

Hollinger Baseball Team Wins From McIntyre

The Hollinger baseball team sent down the McIntyre squad to a 3 to 1 defeat on Sunday afternoon at Hollinger Park in the best baseball game played here this season.

The Hollinger team played an errorless game, while the McIntyre team made only two errors.

The game was touch-and-go all the way to the fifth inning, when Bridgeman scored a run for Hollinger on Schwab's hit. In the next inning Comisso scored for Hollinger on Bridgeman's hit.

In the same inning, Tennant's pitching weakened. He walked two men and gave two hits. Baker's hit sent Anderson home to score the done run for McIntyre.

The undoubted star of the game was Dick Bridgeman, Hollinger's second baseman. He made three hits, and put one player assisting in four other plays.

Tennant's pitching and the fast, accurate infield work of the players were the main reasons for Hollinger's victory.

For the past few weeks your correspondent has been frittering away the golden moments alongside of a cooling lake, catching some big ones and swatting the little 'uns, and this column seems to have been somewhat neglected in consequence. However, it might please you to know that the time was spent very enjoyably. We have, if you look at things from every angle, everything within reason in this north country to entertain you if you take your vacation in the woods, including the delightful little black fly, who seems to be able to absorb a blood donation large enough to drown himself in, and the friendly horse fly, who isn't a bit particular with whom he associates so long as he gets his pound of flesh, and he gets it pretty often. There is, in addition, a wide range of bugs and beetles, all armed with some kind of a stinger to help make life interesting. Taking it all in all—whether you loaf, fish or bathe—life is really never dull in our Northern woods.

In the meantime Comrades Art Jenkins and Walter Wilkinson have been working like beavers in preparation for the coming Legion Flower and Vegetable Show. Everything is now arranged down to the last detail. The stage will be set for Saturday, August 25th, and on that date every comrade who has flowers or vegetables of any kind to show, of his own growing, is expected to trot them out and place them on exhibition. The entrance fee for exhibition is two modest bits. For that small sum you may show in one class or in every class; as many exhibits as you are able to bring in. The prestige of the branch is at stake, comrades, and no excuse for failing to participate will be accepted.

Exhibits will be received at any time on Saturday, August 25th, until 3 P.M. Messrs. Walter and Albert Riggs will judge the exhibits at that time and the Show will be thrown open to the public at 5 P.M. There will be a silver collection at the door—so don't come unprepared. The Ladies Auxiliary will be on hand to serve refreshments. You will find lists to follow in preparing your exhibits on the notice board downstairs. If you want further information don't be afraid to ask for it.

While on his vacation in the south Bert Ketyler visited a few old timers from Branch 88. Harry Pope wished to be remembered to all the boys. Walter Devine is still working hard in the interests of the servicemen in Toronto. Walter is occupied with rehabilitation and pensions. Alf Belamy also sent his kindest regards. Comrade Fred Curtis and Mrs. Curtis are leaving on Wednesday for Quebec, the first lap in their journey to the Old Country. Fred was one of the founders of Branch 88 and served for many years on the executive committee. He was also one of the entertainment committee's most active workers and his departure is deeply regretted by all who knew him. Mrs. Curtis was a valued executive of the Ladies' Auxiliary.

Comrades F. Melville and J. Gordon—holders of the doubles championship trophy for 1945—have issued a challenge to any team of players who care to contest their right to retain the trophy. This establishes the right for any two players in turn to challenge the current holders of the trophy; it also provides a brand new

Blueberries for Dessert Two Timely Recipes

Now that blueberries will soon be coming more plentiful and most housewives are searching around for ideas and new ways to use this fruit while it is in season the following recipes, which are both easy on the butter and sugar ration, may help to solve the dessert problem during warm summer days while the blueberries are in season.

RECIPES.

Blueberry Crumb Cake.
1-4 cup mild flavored fat.
1-4 cup sugar.
1 cup pastry flour or 7-8 cup all-purpose flour.

