POST-WAR ACTION CHIEF CONFERENCE AIM

Chief aim of the National Reconstruction Conference at Ottawa is to achieve Dominion-provincial co-operation in post-war re-employment of veterans (top) and assistance to small industries such as the poultry farmer (bottom).

TEN YEARS AGO IN TIMMINS

From data in the Porcupine Advance Files

This time ten years ago the Northern Ontario Golf tournament was concluded in Sudbury. Bob Lee of North Bay, son of Geo. W. Lee, was the new golf champion, having won the title from Cliff Oliver, of Iroquois Falls, at the Idylwyde golf club. It was a close match witnessed by a large gallery.
Hedley Moore of the Timmins Golf Club was the only local golfer to get into the win column.
Karl Eyre had a narrow escape from serious injury while driving down to the golf tournament at Sudbury. He had turned over, near Sturgeon Falls, to pass another car when one of the wheels of his car struck a deep hole, throwing it into the path of the second car. Both automobiles crashed into the ditch—the Eyre car not being badly damaged; both cars were able to proceed under their own power.

After a week at Nellie Lake Camp the Boy Scouts held a combined field day and visitors' day.
T. Waldon Thomson, Lieutenant Governor for Northern Division of the Kiwanis, was paying his official visit to Timmins ten years ago. Mr. Thomson is a cousin of Mr. Arch. Gillies and was accompanied on his visit by Mrs. Thomson.
Part of the superstructure of the Frederichouse Dam was damaged ten years ago and it was estimated that \$200 or less would cover the cost of the repairs needed.

A Track and Field meet for boys was held on the Cyanide ten years ago. Schumacher boys came over to Timmins and took back the honour. Mr. Sparks, their trainer, accompanied the boys. The visitors had a decided advantage in the events for younger boys, while Timmins shone in the jumps and relays.
One of the sporting events of the season was held when the Kiwanis Club members met the Lions Club members in a softball game ten years ago. Lion issued the challenge and it was promptly taken up by the Kiwanians.
Members of the George Taylor Hardware staff met at New Liskeard for a picnic at Twin lakes, scores of cars and trucks transported the staffs from the various branches—Cobalt, New Liskeard, Noranda, Kirkland Lake, Timmins and Cochrane. Over 200 members of the company's staffs, their families and friends met at the summer homes of Messrs. W. A. Taylor and R. S. Taylor, as their guests. Boating, racing, games and sports took up the entire day. Catering for the noon hour luncheon and at dinner in the evening was undertaken by the ladies of Hudson United Church. The meals were served under a huge marquee. At dusk, a bonfire, brilliant firework display and community singing brought to a close a perfect day.

Three men and two women were convicted of vagrancy in Timmins police court ten years ago. "One thing I like about these cases" remarked Magistrate Tucker "is that they're nice and quiet". The young people convicted were all deaf and dumb.
It was rumoured ten years ago that the quintuplets were going to Hollywood to appear in a picture entitled "The Milky Way". They were to be co-starred with Harold Lloyd, so the rumour said.

Ten years ago local farmers were urging an improvement in the market. The stalls were then situated up against the Pine street fence of the old ball park, face towards the back of the grand stand. The council were petitioned to have the arrangement altered so that the fence will be removed and the stalls immediately accessible from the street.
Construction was being started immediately on the 100 ton mill at Ramore. The Hollinger let this contract to Hill-Clark-Francis.
Ten years ago Premier Bennett announced the date of the forthcoming Dominion election to be October 14th, 1935.
From Kapuskasing the death was reported ten years ago of Melville C. Robinson of Peterborough, who was drowned while attempting to go through the White Water rapids in an outboard motor boat.
A resolution was passed by the council to direct the attention of the Minister of Highways to the dangerous condition of the roads between Timmins and South Porcupine.
Among the items of local interest ten years ago were the following:—Miss Pearl Hart of Cannington is visiting her sister, Mrs. Geo. S. Drew. Mrs. J. O. Rose of Guelph, is visiting her daughter, Mrs. Roy Asseltine, of Schumacher. Mrs. George O. Wallingford and baby son, Ray, returned Monday from a short vacation in Buffalo.

