By Phyllis

Bouquets are indeed in order for the students of the Timmins High School... the recital which they presented to a packed auditorium on Monday evening was indeed a brilliant success and showed great musical talent throughout. Mr. Wallace Young, conductor, is to be credited for the fine performance of his students. Opening the programme was the first former's band, organized just a year ago, on their first public appearance, and the youngsters, who for the most part have not been instructed individually, but as a complete unit, played several numbers and showed great forthcoming talent. The programme was one of great variety including numbers by the school choir as well as solos by several of the students. One of the most heartily appreciated numbers was that sung by the male chorus, "Stouthearted Men," the house being practically brought down by the applause and the chorus having to give an encore. The whole programme was a very delightful one and indeed the students are to be congratulated.

Visiting at the home of Mr. and Mrs. R. Hardy this week were Pilot Officer and Mrs. Harry Hardy, who were married in Vancouver, B.C. on the 19th of this month. The bride was the former Hazel Mead of Vancouver. The couple visited in town until the beginning of this week when they left for Vancouver. Congratulations and best wishes are extended to the young couple and details of the wedding appear elsewhere in the paper.

About 230 couples attended the annual Nurses' Dance at the Riverside Pavilion on Friday night and it was one of the gayest events of the season. The floor was crowded with dancers who were wearing both formal and informal attire, the ladies looking lovely indeed. There seemed no end to the merrymaking, the fun and the laughter as the many happy couples danced the hours away. Music was by Gene Crocco and his orchestra the popular dance tunes and the novelty numbers supplied, also helping make the evening the very successful event it was.

Best wishes to Mr. and Mrs. Vincent Bission who were married on Monday morning in the Church of Nativity. The bride is the former Melinda Richards of town, and the groom is a member of the Canadian Army. Both have many friends and relatives in the Porcupine who will join us in congratulating them and wishing them many years of happiness.

Many friends have been waiting the news of the wedding of Dr. and Mrs. John S. Whalen which took place in Toronto last week. The bride you will remember is the former Miss Betsy Dodge who is very well known in Timmins, being the daughter of Mr. and Mrs. W. R. Dodge Tamarack St. The groom also made many friends in town this summer when he was visiting at the home of Mr. and Mrs. Dodge. The wedding was a very lovely one and something especially nice was the fact that so many Timmins people were present for it. Details of the wedding appear elsewhere in the paper. All their friends join Dropped Between Stitches in wishing them the best of luck and happiness.

Entertained at a charmingly arranged tea, on Saturday afternoon, with many of her friends present.

was Miss Kathrine Morin who is now a member of the W.R.C.N.S. Miss H. E. Carthy was the hostess at the delightful social afternoon during which life with the Navy was discussed, as well as former times when Miss Morin was assistant librarian at the High School. Present at the tea were: Miss Irene O'Grady, Miss Heidi Beauman, Miss Anita Sont, Miss Viola Warren, Miss Lucy Petvin, Miss Mae Woe, Miss Barbara Thompson, Miss Phyllis McColeman, and Miss Blanche Proulx.

If you had stopped at the home of Mrs. W. Devine on Thursday evening, you would have seen a very industrious group of ladies busily working away on articles for the boys in the services. They were the members of the knitting group of the Algonquin Ladies' Club. After several hours of very hard work the members stopped and enjoyed a very delicious lunch which was served by the hostess. Their next meeting will be held Thursday at the home of Mrs. McLean on Balsam Street.

On Saturday, December 11th, the Church of Nativity will be the scene of a lovely wedding when Miss Arne Volchuk, daughter of Mr. and Mrs. A. Volchuk, 112 Fifth Ave., becomes the bride of Mr. Eddie Proulx, son of Mr. and Mrs. L. Proulx of Montreal. Both are very well known in town, Anne having been employed in the office of Irvin Rosner's and Eddie having been assistant manager at Kresburg's before being transferred to Sudbury where the wedding will be in traditional white and the young couple will leave on the noon train for Sudbury where they will take up residence.

