There were 553 soldiers votes cast and of that number 285 went to the C.C.F. candidate, 137 to the liberal and 131 to the conservative candidate.

PROGRESSIVE CONSERVATIVES REDUCE CABINET SIZE

Premier George Drew is shown above surrounded by his nine cabinet ministers at their first cabinet meeting last Wednesday in the Cabinet Council room in the Parliament Buildings, at Queen's Park, Toronto. Standing: from left to right: are Hon. Dr. R. P. Vivian, Port Hope physician, who is Minister of Health and Public Welfare; Hon. Charles Daley, St. Catharines, mayor and retail grocer, Minister of Labour; Hon. Leslie E. Blackwell, Toronto lawyer, Attorney-General; Hon. G. H. Doucett, Carleton Place, insurance executive and farmer, Minister of Highways and Public Works; Hon. G. H. Challies, Morrisburg business executive, Minister without portfolio and vice-chairman of the Ontario Hydro Commission; Hon. G. H. Dunbar, Ottawa Business College head, Provincial Secretary and Minister of Municipal Affairs; Hon. W. G. Thompson, Blenheim soy bean grower, Minister of Lands and Forests, and Minister of Game and Fisheries. Flanking Premier Drew are, at left, Hon. T. L. Kennedy, Dixie farmer, Minister of Agriculture, and, at right, Hon. Leslie M. Frost, Lindsay lawyer, Provincial Treasurer and Minister of Mines.

Following his announced policy of economy in the provincial government Premier George Drew has selected a cabinet of only 10 men including himself, as compared with the 14-man Hepburn administration. Rearranging the cabinet positions to make this reduction possible the Premier himself has taken the portfolio of Education along with his other duties.

The office of Minister of Games and Fisheries, formerly administered by the provincial secretary, goes with Lands and Forests; Municipal Affairs, formerly combined with Welfare, goes to Labour, and the portfolio of Mines, formerly a separate post, is under the Treasury. Public Welfare remains under the Health Department.

Mr. Drew also abolishes the post of Liquor Board chairman as a cabinet portfolio. A speaker for the legislature is yet to be appointed.

The Premier has announced his intention to appoint special committees to make surveys of the legislative needs of agriculture, labour, education, and the mining industry.

As Minister of Education, Mr. Drew is expected to personally direct his program to reduce municipal school taxation by 50%. Social security and rehabilitation will also receive attention, Mr. Drew declaring this problem's solution is "long overdue."

A committee will study the administration of the mines, Mr. Drew has announced, "with the purpose of making adjustments in keeping with the great changes that have taken place in the mining industry in the past few years."

"The first step is to seek adjustment of the present system of taxation on mines and for this reason the portfolio has been placed temporarily under the treasurer," he continued.

Under present arrangements, the Dominion collects the heaviest taxes from the mines without regard to municipalities which perform the great service to them. Studies will be made in other countries.

"The mining industry in Ontario is in an extremely serious situation," the Premier said. "Since the war more than half the mines have closed down. Unless steps are taken we may have many ghost towns in the north."

Mr. Drew forecast a regrouping of departments after study is made on "the broad question of administration and organization."

The Premier reiterated his statement there will be no "wholesale dismissals" from the civil service as arose when the Hepburn government took office in 1934, but examination is likely of various offices, and when changes are made they will be made in a different manner than under the Liberal administration.

Many Mourn the Death of Mrs. John Fell, Sr., of Dome Mines, Last Week

Complete Attendance of Porcupine Eastern Star Chapter as Well as Large Numbers of Townspeople and Neighbours at Funeral on Thursday. Ven. Archdeacon Woodall and Rev. J. C. Thompson Conduct Services.

South Porcupine, Aug. 25th. Special to The Advance.

The funeral of the late Mrs. Henrietta Fell, who died in Porcupine General Hospital on Monday, August 16th, was held from the United Church on Thursday afternoon at 2.30.

In addition to a complete attendance from the local Eastern Star Chapter, of which Mrs. Fell was a loved and valued old member, numbers of townspeople and neighbours from the Dome were present to pay their last respects to one who during thirty years of life in South Porcupine had endeared herself to us all, and whose exemplary and upright character was a pattern for all good citizens to follow.

Archdeacon Woodall and Rev. J. C. Thompson conducted the service, the hymns sung being those loved by the deceased — "Lead, Kindly Light," "The Sands of Life are Sinking," and "O Breath of God, Breathe on Us Now."

