(Continued from Page One) effect that the root causes of child problems were not in beer but in poor housing, low wages and lack of recreational plans. It was urged that there be a conference of labour, churches, business men and others in the matter. Both letters were referred to the Public Relations committee. Timmins Press wrote council asking for \$117.60 for a page advt. in the anniversary and mining special to be issued. Referred to Finance committee. Council was asked to open the children's play-ground at the northwestern part of the town as soon as possible instead of waiting until after June as usual. The writer Corp. Peaver said that such action would be a boost to the morale of the many soldiers from that section who would feel that the opening of such a playground now would keep their youngsters away from the dangers, such as the creek. Councilor McDermott said he would see to the matter at once. A petition was received from residents of Leblanc avenue asking for a sewer or ditch to carry off the water that would otherwise flood their homes. This was referred to Public Works committee. An increase of \$25.00 per month (omitted from the other list of salary increases) as approved for The M. H. O. on the recommendation of the Board of Health. A number of questions were deferred until next meeting on account of the absence of the two councillors under whose departments they came.

Plans were made for the banquet which is to be held on May 17th, under convenerhip of Mary Porter. Recreation was conducted by Helen Rogers. The meeting closed with benediction. Those present were: Ellen Youtlen, Laura Young, Helen Rogers, Jean Mason, Dot Maclearn, Mary Porter, Sheila Harper, Kay McElwee, Eileen Beaumont, Laura Birce, Gladys Langman, Elsie Clatworthy, Bob Boyce, Agnes Gledhill, and Mrs. Trencor.

\$100 or Two Months on Dangerous Driving Charge

Variety of Cases at Tuesday's Police Court. There was great variety in the cases at police court this week. As will be noted by an item elsewhere in this issue, Arthur Aubuchon faced a charge of murder, which was reduced to one of manslaughter, on which he was committed for trial at a higher court. E. O'Neill, who has been on bail for several months on a charge of dangerous driving, was on trial on Tuesday. The charge arose from a car accident in which Mrs. Bedard was so seriously injured that she has unable to appear to give evidence until Tuesday when she had to be brought into court in a wheel chair. It will be some time yet before she is recovered. Her evidence

and that of her daughter was to the effect that the car driven by the accused was going at a very fast speed and though she got over to the extreme edge of the road the car hit her and knocked her considerable distance. The daughter said the car was zigzagging. In his own defence the accused said that he was going 25 or 30 miles per hour; that he did not see Mrs. Berard until he was within 50 feet of her on account of the light and the fact that she was dressed in black. He did his best to avoid the accident. He admitted that the car was not in the best of shape. The magistrate commented that under the conditions of the road and the car the speed was dangerous. Greg. Evans put an earnest defence for his client and asked that any penalty be made as light as possible. He said the accused young man had served overseas and the first job he was able to get was driving this car. The fact that the lady was walking with the traffic and not against it should be taken into account, defence counsel thought. Crown Attorney said there was no doubt that the speed in such a car under all the conditions constituted dangerous driving and the penalty could not be made too light as the consequences had been so serious. The magistrate imposed a fine of \$100.00 and costs or two months. For failure to observe National Selective Service Mobilization regulations Jean Paul Landry, Leonidas Roulland, Laureat Ouellet and Gus Benhard Hyttinen were each given a day in jail, then to be taken to the recruiting centre at North Bay. John Luytyk and Annie Luytyk were each charged with illegal possession of moonshine. The latter pleaded guilty and was fined \$100.00 and costs, the charge against the man being withdrawn. Henry Lupin, on a charge of common assault on his wife was bound over to keep the peace for a year. Two young fellows who making foolish and unnecessary noise late at night in front of Harmony hall were each fined \$10.00 and costs. Robert Victor Nixon, now in Sarnia, and who was said to have failed to provide for his family since last December, was ordered by the court to pay \$13.00 per week to his wife, commencing May 15th. Possession of a beaver carcass cost one man \$20.00 and costs. Failing to stop at a stop sign cost \$1 and costs. Two common drunks paid \$10.00 and costs each. Throwing glass on the highway brought a fine of \$5.00 and costs. A taxi driver charged with failing to report an accident to the police was defended by Dean Kester. K. C. Mr. Kester held that the law was hardly meant to cover such a case. The car was stalled in a rut or mudhole and the passengers got out to help push the car out of the rut. One of them apparently fell in front of the wheel. The driver reported the accident to the taxi firm. While technically he had not reported to the police, the case seemed to differ from the usual case of this kind and Mr. Kester asked for the lowest possible fine if any penalty were to be imposed. The magistrate made it the minimum, \$10.00 and costs. Mr. Kester also appeared for a South Porcupine man charged with failing to observe rules and commands and attend practises as a member of the Veteran Guards. Mr. Kester asked for records to show that the accused was a member of the Company, and these not being available the case was remanded for a

