

Dropped Between Stitches

By Phyllis

Last Thursday evening found many enthusiastic members of the MacKay knitting group gathered at the home of Mrs. Alec Borland Jr., 76 Balsam St. S. to continue with the fine articles they so far completed and handed in . . . Thursday evening some knitted articles were given to the Red Shield, and more yarn was distributed to the members . . . After several hours of hard work they enjoyed a delicious lunch which was served by the hostess assisted by Mrs. A. Borland, Sr. . . . Owing to the inclement weather the attendance was smaller than usual, but it is hoped that all the members will be out at the next meeting.

If you had stopped by at the home of Mrs. A. MacDonald, 5 Riverside Drive on Tuesday, you would have seen twelve industrious members of the Gold Star Women's Institute busily completing a quilt for overseas comfort . . . Following the quilting bee, a dainty lunch was served by the hostess . . . The members plan to hold another quilting bee in the near future . . . While attending the bee, the members were treated to a display of beautiful quilts made by Mrs. MacDonald, who is an expert at this art . . . Present were: Mrs. Andrew Jack, Mrs. Carl Briggs, Mrs. Chas. Delong, Mrs. Angus McCharles, Mrs. R. McTaggart, Mrs. W. P. Wilson, Mrs. Oswald McCann, Mrs. P. Jeffrey, Mrs. T. Marriott, Mrs. W. Johnston, Miss Jean MacDonal and the hostess Mrs. A. MacDonald.

The Masonic Hall last Friday night was the setting for the second of the very successful bridge parties held by the Arbutus Chapter, Order of the Eastern Star . . . The seventeen tables present greatly aided the fund being raised by the chapter for boots and shoes for the children of Great Britain . . . Their fund will also supply toys for the crippled children of Britain . . . On February 22nd, the Toronto Star acknowledged the success of the chapter's previous fund, and especially noted that the member from Timmins and Aurora would be indeed proud if they could see their mobile canteens, which they greatly helped build and send to Britain, doing such fine work . . . Winners at the bridge were 1st for top score, 2nd Mr. W. R. deGruchy; and in the draw, 2nd Mr. Sylvester; 3rd, Mr. B. Rutherford and 4th Mrs. B. Rutherford . . . Mrs. MacMillan received the guests and the committee, formed from newer members, was under Mrs. A. Goodman.

Rehearsals are in full swing over at the McIntyre Arena now in preparation for the Porcupine Skating Club's Annual Ice Carnival . . . There will be some three hundred and fifty artists taking part in this Ice Carnival, and several times a week they are out practising hard, to make this year's Bigger and Better than ever . . . Some of the talented young junior skaters will be featured among the soloists . . . Arriving on April 14th, will be Gretchen Merrill, Senior Lady Champion in the United States for 1943.

Taking a look into the home of Mrs. R. Edleston last evening you would have seen a number of the knitting group of the W. A. of Mountjoy United Church busily engaged in their work for the services and other good causes . . . Last night many knitted articles were turned in and more yarn given out . . . Final arrangements were completed for the Easter "Tea" to be held in the Church basement on Saturday, April 1st . . . At the close of the meeting a delicious lunch was served by the hostess, Mrs. A. Former Member of Township Staff Reported Missing

Flying Officer Frank King of the R.C.A.F. Enlisted in 1941.

South Porcupine, March 29th. Special to The Advance.
It is with regret that we note another of our Township employees (both in the R.C.A.F.) is missing after air operations over enemy territory.
Frank King, whose title is that of Flying Officer, is reported as missing, according to word received by his grandparents, Mr. and Mrs. E. Hannan, of Durham St., Sudbury.
(The first employee to be posted as missing was Sgt. Norman Reed, some months ago.)
Frank King was a very popular young man in South Porcupine, having been employed for three years in the Imperial Bank here and about a year in the Township office as clerk.
He enlisted in August, 1941, and has been overseas since July last year, and only a month ago received his promotion from Pilot Officer to Flying Officer.
Friends here with whom he kept up a correspondence say that he was flying with the "Goose Squadron" and had been on seven operational flights up to the end of February.
We sincerely hope that the news will soon be received concerning his safety.

