## Mrs. MacMillan to Attend Organization Meeting of Prospectors at Timmins

President of Prospectors and Developers Association to be Guest Speaker at Meeting at Timmins on Friday, March 23rd, to Organize Branch of Association Here. To Give Account of Work of Association, and Tell What Government has in Store for the Prospector

There has been a meeting arranged for the town hall on Friday of next week to organize a Prospectors' Association for the Timmins District. Mr. J. D. Brady, who is the chairman of the committee in charge, has arranged for the use of the council chambers in the town hall for Friday evening, March 23rd, commencing at 8 p.m., and it is hoped there will be a large and representative gathering of prospectors, as an association here has a lot of useful and vital work to do in the interests of the prospectors.

While in Toronto last week at the annual meeting of the Prospectors and Developers Association, Mr. Brady arranged for Mrs. Viola MacMillan, president of the Prospectors and Developers Association to be present at the meeting here on Friday of next week. Mr. Brady says that she will give an account of her stewardship and also tell of what the Government has in store for the prospector. Mr. Brady says that there seems to be some little misunderstanding as to the attitude of the Prospectors and Developers and its president on some questions and that Mrs. MacMillan will clear this up and show that the Association has been faithfully and effectively working in the interest of the prospectors.

At the meeting here on Friday, March 23rd, a full report of the annual meeting of the Prospectors and Developers Association, and also of the meeting of the delegates with the provincial ministers, will be given by Mr. Brady, who was the official chairman of the committee at Toronto.

Mr. Brady is enthusiastic over the meeting at Toronto. He says that the

gathering of prospectors was the largest in history. The meeting of the Prospectors and Developers Association was held in the Royal York Hotel, March 5th, 6th and 7th, and from three to five hundred attended each session. Over eight hundred were at the annual dinner which was addressed by Hon. Leslie Frost, Minister of Mines for Ontario. Mr. Brady feels that prospectors could not fail to receive valuable information and stimulation from many able papers and discussions. Among items in session that appeared to him as highlights, he notes the following: Twenty members were out to the Association last year by death, indicating the toll that time is taking of the prospectors. The treasury of the Association showed two thousand, three hundred dollars clear up until the annual date, March 5th. Donations were received from International Nickel, \$1,000; Lindsay, \$700; Smelters, \$500. All donations to be used for rehabilitation of returned soldiers taking course in prospecting. Forty men have already availed themselves of the opportunity to take this course at the University of Toronto.

### MORE LENIENT

Magistrates' Clerk—"Why haven't you paid this fine?"

Man—"When I had the money to pay my wife wanted a new hat."

Clerk—"And you gave her the money for the new hat?"

Man—"Yes, I thought you would be more lenient than she would be if I refused."—North Bay Nugget.

## To Appoint Town Planning Comm. for Town of Timmins

At the regular meeting of the town council on Monday night, the clerk was instructed to prepare a by-law to appoint a town planning commission for the town of Timmins.

The mayor and all the councillors were present at the meeting. A letter from the Government suggested that the building of a community centre structure would not be possible for Timmins in the immediate future and might not be practical for several years.

Authority was given for the payment to the local branch of the Victorian Order of Nurses of \$1,000 as part of the grant for 1945.

On motion it was decided to take no action on the request of Geo. S. Drew for remission of taxes on a property owned by F. W. Schumacher in Timmins.

Timmins Retail Merchants' wrote the council expressing thanks for the council's recent attitude in seeking to keep out of town travelling midway that did not benefit the town in any way but did mean the loss to the town of the money that was paid into such concerns by the public.

Suggested amendments to the building bylaw were referred to the fire and light committee.

The request of the Timmins Boys Bugle Band for a grant was referred to the finance committee.

The Transit Controller wrote the council to say that the recent request for extended bus service had been taken under consideration.

The new dog by-law was given the required readings and finally passed.

Agreement is being made with the Timmins General Workers' Union as the collective bargaining agency for employees in the public works department.

A new salary schedule was adopted for the public works department employees.

Estimates of the Police Commission for the ensuing year, included provision for the suggested addition to police equipment of a two-way radio service for the police.

## Kiwanis Trophy In Memory of the Late Ralph Taylor

Northern Clubs Providing Gong for District Competition

A new trophy for competition among the Kiwanis Clubs of the Ontario-Quebec-Maritimes District of Kiwanis is well on the way to completion through the initiative of Past Governor J. R. Linklater of Noranda. This new trophy is in memory of the late Ralph Taylor, of New Liskeard, who was an enthusiast for Kiwanis and did as much perhaps as any man in the North to make Kiwanis known and respected. Ralph Taylor was for a term the Lieutenant-Governor of Kiwanis for the district and during his term of office he was power for advancement of the Kiwanis spirit. It is only fair to add that he had the same spirit before and after his term of office he continued the good work and was truly a power for Kiwanis work and ideals.

