## Val Rita Boy Dragged to Death by Runaway Horse

Marcel Quimette, a lad of ten years of age, was dragged to death at Val Rita, near Kapuskasing, recently, when he was unable to get free from a runaway horse. Marcel had been sent by his father to get a horse from pasture, as he had safely done many times before. On this occasion, however, the little lad made the fatal mistake of tying the seven-foot tethering rope around his waist. The animals became frightened at something or other and ran away. The boy was dragged for a mile and a half. His hair was scalped off, his clothing practically torn from his body, a number of bones were broken and there was a hole torn in his back and another in his skull.

Later the two friends and partners moved to Timmins where for many years Mr. Leslie carried on his trade as painter and decorator, while Mr. Schlettler conducted a garage here. Some four years ago Mr. Leslie moved to Toronto, where he has been with the General Engineering Co. at Scarborough. Mrs. Leslie (formerly Miss Pearce, of Toronto), is also well known and popular here, having been a frequent visitor to Timmins and district in earlier days when she held high office in the Ontario Rebekahs.

**We are Saving . . . for War**  
 In wartime, the people of Canada, out of their savings, are providing the means of destruction.

Destruction of a ruthless enemy aiming to enslave us all . . . this has been the purpose of the planes, the ships, the tanks, the ammunition we have furnished to our fighting men and those of our allies . . . out of savings.

**Let us Continue to Save . . . for Peace**  
 In peacetime, the people of Canada, out of their savings, can provide the means of construction.

Construction of a great and prosperous nation . . . factories and machines to make useful goods abundantly; capital to develop our natural resources; comfortable homes; health services, education, provision against the hazards of life . . . these can become the purpose for which we save.

Through taxes, Victory Bonds, War Savings Stamps and Certificates, the savings of a people have been devoted to a single purpose—Victory.

We Canadians have proved what we can do in wartime by saving. Think what we can do in peacetime . . . if we continue to save with the same purposeful determination. Out of our savings we, as individuals, can build a future for ourselves and our children worthy of the sacrifices made for victory.