At the weekly whist drive held in the Legion Hall on Tuesday night, the prize winners were: In the first group, Mrs. C. Engman, Mrs. Parnell and Mrs. Hess; in the second group, the winners were Mrs. A. Boyd, Mrs. B. Richards, and Mrs. A. Lavigne.

Attending the weekly Comfort Tea Wednesday afternoon in the Legion hall were many members and friends of the Ladies' Auxiliary, including, Mrs. J. Shaw, Mrs. L. Nicholson, Mrs. W. Devine, Mrs. E. Tilley, Mrs. A. Kettle, Mrs. F. Curtis, Mrs. C. Wheeler, Mrs. T. Gay, Mrs. W. Wilkinson, Mrs. J. McGarry, Miss Margaret McGarry, Mrs. Jean Smith, Ms. Larders, Mrs. E. Griffin, Mrs. J. Griffen, Mrs. W. Roberts, Mrs. Bright, Mrs. L. Charlton. During the afternoon Mrs. McGarry entertained at the piano.

The executive meeting of the Ladies' Auxiliary will be held on Friday evening at 8 o'clock in the Legion Hall. The regular monthly meeting will be held on Monday, December 6th in the Legion Hall at 8.15 when the election of officers will take place.

The Ladies' Guild of St. Matthew's Church held a very successful bazaar and supper last evening in the church hall. During the afternoon many people visited the sale of work, and the Santa Claus, and the tables of novelties. About 200 guests were served a hot supper. The members of the Ladies' Guild wish to thank all who attended to make the event such a great success. Also as a reminder to the members, the next business meeting, and the last for 1943, will be held in the church hall on December 10th, at 3 p.m.

Wedding bells will ring out on Tuesday, December 7th, for a well-known Timmins couple, Miss Mary Sutherland and Mr. Jack Stutt. Mary is the daughter of Mr. and Mrs. W. D. Sutherland, Elm St., and has been employed in Dr. Harper's office at the Dome. Jack is the son of Mr. and Mrs. P. J. Stutt, of Greenville, and is accountant at the Bank of Commerce. The marriage will take place at the Church of Nativity.

# "Guignolee" Will be Held for Children Sunday

## Old French Custom to be Carried Out Sunday, Dec. 5th.

Every year the J.O.C. brings back to life the beautiful old French custom, the Guignolee. They do this in order to help the under-privileged of the district throughout the coming year.

This year, on Sunday, December 5th, the Guignolee will be for the children, in the basement of St. Anthony's Cathedral. All the children are invited to attend this very special event, at 3 o'clock in the afternoon. To be admitted they must either bring an article of clothing, groceries, or some toys.

Last year, the Joicists, with the help of High School students, repaired a large number of old toys, and then distributed them a little before Christmas, thus contributing to make this day brighter and happier for some little underprivileged tot.

This year they would like to collect as many toys as possible and they are prepared to repair, paint and make them good as new so that all children may get a gift this Christmas, and that no child may go without a gift on that day so dear to little children's hearts.

Sunday afternoon at this event, the talking picture version of Maria Chappelaine, will be shown to those attending. Everyone remembers the simple and touching story of the girl Maria, her joys and sorrows. This story is set against the adventurous background of the early Canadian settlement days.

On Sunday night, this film will be shown for adults, at 8:00 o'clock, and the admission will be silver collection. Don't miss this grand film. It will be a treat for you and your friends.

The Joicists also wish to remind you that if you have not as yet procured one of their calendars, that they are still available, by asking any member of the club.

Another activity of the J.O.C. Club will be the general assembly for the girls on Friday night, December 3rd, in the basement of St. Anthony's Cathedral, at 8:30. All the girls are cordially invited to attend.

