Cree Prayer Book and is one of the compilers of the late Archbishop McKay's Cree Memorial Dictionary.

Through all this the Bishop has been a keen amateur sportsman, interested in cricket, football, hockey, curling and field sports, for which he held half a dozen prize cups.

His Grace held the King George V Jubilee Medal and the Coronation Medal of King George VI and Queen Elizabeth — both given for pioneer service in the Church.

He took an active part in every phase of Community life in Cochrane and vicinity where his headquarters have been since his elevation to the See of Moosonee.

At a meeting of the House of Bishops at Sault Ste. Marie on April 25th, 1940, he was elected on the resignation of the late Archbishop Roper, of Ottawa) President of the House, and became "ipso facto" Archbishop of Moosonee (first).

Quoting from a recent issue of the "Canadian Churchman": — "Archbishop Anderson was a spirit both physically and mentally; he has endured hardships, difficulties and privations with patience and without complaint. He was a man of sound judgment, somewhat reticent, and for whom one's respect and admiration grew with the greater fullness of knowledge."

South Porcupine's Anglican Community, to whom this great man was a well-loved and frequent visitor, adds its voice of sorrow and regret in his passing and expresses sympathy with his bereaved immediate and spiritual family.

Funeral of Late Geo. Finan at Lower Litchfield, Que.

The following from Monday's issue of The Pembroke Bulletin will be of interest to many readers of The Advance.

The Late George Finan

Final tribute was paid to the memory of the late George Finan of South Porcupine, Ont., at his funeral Tuesday afternoon, which was held from the home of his son, Mr. Mervin Finan, Bryson, to the United church in Lower Litchfield, where the service was conducted by pastor, Rev. T. P. Shave. Born in Litchfield 61 years ago, Mr. Finan was the son of the late Mr. John Finan and his wife, the former Susan Gory. For the past 30 years he was a flier and at the time of his death was employed by the East Dome Mines at South Porcupine. Surviving are his wife, the former Eliza Tubman; four daughters, Mrs. Morris Howard and Mrs. Arnold Libby, South Porcupine; Mrs. Donald Brown, Hamilton; and Miss Wilma Finan, South Porcupine; four sons, Gunner Edwin Finan, Cornwall; Mervin Finan, Bryson and Gilbert and Wilburn Finan, South Porcupine. Interment was made in the family plot in Litchfield United church cemetery. The high esteem with which he was regarded was evidenced by the many floral tributes which were received by the family. Among those attending from a distance were: Pte. Arnold Libby, Debert, N.S.; Mr. and Mrs. Thomas Tubman, Ottawa; Mr. and Mrs. Percy Sparling, Ottawa; Mrs. Cyrus Lytle, Ottawa; Mrs. Edward Finan, Toronto; Mrs. Louise Johnston, Renfrew; Mr. and Mrs. J. Finan, Castleford; Mrs. Angus MacDonald, Renfrew; Mrs. Maria Workman, Pembroke; Mr. and Mrs. Robert Tubman, Timmins, and Mrs. Manson Little, South Porcupine.

This is very urgent. Some of these articles are large, but not difficult, and are very necessary for the comfort of those in the Services.

We may all think we are too busy, but our boys must not be forgotten. Their work must be done and by knitting we can help a lot.

Mr. Ralph S. Taylor III at Hospital in Noranda

Wide circles of friends in Timmins and district will regret to learn of the illness of Mr. Ralph S. Taylor, of New Liskeard, and all will sincerely wish him a speedy recovery. The Rouyn-Noranda Press last week in referring to his illness said: —

"Ralph Haylor, of New Liskeard, one of the best known men of the north country, member of the firm of Geo. Taylor Hardware Ltd., with branches in most of the northern Ontario towns and in Noranda, and in 1935 Lieutenant-governor of the Northern Division of Kiwanis, who on Monday evening delivered a splendid address at the charter night anniversary of the Rouyn Kiwanis Club, was stricken early on Tuesday morning with an acute attack of appendicitis and later was removed to Youville Hospital, where, following the arrival in Noranda of Mrs. Taylor and his brother, W. A. Taylor, he submitted to an operation on Tuesday evening. Local friends felt considerable anxiety regarding him, and yesterday he suffered a good deal of distress, but today his condition is reported as considerably improved and complete and satisfactory recovery is expected. Dr. Wm. Taylor, of Timmins, a son-in-law of Mr. Taylor, came to Noranda last night to visit him in the hospital. Mr. Tay-

lor is an outstanding Kiwanian and prominent business man, and his sudden illness aroused anxiety and sympathy among his many local friends."

Mr. Michael Beaudry of Dome Extension Dies Suddenly

South Porcupine, June 16th. Special to The Advance.

Mr. Michael Beaudry, of Dome Extension, died at his home very suddenly of a heart attack on Sunday, June 13th. He had attended his church in the morning and driven his car to Timmins in the afternoon, and with the exception of complaining of feeling tired appeared to be in his usual health. At 6 p.m. after coming back from Timmins he fell at the door of his home and expired shortly after. His wife predeceased him less than a year ago — on August 7th, 1942.

Mr. Beaudry, who was in his 67th years, was employed at the Dome Mines as blacksmith and has lived at Dome Extension for several years. He was born in Papineauville, Quebec.

His daughter, Mrs. Bella Stewart, was residing with him at the time of his death.

He leaves one other daughter, Elda (Mrs. Lavine), of Hamilton, and two sons, Mino, who is employed in Sarnia, and is home for the funeral and Raoul, who is in the R.C.E. and is overseas in England. One son Rene, died in England three years ago. Two granddaughters are left — Mavis Lavigne and Michel Stewart.