High Honors for Heroic Canadian Pacific Sailors

Bringing to 41 the awards for heroism which Canadian Pacific seagoing personnel has won in this war these officers have been honored by the King "for good services" in vessels from among the 20 Canadian Pacific ships taken over by the Admiralty since 1939.
They are from among the 4,488 company men now on Admiralty service, with an additional 1,010 on "Mont" ships being used as armed cruisers and 101 on shore posts. Of the 18 ocean liners and fast-freighters and the two British Columbia Coast Service vessels in which they went to war nine have been announced as lost—two from the peacetime Pacific fleet, four from Atlantic runs and one from the coast service.
Three Officers of the Order of the British Empire, four Members of the same Order and three commendations for their actions under attack make up the latest list which follows an earlier summary showing 31 decorations and mentions in despatches.
The new names on the company's honor roll of the sea are:
Capt. R. A. Leicester, O.B.E., (1), master of a vessel sunk in the Mediterranean with Engineer Officers Edward E. Stewart (6) and William B. Harris (7), both of Victoria, winning M.B.E.'s in the same action, all three decorations for minimizing loss of life.
Chief Officer Donald Smith, O.B.E., of Vancouver, (2), and

First Officer Leonard Johnston, M.B.E., of Vancouver, (5), who guided 41 refugees to safety in Batavia after the Empress of Asia in which they served had been gutted and sunk by the Japs off Singapore.
Chief Engineer William Neilson, O.B.E., of Victoria, (3), and Capt. L. C. Barry, M.B.E., (4), for more than two years of continuous operation in dangerous waters.
Capt. George Gould (8) and Chief Officer John St. Claire Clarke, (9), both of Vancouver, and Chief Engineer D. Cowper (10), for good services when the Empress of Canada was torpedoed and sunk by the Italians off Free-town, West Africa.

Heaviest Fine This Week Was \$240 for Illegally Having Furs

The heaviest fine at police court this week was one of \$240.00—\$20 each for 12 beaver pelts in illegal possession. Game Warden Don Sylvester told of seeing Joffre Paul throw these off a truck in Deloro township. The Game Warden said he immediately secured possession of the bag of furs and that the accused had said they were his and that there were twelve beaver skins. This count was verified at the police station. Inspector Beacock gave evidence to the effect that he had heard the accused admit in the police station that the furs were his and laughingly refer to the time and trouble they had cost to secure and the further loss there would be in a fine. The defendant denied that the furs were his or that he had ever said they were. His counsel, Dean Kester, K.C., suggested that he might have jokingly made some remark that the police understood as an admission. One defence witness, who was also on the truck, and who was fined some weeks ago for illegal possession of beaver pelts, said he did not see Paul throw off the bag. When he was asked if the bags of furs could not have been thrown off without him seeing it, answered that he was too busy watching his own bundles.
The next highest fine was \$100 and costs imposed on Irene Menard, Third Avenue, on a charge of obstructing the police in a liquor charge. The police account was to the effect that she upset liquor into the sink and turned the water on to destroy evidence. Three men "found in" were fined \$10 and costs each.
Two drunks paid the usual \$10 and costs while a warrant was issued for a third who did not appear.
Passing a red light cost one motorist \$5 and costs.
An interdicted person was fined \$10

Johnny Brown had missed school. The next day he brought this excuse from his father:

HOW IT STARTED

During the Mexican campaign the American soldiers called the Mexicans "adobe boys," because their uniforms, covered with mud, were the same color as the adobe huts. Then, during World War I, the word, now spelled "dough-boys," was used by American soldiers to describe themselves after they were covered with mud during the battles.
