

THE LEGION COLUMN

The following letter speaks for itself: "To the Canadian Legion, B.E.S.L. Branch 88.

"Thank you so much for the wonderful week we have spent here with you during your carnival. Words cannot express our sincere appreciation for all your kindness and hospitality.

The same goes for the Legion standard bearers, Tommy Gay, Jack Farrer and Ken Hulme. The opening day of the carnival was a scorcher, the way was long and it was windy, but they are all pretty tough campaigners and they survived the ordeal remarkably well.

Nearly 4,000 at Game for Hospital for Sick Children Combines Win from the McIntyre, 4 to 1 Over \$1,100 was collected for the Hospital for Sick Children's Building Fund at the charity baseball game at Hollinger Park during the week-end, which the Porcupine Combines defeated the league-leading McIntyre team by a score of 4 to 1.

The game was rained out in the sixth inning for a short time, causing a loud protest on the part of the McIntyre squad, who had two runners on the bases. During the seventh inning, Umpire Pete Hackett called a balk on Vail, McIntyre's pitcher, for not pitching after his wind-up. The reason for Vail's balk was that a lady who obviously had disagreed with one of the umpire's decisions, was running up to present Hackett with a broom.
