TEN YEARS AGO IN TIMMINS
From data in the Porcupine Advance Files

At the weekly luncheon of the Timmins Kiwanis Club at the Empire hotel on Monday, July 23rd, 1934, the club was honoured by an official visit from Lieutenant-Governor R. J. Carter of the Northern Division. This was his first visit to Timmins in official capacity and he was given hearty welcome. In opening his address, the Lieutenant-Governor Carter extended greetings from his home club of Kirkland Lake, and then he complimented the Timmins club on its progress and the good work it was accomplishing. He thought the bulletins of the meetings were outstanding in the district for their pep and interest. In the course of his address which was enlightened by many humorous stories and much happy wit and humour, the Lieutenant-Governor dealt with the aims, purposes and ideals of Kiwanis, answering the question, "What is Kiwanis?"

Ten years ago a bouquet of roses were presented to The Advance and were of fine type. There were six lovely roses and they were all on the one stem, a most unusual occurrence, especially with flowers as perfect as in the specimen referred to. Each rose was perfectly formed and a beauty of its kind, the bouquet of six making a charming novelty. They grew in a local garden. The series of new postage stamps were on sale at the Timmins Post Office ten years ago, as well as at other post offices throughout the country. The new series of stamps had been issued to commemorate the landing of Jacques Cartier in Canada. The stamp had the dates 1534 and 1934 together with a picture illustrative of the landing of Jacques Cartier.

According to reports and rumours ten years ago every Government official of every kind in this riding had been dismissed or was about to be discharged. As a matter of fact, there had been no changes here and only evidence of one or two official indications of contemplated changes. Officers of the Liberal party in town said that no wholesale dismissals had been considered and that men who had given good and faithful service and performed their duties efficiently were not in any danger.

Ten years ago, Dolfuss, head of the state of Australia, had been slain by a murder gang according to despatches received. The despatches said that all Europe was shaken by the tragedy.

On Wednesday, July 25th, 1934, a large number accepted the invitations issued by the Hebrew School of Timmins to the garden party at Feldman's park on the Mattagami river. In the afternoon there were sports and in the evening there was dancing. Feldman's park was a place of beauty and the programme was a very attractive one, and all present enjoyed the occasion very much.

The following appeared, in part in The Advance ten years ago:—"According to despatches from Toronto, Gilles Lake Porcupine Gold Mines which recently acquired the old Rochester property adjoining Hollinger Mines in the Porcupine gold area, from the Porcupine United interests, has

Soldier Pays Tribute to the Work of the Red Cross

TORONTO, July 26, 1944 Members of the Canadian Red Cross Corps are following the invading forces, serving as ambulance drivers and welfare workers. They have been chosen from all sections of the Corps for their efficiency, cheerfulness and adaptability. In England at hospitals which have been designated as invasion hospitals, Corps girls write letters for wounded servicemen, teach handicrafts, run a library, and keep those well enough to read, supplied with reading material.

From a soldier invalided back to Canada comes praise for the welfare work performed by Corps members. He pays a warm personal tribute to Miss Lois Macdonald of Ottawa:—"I think you should know how important this handicraft work is, especially now that many of our boys have returned from battle maimed, and sometimes with morale badly shaken. Miss Macdonald is doing a very big job indeed, and is a favorite throughout the hospital. She has succeeded in starting many soldiers to help themselves where others could find no response."

The shaft at Sigma Mines, Limited, subsidiary of Dome Mines, had been sunk to a depth of 125 feet, according to a progress report issued ten years ago, covering operations for the period from May 1st to July 7. A station had been established at the 100-foot horizon and drifting and cross-cutting had been carried out from this point. On the first level, drifting to the east was carried on for a distance of 272 feet, with the east face still in ore.

Among the local and personal items appearing in The Advance ten years ago were the following:—"Dr. C. E. Taylor is the winner of the Timmins Golf Club trophy for 1934, having won from Geo. Lake in the final match on Wednesday afternoon, July 26th." "Mrs. J. W. Faithful left on Saturday for a visit to her old home in Corning, N. Y." "Her many friends will greatly regret to learn that Mrs. W. H. Pritchard is ill at present and all wish her speedy and complete return to health." "Mrs. W. S. Jamieson is a guest at the Windsor Arms Hotel, Toronto." "Mr. and Mrs. W. Rinn and children left on Monday for London, Ont., where they will be among the guests at the wedding of Mrs. Rinn's sister." "Arch Gilles left on Saturday for the Little Long Lac area where he will be engaged for some weeks on survey work." "Mr. and Mrs. E. H. Hill and Edgar Read motored to Toronto last week, Mr. Hill being called to Weston where Mr. Alf Farragher is ill." "Mr. and Mrs. L. Kenney and daughter, Barbara, and Mr. and Mrs. Wm. Hornby, all of Tor-

onto, are the guests this week of Mr. and Mrs. F. J. Hornby, Bannerman Ave. "Seven of the new fire alarm boxes ordered for the town fire alarm system have been received and will be installed as soon as the other three in the order given are received here. Two of the ten new boxes are for Tisdale township, though they will be added to the town system at strategic points." "The many friends of little Miss Gracie Lawrence, of town, will regret to learn that she is now in the Children's hospital in Toronto. Gracie was taken down a couple of weeks ago in a very serious condition, but it is understood that medical skill and careful nursing are having their effect and that she will soon be on the road to complete recovery." "Sister Robert, who was so successful in her direction of St. Mary's hospital, Timmins, and whose transfer from here occasioned so much regret among wide circles of friends in town and district, is now superintendent of St. Joseph's hospital at Kenora, Ont.
