

# WITH THE BOY SCOUTS

### B. P. Chins Up Fund Still Shows Progress

The Baden Powell Chins Up Fund, serving the dual purpose of commemorating the founder of Scouting, the late Lord Baden Powell, and giving real assistance to Scouts and their families who have suffered from effects of the war, is still making marked headway in Timmins. Following up the donation of five dollars received from the Fourth Timmins Packs, the Fourth Troop has forwarded eight dollars to the fund. Part of this sum was subscribed by the boys and the balance was earned by them on a recent Troop effort. The donation comes as most boys are preparing for the coming season and for that reason means that much more of a sacrifice on their part. They are showing the real Scouting spirit of assisting their Brother Scouts and others.

The Sixth Timmins Troop has also made another fine donation to the fund, and have not only regained the honour of being the Troop having donated the highest sum per boy, but have gained such a lead that it will take the greatest efforts on the part of any Troop or Pack to again take the honours spot away from them. The Sixth has forwarded a donation of six dollars and twenty-five cents, raised in the same way as the donation of the Fourth Troop, and their total to date is \$1443. The latest figures on all Packs and Troops follow:—

	Per boy
Sixth Troop	\$14.43 \$2.41
First Troop	13.00 1.44
Seventh Troop	15.80 1.22
Fourth Troop	10.75 .83
Fifth Troop	10.75 .73
Second Troop	9.75 .65
Third Troop	13.01 .62
Sixth Pack	18.15 .50
Second Pack	14.75 .40
First Pack	10.00 .38
Fifth Pack	8.30 .34
Fourth Packs A&B	5.00 .21
Seventh Pack	3.03 .13
Eighth Troop	2.38 .13
Local Association	6.08 ---
Total	\$157.50 .41

The Mark for the Timmins District is growing closer and closer to one-half of the objective of one dollar per registered member. How soon will the half-way mark be reached, and how soon after will we make it one hundred per cent?

### Cubs of Fourth and Eighth Packs Go Camping

Barber's Bay was the scene of many a boyish prank over the past week-end as 14 Cubs of the 4th and 8th Packs enjoyed their first camping expedition. A train ride and a hike found the boys in a swimming mood so a cooling plunge was enjoyed by all immediately after their arrival at the campsite on Friday afternoon. Activities that have been looked forward to for a long time by the boys were commenced immediately, and almost before anyone realized it bedtime had rolled around and the Cubs turned in for their first night in camp. Morning found them all eager to get going, and soon after breakfast all started out on a hike. The destination was McIntosh Springs, and the boys greatly enjoyed watching the two bear cubs at play. Games, softball, hiking, swimming are only a few of the sports enjoyed by the boys over the weekend. Honours for the camp went to the Red Six who came out on top in the competitive standings of the Sixes. Sunday night the Cubs returned home after a very successful camp and we are sure that their parents had to listen to many a tale before the boys were finally off to bed. The Cubs were accompanied by Akelas Rivet and Lemieux and Assistant LaViolette and Rivet, and all are hoping that further such expeditions will be in store for them during the summer months.

### Sixth Troop Enjoys Evening of Softball

The regular meeting of the Sixth Timmins Troop last week took the form of a softball game. A number of the Scouts had previously formed a team, and they were pitted against the full strength of the other members. The game was hectic to say the least. Home runs were almost as common as errors, and maybe there weren't plenty of them. Among the errors were those of Scouters Thring and Greene. Scouter King almost threw his arm out of joint in the fielding activities, and it is alleged that Scouter Greene, after a couple of innings, thought the game had turned into a cross country race and couldn't stop running. Or maybe he thought if he did he wouldn't be able to get started again. Carl Duke-

shire found he really could catch the ball, after he had thrown the glove away, and proceeded to show his wares to the opposing team. Umpiring was done by a couple of onlookers, but after they called one right the surprise was too much and they left. The game continued "umpire-less." The shower that began threatened to end the game, but no one had yet enough and everything went right on. Yes, even the score, which some time previously had reached figures in the thirties, seemed to swell with the rain. Please don't ask what the final results were, because they were lost track of long before the game was called for the want of higher figures to record the runs. The Scouts decided that such highly-touted teams as those of the Fifth and several other Troops would not match for the Sixth, and so would challenge another of the lesser teams for a warm-up. You know just to give the others a chance to realize that the Sixth really has class! The weather has put a bit of a crimp in such activities for the past few days, but any day now the classy aggregation of the Sixth Troop will be out "strutting their stuff." If the "stuff" is not immediately evident, just put it down to the extreme modesty of the boys and watch them having the time of their lives.

