Congregational Meeting of St. Paul's Anglican Church

South Porcupine, Jan. 31st. Special to The Advance.

The annual congregational meeting of St. Paul's Anglican Church was held on Friday evening in the Parish Hall, with Rev. H. G. Cook, rector, in charge.

After the meeting was opened with prayer, Mr. T. E. Gathewood was elected secretary for the meeting.

After the minutes of the last annual meeting were read and adopted, Rev. H. G. Cook read the Rector's report for 1944.

Rev. Cook, reviewing the past year, commented first that it had been one of great change to the world at large and to this diocese in particular—the one happening of greatest moment was the invasion of Fortress Europe by the forces of the United Nations; some of the sons of this parish were directly engaged in that history-making undertaking. Our neighbour to the South has seen fit to return to office a President—tried and tempered in experience—a devout man, one not ashamed to urge his countrymen to call upon their God in times of stress and to thank Him in times of deliverance and triumph.

Robert John Renison has just completed a full year as Bishop of this Diocese of Moosonee. A programme of re-organization was undertaken by him with most satisfying results. Parishes of a missionary nature have been re-grouped so as to operate more efficiently. New clergy have come into the Diocese allowing a few elderly ones to be released for retirement or lighter tasks. Generally throughout the diocese our Bishop has raised the stipend of incumbents. Every parish and mission and out-station has been visited by him. He has instilled into the minds of his clergy and many of their congregation his vision of a more vigorous and influential Church of England in this North Land. He realizes his obligation to the Indians of his flock and through both ecclesiastical and governmental channels is seeing to it that the sons of the forest inherit their just birthright as Christians.

This year has been one of change for St. Paul's parish. Archdeacon Woodall has retired after over-reaching the age of retirement, to the West Coast.

The Rector commented that since he and his wife came to South Porcupine in August he has never had occasion to be sorry that he did so. They have been royally welcomed and have enjoyed meeting the members of the congregation in their homes. "I was astonished that such a small community of church people could operate a self-supporting parish. It goes to show of what stuff the people of Northern Ontario are made," said the rector. After enumerating the work of the various organizations within the church, he concluded by thanking the wardens, the vestry, and the parishioners for their friendship and support.

The Treasurer's report and Warden's report were read by Mr. F. C. Evans, in the absence of the People's Warden, Mr. F. Maxwell-Smith, who could not attend on account of illness.

The W. A. report was given by Mrs. Wm. Fairhurst. The Sewing Circle report was read by Mrs. Murray. Mrs. W. H. Johns gave in the Sunday School report for both South Porcupine and Dome.

Fifty dollars from the Sunday School Funds was voted towards the Sick Children's Hospital in Toronto.

It was also moved that a telegram sent to Archdeacon and Mrs. Woodall extending to them the best wishes of those present at this annual meeting.

Rev. H. G. Cook appointed Mr. Ken. Kilborn as Rector's Warden for 1945. After nominations for People's Warden, Mr. Stanley Jay was appointed by acclamation (Mr. Max Smith expressed the desire to retire from active service as Warden after 23 years of consecutive office).

It was also moved that the Vestrymen be limited to eight this year.

The congregation voted four—Mr. Wm. Fairhurst, Mr. G. Marshall, Mr. Wm. Blakeman and Mr. F. C. Evans. Appointed by the Rector:—Mr. Maxwell Smith, Mr. H. Roderick, Mr. P. Vary Mr. T. Catherwood.

Mr. W. S. Adamson was appointed as secretary-treasurer.

On Sunday, (Feb. 4th) the officers of the church will be inducted at a special service.

Nortable Work of the Kiwanis Club at South Porcupine

South Porcupine, Jan. 30th. Special to The Advance.

The regular weekly meeting of the Kiwanis Club was held on Monday in the Airport Hotel.

It was a monthly business meeting and reports from various committees were given.

Sol Sky, chairman of the Community Service Committee, gave his report and submitted his budget for 1945 for Kiwanian approval.

W. G. Smith reported on Youth Service and J. C. Thompson on club meetings.

Rev. H. G. Cook was inducted and welcomed as a member of Kiwanis at this meeting.

Next week Bob Harper—local member of the Boys' Parliament—will be guest speaker.