# Campaign Opened to Liquidate Debt on Mountjoy Church

## Inspiring Addresses and Reports of Meeting Last Week.

At a supper meeting held in Mountjoy United Church on Tuesday of last week, the campaign was opened to liquidate the remainder of the building debt. Mr. Wilfrid Schweitzer, chairman of the gathering, called upon the two guest speakers from out of town, Rev. James A. Lyttle, the superintendent of missions and Mr. William D. McLean, of Kirkland Lake. Mr. Lyttle gave an inspirational talk and Mr. McLean told something of the beginning of Mountjoy church. Slides were shown of the building in various stages of construction, and of groups associated with its dedication. In brief addresses Mr. Edward D. Fennell told of the work of the Sunday School and its importance, and Rev. E. Gilmour Smith spoke of the fine fellowship of the church. Mr. P. T. Moisyey, chairman of the Committee of Stewards, sketched the general financial position, and Mr. Cyril Newell told how the organizations have promised \$600 during the winter. Mr. William Ramsay reported that the Official Board members have pledged \$1,200 by the 30th. Special tribute was paid to the fine contributions made by the Woman's Association and the Woman's Missionary Society to the fund. The enthusiastic response of the gathering to the appeal indicates that the objective should shortly be reached.

Appreciation was expressed by Mr. W. F. Lawry who did a great deal in drawing plans for the building and Mr. E. B. Weir who acted as treasurer of the building committee.

Mr. Harry W. Brown proposed the toast to the King.

A vocal duet was given by Miss Daphne Gay and Miss Mary Zudel, and a piano solo by Mr. Bill Ramsay. Mrs. Surman was pianist for the evening.

A cordial vote of thanks was given the Women's Association for the excellent dinner provided.

# Timmins High and Vocational School Recital Huge Success

## Many Parents and Friends Attend Fine Programme Monday.

A very successful programme was presented by the Students of the Timmins High and Vocational School on Monday evening when they presented a recital to a packed auditorium. The programme included a great variety of numbers each with a distinctive arrangement and each bringing hearty applause from the audience. During the evening's performance Mr. A. A. Rose, Principal of Timmins High and Vocational School, spoke a few words to the gathering mentioning how pleased he was to see so many parents present and also stating that if the home and school combined, each would be that much stronger. As Mr. Rose also noted in his address, the T. H. & V. Choir and soloists really spoke for themselves; they were very talented young artists and the audience showed their great appreciation with thunderous applause after each number. One of the most heartily received numbers was the arrangement of "Stouthearted Men" as sung by the Male chorus. An encore for this number was an absolute must. Also brought forth for several encores was youthful Norman Amadio who gave several very beautiful and intricate piano solos very much worthy of mention. Miss Doreen Whitman, Mr. Collin Charron and Mr. Harl Drew each won much applause by their fine vocal solos, as did Mr. O. E. Wall for his two violin solos. Misses Judith Helperin, Ruth Mustard, Rosemund Rinn and Mary Thompson gave an especially fine two piano quartette. The evening to all those loving music, and appreciative of young talent, was a very delightful one, and was indeed a great success, and the students and their conductor are to be congratulated for the programme which was so appreciated and enjoyed by all attending.

Cowing to the great demand, there is going to be another performance by the students on Friday evening Dec. 10th, for those who were not able to attend Monday evening.

# Dr. John S. Whalen Weds Miss E. Dodge in Toronto Church

## Many Friends Attend Lovely Ceremony on Nov. 27th.

North Parkdale United Church, Toronto, was the setting on Saturday, November 27th, 1943 for the marriage of Annette Elizabeth Dodge, daughter of Mr. and Mrs. W. R. Dodge, Tamarack Street, Timmins, to Dr. John Stanley Whalen, R.C.A.M.C., St. Joseph's hospital, son of Mr. and Mrs. John Whalen, Fuller avenue, Toronto. Rev. Milton Sanderson officiated, and Miss Orpha Farr was the soloist. H. H. Simmonds played the wedding music.

The bride, given in marriage by R. J. Smith, Burlington, wore a floor-length period gown of white taffeta, in long torso style, with sweetheart neckline and short sleeves. The gown was shirred at the shoulders and pockets. A floor-length veil of illusion net was caught with an embroidered lace halo. Long white kid gloves completed the ensemble, and the all-white bridal bouquet was of roses, 'mums and bouvardia.

