

Winners of the Prizes at Events at Schumacher Lions Swimming Pool

Presentation Made to Mr. Hank Bielek, Swimming Instructor. Mr. Bielek Outlines the Progress Made in Swimming at the Pool in the Last Four Years.

Schumacher, Sept. 1st. Special to The Advance.

Monday evening brought to a close another successful season at the Schumacher Lions Club swimming pool. The members and friends met in a social capacity Monday evening at the McIntyre Arena when a social evening was enjoyed with community singing games and dancing. Mr. Ted Janes, Timmins, presided at the piano. During the evening Mrs. Harry Dobson, on behalf of the members, presented Mr. Hank Bielek, the swimming instructor, with a silver identification bracelet, suitably inscribed. Mr. Bielek thanked the members for the handsome gift. He said when the swimming opened four years ago only ten per cent of the members were swimmers. Each year splendid progress has been made and today 90 per cent of the members are swimmers. During the evening a dainty lunch was served. The following is a list of events and the prize winners. The prizes given were war savings stamps.

New Bishop Feels He Has Work to Do in Moosonee Diocese

Makes Reference to His New Work at Services at St. Paul's Church, Toronto.

There is general pride and pleasure in the election of Bishop Renison as Bishop of the Diocese of Moosonee, which includes the Porcupine Gold Camp and the large area lying north of here. Accordingly, there will be more than passing interest in the following report from Monday's Globe and Mail in reference to Bishop Renison's address to his present church—St. Paul's Church, Toronto, on Sunday of this week.

Newly-Elected Bishop Tells Reasons for Decision

Outlining reason for his decision to leave St. Paul's Anglican Church after 11 years as rector, Right Rev. R. J. Renison spoke to a congregation that filled the church Sunday morning as to a personal friend. Bishop Renison was elected Bishop of Moosonee by the Synod of Moosonee at its meeting last Tuesday.

"I have never made such a realistic and solemn decision, and I feel that I owe the great congregation that has meant so much to me some statement of the inner reasons which prompted it," Bishop Renison said. "I feel that there is a job in Moosonee that needs me."

"Toronto is one of the great cities of the world," he continued. "It is the heart of the British feeling that has meant so much to the British Empire, and if Canada fulfills the destiny which I believe lies before her, Toronto will have had a share in that achievement."

"St. Paul's is a great church, which has not yet reached the fulfilment of its ideal," he stated. "You don't yet know what the church can accomplish for God and the people." He added with a twinkle: "This congregation after surviving my rectorship can do anything."

"St. Paul's needs a rector at the peak of his power," he went on. "The time would have come in a few years when it would have been passed to younger and stronger hands for the good of the church."

Sixth Troop Enjoys Outdoor Meeting

Members of the Sixth Timmins Troop last week held another of the outdoor meetings which have become so popular with the members. Assembling at the Lions' Club Hall at 6 p.m. on Thursday, the Troop proceeded to one of their favorite spots under the leadership of Scoutmaster King. The Troop was then divided into three groups, one practicing signalling, another tracking and the third concentrating on compass work. Much experience was gained by the boys in each group. Martin Kosobuski requires to pass only signalling and tracking to complete the Second Class tests, and he assures us that he will be qualified to wear his badge very shortly. Adrian Landers, Roy Hobbs, Ken Travenna and Charles Travenna have each completed the requirements for the Tenderfoot rank, and are now awaiting instruction. The ceremony is scheduled to take place within the next couple of weeks. Plans are being discussed for a special meeting to which the Scouts will bring their friends. The nature of the meeting has not as yet been decided upon, but if the weather man is kind it will be held outdoors and all are assured of a good time.

Funeral Last Week of the Late Mrs. Olivier Lafond

Sturgeon Falls, Sept. 1—Largely attended by relatives and friends, the funeral of Mrs. Olivier Lafond took place on Monday, August 23, at nine o'clock, in St. Therese Church, Cache Bay. Rev. Conrad Daigle officiated. The late Mrs. Lafond was 25 years of age. Her death occurred at the Brebeuf Hospital, Sturgeon Falls, on August 20, following an illness of a few hours.