The report of the work of our South Porcupine branch of Kiwanis for 1944 is given in detail.

For eight years the Kiwanis Club has taken a position in the life of our community and has kept pace with the passing of time.

At the beginning of 1944 a new committee was formed for the purpose of centralizing all activities relating to our war effort—Air Cadets, Victory Loans, entertainment of members of the Armed forces and Veteran rehabilitation. This committee has had a very busy and successful year.

With the energetic leadership given by the Directorate a new high in membership is noted, an increase in the bank balance, and many added services to the community have been undertaken.

Youth Service Committee—This has had as its special care underprivileged children, and boy and girl vocational guidance. Forty children received half a pint of milk daily during the school year—\$500 half pints (\$185). Also milk (\$72) for a family in a nearby townsite. Glasses were fitted to two children (parents unable to finance this), and books were procured for two high school students to enable them to continue studies.

\$200 worth of toys were collected and repaired with Cub and Scout collabora-

tion and fifty parcels of assorted toys distributed.

Committee on Air Cadets reported a successful and busy year. With weekly routine parade, inspections and attendance at summer camp the Cadets have sustained a high level of interest on the part of N.C.O.'s, and enlisting Cadets. 37 senior Cadets are receiving training with 31 boys under enlistment age attached to Junior Flight. Expenditure \$700 this year.

A total of 2800 children's visits were recorded by the supervisor in charge of the Kiwanis Playground—70 visits daily in spite of a wet season. Parents interest prompt the committee next year to plan to add to equipment and start another playground in another part of town. Cost of this project including supervision \$219.

Lack of facilities for participation by juvenile lads in organized play suggested the sponsoring of a juvenile hockey team to be entered in the local league.

The great deal of time benefit and interest provided these boys cannot be estimated.

\$50 was given local Boy Scout Troop to assist in transportation to summer camp. \$25 was contributed to a new Boys' Art and Craft Club.

Heat and light were supplied to the girls' organization of the Brownsies.

Agriculture—186 Victory garden plots 40x40 feet, were staked and allotted A water pipe system extension costing \$135 to supply moisture in case of drought was installed also a spraying outfit for potato bugs (\$60) used on two occasions. The sum of \$3000 would be a conservative estimate of winter vegetables harvested.

Boys and girls of a Young Farmers' Club (50 miles from town) were entertained—a donation to assist in providing prizes at district exhibitions was given. 42 children exhibited prize potatoes and were entertained to supper and theatre here on October 10th.

Home Front—The Club is represented in Red Cross, District Victory Loan Committee Porcupine Bomber Squadron Committee, and the District Veterans Rehabilitation Committee.

Two Victory Loan drives were sponsored—the Kiwanis taking the lead throughout the Dominion. The 6th and 7th Victory Loan drive totalled \$57,500 war bonds sold, of which the Club purchased \$600.

209 cases representing men discharged

from overseas service in this district have been helped—82 have been replaced in former work; 94 in new lines of work; of 5 handicapped 4 have been placed in employment.

During the year 40 members of the armed services have been entertained by the club; \$350 supplied for comforts for the Porcupine Bomber Squadron; 400 books collected crated and shipped to Naval library service; and 1900 pounds of magazines to Central Magazine Exchange at Halifax.

\$100 was sent to the East Coast Fund for war services.

Public affairs—\$534 (raised at Hal-lowe'en) was sent to the Kinsmen's Milk for Britain Fund. Assistance was given to the Lions' Club Tuberculosis survey—1563 persons were x-rayed in this district.

And a carnival on March 11th for school children, assisted by the teaching staff was sponsored—to be made an annual affair.

A bingo held under the auspices of the Catholic Women's League in the Airport Hotel on Tuesday evening proved to be an outstanding success, and the ladies responsible are pleased with the response to their efforts. The set of dishes which was drawn for was won by Mrs. D. A. McEllan. Special "Cover-all" bingo by Mr. Moskel Prizes, 1. Mrs. Jack Kennedy; 2. Miss V. Ferrigan; 3. Mrs. H. Butler; 4. Miss Bzpakko; 5. Mrs. Laforest; 6. Mrs. Fedor.