1-2 tps. baking powder.
dash of salt.
1-3 cup milk.
1-4 tsp. vanilla.
2 cups blueberries.

CRUMB TOPPING
1-4 cup sugar.
1-3 cup flour.
1-2 tsp. cinnamon.
1 tsp. butter.
1 tsp. mild flavored fat.

First, prepare topping. Sift flour, sugar and cinnamon and rub in fat. Cream fat, add sugar and cream together until light, add beaten egg. Mix and sift flour, baking powder and salt. Add dry ingredients to egg mixture alternately with milk. Add vanilla and pour into a greased 8-inch square cake pan. Spread washed blueberries on top. Sprinkle with crumb topping and bake in an electric oven, 350 degrees, for 45 minutes. Serve hot either plain or with top milk or cream. Six Servings.

Blueberry Rhubarb Sauce
1 1-2 cups rhubarb, cut in 1-inch pieces.
1 1-2 cups blueberries.
1-2 cup water.
1-2 cup sugar.

Pour boiling water over rhubarb, let stand 5 mins. and drain. Mix rhubarb and blueberries, add water, bring to boiling point and simmer gently until rhubarb is tender, about 8 minutes. Remove from heat and add sugar. Chill and serve with cookies or use as a sauce with blanc mange. May also be served hot with plain cottage pudding.

Northern Ontario Fish and Game Protection Fed'n Organized

A meeting which should be of much interest to local fishermen was held at the hotel in Iroquois Falls on Wednesday, Aug. 8th.

Members of the Iroquois Falls Fish and Game Protection Association were hosts to visiting sportsmen from Cochrane, Matachewan, Schumacher and Timmins. The Kirkland Lake club was not represented but they already expressed that they were in favour of organizing the clubs of the North which will be known as Northern Ontario Fish and Game Protection Federation.

After a most enjoyable dinner the organization meeting was held, and the following officers were elected:— Pres. Mr. W. Shields, Schumacher; Vice President, Mr. Redmond, Iroquois Falls; Secretary, Mr. S. J. Morgan, Timmins; Treasurer, Mr. G. Cameron, Iroquois Falls; Acting chairman at this meeting was Mr. Redmond, Mayor of Iroquois Falls.

It was decided that the first annual meeting of the Federation will be held in Schumacher in the fall. Schumacher being chosen in honour of the first president of the new Federation.

Those attending the meeting at Iroquois Falls were:—Mr. G. Cameron, Mr. Beaudoin, Mr. Redmond, Mr. A. C. Cutten, Mr. Laframboise, Mr. Cybulski, all of Iroquois Falls. Representing Schumacher were:—Mr. W. Shields, Mr. MacDonald, Mr. Robinson, Mr. Sauder, Mr. Sylvester. From Timmins were:—Mr. S. J. Morgan and Mr. Farrell. Cochrane representative was Mr. Lake and from Matachewan:—Mr. White and Mr. Graham.

Summer Vacation School Opened on Monday

South Porcupine, Aug. 15th. Special to The Advance.
A Summer Vacation School, which is being held under the auspices of the United Church and the Anglican Church in South Porcupine, opened on Monday, August 6th. Each night, the boys and girls have been having a very instructive and happy time. On Friday of this week there will be a grand closing when parents and friends will have an opportunity of observing the good work carried out by the children under a staff of competent and devoted teachers.

There are one hundred and four pupils attending the school. It is divided into Junior and Primary departments. The superintendent is Mrs. J. W. Bawtinheimer. She is assisted by the following personnel: Mrs. Oxy, Mrs. McLellan, Miss Couch, Miss Ursulak, Miss Draper, Mrs. Harold Smith, Mrs. Delong, Mrs. W. Smith, Miss Mairs, Miss D. Whitton, Mr. B. Edmundson, B. Edmundson, Jr., Mr. H. Smith, Mr. Longley, Mrs. McCaffrey, Mrs. Walker, and the Reverends Scott and Ford.

