Says the Porcupine Squadron R.C.A.F. Doing Noble Work

Member of Squadron Sends Clipping from English Newspaper.

Already the Porcupine Squadron, sponsored by the Town of Timmins and the Township of Tisdale, is making a name for itself overseas. Flight Lieut. D. W. Simpson, D.F.C., navigation officer of the squadron is responsible in the first place for the name and the sponsorship of the Squadron. Flight-Lieut. Simpson, previous to his enlistment, was on the teaching staff at South Porcupine, and after receiving approval from his superior officers, wrote to the councils of the municipalities of the Porcupine regarding the matter. There was prompt acceptance of the sponsorship by the municipalities.

Last week Mr. A. Ayotte, of the Timmins Fire Hall, received a letter from one of the crew of the Porcupine squadron, L.A.C. Regimbal, Z. E., No. 433 Porcupine Squadron, R.C.A.F. Overseas. L.A.C. Regimbal is a brother-in-law of Fireman Ayotte.

After mentioning that the Porcupine Squadron already has shown its quills to the Nazis, much to their discomfort, L.A.C. Regimbal encloses a clipping from an English newspaper that makes interesting reading. This clipping reads as follows:

Porcupines Join R.C.A.F. Squadrons

(By Moe Aspler)
 The Canadian Bomber Group has given birth to a new Halifax Squadron. This baby, christened the "Porcupine Squadron" is now all set to do its share. Commanded by Winco "Sin" Sinton, D.F.C., the Porcupines have already gone into action and have done nobly. The Squadron has been adopted by the Township of Tisdale and the Town of Timmins, Ont., and the in-between man in this affair was P.L. D. W. Simpson, D.F.C., navigation officer. P. L. Simpson hails from Islington, Ont., but has spent some time in the North Country. It has been rumored that each member of this squadron will receive a gold brick as a souvenir gift.

While there are a number of veteran crews on the station, a good percentage of the men are seeing action for the first time. Squadron spirit is good and it looks as though the veteran squadrons will have to treat the Porcupines with some respect. Flight commanders are P.L. J. G. McNeill, D.F.C. Calgary; and P.L. H. T. Patterson of Fredericton, N.B. Signals leader is F.L. Brown, while P.L. K. R. Patterson is gunnery leader. Bombing leader is F.L. Cruikshank.

On the administrative and ground side of the outfit are such men as P.L. Gerry German, Toronto, adjutant, P.L. Normie Cuke, engineering officer, P.O. "Red" Gamble, radio officer.

The ground crews are for the most part drawn from various other squadrons. With their experience service-ability should be of a high order. Boss of the radio section is Sid Radley, gen man extraordinary. Sid, who received his third recently, had to go through the "ignominious" task of doing canteen corporal work for three days. His crime? He forgot to look at D.R.O.'s.

W. R. Moseley-Williams Given Promotion Overseas

The North Bay Nugget last week published a half-tone picture of Flight-Lieutenant W. R. Moseley-Williams, formerly of Timmins and more recently of New Liskeard and North Bay. The caption for the photograph read as follows:

"Promoted Overseas—Flying Officer W. R. Moseley-Williams, of North Bay and Timmins, was recently promoted to the rank of Flight-Lieutenant. Well known in North Bay, Flt. Lieut. Moseley-Williams formerly attended the North Bay Collegiate Institute. Prior to his posting overseas, Flt.-Lieut. Moseley-Williams instructed throughout Western Canada and the Maritimes."

Given Three Years for Passing Number of Bogus Cheques

Man Caught Last Week at Hearst Faced Several Charges.

Recently provincial and other police have been seeking a man using the name of J. L. Parent, as well as other names alleged to be tried by him. The reason for the police search was that the man was accused of posing as the representative of a jewelry firm and after taking orders from firms in various towns would ask for the cashing of cheques supposed to be from his firm. These cheques were made out on nicely printed forms, and this had the effect of lulling suspicion as anyone who considered the matter would hardly expect that the man would go the lengths of having forms printed for his own use or misuse. As a matter of fact, however that is exactly what had been done and the cheques all bounced back from the banks. The police had complaints from Hamilton, Niagara Falls, Cochrane, North Bay, Kapuskasing and Welland. It is also said that Kirkland Lake and a place as far away as Fred-

"Children's Night" Held Friday at Hollinger Hall

Members of British Isles Victory Club Entertain Children.

On Friday night, the members of the British Isles Victory Club held "Children's Night", and present to enjoy themselves were about 100 children and their parents.

The evening's programme opened with a banquet, there being two long tables on either side of the hall, each with small Union Jacks as centre-pieces.

Mr. J. Higginbottom spoke a few words to the children about the rules for "safety" on the streets, and he illustrated his talk with a true life story which made his point clear to the children. He then introduced the president, Mr. J. J. Grant, who thanked all the members for their fine co-oper-

ation and support during the year. Following the banquet, the children played games of all kinds, and enthusiastically in the one called "musical chairs" at which Ena Jones and Ian Campbell were the prizewinners.

Later in the evening, there was a singing contest in which nearly all the children took part, either singing solos, or duets, and sometimes even trios. Such songs as "White Cliffs of Dover," "Paper Doll," "Pistol Packin' Momma," "Marzy Doats," "You Are My Sunshine" were all given very fine renditions by the young artists. Prize winners in the singing contest were Bransby Williams, Kathleen Hunt, Patsy Hawkins, Mavis Cambridge, David Hinds and Bobby Webber.

During the sing-songs, Mrs. W. Johnson played the piano accompaniment. Kitchen conveners for the banquet were: Mrs. E. Lory, Mrs. E. Dupont, Mrs. J. Park, Mrs. K. Cambridge, Mrs. J. J. Grant and Mrs. Tom Charlton.

Busy Youngsters need energy giving FOOD

Youngsters between 2 and 6 are often the "busiest" people in the world. From early morning they're busy playing, romping and learning—busy every minute until bedtime. They need energy-giving food all the time. Timmins Dairy Milk containing all health vitamins and a generous supply of calcium and phosphorus, will guard little bodies from "overwork", "over-play" and fretfulness. Give them a quart every day—at meal times, with cereals, vegetables and in soups. To get Timmins Dairy Milk, phone 935 or ask for it at your neighbourhood dealers.

Sometimes Scarce...

BURNT ALMOND
 FRENCH-STYLE CHOCOLATE

We are still making this luscious bar, but naturally in lesser quantities. That's why it seems so scarce. Soon, we hope, war-time restrictions will be over.

"If it hadn't been for the RED CROSS we wouldn't be alive now!"

"It was the Red Cross parcels that gave us courage..."

"I don't know what we would have done without Red Cross parcels"

HERE is evidence that cannot be denied... unsolicited praise for Red Cross straight from the hearts of repatriated war prisoners, men who have been through it and know from first hand experience just what it is all about.

Thousands of their comrades are still in enemy hands. Help Red Cross bring each one of them back with the same wonderful story to tell, a story of Red Cross light in the very shadow of death.

Over 39% of the money you give is earmarked for prisoners of war. Give generously that this amount will swell to meet the growing need. What we've done is small to what we've yet to do!