Rev. Thompson read the 90th psalm, that being the psalm he had read with her shortly before she passed away.

The Archdeacon gave the address, taking as his text, "Be ye steadfast, unmovable, always abounding in the work of the Lord."

He spoke of Mrs. Fell as being a great citizen. The late Mr. John Fell was strong for the community, working and putting his whole efforts into promoting education, working for the hospital, church, and clean sport. This work was backed always by his wife, who proved a wonderful helpmate to him.

The Community will miss such citizens. They have made and built a place in our town which will not soon pass away. He voiced his regret that he had not known more of Mrs. Fell, since he had visited her quite often when she was in hospital and had noted her kindly and lovely character.

Palbearers were all old friends and neighbours; Messrs. E. Lightbody, H. Burton, J. McCaffrey, Dan Hughes, Harold Hall, R. McWilliams.

Mr. Walker Honer played the funeral march and accompanied the hymns on the organ.

Interment was made in Tisdale Cemetery. Many beautiful floral tokens were received among them being flowers from:—

District Governor of Kiwanis to Visit Timmins, Sept. 1st.

Governor H. Male, K.C., to Pay Official Visit Here.

Mr. H. Male, K.C., District Governor of the Ontario-Quebec-Maritimes District of the Kiwanis International, will pay his official visit to the Timmins Kiwanis Club on Wednesday of next week, Sept. 1st. There will be no meeting on Monday of next week, but the Timmins Kiwanis Club will hold their luncheon meeting on Wednesday, Sept. 1st, to receive and welcome the District Governor on his visit here.

The District Governor will arrive by train at 9.15 a.m. and the luncheon meeting will commence at 12.15 p.m. at the Empire hotel. While in the camp Governor Male will also pay official visit to the South Porcupine Kiwanis Club.

Much interest is being taken in Legion circles of the announcement from the Dominion Command of the Canadian Legion that Dominion President Alex Walker, will make a tour of Ontario in September. The itinerary has been planned so that all centres and districts of the province will have an opportunity of meeting and hearing the president of the Canadian Legion. Due to the time available Alex Walker will not be able to journey to Timmins, and on a long-standing promise the Northern meeting will be held in the home town of the provincial president, Tom Magladery, of New Liskeard. The date of President Alex Walker's visit to Northern Ontario will be Monday, Sept. 20th, and branches from Hears to North Bay are now busy planning to take large contingents to New Liskeard. In connection with the president's visit and as a tribute to Tom Magladery and Alex Walker, each branch is now engaged in a strong membership campaign, the idea being that all these new application forms will be presented to the Dominion president from branches in the North.

The Timmins branch of the Canadian Legion hopes to have a large contingent to journey to New Liskeard, and plans are under way to provide accommodation to all those desiring to make the trip. In addition there is a nice quota of new applications all ready to present to the head of the Canadian Legion.

Timmins Branch would like all veterans of the war 1914-1918 and all men discharged from the services of the present war to enroll now with the Canadian Legion. Those interested can secure application blanks from any member of the branch or at the Legion hall, Cedar St. S., Timmins. In this way all can show President Alex Walker, that the discharged men appreciate the work the Canadian Legion is doing in their behalf and for their dependents.

Membership in the Timmins branch of the Canadian Legion entitles the men who have seen service, the use of the club premises. There is a large room attractively furnished where men can enjoy a game of cards, etc.; a library with a collection of over 300 books of the best in literature; two pianos for those musically inclined and the general assembly room where courteous stewards will serve all requirements. Other services of membership include advice on pension matters; securing employment and granting assistance.

Probably the chief item of public interest in connection with the recent gathering of Northern Communists at Kirkland Lake was the announced decision that in future Communist candidates will contest all civic, provincial and Federal elections in all Northern centres. The convention at Kirkland Lake included representatives from all Northern centres with the exception of Iroquois Falls. It is said.

Mobile Recruiting Unit Again to be at Timmins During Coming Week

Will Have Headquarters in the Timmins Post Office Basement August 30th to Sept. 3rd. Urgent Demand for Air Crew and for a Number of Skilled Trades.

A Mobile Recruiting Unit from the North Bay Centre of the R.C.A.F., will be at Timmins next week, from Monday, August 30th to Friday, Sept. 3rd. Headquarters for the Unit will be at the basement of the post office building.

Applications will be received for Air Crew and Ground Crew, including skilled tradesmen, semi-skilled tradesmen and Women's Division.

