

# VOTE GLADSTONE FOR MAYOR

## MY RECORD

Two years of sincere Council effort, with valuable experience

A booster for an all-out war effort in the community, giving time to all patriotic calls and urging municipal support and co-operation for all patriotic enterprises.

A fighter for the underprivileged family and the neglected child

A friend of the workingman, not only understanding but seeking to solve labour's problems

Urges higher relief standards where necessary and fought till these were obtained.

LISTEN TO GENE GLADSTONE OVER STATION C. K. G. B.

Friday, Dec. 8th at 5.30 p.m. Monday, Dec. 11th at 4.30 p.m.  
Friday, Dec. 8th at 8.15 p.m. Tuesday, Dec. 12th at 2.30 p.m.  
Saturday, Dec. 9th at 8.15 p.m.

## MY AMBITION

To help in keeping Timmins a progressive and friendly town.

To stamp out the abuses that arise from the illegal sale of liquor.

To give our youth a decent community centre to provide health and recreational facilities.

To provide the whole town with paved streets and sidewalks and other modern conveniences.

To make Timmins more easily accessible by road, rail and air, and help this town become a great metropolis of the North.

To help give the servicemen a square deal NOW, and a fair and square deal when he returns from overseas.

### IN MEMORIAM

In Loving Memory of Eileen Marjorie Lainsbury, beloved daughter of Mr. and Mrs. W. M. Lainsbury, who passed away Dec. 11th, 1943. Fondly loved and deeply mourned.

Heart of my heart, I miss you so. Often my darling, my tears will flow. Dimming your picture before my eyes. But never the one in my heart that lies.  
The stars seem dim as I whisper low: "My own darling daughter I miss you so."  
—Sadly missed by Mother, Dad, Reg. and Ken. —49p

### IN MEMORIAM

Telford—In loving memory of a dear husband and father, Ernest Telford, who passed away at South Porcupine, Dec. 5th, 1938.—

A beautiful memory of a loved one so dear,  
We cherish still with love sincere;  
A day that comes with sad regret  
And one that we will never forget.  
We miss his love, his cheery ways;  
With him we spent many happy days.  
As long as we live we will cherish his name.  
In memory we see him just the same;  
Still in our hearts he is living yet;  
We love to think when life is done,  
Wherever heaven may be,  
That he'll be standing at the door,  
Up there to welcome us.

—Sadly missed and always remembered by his wife and children, Edythe and Clayton of Timmins, Ontario.

### LOCALS

Miss Isabel Howie was a visitor to Englehart the early part of last week.

Mr. P. J. Dunlop returned this week from a visit to Toronto.

Mrs. J. Higginbotham and daughter, Betty, are visiting in Toronto.

Miss Mary Williams left last week to visit friends in Toronto.

Mr. and Mrs. G. H. Wendell, of Sudbury, were Timmins visitors last week.

Mrs. W. Bertrand has been visiting in Cochrane.

Mr. and Mrs. L. Markell were recent visitors to Englehart.

Mr. and Mrs. R. E. Shirley, of Cochrane, were visitors to Timmins last week.

Mr. and Mrs. Graham Dunlop, of Beachburg, visited friends in Timmins recently.

Dairies in the Porcupine district have discontinued all milk deliveries on Sundays.

Mrs. Earl Smith and daughter, Marilyn, of Englehart, are spending a holiday with friends in Timmins.

Mr. Peter Fraser has been returned as mayor of Smooth Rock Falls for 1945 by acclamation.

Last week New Liskeard had a record blood donor clinic, there being 253 donors. This brings the New Liskeard record to 1779 donors since the clinics were first opened there.

The major, councillors and school board members at Haileybury were all re-elected by acclamation last week. L. McLaughlin, at one time chief of police at Timmins, is one of the Haileybury councillors re-elected for 1945.

Miss Anne MacLean returned last week to her home in Antigonish, Nova Scotia, after a visit of some months at the home of her brother and sister-in-law, Mr. and Mrs. Angus MacLean, Timmins.

Councillor J. V. Bonhomme returned last week from North Bay, where he was called owing to the serious illness of his father who had suffered a stroke. While Mr. Bonhomme, Sr., rallied to some extent after the seizure, his condition is still serious.

The many friends in the North of Mr. Steve Monck will regret to learn that he is ill at his home in Nova Scotia. In earlier days the Monck family were popular residents of Timmins for many years, Mr. Monck being connected with mining properties in the camp.

Little Miss Jacqueline Lauzon, of Montreal, Que., formerly of Timmins, arrived here on Monday to join her mother, Mrs. H. Lauzon, who has spent the past few months in Timmins.

Petty Officer Willard Bergeron arrived on Monday to spend his furlough with his father, Mr. Alex. Bergeron, Balsam Street, North. Petty Officer Bergeron has been stationed at Halifax, N. S.

Flying Officer Bryers is in New York on his way from overseas. He is expected in Schumacher in a day or two to spend Christmas with his wife (formerly Miss Marily Laine) and little son, John.

