The Comfort Club of South Porcupine has received a donation of \$85 from the Students' Council of the High School. They wish to acknowledge this with thanks. The students raised this money through their own efforts—school concerts, donations etc. The Comfort Fund uses its money to provide comforts and needs for the armed forces overseas.

Up to December of last year the Fund had a fairly accurate list of the boys who had left this end of the camp for overseas. Since then, of course, the list has lengthened considerably and if they are to continue their good work the names, numbers, etc., of these men must be given in to officers of the Club by their relatives.

Names of former employees of the Dome Mines have already been secured by the Club.

Names of those from S. Porcupine, Dome, Dome Extension and Golden City, who have gone over since December, (and were not employed at the Dome) are wanted.

Will relatives and friends please send information, requested as soon as possible (telephone or mail) to Mrs. C. H. Libby, Dome Extension, (Phone 351J-3) who is looking after this end of the work.

The ladies are now busy preparing another shipment of parcels to be sent over soon.