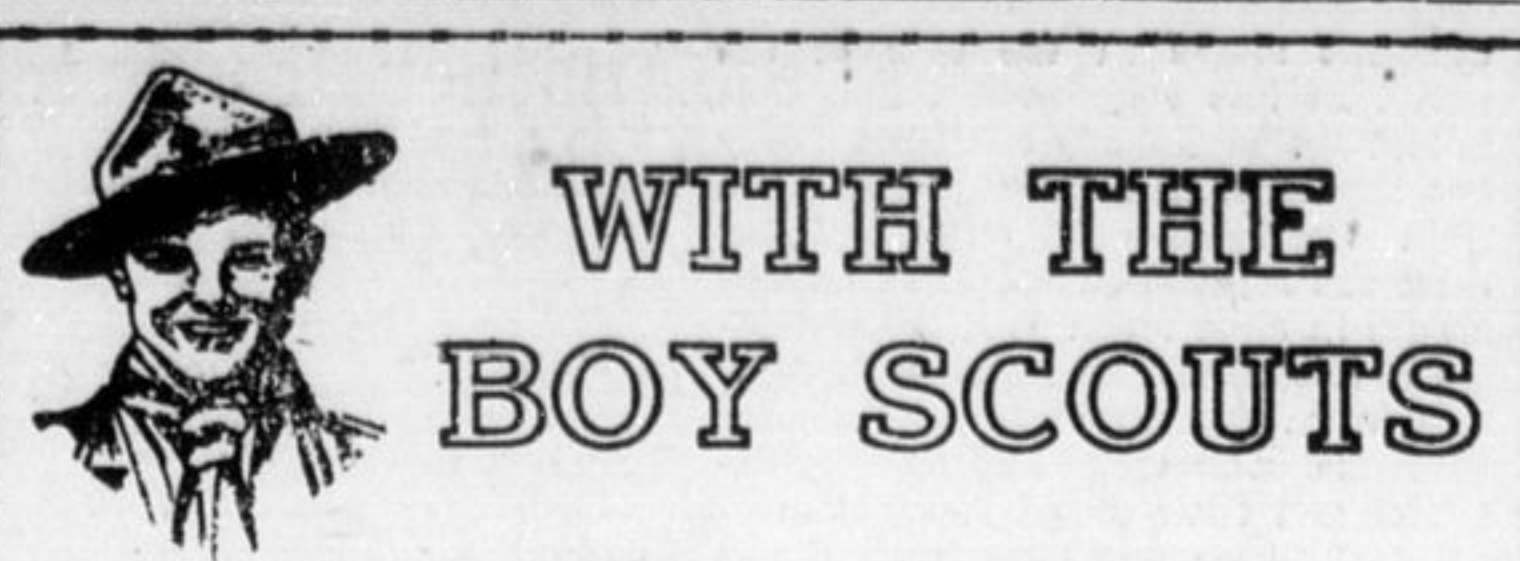

Mrs. Lafond was born in Crystal Falls, and was formerly Miss Florence Jodoin, daughter of Mrs. Calixte Bisson and the late Adelard Jodoin. She was married in Sturgeon Falls in April 22, 1935.

Burial-bearers for the funeral were her three brothers, Alex, Patrick and Isidore Jodoin, and her three brothers-in-law, Harry, Charles and Ernest Lafond.

Interment was in the Roman Catholic Cemetery, Cache Bay.

Surviving her are her husband, five children, Therese, Edward, Gerald, Roland and Ivon; her mother, Mrs. Calixte Bisson, Sturgeon Falls; four brothers, Alex, North Bay; Isidore and Albert, Sturgeon Falls; Patrick, Crystal Falls, and five sisters, Mrs. David Deschene and Mrs. Wilfred Belair, Timmins; Mrs. Arthur Cusson, Maniwaki, and Mrs. Mins; Mrs. John Rivet, Sudbury; Mrs. Emile Roy, Cache Bay.

Fifth Troop Wins Drew Trophy

The Fifth Timmins Kiwanis Troop has again been declared the winner of the Drew Trophy for the best Troop campsite, according to Gilwell standards. The Drew Trophy has long been the coveted possession of the Troop showing superiority in this field, and goes to the Fifth Timmins for the second year in succession. Until recently the trophy was awarded to the Troop producing the best model campsite in connection with the Association's annual Hobby Show, but with the expansion of camping activities locally it was last year decided that the trophy should be awarded for actual campsites rather than models. Each Troop camp is visited by members of the camping committee and executive committee of the Local Association, and inspected in every detail. The inspection follows a prescribed form, and each examiner submits a report and the grading of each camp. Upon the completion of the camping season the camping committee meets to go over the reports and to decide on the winner. This year the decision of the judges was unanimous, and the Fifth may well be proud of their achievements. The results of the inspections were close, and undoubtedly the more extensive experience in camping enjoyed by members of the Fifth was responsible for the edge they held over the other Troops. This year's winning camp was under the supervision of Scoutmaster Joe Lucclantonio who returned from the Gilwell training camp at Blue Springs just prior to going out with his Troop. The experience Scoutmaster Lucclantonio gained at Ontario's Fountain of Training was reflected in the high standards he maintained throughout the Troop camp. Congratulations to the Fifth Troop as a whole and to its members individually for their fine record, and we know that they are determined to carry on this good Scouting in every way.

Executive Committee Has Regular Meeting

The regular monthly meeting of the Executive Committee of the Local Association was held last Friday evening in the Municipal Building, a fair number of the members being in attendance. Following the routine business matters the camping committee gave GALLEY TWO—WITH THE BOY SCOUTS a brief report of the activities of the summer, of inspection trips made to the various camps, and announced the Fifth Troop had been decided the winner of the Drew Trophy. More boys than ever before took part in the camping activities of the year, and consequently more worthwhile training was given the boys. A more complete report of the camping committee will be made at the next regular meeting. The question of Apple Day was discussed briefly, and it has been tentatively decided that the big day will be held this year on October 9. The President, Mr. W. F. Lawry, was asked to appoint a committee to work with a similar committee of Scout leaders in organizing the event, and more definite announcements should be forthcoming in the very near future. Another important event mentioned was the coming Annual Meeting of the Local Association, scheduled for the month of October. At this meeting new officers are elected for the year ahead, reports are received from all committees, and district leaders, and the feats and accomplishments are reviewed and recommendations put forth for further improvements in the training being given the boys. It was asked at the meeting that steps be taken to assure a good representation of parents at the Annual Meeting, and it is hoped that many of them will realize their responsibility to the youth of the town as well as to their own boys and be present for this important meeting. As much publicity as possible will be given the event that everyone may know of it in time to plan to attend. The next meeting of the Executive Committee will be held during the latter part of September and further plans for activities will then be made.

Two Promising Scouts Leave Town

It is with keen regret that we learned that two very promising Scouts leave town this Wednesday in the person of Ken and Junior Travenna. While comparatively new in the Scout family, both boys are members of the Sixth Troop and were in camp with them at Wawa Falls this summer. While there they showed they had the stuff it takes to make good Scouts, and besides learning to play the game with everyone they were able to pass all the Tenderfoot tests with flying colors. Much was expected of them during the coming year, but what is our loss will be Toronto Scouting's gain, for both have stated that among the first things they will do after their arrival in the big city will be to join a Troop there. Our consolation is that they plan to return to Timmins in the spring, and we hope that they will then take up their Scouting where they left off. It wouldn't surprise us if they were to come back at least Second Class Scouts, and we wish them the very best of luck and hope they will like their new home.