C. A. Remus left on Wednesday for a motor trip to Golden Lake, near Pembroke, where he will join his wife and family.
Miss Edith Hill returned this week from a holiday visit to North Bay and other points south.
Mr. and Mrs. R. Smith returned this week from a trip to Ottawa and Montreal.
Miss Elizabeth Eedy and John Eedy motored up from St. Mary's last week, and spent a few days in town with their sister Mrs. Arch. Gillies.
Mr. and Mrs. Duncan Curtis and sons, James and Keith returned recently from a three weeks' motor trip to Barrie, Ottawa, Toronto, Hamilton and Detroit.
A visitor to Timmins, ten years ago, remarked that if we had as much gold dust as we had dust on the roads "you would certainly have a wonderful country".
Amelia Galli-Gurci the internationally famous prima donna was operated upon recently for a goitre in her throat, reported the Advance ten years ago.
The Robert Simpson Co. observed the official opening of their new store at 43 Third Ave., and the Grand Hotel also announced their opening.
Charlie Brown of the Timmins Gun Club carried off first prize in the big meet in Timmins ten years ago when marksmen from Cochrane, Schumacher, Coniaraum, Gold Centre and Timmins gathered at the trap down near the Hollinger compressor house. He and Capt. Douglas Jones of Coniaraum were tied at 40 hits out of 50 birds and in the following round Mr. Brown won out.

Canada's blood donor service began late in 1940. By the end of 1944, 1,758,967 blood donations had been received.

Donations from private service clubs and organizations in Canada to the United Kingdom totalled \$15,742,404 for the two years 1942 and 1943 alone.

Beauty and You

by PATRICIA LINDSAY

Learn How to Walk and Climb to Preserve Figure Beauty

The war has done one thing for American women—it has limited her means of transportation and forced her to learn again how to walk! This is a very good thing.

Figure beauty is preserved through sufficient exercise, correct posture, balanced meals and discipline. The dowager's hump, spreading hip line, thickened thigh and puffy midriff were all due to a lethargy which too easy transportation encouraged. Now you will see better figures and improved beauty!

How Do You Carry Yourself?

Miss Dorothy Nye, who is expert in remodelling lazy women, instructs how to climb stairs or hills properly. Do you climb the hard way with both knees bent, your back rounded and head sunk between your shoulders? The lift as you climb comes from hips and lower back (which causes strain), and you swing from side to side as you struggle to get up the stairs or grade. This is wrong. "Be comfortable," Miss Nye cautions. "Start with good posture whether there are two steps or twenty. Put your best foot forward with the heel down. Your body is on line from the foot on the lower step to the crown of your head. It is slightly inclined so your weight is over the leg which is doing the lifting. Only one knee bends at the time (that is the forward one)."

Such posture permits you easy breathing and lifting. You mount the stairs in rhythm without losing your breath control or straining your back muscles. You also are nicely poised when you reach the top!

How to Walk

When you walk, walk in good posture. This requires comfortable shoes with medium or low heels. Carry the weight of your body mostly on the outside borders of your feet. Point your toes straight ahead—neither inward or outward. Remember the foot has three points of contact (1) the heel, (2) outside border, (3) the toes. Push ahead firmly with strong toe muscles with legs swinging freely from the hip joints. Do not bend your knees too much and do not waddle from side to side! Your buttocks muscles should consciously be held taught. You can practice firming your buttocks at home when you are free of all undergarments.

Northern Pioneers Observe Fiftieth Wedding Event

Mr. and Mrs. Joseph Martin, 52 Third Avenue, celebrated their Fiftieth wedding anniversary last weekend. It was also the thirteenth birthday of their grandson, Michael Feldman, son of Mr. and Mrs. Alex Feldman, 13 Maple Street, South.

Many friends and relatives were on hand to extend felicitations when they gathered at Feldman's cottage at the river last Sunday to commemorate this memorable occasion.
The guests of honour have been residents of Timmins for the past 27 years.

