W. Spooner and Councillors E. W. Gladstone, Karl A. Eyre Colder? Acting Mayor J. W. Spooner and Counand J. V. Bonhomme. A telegram was received and read from Mayor J. Emile Prunette expressing regret at his inability to be present as he had been detained in Toronto on business, but expressing best wishes for the Kiwants Club and the success of the good work it was doing for the community.

Other guests present for the occasion were Town Clerk and Treasurer A. L. Shaw and Fire Chief W. Stanley, as well as representatives of the R.A.F. the R.C.A.F. and the Cadets. The member of the R.A.F. present was Pilot Officer Jock Tulloch, originally from Edinburgh, Scotland, but who has been in Canada for some months taking special courses here He expects to return overseas in the near future. While in town he was the guest of Councillor and Mrs. K. A. Eyre. There were also several of the officers and instructors of the Air Cadets as guests for the day.

President Jack Beattie was in the chair and gave welcome to the guests, saying it was a pleasure and a privilege to have the members of council and town officials present again on Kiwanis Civic Day. He also had special welcome for the representatives present Misses Standing Cars by from the Royal Air Force, the R.C.A.F. and the Cadets.

In introducing Councillor Gladstone, Kiwanian Eyre said that during the past year Councillor Gladstone had been successful in his undertakings in the council and had been a valuable member.
