

Objective For Timmins Set at \$12,500 for the Sick Children's Hospital

Committee Formed in Timmins to Carry On Campaign for New Building Fund for Hospital for Sick Children. Seventeen Children from Timmins Treated in Sick Children's Hospital Last Year. Hospital Has Been a Life-Saver for Timmins Children.

The Hospital for Sick Children at Toronto, which for seventy years has been giving a unique service to sick and crippled children of Ontario and the Dominion, has found it essential to secure a new building. This building which will be modern in every respect, will cost at least six million dollars and the campaign has started to raise this amount. In this campaign a great lead was given by the Toronto Telegram and the Toronto Globe and Mail, both of which newspapers have generously devoted unstinted space and effort to the campaign. Other newspapers throughout the province and beyond are falling into line to help this wonderful institution. Similarly the City of Toronto and the Province of Ontario have given a lead in the campaign. Toronto has given a donation of one million dollars to the new hospital project, while one million dollars has already been subscribed by the province of Ontario. In announcing the latter subscription Premier Drew pointed out that the Hospital for Sick Children served the province and beyond in notable way. Not only did children come from all the province for treatment, but the Hospital kept so remarkable a record that the value to the health of the children was beyond reckoning.

Because of the value of the Sick Children's Hospital to the province and to the world at large, the campaign for the six million dollars is extended to all centres in the province. The chartered banks, after considering the matter, have expressed their willingness to accept donations for this worthy cause and forward them to the Hospital. That means that you can give your donation to any chartered bank. In addition nearly every centre in Ontario will have its special committee for this campaign. Timmins has such a committee Mr. Austin Neame being the chairman.

Presentation to Mr. H. Wood by Twixters Club

Another pleasing event held in honour of Mr. Harold Wood was a dinner by the Twixters Club. Mr. Fred Wolno, president of the club, on behalf of the members, expressed regret at the impending loss of such an active member. Miss Audrey Paice then presented the guest of honour with a leather, fitted writing case as an expression of appreciation from the members. Mr. Wood, in a suitable reply, remarked upon the harmony and co-operation that existed in the Twixters Club which he said made it a pleasure to work and belong to such an organization.

Miner of Long Experience Writes Valuable Paper on Accident Prevention

At the annual convention of the Ontario Mining Accident Prevention Association, held at the King Edward hotel, Toronto, June 26th, E. L. Longmore, general manager of the Hollinger Consolidated Gold Mines, was chairman.

Mr. W. O. Tower, Chief Inspector of Mines for Ontario, presented W. S. Johns, of Timmins, with Second Prize for his paper, entitled, "Accident Prevention in Mines." In making the presentation Mr. Tower referred to the mining record of Mr. Johns, pointing out that he probably had a longer mining experience than anyone else present. "I notice that his accident record is very good," said Mr. Tower, adding that as there were 13 papers submitted in this contest, many of which were of excellent character, Mr. Johns was to be heartily congratulated on winning the award.

Mr. Johns thanked Mr. Tower and the Mining Association for the award which he felt was a high honour.

Noted Author, Soldier and Lecturer in Hospital at Winnipeg

Major P. W. Rainier, noted engineer soldier, author, lecturer, who was largely responsible for supplying the 8th Army with water during its desert campaign, was seriously burned in the fire at Red Lake on Sunday. He is in hospital at Winnipeg. In Timmins and district there will be very general and sincere hopes for his complete recovery. He has hosts of friends here, having made a big hit here while visiting this district in connection with the Victory Loan campaigns. His address at the Timmins Kiwanis Club some months ago was one of the highlights of the years programmes.

There are eight known dead in the fire at Red Lake hotel on Sunday. Patrick Kiely, cook for a diamond drill concern, was arrested after the fire, charged first with arson, and later a charge of murder preferred against him. The fire destroyed the hotel in a very short space of time. As the register of the hotel was destroyed in the fire there was considerable doubt as to the number of dead. At present the dead are said to number eight. There was a report that Major Rainier was among those losing their lives in the disaster, but now it is known that he is in Winnipeg hospital and has good chance of recovery.