### Fourth Troop Invests Seven New Scouts

Roger Vallancourt, Maurice Durocher, Gabriel Blais, Gerald Bisson, Gilbert Menard, Maurice Michaud and Henri Robitaille, seven recruits of the Fourth Timmins Troop who for the past few weeks have been mastering the Tenderfoot tests, were invested as full-fledged Scouts at a meeting last week. Scouter Mathys was in charge of the meeting, and he and his assistants conducted a ceremony that brought the boys to fully realize the importance of the step they were taking. Each of the new Scouts subscribed to the Scout Promise before his Brother Scouts, and are out to do their best to live up to the traditions of Scouting. The meeting was rounded out by a number of games and the Cat Patrol was able to show their superiority for the evening at least. The Buffalo Patrol now boasts of a new Patrol Leader, Michael Kelly, and he is expected to lead them to new game and glory. Plans were discussed for another hike to enable the boys to complete more of their Second Class tests. This will be another in a series that the Fourth Troop has been conducting for the past month or more, and their popularity is steadily growing with the boys.

### Another Outdoor Meeting For the Ninth Troop

Sensing the feelings of the Scouts in the matter of outdoor meetings, leaders of the Ninth Timmins again conducted a meeting in the wide open spaces. This time the Troop proceeded to the vicinity of Gold Centre and the meeting was conducted in a spot known only to them. A number of wide games, giving the boys an opportunity of giving full play to their steadily expanding Scouting knowledge, were played and heartily enjoyed. The Wolf Patrol showed a slight edge over the Beavers last week, but in keeping with their hard-working reputation the same Beavers are out to turn the tables. Then the softball-bug got a good bite, and while details of the scuffle are lacking we hear that the Beavers were on the short end of an 11-2 score. Next week's meeting will be under the leadership of Scouter Campbell, Scouter Stoneman being out of town for a few days.

### Seventh Troop Keen For Their Own Camp

Scouts of the Seventh Troop, many of them having had previous taste of summer camping, are all anxiously awaiting the culmination of plans for them to have their own Troop camp this summer. Many difficulties are being encountered due to wartime restrictions, but the Scouts are not being discouraged by them. Steps are being taken to overcome many of them, and with the assistance of the Group Committee of the Canadian Legion, their proud sponsors, they are showing real progress. At the last meeting of the Troop Lyndon Sykor completed the Second Class First Aid Test, and the other Scouts received instruction in this field. A hike planned for the weekend had to be postponed due to those "censored" conditions which have been prevalent of late. A ball team is also in the making in this Troop, and the boys will soon be ready for some real competition.

Scouter Stoneman found on a recent visit to the Victory Garden that the "gremlins," or whatever such things are called, had kicked the earth off the peas he had planted, leaving them exposed to whatever came along. However, he proudly stated that they were all growing, and with a new blanket of that nice rich soil should soon be entirely recovered from their harrowing experience.

Akelas garden is beginning to take on a really artistic air, and we are anxiously awaiting the time when her "color combinations" will be revealed to the public at large.

The annual Parents' Night of the Sixth Timmins Pack is scheduled for next Monday evening, and extensive preparations are being made. All parents of the Cubs are being asked to come out and join in the fun, and a delegation of the Lions Club, Sixth Group sponsors, will be present to witness the Packs activities and progress.

Be seeing you all next week.  
—D. S. M.

## Wedding of Joyce Chalut and Lionel Fauvelle Saturday

### Lovely Wedding Ceremony Saturday Morning at St. Anthony's.

Baskets of red roses amid green ferns flanked the altar of St. Anthony's Cathedral, on Saturday morning at 9 a.m., for the wedding of Joyce Chalut, Timmins, daughter of Mrs. J. Smith, of Toronto, and the late Mr. J. Chalut, and Orla Lionel Fauvelle, son of Mr. and Mrs. W. Fauvelle, Timmins. Rev. Fr. Pelletier officiated at the ceremony. Sister Clair presided at the organ. Given in marriage by Mr. O. Carboneau, the bride was daintily attired in a two-piece shirkin suit, with a short peplum, cut in a tuxedo effect at the back with the two tiny buttons, round neckline and three-quarter length sleeves. Her heart-shaped white shirkin hat had a shoulder length white tulle veil. She wore white accessories, and a corsage of red roses and sweetpeas.

