

A Free Enterprise FROM BIBLICAL TIMES

FROM Biblical times men have gone down to the sea in ships, and fished to make a living. The tang of the salt air is in their blood... riding out the gale and bringing in the catch is their way of life.

Canadian fishermen are sturdy, self-reliant men, who, through their own efforts have built a great Canadian industry. Some become masters of their own ships... thus does initiative find its reward. All are masters of their own destiny. This is Free Enterprise.

A hundred years and more this Bank has afforded the fishing industry essential banking facilities... as to all Canadians... contributing to the growth of a self-reliant people and a prosperous Canada.

Donations to the District Children's Aid Society Drive

Further Donations Needed and Will be Gratefully Acknowledged

The annual campaign for funds for the good work of the District of Cochrane's Children's Aid Society is now under way and is meeting with good response. The work of the Society, however, has been greatly increased by war conditions and more than the usual response is necessary accordingly this year. Some weeks ago The Advance published the annual review of the Society by Mr. A. G. Carson, the local superintendent. This report showed the remarkable amount of work accomplished under difficult times by the Society and proved the vital value of this effort on behalf of the children of the town and district. Anyone reading that report carefully could not help but be impressed by the extent and the benefit of the Children's Aid work here. During the past year the officials and directors of the District of Cochrane Children's Aid Society have shown a rare skill, persistence and patience in their endeavours to fulfill the motto of the Society to see that every child has a fair chance for the better things of life. The Society merits the support of all.

Anyone who has received the annual call for donations and mislaid or overlooked it should make a point of remedying this oversight. Those who may have missed in the call should send their donations to the District of Cochrane Children's Aid Society office in the town hall, Timmins.

The following is a list of the donors to date:

- Albert's Bakery, Joseph T. Andrews, J. E. Brunette, Buffalo-Ankerite Employees Fund, S. Caldwell, Canadian Industries Ltd., D. Cattarello, James Cattarello, Central Grocery, H. Charlebois, Charles Pierce, Realty Co. Ltd., M. G. Clark, A. Courtemanche, L. Cousins, H. M. Crosby, J. Cunliffe, J. J. Davis, Dome Mines Ltd., L. M.

Central Home and School Association Fair Proved Very Successful Event

All Entries Were Good. Display of Baking Especially Worthy of Note, with Many of the Prize Winners in that Section Being Boys' Vegetables, Flowers, Grown by Pupils Also Roused Much Interest

Owing to wartime handicaps, The Advance was unable to do full justice a couple of weeks ago to the recent School Fair, the first such event to be held at the Timmins Central Public School. The event, however, was so outstanding as to be worthy of special record, and the following report of the event, together with the list of prize winners, is given herewith:

The School Fair, held under the auspices of the Central Home and School Association (Mr. Easton, President) on Friday evening, Sept. 22nd, was an outstanding success. Large numbers of parents and others interested viewed the exhibits, all of which were the work of the pupils of the school or grown by the pupils.

There were many entries in each class and all were good. Especially worthy of note was the display of baking, quite a number of the prize winners in this section being boys. Mr. A. J. Skelly was the judge for Vegetables and flowers. The baking was judged by Mrs. F. Wharton, Mrs. A. Connor, Mrs. J. Holson, and Mrs. M. Onotskey, assisted by Mrs. Horie, Mrs. N. Andrews and Mrs. L. R. Public Relations Committee of Loan Organizing Now

A very successful meeting of the Public Relations Section of the Seventh Victory Loan Committee was held Wednesday evening last week at Victory Loan Headquarters, 16 Pine Street, North.

A Feature Committee was formed under the Chairmanship of Councillor Karl Eyre to co-ordinate the activities of several sub-committees vis:—Entertainment, Parades, Music, Films, Advertising display, Radio, Speakers, Plant Advertising, Decorations, Press, Ladies' Organizations (English and French), School Activities, New Ideas (re advertising and decorations).

One of the highlights of the meeting was showing of a Visomatic Film entitled, "The Story of Victory Bonds," featuring Hon. J. L. Ilsley, Dominion Minister of Finance, and Graham Towers, President of the Bank of Canada.

Meetings of the various sub-committees will be held within the next

few days and a general meeting of the Features Committee was held last night at Victory Loan Headquarters at 8:00 p.m.

The Features Committee are making elaborate plans for the forthcoming Victory Loan Campaign and a very important announcement is expected within a few days.

Now It is Sergt. John Izatt, on Active Service

South Porcupine, Oct. 11th special to The Advance.

Mrs. James Izatt, Second Ave., received word this week that her son, John, has been promoted to the rank of Sergeant on August 10th. He is serving with the First Special Service Force and has seen much fighting in Italy and France. He was twice wounded during the drive in Italy. His father, Sapper James Izatt, R. C. E., is also serving overseas. Prior to enlistment, Sgt. John Izatt was a popular member of the Porcupine District Pipe Band.