The trophy is in the form of the familiar Kiwanis luncheon gong, and is a product of the North, its main component part Noranda copper, consisting of the gong itself and the "K" which surmounts it. The base will be of northern oak, and above this will be small polished slabs of chalcopyrite, native silver and gold-bearing quartz. The gavel will be made of northern birch, and the gong will bear the following inscription: "O-Q-M. District Kiwanis International. Ralph Taylor Memorial Gong. Presented in Memory of an Inspiring Leader in Kiwanis by the clubs of Northern Division." The gong will be awarded annually to the club in the O-Q-M. District whose weekly bulletins are adjudged the best in the District by the Government and District Secretary and will be in the nature of a call to Kiwanis service along the lines of that given by the late Mr. Taylor whose memory will be long cherished among the clubs in these northern communities because of his substantial and unflinching interest in the progress of Kiwanis and the ideals of service for which it stands. It will be ornate and truly northern both in its conception and in the material used in all its various parts, and its cost will be borne by the clubs of the Northern Division.

### HIS SECOND CHANCE

At a Casualty Clearing Station in Normandy blood serum is being given to a wounded soldier undergoing an operation for abdominal bullet wounds. The highly-efficient system of collecting blood that has been built up by the Canadian Red Cross has been responsible for saving many fighting men's lives. Perhaps the serum in this bottle came from your blood donation or that of one of your friends.

## Timmins Kiwanis Helps Air Cadets, Boy Scouts, Underprivileged Children

Financial Statement Presented at Monday's Luncheon Indicates Some of the Worthy Activities Financed by Timmins Kiwanis Club. Open Forum at Club Monday of Much Interest

There was no special speaker at the weekly luncheon of the Timmins Kiwanis Club at the luncheon at the Empire hotel on Monday. Instead there was an open forum that proved of much interest. Chief among the items was the presentation of the financial report for the past year. This was read by the vice-president, Geo. N. Ross, who was the treasurer last year—and for many years before that. The finances are dealt with under two main accounts that are kept distinctly separate. One is headed "Club Maintenance" and deals exclusively with membership dues and similar receipts and with expenditures in connection with the general running of the Club. The other is headed "Kiwanis Activities" and the receipts are from the various Kiwanis enterprises, including the carnival or other plan to raise funds. The expenditures under this account are exclusively for Club activities for community advantage. It is interesting to note that in the past year there was more spent in this account than was collected by the Club.

This was possible through the fact there was a good surplus from the previous year for this account. This year there is also a surplus to carry on the various activities until finances for the year are collected. Last year the chief expenditure was the maintenance of the Kiwanis Squadron of the Air Cadets of Canada. After deducting the government grants and other returns it cost the Kiwanis Club \$1337.00 for the Air Cadets. The Boy Scouts sponsored by the Timmins Kiwanis Club entailed an expenditure of \$199.00. The Club spent \$363.00 for work for underprivileged children. Lesser amounts were paid out for the various other activities sponsored by the Kiwanis.

At the luncheon on Monday President Frank Bailey was in the chair. Community-singing was led by Kiwanian Geo. Jenkin, with Secretary W. H. Wilson at the piano.

Kiwanian Geo. Jenkin arranged for a choir of ten members to sing the Porcupine Song composed by Kiwanian W. H. Wilson. This is the theme song of Timmins Kiwanis and a recording is to be made of the song so that it may be used during the time reserved on the air for the next few weeks to publicize the work of the Kiwanis in connection with the annual spring appeal.

Kiwanian Karl Eyre reported briefly on the Kiwanis curling bonspiel held last month at Sudbury. Next year the event is to be at New Liskeard.

Mention was made of the necessity for all members to do their part in the sale of tickets in connection with the annual spring appeal.

A complete list of those presented with certificates will be in next week's Advance.

## 715 Pounds Waste Fats Collected Saturday

Two More Areas to be Collected by 1st and 7th Troops Saturday

On Saturday of last week the Timmins Boy Scouts had another collection of waste fats and collected 715 pounds.

The First Timmins Troop, looking after the Hollinger Hill area, and the Seventh Timmins Troop, for the Cherry, Toke and Rochester area are to complete their collection on Saturday of this week, March 17th.

The next general collection of waste fats will be announced shortly.

The following is a summary of the collections made Saturday last by the several Troops of Boy Scouts:—2nd Troop, 140 lbs.; 3rd Troop, 45 lbs.; 4th 65 lbs.; 5th, 105 lbs.; 6th, 85 lbs.; 8th, 115 lbs.; 9th, 60 lbs.; 11th, 100 lbs.