It was a full choral service, the choir singing while the guests were arriving. "The Voice that Breathed O'er Eden," and during the signing of the register, Miss Peggy Williams sang "Because," and the choir sang "O Perfect Love," accompanied by Mr. H. Treneer at the organ.

She had a full skirt and long train. Her full-length veil was crested by a spray of orange blossoms, which had been worn by her mother on her wedding day. She wore a string of pearls and carried a cascade of roses.

Attending the bride was Mrs. R. L. Heath, as matron of honour. She chose for the occasion a floor-length gown of white sheer with fitted waistline, sweetheart neckline and full skirt. Her hat was deep mauve flowers, with veil, and she wore matching gloves. She carried white carnations and gladioli tied with mauve ribbons.

The bridesmaids were Miss Katharine Montgomery and Miss Mary Gedge. Miss Montgomery chose a floor-length gown of yellow sheer over taffeta, with long torso and sweetheart neckline and full skirt. Several Records Made by the Legion's Big "V" Carnival of This Year

Attendance Was a Record. The Smoothly Running Organization Was Another Record. Programme Presented Could Also Be Classed as a Record One. Mrs. Gervais Winner of \$1,000 Bond. Nine Other Valuable Prizes Awarded.

The people of Timmins and district were delighted with the "V" Carnival presented by the Timmins Branch No. 88 Canadian Legion at the McIntyre Arena all last week. It made a number of records—record in attendance, record in its interest, record in its smooth-running, and record in the programme provided.

There were ten valuable prizes awarded on the last night of the Carnival, Saturday night, the prize winners being as follows:—

First—\$1000 Victory Bond—Ticket No. 27 Serial 28, held by Mrs. Joseph Gervais, 52 Sixth Ave., Timmins.

Ticket No. 26, serial 354, Mrs. C. Harpell, 31 Cody Avenue, Timmins.

It will be noted that there were ten grand prizes, instead of the nine advertised. In addition there were hundreds of fine ladies' silk stockings distributed to fortunate ones during the carnival and also looked upon by their lucky recipients as real grand prizes these days.

The drawing for the prizes was done on Saturday night's event. Mildred Morey, one of the talented artists, drew the first three tickets; Miss Louise Linden, and Miss Louise Burns, two others of the show's artists, drew the other seven tickets alternately.

The Carnival was all that a carnival should be. There were games, bingo, booths and everything and everybody attending had a very happy time.

And then, of course, there was the floor show which was an unusually good one. It had everything, balance, variety, interest and talent. There had been much regret that Miss Patricia Bailey had been unable to attend the

Mrs. R. McArthur of South Porcupine Dies at Age of 81

South Porcupine, July 4th, Special to The Advance.

The death occurred in Porcupine General Hospital on Monday of Mrs. Rachel McArthur, of 66 Powell Ave., aged 81. The elderly lady was taken to hospital last week with ruptured appendix and did not recover.

We extend our sympathies to her daughter, Mrs. Fred Vickers, with whom she lived, and her little grand daughter, Geraldine.

The deceased had made many friends during the past five years, in South Porcupine, as she was active and young in mind. She will be very sincerely mourned and missed.

She was born in England and came to Canada when only five years of age. Her husband predeceased her twenty-one years ago exactly. By coincidence the month and day were the same.

A sister Mrs. Cruikshanks, of Owen Sound, died just a month ago. Another sister is Mrs. Jane A. Davidson, of Winnipeg. Mrs. Wm. Hudson of Regina is also a sister.

Of her children the following survive:—Mrs. Fred Vickers, of South Porcupine; Mrs. Frank Sturgess (Gertrude), of Camrose, Alberta; Milton McArthur, of Dollard, Saskatchewan; Cecil McArthur, of Camrose, Alta., and Tom of Hinton Trail, Alberta.

