# An Urgent Message from GEORGE DREW

TUNE 4th is Election Day for the members of our armed forces overseas I from Ontario, as it is here at home. The arrangements which have been made provide ample time for the overseas vote to be taken. Special Returning Officers are already overseas.

Something more, however, must be done if our voters overseas are to know why an Ontario election was forced upon us at this time.

I appeal to each one of you who read this message to write NOW by airmail. Give our men and women overseas all the information you can and be sure to tell them the correct name of the Provincial Riding in which they are entitled to vote, and the name of the candidate. This is of the utmost importance because so many of them have never voted before and the difference between the names and boundaries of Provincial and Dominion Ridings make it doubly necessary that you be sure to give them the exact name of the Riding in which they are entitled to cast their ballot on June 4th.

If you are in doubt as to any details please call the Progressive Conservative Office in your locality and get the necessary information without delay.

Be sure to send this air mail today:
