# Two People in Hospital

A blow-out of a tire on an automocaused the car to turn over a couple of times on the road and resulted in the injury of two of the occupants of the car. In the car at the time were H. F. Williams, 33 St. Andrew's Gardens, Toronto, his wife, and Mr. John Noville, a friend of the family. The latter was not seriously hurt, but Mr. and Mrs. Williams had to be taken to the hospital. Both were badly shaken up and Mrs. Williams had a bad bruise over one eye while Mr. Williams was bruised around the chest.