She was attended by her sister, Mrs. F. Wismer, as matron of honour and Mrs. B. McGruther, the bridegroom's sister, as bridesmaid, wearing similarly-fashioned street-length velvet dresses. Mrs. Wismer's in the burgundy shade, the bridesmaid's in midnight blue. The shoulder-length veils were caught with small matching hats of velvet. The matron of honor carried a bouquet of cream roses and fuschia 'mums. The bridesmaid's flowers were pink roses and 'mums.

Lieut. John Lewis, R.O.A.M.C., was the groomsman, and the guests were ushered by Dr. Boyd McGruther and Mr. Bruce Taylor.

At the reception held in "Wymilwood," the bride's mother wore a street-length dress of grey and white crepe, wine felt hat, and corsage of orchids and bouvardia. The bridegroom's mother wore a street-length peplum dress of blue crepe, blue hat and corsage of pink roses.

In the reception hall, the long tea table was lovely with high antique tea and coffee urns at either end, and vases of roses and carnations. The tiered wedding cake made a lovely centerpiece and incidentally, it was iced by Mrs. Gurnell, of Timmins. Mrs. Reginald Smith and Mrs. John Lewis poured tea and coffee and Misses Edith Smith and Mary Stock and several other college chums assisted in serving the many friends of the bride and groom. Several piano selections were played by Miss Mary Cotton.

# Imperial Bank of Canada 69th Annual Meeting

## President and General Manager review bank's year

MR. R. S. WALDIE, President, said in part:

Largely due to war activities, the deposits of the Bank and its holding of government securities have reached record figures, and the total assets which again show a very substantial increase stand at the highest figure in the Bank's history. Altogether it is evident that your Bank has enjoyed its full share in the expansion of the country's business. The profits have been well maintained, and after providing for all other requirements have enabled us to pay our current dividend of 8 per cent per annum and carry forward a substantially greater amount than last year. I should like to point out that the return to the shareholders based on Capital, Ret. and Surplus, which represent their investment in the Bank, amounts to only 3.55 per cent, surely not an exorbitant rate. It will be appreciated that the amount paid in dividends is restricted by existing taxation laws, and at least we may hope that within a reasonable time after the war is over the burden of taxation will be lightened.

Agriculture has responded splendidly to the call for food and the financial position of the farmer's much improved. The 1943 wheat crop estimated at 296,000,000 bushels is only 50% of the 1942 harvest, but with the large carry-over from last year, there is no anxiety regarding any shortage. The production of oats and barley for 1943 is estimated at 720,000,000 bushels, which is less than last year's crop. It must be remembered that approximately two-thirds of our farmers are engaged in the production of foods other than the principal grains, and many of those who were essentially wheat farmers are now concentrating upon livestock and livestock products. Farm cash income for the year 1942 has been estimated at \$1,100,000,000, and the first six months of the present year show a gain of 25% over the same period of 1942. The increase in farm income generally has resulted in substantial liquidation of farm indebtedness.

The Minister of Finance and his advisers are to be commended for their direction of the country's war financing. Their wise management has left the banks free to serve the ordinary financial needs of the country, as well as to be ready when called upon to meet the requirements of the Government. The steps taken to control prices and curb inflation were necessary and have proved effective. These measures and the country's acceptance of the heavy burden of taxation have enabled the Government to pay 50% of the cost of the war out of current revenue, which is a creditable achievement.

I trust, therefore, that our Government, and the Governments of other nations, will at a date well in advance of the termination of hostilities and the release of our men from the armed forces, be able to announce plans that will furnish the required assurance to those who are anxious to prepare for postwar employment.

Another problem, that affects and limits postwar planning, is the great uncertainty of taxation, both present and future. No corporation or individual can with assurance undertake future expansion, with its increased employment, so long as it or he is unable to obtain a definite and final assessment of present taxation and all plans must meantime be tentative and may well be delayed beyond the date when to carry them out becomes an essential factor in providing employment for our returning men and in helping bridge the change over of industry from war to peace.

The shareholders of the Bank as on September 30, 1943, total 2,726, a decrease of 7 during the year. These include American shareholders numbering 299—a decrease of one during the year. The average holding of each shareholder is approximately 25 shares.