NO SLITTING REQUIRED WITH C-I-L

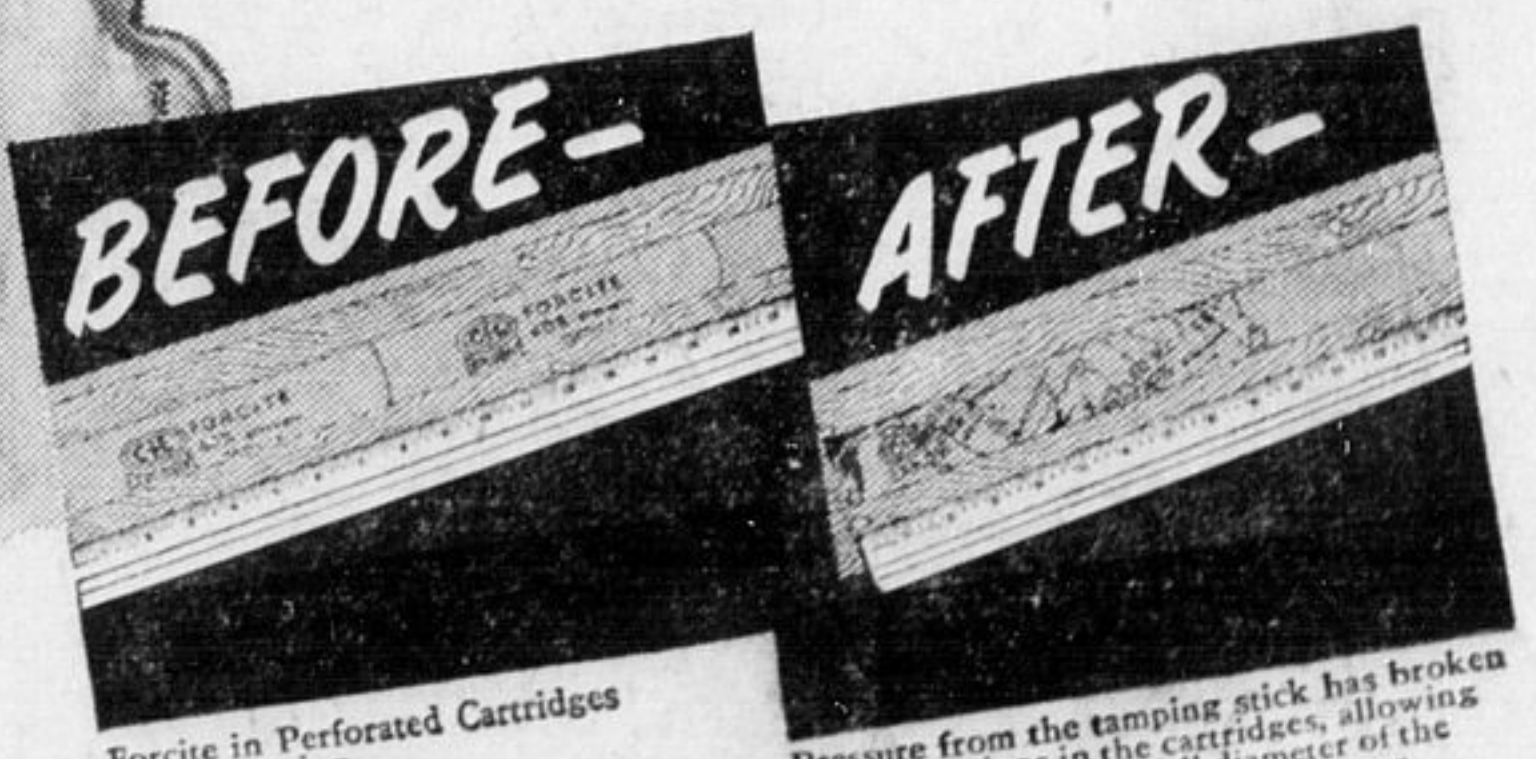

Perforated Cartridges

● In keeping with its policy of introducing new developments in explosives manufacture, C-I-L Explosives Division is now supplying Gelatin Dynamites in Perforated Cartridges in sizes 1 1/4" x 8" and 1 1/8" x 8".

With Perforated Cartridges the time-consuming operation of slitting is eliminated. When tamped, they rupture and expand to form a tight, compact charge.

Because C-I-L Perforated Cartridges can be loaded direct from the box or powder bag into the borehole, less handling is required. Thus, the margin of safety for the blaster is increased.

Force in Perforated Cartridges before tamping.

Pressure from the tamping stick has broken the perforations in the cartridge, allowing them to expand to the full diameter of the hole. Note the tight, compact charge.