## Two Months Each for Two Ladies on the Interdicted List

Man Dismissed on Attempted Suicide Charge but Goes Down as Third Offence Drunk

To discourage the practice of some on the interdicted list from repeating the custom of imbibing "O Be Joyful," the police this week started the plan of laying charges of second offence in this connection. As a consequence two young ladies, Jean Rollins and Elaine Chevreffis, sisters, who pleaded guilty to second offence drinking while on the interdicted list, were each fined \$200, and costs or two months. Both took the two months. A second offence drunk was fined \$50 and costs or thirty days and he too took the time.

As did also a Mountjoy man who was fined \$10 and costs as a common drunk. Another interdicted person paid \$10 and costs for consuming. There were two common ordinary drunks, or male and one female, each paying the regular fee of \$10 and costs. Illegal possession of liquor cost one gentleman \$20 and costs, while a found-in-a-lady was fined \$10 and costs. Having liquor cost still another gentleman a ten dollar bill and costs.

Amadee Mailloux faced two charges, one of third offence drunk, and the other of attempted suicide. While in the cells on the drunk charge he borrowed a razor from a soldier who was also enjoying cell hospitality. The soldier thought that Mailloux simply wanted to take a badly needed shave, but later he found that the accused had cut his neck and there was blood all round. The police were called and Mailloux was hurried to the hospital.

Dr. Mackenzie's evidence showed that if the cut had been just a wee bit deeper there would have been no use of charging Mailloux with anything. Mailloux's evidence in his own behalf was to the effect that he had tried to shave himself with the razor but being in a rather nervous condition from the other charge, and lacking other showing facilities the razor had slipped and his neck had suffered. There was no evidence to disprove Mailloux's story, so the attempted suicide charge was dismissed.

On the third offence count, however, Mailloux was sentenced to three months.

Lawrence Fournier was charged with taking a motor car without the owner's consent, but the case was dismissed though the accused was warned that he must be more careful in regard to cars in the future. He had repaired the car, and in return the owner had loaned it to him to make a trip to South Porcupine. On returning, he suggested having the car filled up again, and leaving it at the garage. Hours later when the lady who owned the car found it was not at the garage and that the accused had given her a name that was not his own, the charge was laid.

## Cochrane Presbytery Reaffirms Stand on Gambling and Drinking

Meeting at First United Church Urges All Members to Refrain from All Forms of Gambling and Drinking and to Discourage These Practices. Other Matters at Meeting

The Cochrane Presbytery of the United Church held its spring meeting in First Church, Timmins, on Tuesday and Wednesday, March 13th and 14th, with the chairman, Rev. J. A. C. Kell, of Cochrane presiding. Devotion were taken by Rev. A. G. Smith, of Matheson, Rev. C. Armstrong, Sales, of Smooth Rock, and Rev. W. M. Mustard of Timmins. Expressions of sympathy were given to Mr. Sales in the death of his wife, to Mr. W. L. Warrell in the death of his son, William, and to Rev. G. Watt Smith, of Hearst, in his illness.

Rev. H. W. Bailey reported that all the congregations had paid their pension fund assessments. Rev. J. C. Thompson for the Missionary and Maintenance Fund reported a total of \$5,385 raised by the presbytery in 1944: Clute \$19, Cochrane \$379, Hearst \$223, Hearst rural \$10, Iroquois Falls \$300, Kapuskasing \$455, Matheson \$122, Monteith-Connaught \$165, Nainville \$109, Porcupine \$81, Schumacher \$385, Smooth Rock Falls \$145, South Porcupine \$315, Timmins First \$2238, Mountjoy \$396.

The Home Mission report given by Rev. W. M. Mustard said that grants would be made to bring the salary to \$1500.

Tribute was paid to Miss Louisa Mayown for her effective work among the new-Canadians of the Porcupine area, and also in religious education.

Rev. J. A. Lytle, the superintendent of missions, reported progress in co-operation with the Anglican church in the Sudbury presbytery.

The Missionary Education report by J. L. Carder commended the use of slides and films for this purpose.

Rev. J. V. Clarke in the Christian Education report said that 2899 scholars were enrolled in Sunday Schools but only 1530 was the average attendance. \$3929 was raised. Three vacation schools were held. Only 7 clergymen now give religious education in schools as compared with 11 a year ago. Rev. H. M. Bailey announced that the Lorrain Fellowship for ministers would meet August 27 to 31 at Camp Lorrain.

Mr. Helge Hongisto was approved as a candidate for the ministry. Rev. J. C. Thompson reported a bank note outstanding for \$346 on Camp Waskeslu. Mr. W. L. Warrell, the treasurer of presbytery reported receipts of \$620

for the presbytery and conference fund, and expenditures of \$466 leaving a balance of \$154.

Greetings were brought to presbytery by Captain Douglas Church of the Salvation Army and by Mr. Gohsen of the Free Methodist Church.

