Twenty Years Ago

From the Porcupine Advance Files
Twenty years ago North Bay had a resolution to be submitted at the annual meeting of the Ontario Associated Boards of Trade asking that the gold standard be restored in the Dominion of Canada.

"Ladies Night" at the Caledonian Society twenty years ago was a notable event. The programme was opened with the formal march around the hall by the pipers of the society. Mr. Cunliffe at the piano and A. Gordon on the violin provided music for the dances.

Mrs. H. Burkholder, of Hamilton, Provincial President of the Imperial Order Daughters of the Empire, visited the Timmins Chapter twenty years ago and expressed the greatest pleasure and satisfaction with the good work being carried on so effectively by the Timmins I. O. D. E. At a regular meeting, Mrs. J. A. McInnis, Regent of Timmins Chapter, gave the Provincial President a cordial welcome.

At a special meeting of Timmins Council No. 2403, Knights of Columbus, twenty years ago, the following officers were installed by the Worthy District Deputy James A. Sheedy, and the District Warden C. D. St. Jermian, both of North Bay Council, and their staff: Grand Knight - J. D. MacLean; Deputy G. K. - J. E. Newton; Chancellor - Hugo F. Shaw; Fin. - S. E. - L. Pare; Rec. Secy. - A. J. O'Gorman; Warden - A. B. Giroux; Advocate - F. J. Kehoe; Lecturer - Chas. J. McCann; Inside Guard - F. M. O'Connor; Outside Guard - P. Beaudin; Trustees - J. A. Walsh, D. Martin, T. F. King; Chaplain - Rev. Fr. Theriault.

Among the local and personal items in The Advance twenty years ago were the following: "Miss Hurley of the Simms, Hooker and Drew office staff, left last week for her home in Sault Ste. Marie. Her place in the Simms, Hooker and Drew office is being taken by Miss Hawkins, of Sault Ste. Marie." "Mrs. O. Sequin is back from Sturgeon Falls where she attended the funeral of her sister." "Chairman Geo. W. Lee and other members of the Commission paid a visit last week to Timmins." "Mr. W. H. Smith left on Friday morning for Cobalt, from which place he will go to New York City, and finally to his home at Bridgeport, Conn."

Canada's Mining and Taxation

(From The Ottawa Journal)
Most challenging statement in the report which the Ontario Mining Commission has placed before Premier Drew is this:
"It is the opinion of the Commission that, provided the mining industry is to survive, it is imperative that the total tax burden be drastically and promptly reduced."

Those who know anything about the mining industry, and especially about the gold mining industry know that this statement is true. Gold mining today, with the existing tax structure, is not a profitable business, does not and cannot attract investment capital. Therefore, and inevitably, unless the tax burden be reduced, no new mines are likely to come into production to succeed diminishing old ones.

We hear a great deal today about a "gold mining boom". There is no gold mining boom; there is only a promising and stock market boom. Promotions, men and women are buying gold mining stocks; but they are buying them chiefly in mining prospects, not in established mines, and they are not buying them to hold as investments, but to sell at a profit when (as they hope) the market rises. That sort of thing, necessary though it may be to launch gold mining in its exploratory and initial stages, can never develop or maintain the gold mining industry. In other words, risk or speculative capital is not enough; there must be investment capital—a condition reasonably favourable to a return on investment.

Arch Gillies was elected president of the Timmins Kiwanis Club for 1935. He was vice-president in 1934. Mrs. Fred Charbonneau entertained a number of ladies at her home on Nov. 9th, 1934, in honour of the 30th anniversary of her wedding.

Among the prices noted in the grocery advertisements ten years ago were the following: Lux Toilet soap, 4 for \$1.9; Hawes Floor Wax, lb. - \$4.4; Jewel Shortening, 2 lbs. for \$2.1; Lemons, doz. - \$3.5; P. E. I. Potatoes, per bag - \$1.00; Emperor Grapes, 2 lbs. - \$3.31; Peamealed Cottage Rolls, per lb. - \$1.7; Sirloin Steak, per lb. - \$1.5; Round Steak, 2 lbs. for \$2.5.

Among the shows advertised in the Timmins Theatre advertisements ten years ago were the following: Ann Southern and Edmund Lowe in "Let's Fall in Love"; Janet Gaynor and Charles Farrell in "Change of Heart"; Noah Beery and Astrid Allyn in "Mystery Liner"; Francis Lederer and Ellissa Landi in "Man of Two Worlds"; and Otto Kruger and Madge Evans in "Beauty for Sale".

Among the local and personal items in The Advance ten years ago were the following: "Mrs. Garbutt, of London, Ont., is visiting her daughter, Mrs. W. Rinn." "Mrs. T. M. White, of Kirkland Lake, spent the week-end the guest of her parents, Mr. and Mrs. G. A. Macdonald." "Mrs. F. C. Macdonald, of New Liskeard, is visiting her daughter, Mrs. J. R. Walker."

This is the stark truth about our gold mining position, and it is well that the public should understand it. We are not, in any big way, discovering and developing new gold mines. We are chiefly exhausting old ones; putting, in fact, our gold mining in-

Youth Discouraged by Recent Order of Air Ministry

Either that, or the Government itself must take over gold mining - a prospect most of us would shrink from.
Hence the importance of this recommendation of the Ontario Mining Commission with respect to taxation. No one expects our governments, whether Dominion or Provincial, to slash taxation at this time; in the matter of the Federal Government, it must find war money somewhere. What is clear, though, and indeed imperative, is that if the mining industry which is so vital to us is to continue in Canada as a post-war factor, taxation of mines must be among the first to be reduced when a cut in taxes becomes possible.

Overnight from an eager, loyal Canadian lad my son became an implacable, cynical, hating, disillusioned fellow. He had regarded all the terms of his training and the incidents of his enlistment and reporting as a good-faith agreement between him and his country. He realized that he was trapped to relieve the necessities of an Administration which did not have enough courage to demand that Canada be defended by all those who enjoyed the privileges of living in the country. It would have been much better if all the old politicians in this country had endured humiliation rather than have the eager, fresh loyalties of these young Canadians spoiled.

Enough Jews in Canadian Service to Form Division

Montreal, Nov. 15—There are sufficient Jews in the Canadian services to form a full-strength division if they were all transferred to the army, according to figures just published here by the war efforts Committee of the Canadian Jewish Congress.
The Jewish War Efforts Committee reveals that as of September 1, 1944 there were 9309 Jewish men and women in the army, 5301 in the Royal Canadian Navy. These figures do not include the Canadian Jewish men serving in the British, American, Palestine and other United Nations forces. The War Efforts Committee states that those figures represented an actual count of names whose regimental numbers are known to the Committee. Those names were compiled by the Committee through the co-operation of the members of the Jewish community and are certainly incomplete as there must be many Jewish men and women serving whose names did not come to our attention.

The Congress maintains a record of the Jewish war effort in the entire dominion, including the names of the Jewish servicemen and women, their biographies, and the civilian war effort. It also publishes "Jews in Uniform," a periodical devoted to the military achievements of Canadian Jews in the present war.