Mr. Maurice Brovender was master of ceremonies at the birthday and golden wedding celebrations.

Canada's blood donor service began late in 1940. By the end of 1944, 1,758,967 blood donations had been received.

District Governor Visits Local Kiwanis

The regular weekly meeting of Timmins Kiwanis Club was postponed from Monday to Wednesday for the purpose of greeting District Governor Lyle Burdick, of St. Thomas, on his official visit. Governor Burdick's jurisdiction is known as the Ontario-Quebec-Martimes District and extends from Sault Ste. Marie on the West to the Atlantic seaboard, embracing sixty-three clubs.

President Frank H. Bailey occupied the chair and the Governor was introduced by Past Lieut-Governor W. O. Langdon.

Governor Burdick pointed out that Kiwanis could perform a wonderful service for the community by helping people to be better citizens by realizing their responsibilities to their community. He instanced the low percentage of voters who think enough of their franchise to cast their ballots in any kind of election, and thought that there was much that could be done by Kiwanis to correct this condition. Good citizenship was the keynote of his very thoughtful and inspiring address, and the appreciation of those present was suitably expressed by Past President Jack Beattie.

In the weekly draw for a war Savings Certificate the winner proved to be Secretary W. H. Wilson.
Visitors for the day were James R. MacBrien, Port Perry; W. H. Drew, Cobourg; George Waller, Hamilton; Kiwanis Club; and Vincent Woodbury, San Antonio (Texas) Kiwanis Club.
Community singing was conducted by Fritz Woodbury, accompanied by W. H. Wilson.

Afternoon Tea of the Auxiliary

Members of the Ladies Auxiliary of the Canadian Legion held an afternoon tea on the lawn at the home of Mrs. L. Nicholson, 6 Power Line.

Those present at the meeting were: Mrs. L. Nicholson (Sr.), Mrs. Beaudry, Mrs. W. Wilkinson, Mrs. A. Borland (Sr.), Miss Mamie Borland, Miss Helen Borland, Mrs. W. Johnson, Mrs. L. Mason, Mrs. T. Gay, Mrs. R. Sibley, Mrs. L. Nicholson (Jr.), Mrs. E. Finchen, and Mrs. R. Herdy, the hostess.

Minor Charges Heard at Police Court on Tuesday

A variety of cases came before Acting Magistrate S. C. Platus on Tuesday at the Police Court, four being fined \$1 and costs for not having a bicycle license. Ervi Jutila paid \$25 and costs for careless driving, while five speeders contributed \$15 and costs each. Two drunks were fined \$10 and costs and one was dismissed. Albert St. Jean, charged with being drunk in charge of a car, was given seven days in jail and had his driving license suspended for six months. Three men were charged with breaking and entering by night, Paul Garant, Omer Martin and William Morin. Garant was sentenced to six months imprisonment, Martin received a term of nine months, and Morin was bound over for a year in the amount of \$100.
A charge of dangerous driving laid against John Hedican was dismissed as was a charge of indecent assault in the case of Arthur Charette.
Game Warden Don Sylvestre had charges of hunting without a license against Roger Lemire and Val Legendre. Both men were fined \$10 and costs.

Little Johnny had come in from play with an enormous rip in his pants. His mother instructed him to go upstairs at once and take them off. A few minutes later she heard the sound of footsteps in the basement. Peering down the stairs she called, "Are you running around down there with your pants off?" No, ma'am, came the startled reply. "I'm checking the electric meter."

Two flies were strolling along the ceiling. Suddenly one of them paused. "You know," it remarked, "human beings are silly." "Why do you say that?" asked the other. The first fly tapped the ceiling with its foot. "Well take a look," it chirped. "They spend good money building a nice ceiling and then they walk on the floor."

The noon whistle blew, and Joe and Bill grabbed their lunch pails and sought a shady tree. Joe pulled out a long package and started to unroll it. "What have you got there?" asked Bill. "While my wife was away," returned Joe modestly, "I made myself a pie." "A pie? It's kind of long for a pie, isn't it?" "Of course it's long," answered Joe. "It's rhubarb!"
