Over 600 Names on the Honour Roll at Timmins H. & V.S.

At the "open nights" last week at the Timmins High and Vocational School the Honour Roll of the school attracted much attention. The Honour Roll is impressive because of the number of names inscribed on it, and the lettering is so beautifully done that it also attracts attention. There are 600 names on the Roll so it is easy to see the care and the immense amount of work necessary to produce the results on the Roll. The artist who did the lettering is Mr. Duncan Cuthill, draftsman at the Hollinger Mine.

The Honour Roll is the present of the 1943-1944 graduating class to the school. It has been the custom for each graduating class to make a gift to the school graduation, and the 1943-1944 class decided on this very valuable token. The pupils knew that such work, and especially the lettering would be costly, and they prepared to meet any charges by personal donations. When they went to pay Mr. Cuthill, he said: "If you have anything left in your fund, give it to the Red Cross. I enjoyed doing the work and I wouldn't charge the students anything in a case like this." It need scarcely be added that the students appreciate the kindness and generosity of Mr. Cuthill as well as the beautiful lettering that adds to the attractiveness of the Honour Roll.

Next Collection of Waste Fats Here on Saturday This Week

Saturday of this week will be the next date for the collection of waste fats in Timmins. The Boy Scouts again will carry on this very necessary work, and very necessary it is if victory is to be won. Waste fats are essential in the making of munitions and as the war can not be won without more and more munitions it is easy to see how essential the continued collection of these waste fats must be.

In mentioning the collection of waste fat on Saturday this week, May 13th, Mr. J. P. Hanley, of the Timmins Boy Scouts Association Fats Committee, pointed out that collections of waste fats have been made regularly by the Boy Scouts since April, 1943. Timmins housewives in that time have contributed some six thousand pounds of rendered fats, which have been shipped to Canada's war industries.

"That small tin of fat may seem small to you says Mr. Hanley, "but your bit is being multiplied by the many others in Timmins who likewise contribute. Your waste fat is actually a wartime treasure, and your effort is worthwhile. Have your waste fats ready for the Boy Scouts when they call on Saturday."

Mothers' and Grandmothers' Day at Women's Institute

A hearty welcome is extended to all old members of the Women's Institute to renew their membership at the "Mothers' and Grandmothers' Day" meeting to be held in the Hollinger Hall

Military's Charge Against Veteran Dismissed by Court

Information Did Not Disclose Any Particulars or Define Any Offence.

While the case laid by the local military authorities against Corp. E. H. Richardson, of South Porcupine, to the effect that he had neglected or refused to attend drills, parades, etc., and refused or neglected to obey orders by a superior officer, was perhaps the most interesting and important case on Tuesday's police court docket, it occupied very little time. The case was remanded from last week to give opportunity for the authorities to prove that he accused was a member of the Timmins company of soldiers. When it was called on Tuesday, Dean Kester, K. C., for the defence pointed out that the information laid did not disclose any offence. The name of anyone could be submitted for that of Corp. Richardson, the information not even alleging that he was a member of the company whose C. O. had laid the charge. Then there were no particulars as to when and where the accused had missed parades, or what orders had not been followed, let alone any indication of what officers had any right to issue orders to him. Mr. Kester pointed out that even in vagrancy cases, some particulars had to be given, and any defendant was entitled to know definitely what charge he had to face. Magistrate Atkinson agreed that the information was faulty and that it could not stand as a valid one in its present wording. Crown Attorney Caldwell said that the first he had heard of the case was when it was called in court last week and that he had not been consulted in the matter and had not had any part in the laying of the information or the prosecution of the case which was in the hands of Lieut. Roberts, the C. O. of the company.

Magistrate Atkinson said that the case had to be dismissed.

It is understood that the case was in the nature of a test case concerning a number of South Porcupine veterans of the last war who had signed up with the Algonquins early in the war to help home defence. These men had joined on the distinct understanding that they were to serve three years in the reserve army and that all drilling, etc., would be at South Porcupine. The three years having expired and the C. O. at South Porcupine having been retired, and the uniforms, etc., being called in, the soldiers were called to Timmins to fill up the company here. Being on shift work the men did not find it practical for them to come to Timmins for further service, and believing they were under no obligation to do so, they simply took advantage of what they believed to be their right to drop out.

