### Chairman of High School Board Emphasizes Value Of Education To-day

Endorses Purpose Behind Education Week (Nov. 5th to 11th) and Urges Increasing Interest in Education. Quotes Education as the Debt Owed by the Present to the Future Generation. Grand Spirit of Co-operation Has Made Possible the Facilities in This District.

This is Educational Week in Timmins, as throughout the province, and effort is being made through the activities of this week to increase the interest of the public in education. The following introductory words in regard to the Education Week from Mr. A. W. Pickering, chairman of the Timmins High School Board are particularly timely:

**Endorses Education Week**  
(By A. W. Pickering, Chairman of High School Board, Timmins).  
During this week when attention is being given to the importance of education, it would not be amiss to mention at least, the existence of the School Boards in our system of education. These citizens as members of your Boards, are necessarily in close touch with more phases of our educational system than it is usually possible for the average person to be. For this reason alone they can heartily endorse the idea of stressing the importance of education in our lives to-day.

There are no doubt many citizens who feel that they have little or no voice in the administration of our schools. The members of your boards are your representatives, and as such, can be approached by you, and in this way, it is possible for your ideas and suggestions to receive consideration. Most problems can be solved, but only when they are brought to light. Your board members will at all times be willing to interpret your wishes in school matters.

In the administration of any school one of the most important items is the staff. Fortunately to-day, many of the teachers are of great assistance to the school boards and endeavor to co-operate in every way. It may be opportune at this time to comment on the fact that the teaching profession has been given due recognition as a profession. The teachers knowing this are organizing so that they can command this recognition. In achieving this greatness, as it were, they are, we are sure, aware of the fact, that, to use the words of Prime Minister Winston Churchill, "The price of greatness is responsibility," and they will undoubtedly rise to the occasion.

The duties of a school board are very numerous and at times perplexing. Not the least of these is the providing of proper school buildings. Just to survey the school buildings that have been provided for use in this locality would clearly indicate that some considerable effort has, in the past, been made in this regard and a grand spirit of co-operation, together with appreciation of education, must have existed to make this possible.

It has been said that, education is a debt owed by the present to the future generation. May we then at this time reflect on this thought, and pause long enough to get a new appreciation of the privileges in the way of education that are ours. If we do this, it will give us a sense of our responsibility that will lead us to still greater success.

### Help the Big Drive for Waste Paper Saturday

Work for the big drive to collect waste paper on Saturday of this week is now fully organized. The town has been divided in twelve zones and twelve local merchants have donated the use of twelve trucks for the collection of the waste paper. The trucks are to gather at the old ball park at one o'clock on Saturday. Each truck will be manned with eight Air Cadets, one of them being an N. C. O. in charge. This will assure the efficiency of the collection.

By this time all should be aware of the serious need for waste paper to be used for war needs. All local householders are asked to have all waste paper, cardboard, etc., in bundles, in front of the homes, ready to be taken away. It is planned to load the material collected directly into two box cars that will be "spotted" for that purpose on Saturday.

The objective for Timmins is 10 lbs. per person; 50 lbs. per family. It is hoped to reach and even exceed this objective. The total objective here is 150 tons.

### Appeal for Poppy Day by General A. G. McNaughton

Ottawa, Nov. 8 (Special) - The poppy is the symbol of remembrance and is worn for those who took up arms in defence of all Canadians. General A. G. L. McNaughton said Monday night in a national broadcast launching the Canadian Legion's annual Poppy Day Appeal.

The funds from the poppies sold, General McNaughton explained, are used to assist disabled veterans and their families.

The men who lost their lives overseas cannot be helped. "But there are others who have come back but who have paid a sad price for us in the loss of sight or hearing, or health or limb. These we can help," he said.

The poppies sold, he added, are made by veterans who can do nothing else.

### Urges Emphasis on Loyalty to Empire and Its Ideals

Servicemen on Leave Guests at Kiwanis Club at South Porcupine

South Porcupine, Nov. 8. Special to The Advance.

At the Kiwanis weekly dinner meeting on Monday, Mr. G. A. Macdonald, Editor of The Advance, was a guest speaker. He was introduced by Maxwell Smith, and thanked by Dr. E. S. Somerville. Mr. Macdonald's address was a plea for greater emphasis on loyalty to the British Commonwealth of Nations and to British ideals.