The pupils are taught to appreciate the wonderful things in "The Father's World". Time is taken each evening for religious instruction which is of course considered paramount. Then the girls are taught how to make useful articles, including a layette for a baby. The boys are taught how to shape out wood into toys and other articles. Games are played, hymns and songs are taught, and a number of other things are the object of study. Those who attend on Friday night at 6:45 will have an opportunity of a personal contact with the work. They will also find out that the children are not simply thinking of themselves but are thinking of children in the war-torn parts of Europe at this time.

A sailor is a guy who is worked too hard, gets too little sleep, takes verbal abuse no civilian would take, does every imaginable job at every imaginable time, never seems to get paid, never knows where he is going, can seldom tell where he's been, accepts the worst with complete resignation, and last but not least—he really likes it.

Lady (on telephone): "Is my husband there at the club?"
Porter: "No, ma'am."
Lady: "But I haven't told you my name yet."

Porter: "That don't make any difference ma'am, there ain't ever any woman's husband here at this club."

He was one of those drill sergeants who make basic trainees quake in their brogans. One day he bellowed, "Eyes right!" From the rear ranks came an unidentified drawn, "Yo sho is, suh; yo's a sergeant."

The sergeant was giving advice to the private going on a date: "If your girl wants to eat, watch your manners; if she wants to talk, watch your grammar; if she wants to make love, send for me."

Kiwanis Picnic Successful Event

The sport of horse-shoe pitching is coming back, and at the recent joint picnic of South Porcupine and Timmins Kiwanis Clubs, held at the Putfalo-Ankerite Beach, a contest was staged for Kiwanis Lieut-Governors which produced some very fine pitching and spirited competition.

In the first game, Lieut-Gov. Stan Gardener, of South Porcupine, and his partner, Jim Carney, were eliminated by Lieut-Gov. Bill Langdon, of Timmins, partnered by Frank McDowell. At the tenth end the score was tied, but Langdon snatched a two-point lead and held it to the finish, the final score being 21-14.

The second game was a fierce battle from the half-way mark to the end. Langdon and McDowell were opposed by Lieut-Gov. Percy Moisey and his team, Pick Pickering. Langdon held a double score advantage at the tenth end, but soon the little fellows made it 12-13 and then took a threatening lead at 19-16. The bolt was shot at that, and the Langdon team scored five points in the last three ends to take the game and the championship, the final figures being 21-19. It is understood that a suitable trophy will be presented to the winning captain at some future date.

R. C. A. F. Repatriation Routine Explained

The following open letter to Branch Presidents, Ontario Division, Canadian Red Cross Society, explains the procedure being followed by returning personnel of the R.C.A.F. from overseas.

To Branch Presidents, Ontario Division,
The Canadian Red Cross Society.

Letters have been received from Branches and relatives asking why no advance information as to R.C.A.F. officers and men returning is obtainable through the Red Cross.

Will you please note the following:
1. ALL repatriated R.C.A.F. personnel are sent to No. 1 Repatriation Depot at Lachine, Quebec, for processing

The 1,000th Canadian-made Mosquito airplane has taken off for the Pacific. It rolled off the assembly line at De Havilland Aircraft in Toronto and was on its way within an hour. The Mosquito travels at more than 425 miles an hour and carries 1,000 pound bombs.

Do you know that the big Pileated Woodpecker or "Cock-of-the-Woods" is increasing in Southern Ontario? Records in the Royal Ontario Museum show that it had virtually vanished from this region by 1900. It started to increase about 1930.

A doctor had an urgent call from a man to the effect that his small son had swallowed a fountain pen.

"All right," replied the doctor, "I'll come at once. What are you doing in the meantime?"
Came the answer: "I'm using a pencil."

There are more men in Canada than women. Of the total population 14 years of age and over on April 1, 1945, 4,567,000 were men and 4,382,000 were women.