W.A. of Mountjoy United Church Hold Social Evening

Mrs. J. Clatworthy, 26 Way avenue, opened her home Wednesday evening to the Women's Association of Mountjoy Church for a social time. The early part of the evening was spent in knitting, and several articles were turned in for the Red Cross. Mrs. C. Surman at the piano led the ladies in a sing-song. Much merriment existed when several parlour games were played. At a late hour the hostess served a delicious lunch. After lunch Mrs. R. Edleston in a few chosen words thanked Mrs. H. L. Beaumont for her willingness to help in all organizations of the church, and wished her much happiness in her new home in Niagara Falls. On behalf of the W. A. Mrs. Beaumont was presented with a Parasol. Mrs. Beaumont also replied, thanking the ladies for their kind words. Ladies present were: Mesdames C. Haystead, R. Edleston, C. DeLong, C. Tench, N. McNis, E. MacElwee, A. Hill, C. Surman, L. Harris, S. Walls, A. Jones, H. Beaumont, J. Banks, C. Newell, P. Molesley, M. McIntosh and the hostess, Mrs. J. Clatworthy.

Timmins Firemen Have Ten Calls In Past Week

Timmins firemen had ten calls during the past week. Six of these were for grass fires, with no damage done. There were two chimney fires with no damage done. On Saturday there was a fire at 17 Burke street when a spark from a stovepipe or chimney set fire to the wall near the stovepipe. The firemen, promptly on the scene, made short work of the blaze but not before about \$15 damage resulted. The other call was yesterday when Mr. Graham, Underwriters Inspector, put in a call from Box 25, corner Sixth and Spruce. The firemen made their usual speedy response and their usual good work. The inspector had the firemen use the pumper on Gilles Lake, the firemen running two lines of hose, 100 feet each. At 1 p.m. the firemen had seven lines of hose laid in the business part of the town, with the water pressure, etc., being taken by the inspector. All the tests were taken by the firemen with their usual skill and speed.

Field Commissioner of Boy Scouts to Visit Here

Field Commissioner Jack Atkinson, of the Boy Scouts of Northern and Northwestern Ontario Division, will be in Timmins over the week-end on his first official visit here. He will arrive on Friday and will spend some days with the Boy Scout troops of town and district. He will be the guest of honour at a banquet in the Legion hall on Saturday night.

Girl Guide News

Instead of a regular meeting Guides of the 1st Timmins company made tickets for their approaching tea on May 28th. Next meeting of the 51st I. O. D. E. Company will be a highly important one—a Brownie fly-up has been arranged, also badge presentations. We'll have more about this next week, Guides.

Many in the Group Payroll Class Well Over Their Quota

According to figures given by Victory Loan headquarters here the Group Payroll section is doing unusually well in the work of the campaign. It looks as if the Union Brewery lads were aiming now at three times their objective. The latest figures show they are still at it. Indeed, they say that they will be in the race until the last day of the campaign. Here are the figures for the Payroll Group: Union Brewery, 225 p. c. Northern Broadcasting, 178 Station C. K. G. Inspected Lions Sea Cadets Here Last Night

Sub.-Lt. Murray, of H. M. S. Carlton, Ottawa, is in town this week, and last night he made a formal inspection of the Sea Cadets, sponsored here by the Timmins Lions Club. It is the way of the Navy not to say whether the Cadets stood up well or not at the inspection, but those in position to know say that the lads showed their usual good form. Sub.-Lt. Murray will be the Camp Commandant for the Sea Cadets camp this summer.

Gerald Gauthier Injured In Accident Overseas

Mr. and Mrs. Wilfred Gauthier, 61 Cedar Street, North, received word yesterday morning that their son, Gerald (Jerry) Gauthier overseas with the Provost Corps, was seriously injured in a motorcycle accident.

Board of Trade was reorganized, the officers and executive being elected to carry on until a regular annual meeting could be held. The officers and executive appointed last year have been busy in the meantime reorganizing and studying the situation, the chief idea being to be ready to carry on the work of the Board of Trade when the war is won. It is felt that there will be very vital work for the Board of Trade in the days following the war, and it is planned to be all ready to take up this work when the time arises. In the meantime the Board of Trade is seeking to serve in any way that may be possible. There has been good co-operation in the work of reorganizing, but still more support is desired, and one way to give this support is by large attendance and much interest at the annual meeting on Wednesday evening, May 17th.