Miss Luella Kendall was the bride's only attendant, and wore an afternoon dress of romance blue wool, with applique at the four pockets, sheering at the waist, and round neckline, and three-quarter length sleeves. She wore a navy off-the-face hat, short navy veil, navy accessories, and a corsage of alliums roses and sweetpeas. Acting as best man was Mr. Roland Fauvelle, brother of the groom. Following the ceremony, a buffet lunch was held at the bride's grandparents' home, 162 Birch street north, where the bride's mother received in an afternoon 2 piece suit of dusky rose wool jersey, with dainty buttons down the front of the jacket, turquoise and navy accessories, and a corsage of red roses and sweetpeas. Mrs. Fauvelle, mother of the groom assisted, and was dressed in a navy afternoon sheer frock, with navy accessories, and a corsage of alliums roses and sweetpeas.

Following the buffet lunch a wedding dinner was served to the families of the couple, their relatives, and close friends. In the afternoon, guests were received to extend best wishes to the couple.

### Presbyterian Church Ladies Meeting at Mrs. Caves Home

The knitting circle of the Mackay Presbyterian Church met at the home of Mrs. W. Caves, 15 Birch north, on Thursday evening.

The evening was spent by the members working for the Red Shield. Plans were made to hold a picnic in July. After the meeting, a dainty lunch was served by the hostess.

Those present were Mrs. J. Ralph, Mrs. B. Pearce, Mrs. D. Marks, Mrs. W. Isnor, Mrs. H. Poppleton, Mrs. J. Trevelyan, Mrs. F. Somers, Mrs. R. Wales, Miss M. Rae, and Mrs. W. Caves. The next meeting will be held at the home of Mrs. B. Pearce, 8 Vimy avenue, on Thursday, June 24th.

### THEY'RE ALL RIGHT

After writing a prescription the physician told him that the druggist would probably charge him 60 cents for filling it. Then the patient asked the physician to lend him the money. The physician carefully scratched out a part of the prescription and handed it back, with 10 cents, remarking: "You can have that filled for a dime. What I scratched out was for your nerves." — Sudbury Star.

# TEN YEARS AGO IN TIMMINS

From data in the Porcupine Advance Files

The regular meeting of the town council was held ten years ago with Mayor Geo. S. Drew in the chair and Councillors R. Richardson, J. K. Massie, Geo. W. Parson, Moise Maltas, and J. Morrison present. A letter signed by J. P. Bartleman, secretary, on behalf of the Ratepayers' Association, was read. The letter asked the council not to accede to the request suggested as coming from employers that relief be stopped in cases where men refused to accept wages considered as too low. There was much discussion of the idea of cutting off relief entirely the single men who had refused to accept work. It was reported that Silver and Sharp would not employ these men now because of the trouble they had made the year before. Some of the council were of the opinion that if they were refused employment the council could scarcely cut them off relief for refusing to work. In reply to question, Relief Officer J. E. Dunn said that there were 158 single men now getting meal tickets. Of this number there were 135 or 140 able to cut pulpwood. Councillor Parsons pointed out that if these men were refused work it was their own fault. They had created unnecessary and useless trouble the year before, trying to prevent men who wanted to work from doing so.

The following article appeared in The Advance ten years ago:—"Adjutant Jones and Mrs. Jones, officers in charge of the Timmins Salvation Army for two years, have received notice of their transfer from Timmins. They do not know yet where they are being sent, but their leaving here is assured. They will leave for their new charge during the present month. During the two years that they have been in Timmins Adj. and Mrs. Jones have made many friends who will regret their removal. They have been active and earnest and public-spirited and their work for the unfortunate and the needy will not soon be forgotten. Adjutant and Mrs. Jones will be followed from here by the sincerest of good wishes not only from the people of Timmins but also from the surrounding district where they are known and respected by virtue of the Army work carried on by them."