The remains are resting at Hunkin's Funeral Parlors until Wednesday at 2 p.m., when Rev. J. C. Thompson will conduct services from the United Church.

event as intended, having been called overseas to entertain the soldiers and servicemen on duty. However, Miss Bailey promised that other artists of very special talent would be here to take the place of her company. The success of the floor show at the carnival last week proved that Miss Bailey certainly did not let the Legion Carnival down. The four artists featured were certainly good and their show was much enjoyed. While Miss Bailey was not able to be here for the occasion, her mother came up from Toronto for the event and the hearty reception given Mrs. Bailey when she was introduced to the crowds showed the popularity in which Pat Bailey is held up here.

Miss Mildred Morey, singing star of the Army Show, had the crowds going every minute she was on the stage. Her impersonations of Grace Fields brought down the house and she was equally successful in pleasing when she went along her own imitable lines. When she had the big audience going, it was easy to see why this personable young lady made such a hit with the servicemen.

Louise Burns, was advertised as the star dancer of the Navy Show. She would be the star dancer of any company, that talented and graceful young lady. Costumes that might well be termed as gorgeous added to the interest of the dance numbers. Her dancing of Scottish numbers made particular hit with the audience.

Louise Linden, star of stage, screen and radio, could do more than "make her piano accordion talk." She could make it fairly sing again. Her beautiful voice and her gifted singing, together with her remarkable work on the piano-accordion were pleasing features of the programme.

And last, but not least, there was Clair Rouse, "comedy and instrumental surprises," as the announcements said. There was comedy, all right, and the surprises were all happy ones. Somewhat overdone on his arrival on the stage, he began to pick unusual instruments from all over his person. Many of the instruments could not be recognized, but it didn't matter to Clair Rouse—he made music from all of them. His part of the show was full of fun and action and music. The crowds liked it. His concluding number put the cap on his popularity when he put himself behind the cell bars and then made music from even the metal strips that were supposed to hold him in.

Mention of the Carnival would not be complete without special reference to the music provided by Lieut. J. Lomas and the McIntyre Orchestra. This was a feature of each evening.

J. D. Brady acted as master of ceremonies for the floor show.

Al Wetmore, president of Branch 23, addressed the crowd Saturday night before the draw, outlining the objectives of the Canadian Legion, and the uses to which the money raised by the Carnival would be put by the local branch. Walter Greaves, chairman of the draw committee, officiated at the draw, assisted by Tom Glaister. After the draw, President Al Wetmore and Frank McDowell, chairman of the carnival committee, thanked the people for the generous support given the Carnival. There was also special reference to the kindly co-operation of the McIntyre Mine, the Tisdale officials and the many others who had assisted so materially in making the event a success. Officials of the Legion have also asked The Advance to express their very sincere appreciation for the wholehearted support given by the people of the Porcupine throughout the whole week.

The carnival started off well on Monday evening with a paid-up attendance of 793. On Tuesday evening the box office receipts showed an attendance of 694; Wednesday, 589; Thursday, 524; Friday, 893; and Saturday, 1,705. This makes a total of 5,198 for the week. That would have been good, but the actual attendance was even better. Apparently each night there were many who came in after the ticket takers were withdrawn from the doors. This was especially the case on Saturday night when it was estimated that the actual number in the arena at the time of the draw would reach 3,000.

While the four artists visiting here proved very popular with the public, they on their part seemed to be delighted with the North. They were not a bit anxious to leave, but quite interested in coming back. During the progress of the carnival, on Wednesday, June 27th, to be exact, the entire cast of artists visited Monteth, accompanied by Lieut. J. Lomas and his orchestra, Lieut-Col. Dave Currie, V.C., Frank McDowell and J. D. Brady who acted as master of ceremonies. While at Monteth the artists entertained the Veteran Guards, who were delighted with this good show.

Timmins Firemen had only two calls during the past week. One of these was on Monday afternoon for fire started in some rubbish in a back yard on Hemlock street. It is thought that boys at play were responsible for this fire. No damage resulted.

The other call was to 4 Hemlock street where shingles on the roof had become ignited. This fire was extinguished with only the loss of a few shingles.