The statistic report given by the secretary showed 2888 families under pastoral oversight as compared with 1337 in 1939, and single persons decrease from 1901 to 286, and total number of persons from 18773 to 11838. Resident members number 2033 as compared with 2242 in 1939. There are 31 Sunday Schools, 17 W.M.S. organizations and 20 Womens Associations. \$67,145 was raised for all purposes.

The Crusade for Christ and his Kingdom was given a special emphasis by presbytery. After the chairman had read a letter from the Moderator Rev. Jesse Arnup, an address was given by Rev. J. A. Lytle, and this was followed by a general discussion.

The presbytery enjoins United Church people to refrain from any form of gambling, no matter how worthy may be the objective for which the money is being raised.

The presbytery reaffirms the historic hostility of the United Church to the traffic in intoxicating beverages in all its forms. It deplores the increase in consumption of liquor and also the increase in the number of liquor drinkers. It declares its unshaken belief that for the individual, total abstinence is the only safe and wise course.

Thanks were expressed by Rev. J. V. Clarke to the ladies of First Church who provided the meals, to Mr. Herbert C. Trener for his music, and to Rev. J. C. Thompson for his work with the M. & M. Fund. Mr. Henbruff invited the presbytery to meet in Matheson in September.

Rev. H. M. Bailey was elected chairman, Mr. W. J. Warrell, treasurer, and Rev. H. M. Bailey and Rev. E. Gilmour Smith to the Settlement Committee. Conveners of Standing Committees are Home Missions Rev. W. M. Mustard, Evangelism and Social Service Rev. J. A. C. Kell, Missionary Education Rev. J. L. Carder, Christian Education Rev. J. V. Clarke, Missionary and Maintenance Rev. E. Gilmour Smith, Publication Rev. A. G. Smith, Pensions Rev. J. A. Breckenridge.

President J. M. Douglas conducted the regular, monthly, executive meeting of the Timmins Branch of the Canadian Red Cross Society.

K. H. Stubbs, chairman of the Blood Donor Committee, issued an appeal for 400 new blood donors to take the place of those who have already given six donations and must now have a long rest before again continuing with their donations. Unless this number of volunteers comes forward for the next clinic to be held March 25 and 26 this district will be unable to fill the monthly quota which should go from the Porcupine area.

D. A. Moore, a member of the Campaign Committee, stated that additional canvassers are still needed to help reach the objective of \$35,000, during the month of March. Anyone who has a few hours of spare time and who will be willing to aid in this worthy endeavour are asked to call at the Red Cross Campaign Headquarters in the basement of the Bank of Commerce building. Those who intend to become blood donors may also leave their names there or phone 1601 till the end of the month. In the evening the Secretary Mrs. H. R. Channen, may be reached at phone 157.

The treasurer's statement for the month showed expenditures for materials, Blood Donor Clinic, etc., amounted to \$436.56. This left a bank balance of \$16,986.91. As usual 85 per cent of this balance was transferred to Red Cross Headquarters in Toronto, for the national fund.

Mrs. H. W. Brown, Chairman of Women's War Work reported that Headquarters had sent more wool for turtleneck sweaters as the need for these by far exceeds the supply. Knitters are requested to call at the Municipal Building and get wool for these sweaters which the seamen find so necessary.

Mrs. Brown mentioned that the month's shipment from the Wool Room had been one of the best yet shipped as far as concerns workmanship. The same could be said of the work from the Sewing Rooms too, which was also creditable to the women who had done the work, but that with the equipment and supervisors there to help, twice as much could be shipped if women would come to see.

The shipments to Headquarters included:—Seamen's Quota—17 prs. Seaboot Stockings, 13 prs. Plain Socks, 14 Turtleneck Sweaters, 19 Scarves, 14 Sleeveless Sweaters, 12 prs. Whole Mitts, double palm, 28 prs. Gloves, 17 pr. Hurricane Mitts.

Non-quota—6 prs. Seamen's 18" Stockings, 1 pr. 26" Stockings, 1 a/c Cap, 1 Ribbed Helmet, 5 pr. Whole Mitts, 55 Face Cloths.

Army and Airforce Quota—16 High-neck Pullovers, 14 prs. Gloves, 3 Turtleneck Sweaters, 1 Sleeveless Sweater, 31 pr. Plain Socks, 3 pr. Gloves.

Non-Quota—17 prs. Plain Socks, 2 Ribbed Helmets.

Capture Parcel Quota—13 prs. Plain Socks (These have to have the Red Cross label sewn on it a different way in order to go through the German censorship.)

Women's Auxiliary Quota—3 Sleeveless Sweaters.

Non-Quota—3 prs. Ankle Socks.

Civilian Knitting Quota—12 Boy's Suits, 6-8yrs., 12 Boy's Suits, 2-4 Pullovers, 2-4 yrs., 6 girl's pullover sweaters, 6-8 yrs.