A very pleasant evening was spent ten years ago at the home of Miss Clara Wakeford, 22 Messines avenue, when twenty-two of her girl friends helped to celebrate her thirteenth birthday. Clara received many beautiful presents. The tea commenced with much laughter owing to the place cards being printed backwards and there being much fun in finding the names. After tea, the guests enjoyed several games, some winning prizes. There was also much real talent in singing and dancing and recitations. The party finished with the girls singing, "For She's a Jolly Good Fellow," and "Auld Lang Syne," and all thanked Mrs. Wakeford for the good time and the souvenir gifts she gave them at the close of the happy event.

The stage of St. Anthony's parish hall was beautifully decorated with flowers, ferns, plants and bunting for the annual graduation exercises of St. Mary's hospital on Tuesday evening June 13th, 1933. The hall was crowded to capacity for the occasion and the event proved a most interesting one. Rev. Fr. Theriault carried through the duties of chairman with his usual wit and humour. The programme opened with "Processional March" played for Mrs. M. Boutin in effective way. The "Welcome Song," by the class was a very pleasing number. An outstanding feature of the evening was the "Salutary" given by Miss J. McGale. In delivery as well as in its notable material this feature of the evening is worthy of special note. To the graduating nurses Miss McGale gave the noble message that service is the true, the only high road to success. Rt. Rev. Bishop Rheame presented the diplomas to the graduates. The graduates for 1933 were:— Miss Violet Rose McGale, Miss Irene Mary Clement, Miss Ellen Mary Wilkes, Miss Margaret Frances Doherty, Miss Clare Ella Lamothe, and Sister Paul Emile. As the diplomas were presented by the Bishop and the class pin affixed, charming little girls stepped forward and presented each of the graduates with a beautiful bouquet of flowers.

The regular weekly luncheon of the Timmins Kiwanis Club was held ten years ago at the Empire hotel with Vice-President Vince Woodbury in the chair, and the meeting proved one of outstanding interest and entertainment. Two very skilled experts from Conklin Shows, here under the auspices of the Canadian Legion, were present and delighted the members of the club with their conjuring and other clever tricks. Their rope stunts were not only amusing but most mystifying and what they could not do with cars was no man's business. The egg trick was especially good. The Kiwanis enjoyed the entertainment given by these clever experts at the time they were doing their stunts, and afterwards had further interest puzzling as how some of the notable tricks were done. The two gentlemen from Conklin's made a hit with the Kiwanis and left the impression on most that the Conklin's Shows were superior to most in staff as well as in other ways.

Among the local and personal items in The Advance ten year ago were the following:—"H. A. Armstrong was a visitor to North Bay this week." "Mr. and Mrs. H. C. Bush, of New Liskeard, were visitors to Timmins last week." "Miss Edith Richardson returned last week from two weeks' vacation, visiting at North Bay, Windsor, Toronto, and

Burks Falls. While in Windsor she attended the wedding of Miss Louise Leslie of that city, to Mr. James Arnold, also of that city, by former Mayor of Timmins." The Cobalt news in The Hailyburian ten years ago said:—"Ernest Hartling motored from Timmins on Saturday to spend the week-end with his family. He was accompanied by Noble Hermitson, of North Cobalt, and Mrs. Wm. Neary and daughters, Hazel and Margaret, who visited with Mrs. Neary's brother, John Doody, for the week-end." "Born — To Mr. and Mrs. J. Enright at 153 Balsam street north, Timmins, on Saturday, June 10th — a daughter, (Barbara Ann)."

## Final Meeting of Women's Missionary Society Thursday

### Discussions of Cochrane Presbyterian and Toronto Conference Branch W. M. S. Take Place.

The June meeting of the Women's Missionary Society Auxiliary of First United Church held on Thursday, was the last regular meeting until September 9th. The president, Mrs. A. Jackson, was in the chair, and on opening the meeting read an impressive little poem entitled, "Prospecting" — searching out the world's great truths.

The treasurer's report, presented by Mrs. W. Barber, included financial returns from the catering for Cochrane Presbyterian and for the annual choir banquet.

A contribution of \$15.00 was made to the Waskeieu C.G.I.T. camp to be held on Night Hawk Lake late in July. The regular monthly offering was received and dedicated by the singing of the hymn "We Bring Thee but Thine Own."