While there were nineteen cases dealt with at Tuesday's court, there was not a single individual in the "choir," most of those charged having entered pleas of guilty. There was a good congregation, however, many of those present being there for the case of an alleged "Jehovah's Witness," charged with failure to accept work at the Chalk River Farm, after being allowed military exemption on the plea of being a conscientious objector, and then failing to take alternate employment. This case, however, was remanded until April 23rd.

Armand V. Goulet pleaded guilty to a charge of drunken driving. Constable Emmerson told of the accused running into a fence, and being evidently under the influence of intoxicants. He was given ten days and his driving license suspended for six months.

There were ten cases of dogs at large, each pleading guilty, and the penalty in each being \$1 and costs. Another similar charge was remanded to next week.

One lone and solitary drunk paid the usual ten dollars and costs.

For consuming while on the interdicted list, a fine of \$10 and costs was imposed.

Young fellows who have the silly and troublesome habit of making unnecessary noise when they are leaving Harmony Hall should note that one

on Wednesday, May 17th, at 2.30 p.m. A short programme has been arranged. Visiting member and visitors always welcome.

of their kind was fined \$10 and costs for this form of criminal craziness. There was a similar case last week, and evidently the police are going to continue these cases until these silly lads learn some regard for those who have to sleep or rest at these times.

Successful Play Presented by The 50-50 Club

Humorous Play Delights Capacity Crowd Last Thursday Evening.

The three act comedy "Keep Your Fingers Crossed," was presented by members of the 50-50 club, on Thursday, May 4th, in the Mountjoy United Church to a capacity crowd.

The play, ably directed by Mr. W. Schweitzer, was well cast, full of humour and excitement. It concerned a newly married couple, Valerie and Rollo Pettijohn, and their adventures while Valerie tries to push her husband "up the ladder of success." One catastrophe follows another as the plot unravels, but our heroine bungled through to victory.

The leading parts, Valerie and Rollo Pettijohn, were extremely well played by Mrs. Wm. Dunn and Allan Jones. Both carried their parts in most convincing fashion and are to be congratulated on their excellent portrayals. Cyril Newell as Milo Downs, Rollo's best friend, and also object of Valerie's high ideals, was exceptionally good and played his part with great nonchalance and ease. Bella Johnson, the Pettijohn's maid, who was supposed to be "man crazy" delighted the audience with her antics in trying to capture Milo. Mrs. Flavia Wellington, friend of the Pettijohn family, and one of the town's "gossips," was ably played by Mrs. Jack Pernie in her best "Mrs. Uppington" manner. Artemus P. Thorson, Rollo's former employer, a stingy man of the "slave driver" type was successfully played by Jack Birnie. Tessa, his wife was played by Mrs. Logan Kerr, and together the husband and wife were the cause of much laughter among the spectators with their humorous performances. Claudia Parks, a lawyer who is "strictly business," was well played by Mrs. W. Schweitzer. Dolores Mendez, Milo's Spanish wife who turns up after nine years of absence, was portrayed by Mrs. Norman Kerr. Jose Garcia, a Spaniard in olive with Dolores was portrayed by Jack Birnie.

Ontario Department of Planning and Development Formed

Dr. G. B. Langford the Director of the Dept. Under Dana Porter M.L.A.

The Ontario cabinet's new department of planning and development will be headed by Dana Porter, Progressive Conservative member of the legislature for Toronto-St. George, Premier Drew announced at Toronto last week. The senior official in the new ministry under Mr. Porter will be Dr. G. B. Langford, professor of mining geology at University of Toronto, as director of the department.

Mr. Porter, who has been Parliamentary assistant to the premier, was sworn into the ministry on Monday morning shortly before he presided at the provincial-municipal conference on planning and development, called by the government to establish a basis for future procedure.

Not Big Spending Body
Social security and rehabilitation of active service members will come within the scope of the new department. The department will not be a big spending body but will concern itself with planning and other departments of the government will be called in to put its plans into effect as necessary. Premier Drew's statement said the department would have a small staff as its main function is to initiate and co-ordinate plans which will be worked out by other government departments, various public committees, municipal bodies and organizations dealing with every phase of the problem.

Premier Drew stated that Mr. Porter's legal business training together with the intimate knowledge he had gained of the various departments gave him unusual qualifications for the position of minister of the new department.