Seventh Troop Scribe Right on the Job

Ray Hunt, the new Scribe of the Seventh Timmins Troop, is right on the job and sends in a report every week of the activities of his Troop. Last week, he reports, the Seventh held their meeting at the Hollinger Hall and the Scouts were given some practical instruction in first aid, with everyone trying his hand at bandaging, artificial respiration and other useful points. Several interesting games were also played by the Troop, and

the members are right on their toes, and well off to a fine start on the year's Scouting. The much-talked-about Field Day was also given attention, and the Scouts of this Troop state that when the event is held they won't be satisfied with anything less than first place in the winners' column.

RATHER CATTY

With the opening of school next week, Packs and Troops which discontinued meetings for the holiday period will be getting back into action again. Many boys who were Cubs last year will be coming up into the great brotherhood of Scouts, and their places in the Packs will be taken by more young fellows who have been waiting for their eighth birthday to get into the game. Quite a number of possible changes are being considered to accommodate the ever increasing number of boys who are anxious to join. Several of the Cub Packs will be dividing into two sections that more Cubs may be accommodated, and the same thing will likely be done in a number of the Scout Troops. It is quite possible that at least one entirely new group will be formed under the sponsorship of one of Timmins leading organizations, and it is expected that by October, which is annual registration time, more boys than ever before will be playing a big part in the greatest game of all. Don't be discouraged if you are asked to wait a few weeks, or if you have already been told something to that effect. Every effort is being made to accommodate all the boys wanting to become members, and we are anxious to have them in the game with us.

Is your Troop or Pack planning some special event to mark the opening of another season of Cubbing or Scouting? Most of them are, so let us have the information as soon as possible, please. Till next week, Good Scouting and Cubbing.

Legion Discusses Visit of Dominion President to North

Other Matters of Importance at Regular Meeting on Monday Evening.

The monthly general meeting of the Timmins branch, Canadian Legion, took place on Monday evening in the Legion hall. President L. Nicholson was in the chair. After Legion honours the secretary W. D. Forrester, read the minutes and financial standing. There was also quite a batch of correspondence read. Some dealt with the membership drive now under way, and the visit of Alex Walker, Dominion president of the Canadian Legion, to the North. Both these matters came under discussion later and resulted in President Nicholson and W. D. Forrester being chosen to travel to New Liskeard to meet President Alex Walker on behalf of the branch. A notice will be placed on the notice board asking for those with cars or those wishing to journey to New Liskeard to hear the president's address to register their names.

As is always the case the reports of committees gave the members a true picture of the work being carried on by these untiring members. Committees reporting were: Pensions, Sick, Magazine, Cemetery, Scout, Cigarettes and Entertainment.

Comrade Austin Neame spoke of some graves at the cemetery near the Legion Plots, upon which the names are near obliteration. It was decided by the members that the branch secure the price for suitable headstones and have these placed on all graves not now marked with such lasting identification. The War Graves Commission are to be communicated with to this end.

Blood donors were asked for from the Legion and several members took the necessary cards for this purpose. The clinic is to be held in the morning of Sept. 15 and 16. Any member wishing to donate blood to the Red Cross blood

bank can secure the necessary card from the Legion hall.

Discussions of Legion matters and branch welfare took place. The membership drive is showing good returns nine applications being voted upon on Monday evening.

A vote of thanks for good work was given to a member of the Scout committee.

The members of the bingo committee appealed for more help at the weekly bingo held each Thursday in the Hollinger hall.

Mention was also made of the proposed Honour Roll for the Town of Timmins and members were assured this was being taken care of, as was also the Welcome sign near the station.

The meeting closed with all singing the National Anthem.

Miss Vane — Some one told me today that I was the handsomest girl in the street.
Miss Speitz — Oh, that's not incurable!
"What do you mean?"
"Your habit of talking to yourself."