Worship was under the leadership of Mrs. Harnden, who after a Bible reading, spoke on "Thoughts Along the Line of Temperance." Statistics and other facts were presented showing that in temperance measures, Ontario is the most backward of the nine Canadian provinces, having Government sales, and that a moral house-cleaning is long overdue. Mrs. Harnden appealed to the members as citizens to do something to help right these deplorable conditions.

The president, Mrs. Jackson, who recently attended the eighteenth annual meeting of Toronto Conference W.M.S., gave a most interesting account

of these sessions which were held in Queen Street United Church, Toronto. The central theme of the conference was "Building a Better World, after the War."

The sessions were presided over by the president, Mrs. Lemon, who was a visitor to Timmins a couple of weeks ago for the Cochrane Presbyterian. Miss Winnifred Thomas, General Secretary, and one of the outstanding speakers told of the church's wartime service and pictured the changed scene with thousands of people having changed their place of abode and the need of giving them Christian friendship. The W.M.S. has appointed special workers to assist in this huge task.

Among the returned missionary speakers at the conference was Miss E. Sediard, who brought an encouraging message of the work in Japan where she said, the seed sown had borne fruit and would continue to do so, forming a link that would bring all together after the war had ceased. Mrs. E. A. Knechtel spoke for the church of Korea where so much had been done in the ministry of health and education as well as religious teaching, and Miss G. Nyce told of the work in India with its teeming millions. The speakers affirmed, continued Mrs. Jackson, that after the war, ambassadors of Good-Will will be needed more than ever and in this connection gave the little poem "Will You Light A Candle?"

Will You Light A Candle?  
All ye who Christians be,  
Oh, light my tiny candle here for me.  
It has gone out; I am not very old,  
And as I travelled in the cold,  
A bitter wind with all his might,  
Blew, and put out my little light.

All ye who Christians be,  
Will you not list to me,  
Who have so often prayed  
I might not be afraid?  
I am a little frightened—can't you see?  
Oh, light my little candle here for me.  
— Edna Norman.

In moving a vote of thanks, Mrs. Mustard expressed appreciation of the vivid and concise way in which Mrs. Jackson had presented her report bringing to those at home such a clear picture of it all and the heart of the messages. This motion was seconded by Mrs. Rose.

Before the conclusion of the meeting, a few minutes were spent in round table discussion of Wartime Prices and Trade Board matters and copies of the Consumers News were distributed.

### WHERE MEN ARE MEN

A Westerner entered a saloon with his wife and three-year-old boy. He ordered two straight whiskies.

"Hey, pa," said the kid, "ain't ma drinking?" — Blairemore Enterprise.

Owen Sound Sun-Times:— Says a Chinese statesman, "Japanese are the meanest, cruellest and most barbarous people in the world." Probably too dignified to say what he really thinks of them. Or hasn't the Chinese language the right words?

## Welfare Federation Plans Welfare Week in August

There was a full attendance at the meeting of the Timmins Welfare Federation on Thursday evening at the Municipal Building. Mr. F. Taitcher, president at this meeting. About eight organizations were represented.

Timmins Community Welfare Week was planned for August 23rd to August 28th, to be held between Fourth and Third avenues, on Cedar street. There will be various games, including bingo, and refreshments will also be served at various booths.

Every evening, during the week, a draw will take place for a \$100 Victory Bond. The next meeting of the Welfare Federation is to be held on Wednesday, June 23rd.

## BUILDERS WHO SEND Ships DOWN TO THE SEA

"Give us more, more ships"—that is the cry heard around the world from the United Nations. And the ship-builders are performing miracles of modern construction to respond to that cry. In Canada, in England, in the States and in other countries, ships are being launched daily to fight on the seven seas.

In a real sense, all ships today are fighting ships, whether fighters or freighters, for they have to go through many perils and battles to perform their appointed missions. The men who man them and the

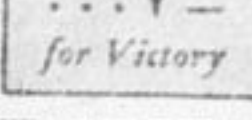

men who build them are bravely fighting the "survival war". While paying tribute to the courage and loyal heroism of those who sail our navy and merchant marine, we will not forget the praise due the workers who build ships, hundreds of ships, for the United Nations.