Wide Experience
Dr. Langford, the statement said, has had wide experience in many fields of activities which will be dealt with by the department. He was formerly chief geologist of the McIntyre Porcupine mines and has continued his connection with mining operations and Northern Ontario problems generally. The new minister in a speech Friday night to the annual dinner of the Toronto chapter of the Ontario Architects' Association said that government ownership and control of housing projects will not be part of his department's program. But sponsored housing financed with government backing through loan policies, would be one of its major concerns.

Mother of Quintuplets to Christen Cargo Ship

A despatch last week from Superior, Wisconsin says that Mrs. Olivia Dionne, mother of the quintuplets, will make a return visit to the head of the lakes on Mother's Day, May 14, to christen an ocean-going cargo ship in the same shipyards where her daughters last year sent five other vessels sliding down the ways.

Three Thousand People Greet Hon. C. G. Power at Victory Loan Rally

Minister of Defence for Air Chief Speaker at Event Sunday Night. Programme for Evening Proves of Much Special Interest and Effectiveness.

On Sunday evening, May 7th, another very successful sixth Victory Loan Rally was held, in the McIntyre Arena at 8.30 p.m.

The programme was presented to a full house, and opened with the Victory chorus and the audience singing O Canada. A community sing-song followed, under the leadership of Bill Rogers, and was a number on the programme which was greatly enjoyed and which received great response from the audience.

Another very effective item on the programme was the Victory Chorus, singing, "Onward, Christian Soldiers" under the direction of Wallace Young, and also the solo, "Nobody Knows the

Trouble I See," as sung by Gordon B. Thompson, and accompanied by Mrs. Gordon Thompson.

The Victory Chorus also rendered "American Patrol," with "God Bless Our Canada" as an encore, and the number "Men of the North" with soloist G. Thompson. Mr. Herbert Treener played beautifully the number "Holy Art Thou," on the Hammond Organ.

Mr. R. J. Ennis introduced the guest speaker for the evening, the Hon. C. G. Power, P. C., M. C., K. C., the minister of national defence for air, who presented to the large gathering, and to the air audience, a very stirring and informative address.

Mr. R. E. Dye gave thanks to the Hon. C. G. Power.

A fitting and clever climax to the programme was the number presented by soloist, Genivieve Hannah, singing "Land of Hope and Glory," accompanied by the Schumacher Public School Choir.

Other special guests at the rally were Group Captain Clayton, D. F. C. and Bar, who was present with the air minister, and who rose during the programme for an ovation; and Wing Commander Thompson, and Captain Sharp.

More Soldiers Send Letters of Thanks for Cigarettes

Men Overseas Appreciate the Work of the Fag Fund.

Canadian Legion and Community Fag Fund have recently received the following acknowledgements from servicemen overseas for cigarettes sent:

HOW HE KNEW

First Soldier: "What kind of pie is this?"
Second Soldier: "What does it taste like?"
First Soldier: "Glue."
Second Soldier: "Then it's apple. The cherry tastes like soap."—Sudbury Star

Mrs. Dionne will christen the U.S.S. Gwinnetta, named in honor of Gwinnetta County, Georgia, at the Superior yards of the Walter Butler Shipbuilders, Inc.
She will be preceded to Superior, Wisconsin, from Callander, Ont., by her daughter, Theresa, who with Lillian Barker of Atlanta, Ga., will be the house guests of Mr. and Mrs. Robert Butler, at White Bear Lake, Minn. Butler is president of the shipbuilding firm.

Girl Guide News

Seven Brownies from the 2nd Timmins Brownies flew up to that mysterious place Guideland in the 51st I. O. D. E. Company. We hope that they enjoy it as much as they did Brownies and that they will work hard and play too, while there. Their names and patrols they entered are:

- Bluebell patrol—Joan Whitford
- Purple Heather patrol—Georgina Wilson
- Poppy patrol—Marie Van Tent and Joan Wood.
- Orchid patrol—Dorothy Whitford and Joan Park.

Forget-me-not patrol: Dorothy Moyle
And from the first Timmins Brownies we have the names of a number of new joiners: Nadine Athier, Joan Caldwell, Marian Moore, Louise Dittel, Lois Fleming, Sheila Brooke, Margaret Nixon, Shirley Knor. We just know that you new Brownies are going to enjoy every minute of your stay in Brownieland.