The Unit will be equipped to give interviews, tests and medicals, and to effect enlistment on the spot.

There have been many visits here of the Mobile Recruiting Unit of the R. C. A. F. from North Bay centre and large numbers have been secured from the Air Service from the town and district. However, there are always new applicants coming along as time goes by. It is only a few weeks since the last visit here of the Recruiting Unit, but it hoped to have the usual success on the visit next week.

There is an urgent and constant demand for aircrew. Under this category come the following: Pilot, Navigator, Wireless Operator, Wireless Air Gunner, Air Gunner and Bombardier. Men of 17½ or over but not yet 33 are eligible for aircrew if they can meet the educational and medical requirements. Finest material is required for the important duties of aircrew.

The R.C.A.F. also has facilities for training men from 17½ to 33, who can qualify in educational standing for the following trades:

Carpenter, Electrician, Welder, Metal Worker, Wireless Mechanic, Air Frame Mechanic, Aero Engine Mechanic, Instrument Maker, Armourer Bombs and Armourer Guns.

The following skilled tradesmen with at least five years' experience are needed. Men between the ages of 18 and 50 can apply:

Other categories being enlisted are: Service Police, Barber, Tractor Operator, Construction Hand. At the present if you do not qualify in any of those trades you may be enlisted as

Honey, Jams, Marmalade, Jellies to be Rationed

Ottawa, Aug. 25.—Sales and deliveries of honey, jams, jellies and marmalades were halted Monday preparatory to rationing of these commodities effective Thursday, September 2.

Announcement of the freezing action was made by the prices board and details of the rationing are to be announced within a week. Sales to wholesalers and retailers may be continued but none of these commodities may be transferred to the buying public until the ration plan comes into effect.

The halting of sales and deliveries affects hotels, restaurants, institutions, industrial users and others who buy for consumption as well as householders. Hotels, restaurants and other eating places may continue to serve the commodities but may not accept new deliveries.

The suspension order applies regardless of whether orders have been previously placed for any of the articles affected.

District Conference of Kiwanis, Sept. 19th to 21st

The Ontario-Quebec-Maritimes District of the Kiwanis is holding a conference at Niagara Falls on Sept. 19th, 20th and 21st. The following have been appointed delegates and alternates to represent the Timmins Club:—

Delegates — W. H. Burnes, J. Beattie, R. P. Kinkel, Alternates — W. O. Langford, F. A. Burt, K. A. Eyre.

Timmins Branch of Red Cross Makes Very Urgent Appeal for Knitters

Extra Knitting Quota Received for Articles for Prisoners-of-War-Capture Parcels. Among Other Comforts Required at Once is the Supply of Two Hundred and Forty Pairs of Gloves.

All Red Cross branches have received an extra quota for articles for Prisoners-of-War-Capture parcels. As this is the first parcel given each boy when he arrives in prison camp in Germany or Italy, and since Canadian boys are now front line fighters, it is very important that this quota be filled quickly.

Of course, Timmins Branch is expected to meet its quota in this, as in other lines. Among other comforts that the Timmins Branch of the Red Cross has been asked to supply is the quota of 240 pairs of gloves. If this quota is to be filled, it is imperative that more knitters should be at work here. Extra knitters are very urgently required, and these are very earnestly requested to call at the Wool Room, Municipal Building, this (Thursday) afternoon

Motion Requiring Legible Writing Couldn't be Read

Lady Frederick Cavendish in her "Diaries" relates the following joke against her father apropos of illegible handwriting:

When the Reform bill of 1867 was being discussed quite a number of "fancy franchises" were suggested and among them was one in the House of Lords by that great scholar Gladstone's brother-in-law, the fourth Lord Lytton. What happened to the amendment is thus described by Lady Frederick: "There have been other amendments, including an unlucky one of papa's that nobody should vote who could not write a legible hand. The joke against him was that the clerk had to ask him to read the amendment as he could not decipher it."

Magistrate E. R. Tucker Helps Adjust Differences

The following item is from last week's issue of The Cochrane Northland post: "A board of arbitration composed of representatives of the Abitibi Power and Paper Company and the International Brotherhood of Pulp, Sulphite and Paper Mill Workers under the chairmanship of Magistrate E. R. Tucker, of Cochrane, met at the court house in Iroquois Falls last Friday to consider questions involving the Company and certain employees, members of the Union. At the conclusion of the hearing it was announced that all matters in dispute were amicably adjusted."
