

Vote for the Man with the Proven Record of Accomplishment

WHEN YOU GO TO THE POLLS MONDAY

Mayor Brunette is the popular choice because:

1. You Know his ability and willingness to serve you
2. He is the most experienced and best qualified candidate in the election race.
3. He has demonstrated that he will work for all sections and classes, not one party or group.
4. He knows the North's problems better than any other candidate.
5. His program is the most progressive that has ever been offered the people of the North.

HIS PROGRAM FOR THE NORTH

1. Honor, Benefits, Jobs for Ex-Servicemen

Mayor Brunette will put rehabilitation of servicemen above all other post-war problems.

2. Social Security For All

No wage earner should have to worry about sickness to himself or his family. Health insurance for all is Mayor Brunette's security slogan.

3. Fair Labour Laws

Revised bargaining act to speed up settlement of disputes and hasten recognition of unions of the employees' choice.

4. New Compensation Act

Compensation Act workmen can understand with upward revision of payments. Special attention to all silicotic cases with an appeal board where quick action can be obtained.

5. Special Youth Department

Mayor Brunette favors a special government department to take care of youth problems. The youth won the war. The youth must have a place in the peace.

6. Square Deal For Prospectors

Lower prospectors' mining fees and charges; bona fide prospectors' share; encouragement for new mines.

7. Reduced Hydro Rates

Farmers and all domestic consumers in Northern Ontario should be receiving the benefit of reduced hydro rates.

8. Satisfactory Mine Bus Service

As Mayor of Timmins, Emile Brunette has had a share in putting the city bus service into smooth operation. If elected, he plans early action to remedy the present unsatisfactory bus service to the mines of the Porcupine

9. Northern Road Program

New highways throughout the North's farming and mining country. Not cowpaths, but good roads, passable 12 months of the year.

10. Northern Ontario Settlement

Clearance and drainage of land with Government machinery; not promises, but bonuses and assistance to settlers; co-operative marketing; northern packing plants.

Consider the records; that means to support Brunette

The Man with the best record can do the best job.