LAC. Ed. McCabe, in the Fire Fighters section of the R. C. A. F., formerly a popular member of the Timmins Firemen, is home from Dauphin, Man., to spend a leave with his wife and family.

Fireman A. Ayotte is making good recovery at his home after several weeks' illness from being gassed at the Fern Cottage fire. He was able to be out yesterday for the first time since the fire, and expects to be back on the job again soon.

Mrs. H. Kelneck and little son, Dwight, of Montreal, are here to spend Christmas with Mrs. Kelneck's parents, Mr. and Mrs. M. Honkala, 58 Balsam Street, north. Mrs. Kelneck was formerly the popular "Ann" of The Advance staff. Corp. Kelneck is stationed at Montreal with the R.C.A.F., and is expected home here later for the Christmas holiday.

Sergt. T. Frantsi has wired his parents and wife at Schumacher to say that he has arrived in New York en route from England where he has been stationed for the past two years. While in England he was married and this war bride and their baby son, Christopher, arrived at Schumacher some days ago. Sergt. Frantsi expects to be home to Schumacher for Christmas.

### Bert Sutherland Bereaved by the Death of His Mother

Mr. Bert Sutherland returned to Timmins Tuesday from the South where he was called by the illness of his mother, Mrs. John Sutherland, of Bradford, Ont., who later passed away in the Cottage hospital, Toronto, following an operation. This is the first break in the John Sutherland family circle. Her husband and six sons survive.

### Six Chimney Fires One Day and Four on Following Day

The Timmins fire department has not had a call since last Friday, but Thursday and Friday last they had enough to last for a couple of weeks. On Thursday there were seven fire calls, six of them for chimney fires and one for a first cousin of the chimney fire—hot pipes. On Friday there were four more chimney fires and one case of a furnace back-firing. In none of the cases was any material damage done. Ten chimney fires in two days however, is too much, for all chimney fires have more or less danger in them. When the firemen get them in time, there is nothing to it, but a neglected chimney fire is liable to turn into a bad fire. Fire Chief Stanley again advises all to watch their chimneys, keep them clean and see that they are properly constructed so that the odd spark may not start something more than a chimney fire.

### Afternoon Tea and Sale by Schumacher Ladies' Guild

Schumacher, Dec. 7th. Special to The Advance.

The Ladies Guild of the Schumacher Anglican Mission held a very successful afternoon tea, sale of home baking and novelty table last Tuesday afternoon in the church hall, First Ave. Mrs. Arthur Wilford, president of the Guild, received the guests. Small tea tables were nicely arranged and serving at the tables were:—Mrs. J. MacNeil, Mrs. D. Greer and Mrs. W. Wallace. The home baking table had a large selection of lovely cakes to choose from. Mrs. Joe Percival and Mrs. Ern Miller were in charge of the bake table. The novelty table had a large selection of articles suitable for Christmas gifts. Mrs. Ben Davis and Mrs. Joe Moorish were in charge of this table. During the afternoon Mrs. James Kent, Jr., presided at the piano and Mrs. Webb of Timmins sang "Mother Machree". The kitchen conveners were Mrs. R. L. Bassett, Mrs. E. Curnow, Mrs. Russell Fairbrother and Mrs. Kennard. The day being fine a large number attended and enjoyed afternoon tea.

### Want Immediate Reduction in Power Costs in Timmins

Councillor Bonhomme Says Town Should Have Benefit of Recent Decrease in Costs of Power

"If re-elected to office I intend to work steadily to give the people of Timmins the benefit of the recent decrease in the cost of electric power," Councillor J. V. Bonhomme said today in a discussion of his plans for next year.

"If Hydro can sell its power to Timmins for \$27.50, a \$5 decrease under the previous price, I think the Northern Ontario Power Co. should be able to give consumers a reduction."

"Although the agreement for Timmins consumers to purchase power at the present price was entered into in 1936 on a 10-year basis, I think the people of the town should be given the benefit of the new reduction in power cost immediately."

### Firemen Again Win From Preston E. D.

Next to fighting fires the Timmins Firemen would sooner play crib than eat anything but smoke. There was a group of the firemen off shift on Tuesday evening who went out to the Preston East Dome to give the boys out there another lesson in the great and glorious game of crib. Gordon Pooley won first, Sonny Davidson second, and Bill Martin third, all of the prize winners being firemen. Preston East Dome, however, isn't even discouraged, but vows that they will keep on until they do trim the Firemen.

Preston East Dome lost out Tuesday night chiefly because Wyman Orr, their leader, kept going round the board three times in his excitement, but the Smoke Eaters admit that even if Wyman can't play cribbage he sure makes a great host.

### Mr. Walli Appointed Principal of New Institute of Mining

Will Leave for Haileybury Early in New Year

Mr. O. E. Walli, assistant principal of the Timmins High and Vocational School, where his services have been outstanding, has been appointed principal of the new Provincial Institute of Mines at Haileybury. He will leave here early in the new year to take up his new duties though the new mining institute, or college of mining, at Haileybury will not open its first term until September.

All in Timmins and district will be pleased to see Mr. Walli appointed to this important position, and all will feel that it would have been difficult to secure a more competent and qualified man for the post. At the same time there will be general regret at the loss of Mr. Walli to the town. He has not only been successful in his work at high school, but he has also taken a valuable part in community life. He is a gifted violinist and has done much to advance music in the community. An earnest but genial worker in the Kiwanis Club, he will be much missed there, while in church and other circles his transfer means a distinct loss to Timmins.

Gold production in Canada has been showing some fall-off. Our gold production totalled 256,618 ounces (fine) last July as against 292,663 for the same month a year ago. During the first seven months of 1944, production was 1,758,415 fine ounces, somewhat down from the figure of 2,265,363 for the same period last year.

The "navy is here" for a 77 year old Newfoundland lady, Mrs. Margaret Trice, who just recently saw her very first movie by courtesy of the Royal Canadian Navy. At a rest camp in Newfie, near which she lives, she does a lot of washing and pressing for the lads and was invited to see the picture "Blondie for Victory". She thought it was "just grand", and is sure the invention is here to stay.

Canada's importance both in the war and in the prospective critical post-war period was emphasized in the UNRRA conference held in Montreal. Besides raising a tremendous amount of food for relief of war-torn countries Canada has other commitments current and for the future. When it came to allocations, for instance, UNRRA's request for 182,000,000 yards of woolen textiles resulted in an allocation of 2,250,000 yards, to be produced in Canada. The Canadian government is discussing with UNRRA the procurement of 300,000 to 500,000 army

## Beauty and You

by PATRICIA LINDSAY

HOW MUCH ATTENTION DO YOUR FEET GET?

Most women are very negligent in the care of their feet. They may give the feet of pedicure every two days or two weeks but seldom do they take time out of their busy days and nights to exercise them and give them encouragement to carry on.

What a mistake this is for once feet get into a painful, weakened condition it is apt to be a long, tedious process to restore them to normal comfort and use.

Foot exercises are simple and they so refresh the entire body that I urge my readers to practice them at least once a week. Here are a few:

1—Lie down with legs outstretched, toes pointing to the ceiling. Turn toes inward until big toes touch each other. Relax feet; begin again. Repeat twenty-five times.

2—Sitting on a chair place a towel on the floor. Place heels firmly on the floor with toes placed just over the edge of the towel. By bending the toes under the foot, grip the towel and pull it inch by inch under the feet. Or if you prefer, drop a handkerchief on the floor. Pick it up with the toes of left foot and swing it over in direction of right foot. Drop it. Pick it up with toes of right foot.

3—Sitting on a chair, extend left leg out straight in mid-air. Loop a long towel under ball of left foot and pull towel taut. Grip toes hard of edge of towel and then pull harder with right

hand so foot is gradually forced inward. Repeat five times. Then treat right foot and pull harder with left hand to pull foot inward.

Massage Frequently  
Every night if possible, take each foot at a time and massage deeply with fingers and thumb. Use a foot soothing cream or lotion to help the cause along. Press into metatarsal region and then manipulate each toe separately with fingers.

salvage garments. We've offered to produce 17,000 tons of soap for them in the next year. Out of an estimated need of 186,000 tons of farm machinery for liberated areas we have been asked to supply 24,000 tons. That's only a minute glimpse of the things this Dominion will be asked to do.

Our weekly Consumers Branch item. Procuring underwear for their children's winter needs is again uppermost in the minds of Canadian mothers, and while there is some remarking the stores are being looked to for a certain amount. The branch has a special message for women in this connection. The production of children's underwear has been increased while manufacturers are making fewer combinations for grown-ups. In order to get more yarns for underwear, primary cotton mills, before making fabric, have been required to divert spinning facilities to underwear yarn production. "Buy not two when one will do" is the slogan. In spite of greatly increased production, there is still not enough to supply everybody with all they would like. If they will buy only what they actually need, there should be sufficient for everybody.

The Wartime Prices and Trade Board has rescinded an order of May, 1942 which prohibited farm implement dealers and manufacturers from exhibiting farm machinery at fairs, exhibitions, conventions, rodeos, etc. There has been an upsurge in interest in the farming industry at fairs of recent years, so this order is an encouraging note. Farmers do like farm exhibits when attending fairs.

In normal times Canada's fuel needs absorb 30 million tons of coal per year, and added to that are about ten million cords of bushwood, substantial quantities of slabwood and thousands of tons of slabwood and mill waste. The most satisfactory of silk substitutes, nylon, is now being produced in large enough quantities to supply

the needs of the Canadian armed forces and to ship 160,000 pounds of yarn each month to the British Ministry of Aircraft Production. Canada's export of domestic merchandise during last August was valued at \$252 million down about \$20 million from the preceding month. It was over \$292 millions the corresponding month of 1943 but in the first eight months of this year compared to last, we were up 22 per cent. The value of our total export trade for 1944 will be over three billion dollars, Trade Minister MacKinnon estimated.

Those who have relatives among the 548 Canadians held prisoners in Hong Kong will be glad to hear the report that conditions have been fairly tolerable for them. Red Cross food and clothing parcels have recently arrived and are being distributed. Camps are well organized, and treatment good.