He pointed to the way the English, Scottish, Irish, Welsh and other nationalities in the British Isles held to their national pride and characteristics but overall gave an abiding loyalty to the Empire to which they all held fealty. Thus in diversity there was unity. Jack Miner and Archdeacon Woodall were mentioned as great Canadians who had done much for this Dominion. Reference was made to the loyalty of local groups of New Canadians who were bound together by loyalty to Great Britain, the Mother of Parliaments, the champion of democracy, the defender of freedom, and the warrior for the oppressed.

Specially honoured guests at the meeting were Pte. Sgt. Bob Hortie, Capt. G. Countryman, Pilot Officer William Shields, Robert Ship, Francis Benoit and Stewart Moore.

Also the monthly parcel of knitted goods had been sent to headquarters. Mrs. Booker also reported receiving a gift of \$10, a donation for the I. O. D. E. war work.

One of the most interesting letters was received from Mrs. L. Skuce, Provincial Educational Secretary, and was read to the meeting by Mrs. G. Chase. This seemed particularly appropriate, this being "Education Week."

## New Offensive Started And Gain of Three Miles Made by Third Army

Little Change in the Netherlands Front. No Essential Changes on the Eastern Russian Front. Hitler has Postponed his Annual Gab-fest on Anniversary of Beer Hall Putsch

### Roosevelt President for Fourth Term

Democrats Gain. Isolationists Defeated

With the great majority of the returns in, President Roosevelt has the honour of being elected for the fourth consecutive term as President of the United States. The Democrats have made decided gains in popular vote. Late returns give Roosevelt a vote of 23,267,000, against 20,460,000 for Dewey, F. D. R. captured 34 States Votes in the Electoral College (407) and Dewey 14 (124 electoral votes). It needs 266 votes in the electoral college to win.

There is little to report to-day from the several war fronts, apart from the fact that the Third Army front has sprung into action with an advance across the River Selle between Metz and Nancy. Late word from the front advises that gains up to three miles have already been scored.

There is little change on the Netherlands front. Polish troops under Canadian Army command are whittling down the last pocket of three hundred Nazis at the approaches to the Moerdijk bridge over the Maas.

For the third consecutive day Russia has announced no changes on the Eastern front.

Last night Mackenzie King said that the voluntary system would be continued. He claimed that it still was meeting the bill.

For the first time since the war, Hitler has postponed his speech on the anniversary of the Munich Beer Hall putsch.

## Council Asks Extension of Delivery of Mail and Express to New Sections

Institution of Provincial Medical and Hospital Plan for Porcupine Favoured by Town Council. Legion Given Permission for Poppy Day and Parade. Other Council Matters

### Remembrance Day Fittingly Observed at St. Matthew's

Service Conducted by Bishop Renison. Legion and Ladies' Auxiliary Attend Service.

Remembrance Day was observed at a most impressive service in St. Matthew's Anglican Church on Sunday Morning, Nov. 5th.

A detachment of men from the Canadian Legion and a representation from the Ladies Auxiliary were present.

Rt. Rev. R. J. Renison, Bishop of Moosonee, conducted the services assisted by the Rector, Rev. A. R. Chidwick. A very appropriate anthem for the occasion - Stainer's "What are these?" - was sung by the choir.

At the close of the service a short silence was observed which was terminated by the sounding of the Last Post and Reveille by Mr. Fred Wolno, on the cornet, from the vestibule of the church. The congregation then joined in the singing of the National Anthem.

Out of town visitors included Mrs. R. J. Renison and her guest, Mrs. George McCullagh, wife of the publisher of the Globe and Mail. It seemed a most fitting occasion for Mrs. McCullagh to visit St. Matthew's as it was she who donated the two very beautiful silk flags which hang above the reredos of the altar. One flag is the Union Jack and the other is the Cross of St. George. Placed beside them on Sunday were the flags of the Legion. November sunshine streaming through the windows added to the beauty and colour of the flags.

Col. Carruthers, Camp Commandant at Monteth, and Lieut. Watson were other out-of-town visitors for the service.

Noticed among the Legion and Auxiliary personnel were the parents of several St. Matthew's men who are serving in the present war.

### Alf. Snow Reported as Killed by Robot Bomb

### Victory Loan Rally on Sunday Heard Forceful Addresses

Mitchell F. Hepburn, former Premier of Ontario, and Capt. N. A. Healey, former minister at Schumacher United Church, were the speakers at the Victory Loan Rally at the Palace theatre on Sunday night. The theatre was crowded for the occasion and the two addresses were forceful and inspiring. The programme of entertainment was unusually good.