On Friday evening the 46th I.O.D.E. Brownies learned (and enjoyed very much) a new game, "Message Relay." Brown Owl was amazed at some of the messages she received. After the game, Brown Owl took all the Brownies in the first circle of semaphore. (She was surprised to see that some girls did not know where their right hands were).

Owing to the bad weather Brownies of the 56th Pack could not have their outdoor meeting. Arlie Wilson from the 2nd Timmins Brownies was welcomed into the Pack. Most of Brownies have started on Victory Gardens and hope to pass their gardeners' badge in this way. Brown Owl was sorry that little girl who wanted to be the Brownies mascot could not join, but says if she comes back in September, she could arrange something about it.

Guides of the 51st I.O.D.E. company who recently passed in badge examinations were presented with badges by Captain McKay.

And from the 1st Timmins Guides Captain Hitch reports that Joan Brennan, Joan Hunt, Lois Clark and Margaret White received 2nd class badges. The Guides spent the evening working on their first class work and the meeting closed with evensong.

At last week's meeting of the 1st South Porcupine Guides, Lucille Mitchell was promoted from patrol leader to company leader; Jacqueline Lamb, second, to patrol leader of the Honesty Patrol, and Cynthia McKay to second of the Scarlet Pimpernel Patrol. Patrol leaders are busy making plans for a marshmallow roast to be held next week. Guides spent the evening working on their Morse code. They hope it will be finished in 2 or 3 weeks.

We are sorry that there has been no news forthcoming from the 106th I. O.D.E. Guides or the 2nd Timmins Guides. Perhaps they will remember next week.

Leaders don't forget the Guide's meeting on Friday at 8 o'clock at the home of Miss J. Cloutier.

That's all for now Guides. Good Guiding!

Toronto Star: Mr. Isley is not an American and not an Officer, but he sure has a lot of doughboys working for him.

Couple Celebrate Fiftieth Wedding Anniversary

Mr. and Mrs. E. A. Urquhart Celebrate Anniversary on Sunday, May 7th.

Sunday, May 7th, marked the fiftieth wedding anniversary of Mr. and Mrs. Elias (Lyle) A. Urquhart, of 9 McLeod St., whose marriage took place in 1894 at Gravenhurst, Ont. Mr. and Mrs. Urquhart made their home in Muskoka District for a number of years before coming to the Sudbury district and then to Timmins, where they have resided continuously for twenty-two years. Mr. Urquhart, who has not been in good health for the past few months, has recently retired from the Forestry Department of the Province of Ontario, having spent his entire life in the sealing and lumbering business. Before joining the Government staff of scalers, he spent ten years in the Woods Department of the Abitibi Pulp and Paper Co. at Troquois Falls. Mr. and Mrs. Urquhart have five children living, three daughters and two sons. They are Elvin L. Urquhart, of Timmins; Mrs. F. N. Whaley (Marion), whose unexpected arrival on Saturday night from her home in Kemptville made the family circle complete for the occasion; Mrs. Wm. Mawhney (Bessie) Dome Extension; Mrs. P. E. Cooper, (Bernice) South Porcupine and Kenneth S. Urquhart, of Noranda. The eldest son, Roy, gave his life for his country at Passchendaele in October, 1917.

On Sunday afternoon all the members of the family group present in the Porcupine Camp, numbering twenty-six in all, were entertained by Mrs. Elvin Urquhart at a charming dinner party, the appropriate "Gold color" being prominent in the food and the table decorations.

The following day Mr. and Mrs. Urquhart were at home to their friends, who came in large numbers to offer congratulations and best wishes to this worthy couple, who occupy a special place in the esteem and affections of all who know them. Conspicuous among the many beautiful gifts and bouquets of flowers was a basket of fifty gorgeous yellow roses, one for each year of happiness, presented by the fifteen grandchildren.

Unable to attend the festivities were one son-in-law, F. N. Whaley, of

Kemptonville, and the four Whaley children; also Mrs. H. Parliament, of Huntsville, younger sister of Mrs. Urquhart, who was her bridesmaid fifty years ago. Mr. Urquhart's brother, D. S. Urquhart, who acted as best man on that occasion, died some years ago at his home in Red Deer, Alta.

Sudbury Star: By a slight rearrangement of the molecules, the Carnegie Tech professor gets a good grade of motor fuel from garbage of any sort, with or without mayonnaise.