The funeral took place on Wednesday morning from St. Joachim's Church, South Porcupine, and requiem mass was conducted by Rev. Father LaSalle. Pallbearers were: Messrs Russell Lang, Richard Mitchell, Dan Hughes, Sam Lloyd, Fred Charest and H. Ferrigan.

Many friends and neighbours attended the funeral, and formed the cortege which proceeded to Timmins cemetery where interment took place. The deceased who was of a quiet nature was well-respected and liked in his own circle of friends and will be much missed. Sincere sympathy is extended to his bereaved family.

Floral and other tributes were sent from: O. E. Kristensen (Timmins), The Fell Family, Mr. and Mrs. Desmond Stewart, Mr. and Mrs. C. A. Hocking and Family, Mr. and Mrs. W. H. Wilson and family (Timmins), Mr. and Mrs. Russell Lang and family, The Employees of the Dome Steel Shop, Mr. and Mrs. R. S. McWilliams, senior and junior, Sonia Charron, Mr. and Mrs. Curbey and Betty, Mr. L. Hunkin.

Mass Cards from The Richer family, Mr. Patrick Nolan, The Catholic Men's Club; Mr. J. J. Gallagher, Mr. and Mrs. S. Lloyd, the Besette family, the Bauary family, Senior Catholic Women's League.

Interesting Address at Schumacher Lions Last Night

Rev. Fr. Martindale's "Variety" Address Made Big Hit.

With a fair attendance of members present the Schumacher Lions' Club at its regular weekly meeting last evening, in the McIntyre Community building, heard a very fine address by Rev. Fr. Martindale, of Schumacher. Fr. Martindale, gave what he termed a "Variety" talk, and with humour and intelligent thought gave his views on topics of present day thought and study.

The main theme of Father Martindale's address was upon post-war reconstruction. He left many valuable thoughts with the members present. He urged all to give study to the needs required so that after the war was won,

the machinery for a better system of social and economic security could be put into action.

President "Shorty" Malkin occupied the chair and Dr. Weston introduced the guest speaker.

The weekly draw was won by President Malkin.

During the business session discussion took place in regard to further beautifying the Lions' Swimming Pool ground on the highway. Much work was done along this line last year, and it is the intention to have the swimming pool one of the beauty spots of the district. Many members volunteered time and effort to attain this end. The Lions' Swimming pool will officially be opened on June 30th and as upon previous years past Mr. "Hank" Bielek will be the efficient instructor. An assistant has also been engaged.

Other matters and a short sing-song brought the meeting to a close.

Large Number of Cases This Week at Police Court

Young Fellows Taught Not to Obstruct Sidewalks.

Magistrate Atkinson gave four young fellows a gentle lesson to the effect that they should not obstruct the sidewalks and that they should move on when asked to do so by the police. These four lads found they were not as smart as they thought they were. They had been crowded on the sidewalk and the police asked them to move on but they failed to do so and were taken in charge. One of them pleaded guilty. The other three took a chance on bluffing the case. Each of the four was fined \$5.00 and costs.

Two dogs at large meant fines of \$1. and costs each.

On a charge of being drunk in charge of a car T. Tole was dismissed. Constable Munroe had noticed the car was travelling on the wrong side of the road on Cedar street and stopped the car. He took the car and parked it on the ball park lot and advised Tole to go home. He thought Tole was under the influence of liquor but allowed him to go and gave him the keys of the car. Tole had stayed around and talked, asking how he could get his driving license back, and he had placed Tole under arrest. Under examination by Assistant Crown Attorney A. V. Waters, the constable said that the accused had been convicted before on a similar charge. J. W. Lieberman, for the defence, asked the constable why he had laid the charge after letting the man go, if he were really drunk. Constable Munroe said that the accused was drunk all right in his opinion. The magistrate dismissed the case saying that the question of previous convictions should not be considered in laying charges or deciding cases.

Three drunks paid \$10.00 and costs; a second offender, a young lady, took thirty days, not having the \$50 fine; and one third offender was given three months. For having been illegally a fine of \$10.00 and costs was paid. A careless driving charge and a defective brake charge each rated a fine of \$10 and costs. Leo Lamire pleaded guilty to assault and paid \$5 and costs. Tony Kukta charged with spanking a small boy was freed of the charge, there being no direct evidence that he had touched the child.

For failing to re-register C. Lortz was given one day in jail, then to be taken to the military at North Bay. A similar charge against G. Bellmore brought similar results.

For selling cigarettes to minors F. Dignan paid \$5 and costs.

The charge of purse-snatching against a deaf and dumb man was withdrawn, the court complimenting Chief Gagnon on getting the lad a job on a farm and otherwise helping the young man.

Charges of robbery with violence against Hermas Paul and Pauline McClements were dismissed, the complainant, John Juncas being confused as to the time the alleged robbery took place and other evidence being inconclusive.

A charge of receiving a stolen Victory bond was remanded to next week.

Over Seventy Farmers at Meet Here Last Week

Address by Mayor Brunette and Councillor Spooner.

There were over seventy farmers at the meeting called for the town hall last week by Councillor J. W. Spooner, the chairman of the committee in charge of the market here. The idea of the meeting was to give the farmers information in regard to handling the meat rationing at the market, and to consider other ways and means for

improving service to the farmers and to the public.

Fred J. Noon and three others from the Wartime Prices and Trade Board were present to explain the meat rationing. Mr. Noon announced that a special meat cutting demonstration would be arranged here soon for the benefit of the farmers.

Helpful addresses were given to the meeting by both Mayor Brunette and Councillor Spooner. Mayor Brunette dealt with the broader aspects of farming in this part of the North, and gave many interesting statistics in this regard.

Councillor Spooner discussed ways and means for improving the service at the market for both the farmers and the public. He also had some suggestions for organizing part-time labour squads from town to help in farm operations.
